Shire of Coolgardie

From the desk of the CEO

Greetings to all,

I was fortunate to take a break with my family over the Christmas period, and took the opportunity to view a few particular museums on our travels in the South West region of our State, the area that our family originates from. I visited the Dardanup Machinery Museum, which has an incredible collection of running engines, pre 1950 cars, some steam engines, tractors and stationary benzene engines. This is a private collection owned by the Brooks family and is just amazing. I would thoroughly recommend it to anyone with an interest in old engines or old cars. I also visited the Bassendean Rail Museum, which is a display of static steam trains. The size of some of those trains was quite intimidating. I would imagine that they are a sight to behold when running. I also had plans to visit the Yarloop Steam Mill, which I last visited about 15 years ago (how time flies) but now it has very sadly been reduced to ashes. This is not only a great loss to the town but to the entire State. This loss really indicated to me how lucky we are in the Goldfields to have easy access to so much history, with old engines laying around and old mine sites sitting in the bush mostly in close to original condition. People in Perth would be envious if they had any inclination of what is laying about over the scarp.

With the weather cooling, our Summer Outdoor Movie series will be wrapping up toward April. Please come out and see a movie with your kids, or just as a chance to be outside with a friend. Being part of a small community, it is always nice to see anyone who turns up to enjoy a film and a snack.

The Shire of Coolgardie recently hosted a meeting in the Coolgardie Recreation Centre to gather comment on the proposal to move the Coolgardie Administration office into the Coolgardie Recreation Centre. I would like to thank everyone who attended and made comment. There are occasions that we seek public comment, and not many people (if any) turn up. It is always nice to have residents arrive to discuss their concerns, and we do our best to find a good outcome.

Shire representatives recently gate crashed a meeting in Kalgoorlie, to discuss where the location of the Kalgoorlie Boulder Drag Strip could be located. As the Shire of Coolgardie has been working on this for a few years, we were a bit confused about why this was being progressed when we already have progressed so far on locating a facility in Kambalda. It was a relief to hear that the Kalgoorlie/Boulder Mayor spoke on ABC radio, indicating his Shires support for a strip to be located in Kambalda. This is something that our Council has been working toward for some time, and forms part of the draft Town Planning Strategy number 5. Council have identified with local mines about 20ha of land for motor sport north of Kambalda, with at this time, only the Department of Minerals and Petroleum being the usual objector (imagine that).

At the Ordinary meeting of Council on 23 February 2016, our Council agreed to conditionally lease the old Railway Station and reserves to the Loopline. This is an absolutely outstanding result for the community with the Loopline demonstrating fantastic community based outcomes in Boulder. We will be working with Loopline and sectors of the Coolgardie community to get the best result for this community asset. I expect one of the first issues will be dealing with the high level of criminal damage inflicted on our old train and carriages, which is very disappointing. As a reminder, if you see damage happening on our train, or any other community asset, please report it to the police as soon as possible. Our police are interested in stopping crime, and getting the baddies. Please talk to them.

Stay safe.

New group aims to empower Aboriginal people

The Coolgardie Aboriginal Advisory Group officially formed on Wednesday, 24 February 2016.

The group will act as an advisory on local Aboriginal issues to the Shire Council, and work with State Government Agencies to identify opportunity and improve the health and wellbeing of people living in the Shire of Coolgardie.

Shire of Coolgardie Chief Executive Officer, Paul Webb said “that it had been identified in Councils Strategic Directions Plan that consultation and engagement with the local Aboriginal community needed to be occurring in order to provide advice to Council on Aboriginal issues. The development of an Aboriginal Advisory Group not only assists with this directive but also provides our local Aboriginal community members with a much needed voice”.

At a preliminary meeting the group identified a number of current concerns, including youth education and wellbeing, economic development and training opportunities, barriers to employment, drugs and alcohol abuse. The group discussed ways to address these issues and identified activities which would provide new opportunities for both Aboriginal people and the wider community.

Newly elected chairperson Rose Mitchell commented, “this is a great opportunity to assist the Shire and to help provide solutions and engage in something positive, and to unite the community”.

Shire of Coolgardie RACISM. IT STOPS WITH ME

RACISM. IT STOPS WITH ME

Announcement of campaign support

Shire of Coolgardie is proud to have joined forces with some of Australia's leading businesses, sporting bodies and Non Government Organisation's to support the "Racism. It Stops With Me" campaign.

Our organisation has committed to preventing racism by pledging to undertake activities in support of the campaign.

Shire President Mr Malcolm Cullen stated

"The Shire of Coolgardie is pleased to be associated with the Racism. It Stops With Me Campaign, and we look forward to promoting this valuable message to the community.

Each member of a community should feel free from interference, intimidation or disparagement, irrespective of race, age, gender, or cultural beliefs.

Respect for the rights, dignity and integrity of others is essential for the well being of a community.

We are also pleased to have commenced working with the "Together We Can Programme" which will further create awareness of this message within the community".

Research from 2011 shows that one in seven Australians say they experienced discrimination because of their colour or background. This figure that has been increasing steadily in recent years.

Research has also shown that 70 percent of people agree that Aboriginal and Torres Strait Islander and non-Indigenous people are prejudiced against each other.

The national "Racism. It stops with me" campaign, which is being led by the Australian Human Rights Commission, has been developed by a partnership of government and non-government agencies.

For more information about the campaign go to: <http://itstopswithme.humanrights.gov.au/>
Or follow the campaign on Twitter @ItStopsWithMe.

Shire saves on Solar Panel Project

The Kambalda Community Recreation Facility has been fortunate enough to receive a 100 KW solar photovoltaic (PV) system installation, through grant funding that was awarded to the Goldfields Voluntary Regional Organisation of Councils (GVROC) from the WA Country Local Government Fund to carry out this installation. This project will align with the Goldfields-Esperance Region 2011-2021 Strategic Plan. The Shires of Esperance, Dundas, Ravensthorpe, Leonora, Laverton and Menzies are also scheduled to have a number of significant solar PV systems installed in the 2015/16 and 2016/17 financial years.

A technical analysis was completed in 2014 outlining Shire owned facilities that were ideal for solar PV installations. From this analysis it was suggested that the Kambalda Community Recreation Facility was suitable for installation of a 100kW solar PV system.

This project will save the Shire of Coalgardie a considerable amount in electricity costs each year and will reduce consumption of electricity from the grid and consequently, significantly reduce CO2 emissions currently generated. The construction tender has been awarded and the PV system is due to commence construction in mid April with a completion date of 28 May 2016. The Shire of Coalgardie is excited about the installation of the system and looking forward to seeing the reduction in the electricity charges to this particular building.

Shire of Coolgardie Banners in the Terrace

The Shire of Coolgardie invites members of the community to design a banner based on the theme **“Local Impact”**

One of these entries will then be selected by Council, and at no cost to the winner, printed to a banner. This banner will then be entered in to the City of Perth’s 2016:

“Banners in the Terrace Competition”

- The artwork must be completed on A4 paper.
- The artwork must be a design which represents the Shire of Coolgardie.
- The artwork must have Shire of Coolgardie (wording) incorporated into the design.

All entries are to be completed and delivered to the Shire of Coolgardie Office before 2.00pm Friday, 22 April 2016

For more information please contact Jasmine Henning on 9080 2119

This is a friendly reminder to all property owners and occupiers of your responsibility in regards to Fire Hazard Reduction as per The Bush Fire Act 1954.

Pursuant to the powers contained in Section 33 of the Bush Fires Act 1954, you are hereby required on or before the first day of November 2015 or within fourteen days of your becoming owner or occupier of land should this be after this day to clear all firebreaks and remove flammable materials from the land owned or occupied by you as specified hereunder and to have the specified land and firebreaks clear of all flammable materials from the first day of November 2015 up to the thirty first day of March 2016.

“Flammable material” does not include green growing trees or green growing plants in gardens. It also does not include plants native to the region that are fire resistant, for example; saltbush shrubs.

Coolgardie Community Men's Shed

February has been a busy productive month at the Men's Shed. We have had breakages, repairs and best of all we have had a "Running of the Engines" session with our first group of visitors. These engines have all been fixed and rebuilt by our members. Job well done, and the good thing about the shed is there is always plenty to do!!

Left and right:
Vintage Car Club visit to the
Coolgardie Community Men's
Shed on Sunday 28 February

Keep up to date with our progress on Facebook, we have videos, pictures and photos.

The Shed is open most Sunday's and everyone is welcome to come down to the Old Railway Goods Shed and meet the team, and take part in the projects or just pop in for a coffee.

Sun Smart Country Championships 2016

Three swimmers from Kambalda recently swam at the annual Country Championships held in Perth at the HBF stadium on the 9th and 10th January 2016.

Rianna Matulin, Kyle Matulin and Jameson Vodden qualified to swim alongside swimmers from around the state's regional areas, with 37 clubs participating.

Kyle Matulin shaved 00.67 seconds off his already impressive 50m breaststroke time to a 47.75 and a 00.78 second PB in his 50m backstroke.

Rianna Matulin brought home a Bronze medal, coming an overall 3rd place for her 50m backstroke with a time of 36.12 seconds.

While Rianna swam in 6 events, she achieved a PB in 5 of them. A successful swim in the girls Regional Freestyle Relay saw Rianna win a bronze medal as she joined forces with girls from the Kalgoorlie and Esperance swimming clubs.

Jameson Vodden came home with a Silver medal, coming an overall 2nd place for 50m Butterfly with a time of 38.57 seconds.

Jameson also achieved 4 PB's over the weekend

Country Pennants 2016

Our swimmers have been

training hard in the pool and are ready to represent Kambalda at the annual Country Pennants Championships, in Moora this year on Saturday 5th and Sunday 6th March 2016.

A squad of 16 swimmers will be making the trek to Moora to try to keep our place in the B Grade division, which the Kambalda club has remained in since hosting Country Pennants in Kambalda in 2011.

There will be 30 clubs competing over the Labour Day Long weekend, and while the swimmers will be defending their Pennant and aiming for PB's, a lot of fun will be had too.

Good luck to the Team

12 Hour Lapathon 'Colours'

FRENCH BREAD SHOP

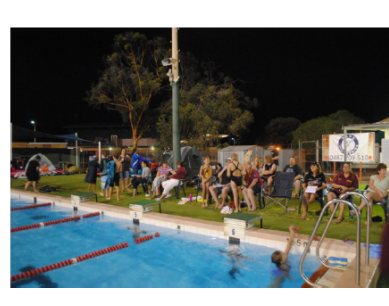

As the residents of Kambalda began to turn in for the night, there was one group whose night had just begun.

The Kambalda Swimming Club were hosting their annual 12 hour Lapathon, where teams of swimmers had to ensure that someone was swimming continuously in their lane from 6.00pm Saturday night through to 6.00am Sunday morning.

This year the Kalgoorlie Swimming Club joined the fun with their own team First Class, while two families from Esperance came up to help boost the two Kambalda teams, Back in Black and the M&Ms, to make a total of 36 swimmers. DJ Kev helped keep everyone awake with some good music, while the ESS Kambalda Village made sure no one went hungry by donating delicious soup and buns. The French Hot Bread Shop donated 2 cakes & dinner rolls which was a real treat for swimmers and parents lap counting. Games were organized throughout the night and pizza arrived at midnight.

We would like to thank everyone who sponsored a swimmer, your generosity is what helped make the night a success, also our sponsors of the evening,

The final laps swum: First Class 808 laps, Back in Black 814, M&Ms 680 laps

Well done to all swimmers getting through the unusually cold, windy night .

GOLD FIELDS

MARCH SQUASH NEWS

The **2016 Pennant** season kick starts on **February 24th** and unfortunately we aren't able to field a full compliment of teams and therefore have only 7 teams competing. It should still make for some interesting and competitive squash and we have been supported once again by some members of the Kalgoorlie club making the journey to compete with us. There hasn't been much action during the off season, but Social Squash has continued on Monday evenings with a few regular attendees attempting to improve/maintain their skills for the upcoming season.

Message from the Vice President

The last 2 months has been very and up down for the Kambalda Football Club, but I'm confident that we have made excellent progress to ensure its viability this season and for the seasons to come. We have spent a lot of time developing relationships with community members in the Northern Goldfields (Leonora and Laverton) which I'm sure will allow us to keep three teams on the park. At this stage we have interest from up to 20 senior players from the region, which is a mixture of reserves and league players.

It has also opened up other avenues for sponsorship from the northern region, where companies and members of their community are really keen to see this solution work.

We are working with some local companies to ensure we can keep our players in the area through any employment opportunities. We are also working to get some additional players into the town, to ensure we can be competitive on the field.

We appreciate the continued support of the people and businesses of Kambalda and urge anyone with an ability to have a kick to come down and join in. The club is making an effort this year to open up a lot more functions to the public in order to keep some buzz about in the town.

If you have any suggestions or wish to discuss any issues, don't hesitate to contact me on 0421 726 201 or ryan@ausminer.com.au

Thanks

ScoutsWA provides opportunities for young people who, because of isolation through distance or other circumstances, and who are unable to be a regular member of any section within a Group, for them to join the Lone Scout Group. The aim of the Lone Scout Group is to provide Scouting for all youth members who cannot attend normal active meetings to have the opportunity to experience Scouting. Lone Scouts enjoy a very similar experience to that of their formation counterparts, Scouting activities are planned through the Lone Scout Leader for their respective section and supported by an Adult Helper in the local community. Lone Scouts come together at times throughout the year for camps, Branch and other activities.

TAPS are your home maintenance specialists, doing all jobs big and small.

We are here for all residential, industrial and commercial plumbing needs in Kambalda, Kalgoorlie, Coolgardie and surrounding areas.

Are your drains constantly blocking up?

You may have a build up of fat or roots growing in your pipes. Contact us to ask about our camera inspection and drain cleaning options. Our high pressure jetter machine and expert knowledge will get your drains working like new.

- Aircon installations and servicing
- Gas installations and repairs
- Drain unblocking and cleaning
- Leak detection and repair
- Bathroom and kitchen renovations
- Handyman work

Hot Water Systems

- New installations
- All servicing
- Anode changeovers
- Gas, Electric and Instantaneous

By getting a simple service or an anode changeover you can increase the life of your system and the quality of your hot water.

- Rotting anodes can destroy an otherwise perfectly good system, changing them before this happens is very important.

No job too big or small, Taps does it all

The Pastor's Pen with Bill Kirkland

There is a story told of a man who rolled his car and ended up trapped. The car catches alight and the man appears to have little chance of escape. Suddenly a passing motorist stops and races over to the car and rescues the man. In the process of the rescue the hero becomes severely burned. The man trapped in the car escaped any injury and was so relieved he was still alive that he just wanted to go and hug his wife and kids. He completely forgot about the man who rescued him. Ingratitude can be a very ugly thing. It was understandable that the man wanted to hug his family but thoroughly selfish of him not to show appreciation to the one who suffered while risking his life to save him.

Jesus said 'For God did not send His Son into the world to condemn the world, but so that the world might be saved through Him. He who believes on Him is not condemned, but he who does not believe is condemned already, because he has not believed in the name of the only-begotten Son of God. And this is the condemnation, that the Light has come into the world, and men loved darkness rather than the Light, because their deeds were evil'.

This month many people celebrate the death, burial and resurrection of the Lord Jesus Christ. Through Christ's horrible death those who believe that he suffered in their place receive rescue from an eternity without God, forgiveness of sins and eternal life. There is nothing that we can do to pay for this gift of forgiveness however we, like the man in the accident mentioned above, we have the choice to show gratitude or indifference to this greatest event in history.

Among a list of many things listed concerning end times by the apostle Paul was people being unthankful or without gratitude. One day Jesus healed ten people of leprosy. Only one came back to give Him thanks. Thankfulness can change a person's view of life being unfair to one counting ones blessings. Words of thanksgiving seem so limited by those whose hearts are full of thanksgiving to their Creator, Saviour, Provider, Healer, Comforter and peace.

Shire of Coolgardie Kambalda Community Resource Centre

It's been another busy month for the Kambalda Community Resource Centre (CRC) with fun-filled activities such as Pancake Day, Ranger Information, Welcome to Town, Westlink viewing, Parenting Gold Workshop, Outdoor Movie screening and our first Business Networking Breakfast.

On 6 February our first 2016 Opera in the Park **Westlink** Live Simulcast 'Gianni Schicchi' was viewed by an enthusiastic group of people. Westlink viewings are available 5 days a week at the Kambalda CRC although live Simulcasts will allow Saturday viewings by arrangement. These viewings are a 'Bring Your Own' drinks and a plate. For up and coming Westlink viewings please see the monthly programme at your local CRC.

On 9 February we held the annual **Pancake Day** at the Kambalda Community Recreation Facility. With this event the funds raised go toward a local Charity and this year the amount of \$189.00 raised will go to St John Ambulance Kambalda Sub Centre. Thank you to our volunteer Pam Harwood and Tyler Thornton for a great Pancake Day.

On 10 February we hosted the '**Welcome to Town**' morning tea. This is an opportune morning for new residents to come along and meet the locals. This year we had the privilege of Billy Ingham and for those of you who haven't met Billy yet, she is the dearest lady who has been in Kambalda for quite some years and has seen a lot changes to the community. Billy shared history about Kambalda which had the crowd in awe of how the town use to be. To our lovely Senior Circuit ladies thank you for coming along and giving the new families a warm welcome to our town.

On 17 February **Ranger Information** evening was held at the library. The evening was about the Ranger Services, legal requirements of owning a pet, creating awareness of animal registering, micro chipping and Regulations and Local Laws affecting the Shire of Coolgardie. With the presence of Geoff Copely, Ranger Co-ordinator for the City of Kalgoorlie Boulder along with our local Ranger Kevin Caldwell this was heading for an informative evening. Thank you to both Geoff and Wombat for your time.

On 18 February Goldfields Business Local in conjunction with the Kambalda CRC delivered a Business **Networking** Breakfast for our local businesses. The purpose of having regular Business Networking events is to allow businesses to come to together in an environment where they can share ideas and support one another along with the presence of Katie McDonald Business Advisor, Kalgoorlie Chamber of Commerce Inc. **Reminder** Wednesday 23 March, "Business Management Skills" workshop 5.30 – 7.00pm at the library.

On 25 February WANSLEA (with families, for children since 1843) **Parenting Gold** Kalgoorlie, came to Kambalda to deliver another well attended Free Family workshop, "Guiding Children's Behaviour". This fun and engaging session helped explore and develop parenting skills such as: setting boundaries for children, tools and strategies to deal with behavior, communication with children and building children's self-esteem. The next Free Workshop – "Smart Steps" will be on the Tuesday 22 March.

For further information on upcoming activities, or if you have suggestions for future projects please contact Val on 900 2115 or email kambaldacrc@coolgardie.wa.gov.au

Anzac Day Project

Thank you everyone for your donation of the plastic bottles to our project. Our craft group has been busy cutting them into shape for the next step of construction. We have decided to go bigger with our project and we would appreciate as many bottles as possible, please drop them off to the Coolgardie or Kambalda Community Resource Centres.

Our group meets every Tuesday and it is a fun and relaxing session with like minded craft people.

Come along and join in with our crafts and projects or bring something that you would like to do along. It was inspiring to see Sara complete her beautiful painting and Lyn completing her Decoupage.

Pancake Day

Pancake day was held on Tuesday 9 February, and what a fun morning. Thank you to Ando Anderson for his delicious pancake mixture and also to Josie who was the masterchef on the day. There was a full range of delicious toppings to choose from and we had a great turn out of locals who all came down to support the fundraising for "Goldfields Wildlife Rehabilitators", who will be receiving \$136.49 from our happy pancake eaters. 😊
