Inaugural Aboriginal Arts Exhibition 2016

On Saturday 19 November 2016 the Shire of Coolgardie held the opening day for the Aboriginal Art Exhibition. The exhibition showcased all local talent from Coolgardie and surrounding towns within the Goldfields region.

The Shire of Coolgardie worked closely with Goldfields Employment and Training Services Jacqueline Mills, and the Golden Mile Art Exhibition Group, in order to make this event happen. Goldfields Employment and Training Services manned the venue until Friday 2 December 2016. Jacqueline Mills who curated the whole event spent hours setting up the paintings to make sure the display looked perfect, and the final result was pleasing. Without everyone's support and guidance the event wouldn't have been to the standard that it was delivered.

There were approximately 60 viewers who attended the Art Exhibition opening day. They were all welcomed with a nice refreshing drink upon arrival and food platters circled the room to satisfy everyone. The atmosphere was relaxed and enjoyable.

The exhibition was judged by a panel of recognized Goldfields Artists. The winners in the following categories were:

Adults: First Place - Amanda Bilson with Abstract/Coloured, Highly Commended - Kaitlyn Weldon with Marine Faces and Commended - Rose Mitchell with Being Outdoors.

Youth: First Place - Cassiopeia Middleton with Blossoming, Highly Commended - Brenda Mullian with - Saving Lost Scouts and Commended - Nichyrah Baker with CAPS.

Message from the Shire President
November 2016

I would like to announce to all staff and residents of the Shire, that I have resumed my duties as Shire President subsequent to three months recovering from illness. However I will continue to experience mobility issues for some time yet. I have received great support from my wife, Noeline, and my family, throughout this enduring ordeal, and it is good to be out and about again.

I would like to acknowledge my Deputy President, Cr Tracey Rathbone, and Acting CEO Jill O'Brien, for the tremendous job that they have done in keeping the operations of the Council and organisation, respectively functioning under extremely difficult circumstances in my absence. During this time, Council has appointed Mr James Trail to the position of Acting CEO for a twelve month period. Council and Staff will work together, consolidating the Shire's position, both financially, and looking at the long term aspects, which includes a Long Term Financial Plan, Corporate Plan and addressing Service Provision Levels to our communities that will be sustainable into the future.

The Shire's Town Planning Strategy, that has been with the WA Planning Commission for some seven months, has been returned requiring thirty modifications before it can be gazetted. One of the main stumbling blocks to the approval of this scheme is the continued objection, or the imposition of unacceptable conditions, on the development of the Industrial area in Coalgardie Townsite. Councillors, Staff and our Planning consultant, Plan West, are preparing a submission in response to the modifications from the WAPC, in the hope that we can resolve our differences to be able to gain approval for this strategy that has taken nearly seventeen years to prepare.

Myself and Manager Recreation and Regulatory services, Jill O'Brien, met with representatives from the Department of Minerals and Petroleum in Coalgardie on Friday 11 November. The purpose of the meeting was to gain a better understanding of why the DMP continued to impose the objections, or conditional orders upon any future development of the current Industrial area in Coalgardie.

The response was that because there was identified mineralisation along the strike zone the full length of the town boundary, by allowing any further infrastructure in the area would restrict further mining activity, and therefore stifle growth of the town. They also continue to push for the Shire to look at their preferred area to the southwest of the townsite to develop a new Industrial precinct. We informed them that our position was that there was a current demand for lots of industrial land and we could not wait years down the track and also if they would be prepared to add a further condition to the 21 year leases, that should these leases be developed with the necessary infrastructure the leasee could then apply for freehold title of that lot, so that it would be more acceptable to anyone seeking land in the affected area. We also discussed the motor complex site in Kambalda, which the DMP explained was on top of a nickel mine, whereby they have suggested a site further to the south that is free from such encumbrances, have conveyed these discussions to the Acting CEO for inclusion into our submissions to the WAPC.

Our Finance Staff are currently working with representatives from Moore- Stephens to reconcile all the financial and asset registers in order to prepare the Shire's Annual Audit report. It is hoped the draft report will be presented at the Audit Committee meeting this month so that we can finalise the report and hold our Annual Electors meeting in December.

Our Acting CEO has appointed Keith Dickerson, from RSA Works Management, on a short term contract to assist our Technical Services Team in setting out and scoping our road works programme

for the rest of this financial year. Projects that have been identified include: the local road resealing work, Coolgardie North and Ladyloch Road upgrades, the MRDWA Black spot intersections in Coolgardie and the Kambalda tip road and intersection. It is important to commence these projects as soon as possible in order to acquit funding from MRDWA.

An interesting statistic was given to me recently by our tech officer in Coolgardie, when they installed a traffic counter at the eastern end on Bayley Street. Over a two week period 34,500 vehicles passed through Coolgardie, with over 30% exceeding 60kph. That is a phenomenal amount of traffic passing through the town!!!

The partnership between the Shire and the Goldfields Employment Training group is gaining momentum, with members of the group participating in several ongoing projects in both Coolgardie and Kambalda. They have completed the restoration on the Lions Train at Steinhauser Park, and from all accounts have done an amazing job. They are also working on a gazebo for the rest area planned for the Coolgardie entry statement and have almost completed the signage to be installed around the Bluff cultural and heritage trail. With ongoing support this partnership will bring a lot of benefit to our communities for many years.

With the month of December upon us I would like to mention some of the events that are being planned for the residents of the Shire: Saturday 10 December the 50th Anniversary of the Kambalda Community Christmas Tree event and the Founding of the town of Kambalda. With increased funding, this year will see one of the biggest events on the Kambalda calendar for many years and will be an event not to be missed.

* Skateboarding WA will be conducting an event at the Kambalda West skate park on 13th December for the benefit of all ages of people who wish to participate. It is encouraging that these groups will come out to the regions and conduct these events for our youth.

* The Annual Seniors Christmas Luncheon will be Wednesday 14 December at the Coolgardie Recreation Centre. This is a much anticipated event whereby our senior citizens have a chance to socialize and celebrate the oncoming festive season.

* The Councillor and Staff Christmas party was held at the Kambalda West pool on Friday 2 December.

One other event I would like to mention is the Aboriginal Art Exhibition which was held in the old Pharmacy Building in Coolgardie. The Exhibition opened on Saturday 19 November and was open daily until Friday 25 November. There were 52 entries for the Exhibition and featured representatives across all sections of the community with local school children submitting entries. This event had been presented as part of the reconciliation programme agreement between the Shire and the Aboriginal Legal Service.

Holiday Security

In all the excitement and rush to organise your holiday, security can be easily forgotten.

By taking some simple precautions and giving your home a 'lived in' look before you go on holidays, you can substantially reduce the risk of burglary.

Some tips to follow include:

- Ensure all doors and windows are securely locked, preferably with deadlocks and keyed window locks.
- Let your neighbours know you will be away and ask them to watch out for visitors and collect all your mail.
- Cancel all deliveries such as newspapers.
- Consider installing automatic timing devices for lights and electrical appliances such as radios and televisions.
- Give your house keys to a trusted friend, or neighbour, rather than hiding them outside your home.
- Be sure to notify the key holder when you return. This is especially important if you are returning home early.
- Give your neighbour or friend your contact address and telephone number.
- If you live in a neighbourhood watch area tell the co-ordinator that you'll be away and for how long.
- Consider asking your neighbour to park a car in your driveway.
- Your answering machine should simply say that you're unable to come to the phone.
- Consider leaving a pair of old work boots by the front door to give the impression that someone is home.

Grant makes a splash at local pool

4 November 2016

Pools across the region will be sparkling over summer thanks to the Liberal National Government's community pool funding program.

As part of the Community Pool Revitalisation Program, 95 pools and water playgrounds (where there is no pool) will share in \$2,923,728 of funding.

The Community Pools program allows eligible regional local governments to apply for up to \$32,000 towards pool upgrades, maintenance, equipment, staff development or a reduction of pool entry costs.

Member for Eyre, Dr Graham Jacobs MLA, congratulated the Shires in the electorate for applying and receiving the grant for the local community pools.

"The Esperance Bay of Isles Leisure Centre, Coolgardie Swimming Pool, Goldfields Oasis, Norseman Swimming Pool, Ravensthorpe Community Swimming Pool, Southern Cross Swimming Pool Complex and Westonia Memorial Swimming Pool have all received funding for upgrades, line marker ropes, signage and installation of music and public address system," Graham said.

"Local pools are an important public facility in regional towns."

"They play a really valuable role in our social life and help us feel connected to community but we also reap the wonderful mental and physical benefits of being active in the water," said Graham.

Funding for the annual Community Pool Revitalisation Program has been made possible with \$13.2 million over four years through the State Government's Royalties for Regions program.

This funding can also be placed in a specified reserve account and budgeted towards a larger capital project.

Patient survey confirms Telehealth a success in Mining and Pastoral Region

A recent patient survey into the use of Emergency Telehealth Service has generated outstanding feedback for the high-definition videoconferencing service.

Patients said Telehealth, which is used to link people in rural and remote areas to a range of clinicians in the State's major hospitals and health services, saves time and money and is far more convenient than city visits.

Member for the Mining and Pastoral Region Dave Grills MLC said more than 15,000 country patients had used the Telehealth service for outpatient appointments in the past year and the service was continuing to grow as people heard how convenient it was.

"It makes a big difference when regional and remote patients are able to see their specialist via videoconference from their local hospital and not have to make arrangements to leave family and work, travel for hours, and find accommodation," Mr Grills said.

"The overwhelming feedback was that patients who attended an appointment via Telehealth were very happy with the ease and quality of the service.

"It is clear Telehealth staff at the regional health services are seen by regional patients as professional and supportive and that using the Telehealth service is far better than having to travel to the city or a regional centre."

Almost all patients said the service was as effective as a face-to-face appointment and that speaking with their specialist from a regional site saved them time and money.

Nationals WA candidate for Kalgoorlie Tony Crook said the expansion of Telehealth was just one example of the State Government's significant investment in regional health care through *Royalties for Regions*.

"The response that 99 per cent of those surveyed would recommend the Telehealth service is a pretty clear indication of the success of this investment," Mr Crook said.

In 2015-16, there were almost 33,500 occasions of clinical service delivered by Telehealth. This comprises more than 16,500 emergency treatments, more than 5000 mental health appointments and almost 12,000 outpatient treatments.

Royalties for Regions has invested \$31 million into Telehealth, as part of the \$500 million Southern Inland Health Initiative.

Coolgardie Community Men's Shed Incorporated

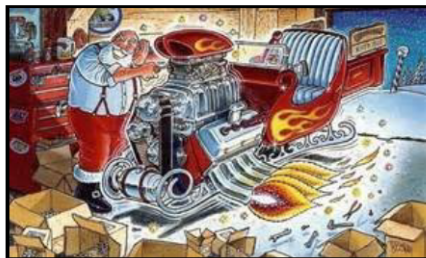

Wow it is December already and where has the year gone? A lot has been happening in the Shed, it has been a productive year. Engines have been donated, pulled apart, rebuilt and brought back to life, the Leyland truck was a winning entry in the Coolgardie Day 2016, and a lot of chats and laughs over at the Shed.

Thank you to all of our members who have kept the Shed ticking over. Although some of us are keen just to do up old motors and things we are starting to get a really good collection of woodworking machinery and we have someone who is keen to teach it so if anyone is interested in the woodworking please do not hesitate to get in touch with us or come down to the Shed at the Old Railway Goods Shed.

Come down and say hello. The Men's Shed is open most Sunday's from 10am, but at times there may be people there irregularly visiting through the week. If you see the door open, drop in and say hello. We are a friendly bunch who will be happy to share a cuppa with you.

We would also like to take this opportunity to wish everyone a Merry Christmas and a Happy New Year.

The Junior Running Teams have just returned from a busy and fun weekend at the 2016 WA State Championships held in Fremantle. It was a hot weekend and the children and coaches did really well representing Coolgardie. Well done to you all and a thank you to everyone who supported their fundraising during the year. It was good to see them have an enjoyable time.

There will be a full article and photos in the next Rambler.

Well Christmas and the hot summer is now on us, remember to be prepared for the Bush Fire Season and a timely reminder that we are now in the danger season, do not light fires and keep your property safe.

If you are travelling during the festive season, take care and take regular breaks, pop in and see the Driver Reviver Volunteers who dedicate their time to ensure road safety and enjoy a cuppa with them.

If you would like to join Coolgardie Volunteer Fire and Rescue Service come down and see us on a Tuesday night at 7.00pm. Come down and meet the team. For more information call David Shilton on 0412 859 582 or Steven Forward on 0438 421 130.

The Coolgardie Volunteer Fire and Rescue Service would like to wish everyone a Merry Christmas and a Happy New Year.

KAMBALDA MENS SHED

It's Glue That Holds This Joint Together

NEWSLETTER # 2

Greetings to all Kambaldarites, shedders and wannabe shedders.

Well it's almost Christmas again and Kambalda has a Men's Shed group with a shed to operate from.

The committee has made huge inroads over the last year into the establishment of a Shed for Kambalda. Everything is in place, including membership of Australian Men's Shed Association (AMSA) and West Australian Men's Shed Association (WAMSA), Incorporation, ABN number, Tax File Number, Insurances, Non profit Charitable status, and most importantly a bank account so we are all set to go with the Shire's OK for the use of the Badminton Hall.. A great Christmas present for the Committee and Kambalda in general.

A special thank you to Boulder Rotary for their monetary contribution. Thank you guys. You do a fantastic job.

Many thanks go out to the Shire of Coolgardie for their very generous grant, which has enabled the purchase of a large mobile tool box, pictured below with members Colin McIntosh, Jim Hollis, Allan Lindup, Chris Nunn, Tony Argus and Malcolm Cross.

There has been a very good response to the "Scroungers Page" with tools and project materials coming in from all quarters. However, we cannot rest on our laurels. Please keep it coming. All items will be gratefully received. Thanks again to Kambalda Police and Kambalda Arts Group for their contributions.

The Shed team will be fundraising at the next outdoor movie session, so come on down with the family and enjoy hot dogs, burgers, cold drinks, milk shakes, hot chips, and ice cream. Committee members will be on hand if you wish to find out more about the "Shed".

Local teenager takes on Singapore

Declan Laws was selected in the Western Australian Walkabout Regional Soccer Squad Under 16's Boys to participate in the Singapore International Youth Cup from Wednesday 2 November 2016 to Saturday 12 November 2016. Declan was identified and then invited to attend the Singa Cup after his strong performance at the Countryweek Championships in 2015 where he represented the Goldfields Soccer Association. This year (2016) marked the 9th anniversary of the first Youth teams attending overseas tournaments.

Complete Football Tours with the permission of Football West along with the Football Federation of Australia (FFA) sanctioned this tour and is under direction and guidance from Football West coaching and management staff. Tournament games were held over 5 days with 2 days prior to the tournament attending warm up games against local Singapore school teams. The Under 16's boys won their first three tournament games in their pool against India, Philippines and Singapore. Unfortunately they lost game four to a second team from the Philippines. The boys then had a Semi Final showdown with Underdale High School from South Australia which they lost 1-0, which eliminated them from the finals series.

This was a fantastic opportunity for regional youth to be recognised for their ability and be given similar opportunities as metropolitan youth. These opportunities aren't always easy especially financially and we would like to say a huge **thank you** to the Kambalda Veterans Masters Football Club, Shire of Coolgardie and Kambalda Football Club for their contributions and Norths Soccer Club together with the Goldfields Soccer Association for their continued support to encourage youth to follow their dreams.

The Returned and Services League of Australia Coolgardie Sub Branch

November was a busy month at the RSL. We had the Remembrance Day Ceremony on Friday 11 November 2016 at 11.00am with a good turnout from the community and that evening we welcomed and provided a dinner and place to stay for the group of soldiers who were participating in the Kalgoorlie Soldier's Stomp walking from Kalgoorlie to Westonia. This group was raising funds for "Bravery Trust" an organisation that provides support and financial support to members and their families who have suffered injury or illness as a result of their service.

Willy Corcoran did a Bag Pipe welcome and speech and it was an enjoyable evening with that good ole Coolgardie hospitality.

The Soldiers had some hot weather ahead of them on their trip but they all made it safely - blisters and all to Westonia. Well done to you all.

Thank you to all the swimmers, parents and club members who helped make the Splash and Dash event a huge success on Saturday 12th November.

Approximately 40 swimmers aged between 6-14 years attended the Novice event which concluded with a sausage sizzle and swimmers receiving a certificate and a swim cap.

Kambalda Long Course Qualifying Meet

The swimmers have been training hard in preparation for the upcoming Kambalda Long Course Qualifying Meet, an annual event which the club hosts. This year it will be held on **Saturday 10th and Sunday 11th December**, coinciding with the Kambalda Community Christmas Tree. Swimmers from Kalgoorlie, Norseman and Esperance usually attend and it's a great opportunity to get accredited times.

We extend an invitation to anyone in the community who would like to come down and watch and cheer on Kambalda. Thank you and welcome to Oil & Spice Café, who kindly are opening on both Saturday and Sunday for our visitors.

Help us spread the message that could save people's lives this bushfire season...

You CANNOT rely on scheme water during a bushfire

Residents living in or near bushland are reminded to not rely on public water supplies if they plan to stay and defend their homes during a bushfire.

If you plan to stay and defend your home you must have an INDEPENDENT water supply and pumping capability. Scheme water may not be available due to damaged infrastructure, extreme demand depleting supply and pressure, or a cut to power which is used to pump water.

**ARE YOU
BUSHFIRE
READY?**
areyouready.wa.gov.au

We have made our own preparations for the 2016-17 bushfire season by readying equipment and systems to cope with extreme conditions. Despite these efforts, it is likely there will be a reduction in water pressure, and scheme water supply tanks may run empty in the event of fire.

For more information about preparing a bushfire survival plan and what you will need to actively defend your home, visit the Department of Fire and Emergency Services website www.emergency.wa.gov.au/prepare

A message from the Department of Water

The Department of Water has advised people in bushfire prone areas with bores and access to surface water that they can take and store water to support bushfire plans.

Kambalda Junior Football

ANNUAL GENERAL MEETING

Wednesday 1 February, 2017
5.00pm - Kambalda Football Club Rooms

All 2016 held positions will be declared vacant.

In this meeting we will be looking to fill these positions:

Secretary	Treasurer
Junior Delegate	Home Game Umpire/s
Auskick Co-ordinator	Auskick Assistant Co-ordinator
10's Coach	10's Team Manager
12's Coach	12's Team Manager
14's Coach	14's Team Manager
16's Coach	16 Team Manager
and Committee Members	

The 2016 Committee hope that by advertising this meeting early, player's parents and community members will consider and decide to volunteer their time and take on a position for the 2017 season. We would really like to have all positions filled and organized before we open player registrations in late February, early March.

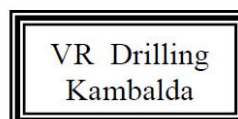

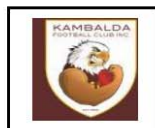

These positions require the volunteers to attend fortnightly committee meetings wherein club business is discussed and events are organised.

- * Coaches will need to be available Monday & Wednesday afternoons for training (5.00pm – 6.00pm) and Saturday mornings for games.
- * Team Managers organize jumpers and the team on game day, time-keep the game and wash the team's jumpers ready for the next week.
- * Home Game Umpires are required on Saturday morning to umpire home games only.

Please if you can volunteer your time, please take on a position for the 2017 season.

Thank You.

Fire Brigade in front of the Memorial

At about 10:45am everybody assembled at the memorial at Kambalda East.

Approximately 140 people attended the Remembrance Day ceremony. Attendance from the Kambalda Primary School by far outnumbered other attendees. There was also representation from Kambalda West District High School. We had the Fire Brigade and St. Johns to make up the uniformed parade and the public were well presented by the 'Outside Crew' from the Shire of Coolgardie and the 'Mill Maintenance Crew' from BHP.

Wreaths were laid to honour those who paid the ultimate sacrifice. With wreaths coming from Kambalda Primary School, Kambalda West District High School, Fire Brigade, Shire of Coolgardie, St John's and the Kambalda RSL.

That was followed by the Prayer of Remembrance spoken by Councillor Kathie Lindup.

The RSL President then read out an address explaining Remembrance Day. At the end, he emphasised how we need to be more vigilant today than we have in the last 60 years.

LEST WE FORGET

Tanya Fyfe (thank you Tanya) did a great job of playing the trumpet for the Last Post with Caryn (flag orderly from St John's) bringing the flag down to shoulder level. We then had one minute silence, followed by the Ode, followed by Reveille, where Caryn took the flag back to full height, and then dropped it back to half-mast.

The RSL President thanked everybody for their attendance and closed the ceremony.

DECEMBER SQUASH NEWS

The **2016 Spring Pennant** season is very much at the pointy end with only one round to go before the Finals begin. The **Grand Final** is set down for **Friday 9 December**, commencing at **6.00pm**.

We have been privileged to have witnessed some more top squash with a number of close 5 game matches.

One night in particular when all the #2 matches went the distance with some great shot selection and long rallies - Martika v's Don, Reece v's Kane and Reed v's Dean, others – Brock v's Peter, Sean v's Caleb, Cheresse v's Sarah and Ryan v's Tammy. The top 4 teams are set, but not final ladder positions as below.

Individually, four players can't be beaten and are now crowned grade champions for Spring 2016. **#1's**: Glenn Smith (72 points) over Brock Leeson (64 points); **#2's** Dean Fraser (73 points) over Reed Leeson (62 points); **#3's** Chris Poke (71 points) over Montana Leeson (57 points); **#4's** Felicity Murray (61 points) over Calinda Leeson (55 points). Congratulations to all those players. It shows that consistency pays off.

Ladder below after the completion of 14 rounds:

Ladder		
Team		pts
AUGUSTA'S	1	51
EUCHUA'S	2	48
DARWIN'S	3	45
BROOME'S	4	40
CASURINA'S	5	36
FINLEY'S	6	31

Camping in the Shire of Coolgardie Burra Rocks

Burra Rock was originally used from 1921 until 1937 to supply water for the steam trains on the narrow-gauge woodland railways. The steam trains were used to haul timber into Kalgoorlie-Boulder for the mines and fuel for industry.

Today this historical dam and catchment wall is a well known camping ground and a much loved spot for day trips. After a short walk up the rock you will be rewarded with a stunning view of the re-grown woodlands and a pretty swimming spot for the family.

Spend the weekend exploring the bush, hiking, swimming, photographing the wildlife and natural bush scenes. Spend your evenings enjoying the peace & quiet, cooking up dinner on the BBQs in the campground and telling stories around the camp fire. Please remember to bring your own firewood with you (weather permitting) for the camp fire.

You will also find toilets and an information shelter at Burra Rock.

Burra Rock is located 60kms south of Coolgardie along the Burra Rock Road. It should take you about 45 minutes to an hour to get there from Coolgardie. It is accessible in a 2-wheel drive car.

Please make sure you pack your own drinking water and leave only your footprints.

Please note, as the area is in a conservation reserve, no pets are allowed.

If you would like more information on this camp ground, Please feel free to contact the

VOLUNTEER OF THE YEAR

Well done to Caryn Hargrave, our Volunteer Of The Year 2016. Caryn is our Sub Centre's Volunteer Coordinator, and is responsible for a range of essential duties that keep our volunteer team functioning so well. A very well deserved award to a member of our team who has worked tirelessly for our Sub Centre for the last 12 years. Congratulations!

FAREWELL!

This month Kambalda Sub Centre said farewell to one of its most dedicated volunteers, Nathan Henderson. After almost four years of service with our Sub Centre, he is relocating to Kalgoorlie. Thankyou immensely Nathan, your service to St John and the Kambalda community has been unparalleled, and you will be missed. We wish you and your family all the very best for the future.

The Australian Breastfeeding Association (ABA) is now holding monthly meetings in Kambalda!

Our last meeting for 2016 will be on 15 December. Meetings will resume in February 2017. Our December meeting will be a casual morning tea, with a breastfeeding counsellor present to offer individual counselling if required. All welcome J.

We meet at the Kambalda Community Recreation Facility, 10.00am-12.00noon. Recreation Centre staff can direct you to the right area.

Each month will feature a presentation or discussion facilitated by a volunteer breastfeeding counsellor, or guest presenter. We will offer a range of breastfeeding and other parenting topics.

Meetings offer an opportunity to chat with other parents as well as receive breastfeeding information and support in a relaxed, non-judgemental environment.

Parents, parents-to-be, health professionals, babies, toddlers and other breastfeeding supporters welcome. A plate to share would be appreciated, but not essential. A \$2.00 per adult donation toward room hire would also be appreciated.

For further information check out:

- The ABA website breastfeeding.asn.au
- Local ABA Facebook page [facebook.com/ABAKalgoorlieBoulder](https://www.facebook.com/ABAKalgoorlieBoulder)
- Contact Tanya on envirotanya@gmail.com or 0402335228.
- For free confidential breastfeeding help right now call the Breastfeeding Helpline – 1800 686 268.

Hope to see you there!

The Pastor's Pen with Bill Kirkland

Probably not since the civil war in America has that nation been so divided. After the election of Donald Trump as President we have witnessed a lot of protesting, senseless violence and vandalism. A person's opinion of Donald Trump will be largely determined by what media clips or Youtubes one watches, mixed with one's own personal ideology. For many, Trump's victory was a win over the political elite while for others his victory was anathema (which means detestable). Those who see themselves as 'progressive' are afraid that Trump will attempt to turn back what they see as hard-earned civil rights.

As sure as death and taxes you can be sure that Trump's reign as President is only for a season. God once revealed to a man called Daniel that there would be some very powerful empires, including the Babylonian, the Persian, and the Greek and Roman empires. They would have great power and rule vast areas of the world, but at the appointed time each of the empires would collapse as is the way of all earthly kingdoms and governments.

One of the leaders of Babylon was named King Nebuchadnezzar. He made a declaration about God's kingdom. He said 'How great are His signs! And how mighty are His wonders! His kingdom is an everlasting kingdom, and His rule is from generation to generation.' The one clear thing we learn from these once great kingdoms is that it was not man who made them great. Donald Trump, Barack Obama or Hillary Clinton were never going to make America great again. The founding fathers of America knew that it was only men humbling themselves under God's hand that could make any nation great.

Jesus came to earth not just to save and forgive sins but also to announce a new kingdom that would be an everlasting kingdom. Centuries before Jesus' birth the prophet Isaiah foretold His birth as well as His Government. The Scriptures declare 'There is no end to the increase of His Government and peace on the throne of David, and on His kingdom, to order it and to establish it with judgement and with justice from now on, even forever' Isaiah 9:7. That kingdom of everlasting peace and joy is not visible yet however the Scriptures declare that one day it will be very visible thanks to the Lord Jesus Christ.

A world of good wishes. One of the real joys this holiday season is the opportunity to say thank you for all your continued support throughout 2016 and wish everyone of you the very best for the new year.

On Friday 18 November our Welcome to Town Morning Teas was held in a warm relaxed and friendly environment in the public library.

The event is one of our many important events as it is an opportunity to welcome new families to the town along with sharing some history on Kambalda and our neighbouring towns.

This occasion was well supported with the Gentle Exercise participants coming along and making the morning an even more enjoyable one.

To all newbie's Tanya, Irina, Christine, Barbara and Ken & Elizabeth a very warm welcome to you and your families.

Above: Another successful 'Welcome to Town' morning tea, recently held at the Kambalda Public library.

On Friday 18 November Kambalda Community Recreation Facility and Kambalda Community Resource Centre brought to Kambalda one of the largest attended and supported Christmas PINGO evenings.

It was a fun filled evening for all the family to try their luck. With all the prizes being Christmas wrapped this just added to the excitement for the winners and how great it was to be there to hear the cheers from everyone.

A big thank you to all who attended the evening to help make it as big a success as it was.

Seniors Have A Go celebrations

Were you at this year's WA Seniors Week celebration in Kambalda? – Wow what a day it was.

Kambalda and Coolgardie Community Resource Centres hosted the 2016 WA Seniors week celebration at the Kambalda Community Recreation Facility on Thursday 10 November and it was bigger and better than ever with over 50 participants to celebrate with.

Seniors week gives us a chance to recognise and celebrate the valuable contribution of the Seniors within our community.

We welcomed Norseman, Coolgardie and Kambalda seniors to join us in this celebration.

With activities ranging from djembe drumbeat, Social media, FOODcents, live music and dancing with Soundz R us and St Johns Kambalda Sub branch our seniors were physically and mentally getting involved and enjoying every minute.

A special thank you to One Tree Day Care children for their performance which officially opened the day and how the seniors warmly responded.

To all our providers who helped make the day a huge success: Hoki Poka drumbeat co-ordinator, Ned & Kea with Soundz R Us, St Johns Kambalda Sub Branch – Leah & Caryn, Australian Red Cross with Nina and Leanne Shilton Social Media presenter.

So much fun was had by all our Seniors who came along to help make their special day a huge success

Shire of Coolgardie Coolgardie Community Resource Centre

November saw another fun filled busy month here at the Coolgardie Community Resource Centre.

The Computerschool.net Introductory Lessons

We have had a great month for the free introductory lessons on how to use The Computerschool.net program that our Library members have access to. This program can be accessed from home and you can work at your own pace. It is easy, informative and a great way to keep up with the ever changing IT Computer world that live in. Even if you are an whizz at the computer already there is lots of tips and tricks and the good thing is it gets updated with the new systems that come out as well.

Christmas Pingo

On Wednesday November 30th, The Coolgardie CRC in conjunction with the Recreation Department held the Annual Christmas Pingo. There were lots of prizes, delicious Christmas food and plenty of cheer. Thank you to everyone who attended it was good to see a full house. (Excuse the pun!)

The Coolgardie CRC would like to thank and acknowledge everyone who came in during 2016 and visited us, donated things to us or took part in our programs and activities; we are all about the community and thank you all for making a difference to your community.

We would also like to wish everyone a Merry Christmas and a Happy New Year.
