## Shire of Coolgardie Australia Day Celebrations

On Thursday 26 January the Shire of Coolgardie held their annual Australia Day Breakfast in Coolgardie and Kambalda. It was a great day had by all. The celebrations are growing in popularity with each year a noticeable increase of people.

Kambalda's event had a great attendance and the weather turned out for the event. The sun was shining, with a lovely top of 39 degrees. Perfect weather for a dip in the pool.

The Kambalda Pool Manager organised activities for the children. Prizes were available. Not only did she have different activities, but she also held a family challenge which had a great involvement.

Coolgardie's event was a lovely morning enjoyed by many of its community members. It was great to see so many families coming down to celebrate Australia Day together.

The breakfast was cooked and served by our dedicated volunteers and staff members.

The weather was perfect. Another beautiful Australian summers day. Great for family fun in the swimming pool and on the anaconda.

The Shire of Coolgardie would like to extend their congratulations to all the nominees and recipients of the Citizen of the Year Awards for 2017. Their hard work and dedication to our community over the past year(s) has been acknowledged by their peers and families and are all most worthy candidates of these awards.

## Shire of Coolgardie

Message from the Shire President

With the coming of the New Year, our Technical Services staff, under the guidance of Keith Dickerson has been working toward setting up the Shire roadworks program until the end of June.

This will include the current bitumen resealing project in both towns that is underway. The completion of a section on Coolgardie North road, the asphalt sealing of several intersections in both towns and the gravel road re-sheeting works.

Planning and design work is being done for road profiling work in Kambalda. The Kambalda Tip road and intersection and the Renou, Jobson Street intersections on Bayley Street in Coolgardie. These projects are being funded through Black Spot safety programmes.

Keith is also working with our supervisors and staff in various aspects of road construction, funding sources and compliance and acquittal of grant funding procedures, which has been a great benefit for both our staff and the organisation.

The Kambalda footpath program will commence next week with our technical staff supervising the Goldfields Employment Training group to replace and repair various sections of the footpath network in both Kambalda towns.

Council has allocated capital expenditure of \$100,000 and GETS will provide the labour and own equipment for the project which should enable a substantial amount of this work to be completed this year. This ongoing partnership between the Shire and the GETS group will continue to bring much benefit to both our communities in the future.

Our staff are continuing to receive queries and complaints from disgruntled ratepayers regarding the increase in rates which in the main was generated by the recent increase in the Gross Rental Valuation in the Shire last year.

A Coolgardie resident is currently circulating a petition to the Minister for Lands in an endeavour to request a review of this valuation increase by the Valuer Generals Department. There have also been several articles printed in the Kalgoorlie Miner recently in relation to this issue.

The CEO is working on a review of Councils Rating Strategy, in order to set out the procedure and compliance steps that staff and Council will be required to take in considering the Rate Setting Standard in future budget deliberations. This procedure is the single most important aspect in the whole of Council budget process, and it is imperative that we get it right the first time each year so as to eliminate the frustrating issues for both staff and rate payers that have had to be dealt with in the past.

Several Councillors have taken the opportunity to partake in the Councillor Training courses in Esperance and Kalgoorlie during February held by the WA Local Government Association. The move to bring this training out into the regions is a great initiative to allow Councillors to gain important training in their roles on Council without having to travel from home and family.

Also, while in Esperance, they will be able to attend the annual Goldfields Regional Council meeting on February 3.

**Continued P3**

**From P2**

The Shire was again pleased to have held Australia Day Celebration events at the swimming pools in both towns which commenced at 9.00am, with the Big Aussie Brekky followed by the Citizenship awards and then a day of fun on the inflatables in the pool.

Thank you to all who came along to help make this event a huge success.

Malcolm Cullen  
Shire President

## **Shire of Coolgardie**

From the desk of the Acting CEO

Happy New Year. Welcome to the first "*From the desk of the CEO*" for 2017. Where has the time gone? The end of January is upon us and Christmas is a distant memory.

The Shire team has hit the ground running in January with enthusiasm and renewed vigour. There is much to do and I am confident the new management team and their staff will deliver the projects and programmes set by the Council.

Organisational flexibility will be a key to the future for sustaining Local Governments. One of the major issues that have plagued Local Government reputation is its ability to be responsive to community requests. Local Governments have responded to this criticism over the past decade by beefing up its customer service focus. Whilst that has assisted to some extent with improved customer management at point of entry, further work, requiring role re-engineering and job cultural fits needs to be achieved if deep seated customer responsive cultural change is to occur within Local Government. This goal needs to be driven into all the back of office or specialist roles and need to be integrated into the human resource management, governance and risk management processes within the Local Government. This approach is systemic and can only be undertaken within the context of a full scale organisational and service level review that has an improvement customer serving goal. The service level review is well under way and anticipated to be completed by the end of April.

A secondary driver behind the need to reform the organisation's financial capability is the recent Regional Subsidiaries Legislation passed in parliament on 14<sup>th</sup> September 2016 providing a legal mechanism for shared services between local governments. It is imperative the Shire's financial and staffing arrangements are managed in a way that demonstrates the Shire is sustainable and has inbuilt flexibility to respond quickly to changing community expectations, legislative demands and other external factors that may require urgent responses over the short and long term.

**Continued P4**

## From P3

Prior to Christmas, the Shire underwent an organisational review. The CEO met with and presented to all staff in the organization. All staff were given the opportunity to provide feedback and input. A confidential staff survey was also undertaken. This information was then used to formulate the organisation review. The review was workshopped with the Council and then reviewed and endorsed by Council in November. The outcome of the review was then presented and conveyed by the CEO to all staff.

With any change comes misinformation, innuendo, rumour and of course the lack of facts. I would like to reassure the community:

1. The Shire is committed to maintaining offices in Coolgardie and staff are not being moved to Kambalda
2. No staff, as a result of the organisation review, have had their employment terminated by the Shire nor any staff retrenchments
3. Some staff accepted voluntary redundancy
4. Based on external human resources advice, all staff were provided with the opportunity to apply for jobs advertised internally which some chose not to do

The responsibility to ensure daily operations, delivery of the works programme, financial management, compliance, governance and risk within the shire remains my primary focus.

To develop services that are fit for purpose the Council wants to engage with the community for input in relation to what services are important and their satisfaction with the services being provided. The Council needs some clear direction from the community on what services are important and the community's level of satisfaction with the various services provided by Council.

The community survey was launched on Australia Day with great success. If you want to have a say in your community, please take 15 minutes to complete and return this years survey by the 28th February. The community survey can be accessed on line via the Shire website as well as from the Shire offices and recreation centres

I encourage any concerned members of the community to contact the shire office on 90 802111 and/or the Shire President and I will happily make myself available to meet and discuss any concerns or answer questions you may have.

Kind regards

James Trail  
Acting Chief Executive Officer

## Letter to the Editor

13 January, 2017

Dear Editor,

When I think back to the start of a new school year, I can still remember the buzzing feelings of excitement, anticipation and nerves. Am I going to have classes with all my friends? Will I get better results than last year? Which teachers will I have?

Millions of young people across the country heading into primary and secondary school over the coming weeks may be facing similar feelings – whether they are starting another school year or commencing a new school for the first time.

Some students can adjust to the changes and settle into things quickly. However, some young people may find this a daunting and challenging time.

There can be a number of reasons why it might be hard to go school: trying to make new friends, pressure to get the best marks, dealing with bullying, or perhaps going through a mental health issue such as anxiety or depression. These worries can make the next few weeks an uncertain time.

Whether you are a young person struggling, or a parent with concerns about your child, **headspace** is here to help. As the National Youth Mental Health Foundation, **headspace** provides support for young people aged 12-25 years old who are struggling with their mental health and wellbeing.

No matter where you are, you can access help at **headspace** – either through one of our 95 centres in metro, rural and regional areas of Australia, or via [eheadspace.org.au](http://eheadspace.org.au) where you can receive online and telephone support between 9am-1am (AEDT), seven days-a-week. There are also general mental health and wellbeing resources available on our website: [headspace.org.au](http://headspace.org.au).

We wish you and your families a safe and healthy school year ahead.

## **Advice for parents:**

### **Warning Signs:**

Most parents can tell when something is out of the ordinary, but there are also signs that suggest a young person might be experiencing a mental health problem. These are new and noticeable changes in the young person, lasting at least a few weeks, including:

- Not enjoying, or not wanting to be involved in things that they would normally enjoy
- Changes in appetite or sleeping patterns
- Being easily irritated or angry for no reason
- Involving themselves in risky behaviour that they would usually avoid, like taking drugs or drinking too much alcohol
- Seeming unusually stressed, worried, down or crying for no reason
- Expressing negative, distressing, bizarre or unusual thoughts

### **Tips for parents:**

- Talk openly and honestly with them, and let them know that you are concerned.
- Reassure them that you will be there for them, and ask what they need from you.
- Let them know that there is lots of help available.
- Help find an appropriate service, such as a headspace centre and support them in attending.
- Help them build a support network.
- Look after yourself as well. Get some support by talking to someone you trust, and seek professional help for yourself if you need it.

For more tips and information visit the parents section on our website: [headspace.org.au/friends-and-family/information-for-parents-and-carers/](http://headspace.org.au/friends-and-family/information-for-parents-and-carers/)

## **Mental health and mental health issues in young people:**

- Good mental health is about being able to work and study to your full potential, cope with day-to-day life stresses, be involved in your community and live life in a free and satisfying way.
- A young person who has good mental health has good emotional and social wellbeing and the capacity to cope with change and challenges.
- Feeling down, tense, angry, anxious or moody are all normal emotions for young people, but when these feelings persist for long periods of time, or if they begin to interfere with their daily life, they may be part of a mental health problem.
- Mental health issues can also influence how young people think and their ability to function in their everyday activities, whether at school, at work or in relationships.
- If you think you know a young person whose mental health is getting in the way of their daily life, it is important to let them know you are there to support them.

**Auskick Assistant Co-ordinator**

**10's Team Manager**

**12's Team Manager**

**14's Team Manager**

**16 Team Manager**

The 2016 Committee hope that by advertising this meeting early, player's parents and community members will consider and decide to volunteer their time and take on a position for the 2017 season. We would really like to have all positions filled and organised before we open player registrations in late February early March.

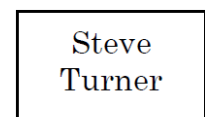

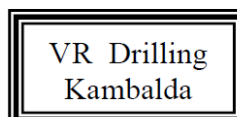

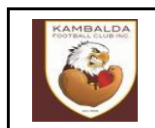

These positions require the volunteers to attend fortnightly committee meetings wherein club business is discussed and events are organised.

- \* Coaches will need to be available Monday & Wednesday afternoons for training (5.00pm – 6.00pm) and Saturday mornings for games.
- \* Team Managers organize jumpers and the team on game day, time-keep the game and wash the team's jumpers ready for the next week.
- \* Home Game Umpires are required on Saturday mornings to umpire home games only.

Please if you can volunteer your time, please take on a position for the 2017 season.

Many hands make light work. Thank You.

## Rookie Meet and WA Country Championships 2017

Each year swimmers have the opportunity of attending a Rookie Meet followed by a highly competitive Country Champs Meet over two days at HBF Stadium in Perth. This year Kambalda had 3 swimmers attend and represent our club.

Lily Russell, Eliza Rumsey and Lachlan Rumsey (pictured right)

While the girls did us proud by representing our club in the Rookie Meet on Friday 6th January 2017, Lachlan also qualified and swam in the Country Champs Meet on the Saturday and Sunday.

Lachlan: 5<sup>th</sup> in Breaststroke with a 4.5 second PB, 8<sup>th</sup> in Backstroke and 6<sup>th</sup> in Freestyle with a 4.9 second PB. Well done to you all.

### Well done to the following swimmers for winning JX Times.

**GREEN:** Jameson Vodden, Jamie Wheatley, Joseph Phillis,  
Kyle Matulin

**BRONZE:** Kristofer Mitting, Rianna Matulin, Shontae Wheatley  
Swimmers received a Certificate, swim cap and T-Shirt

### **Club Time Trial held at Norseman Pool (right)**

On Saturday 3<sup>rd</sup> December the swimmers from Kambalda travelled to Norseman where the club set up and held a time trial with our Norseman squad members. This was a fantastic opportunity for the Kambalda kids to experience a new pool and a great opportunity for Norseman parents to come down to the local and watch their kids swim. It also gave the Norseman kids a break from travelling by bus to us weekly for time trials. All Time Trials results are available on the board outside the clubrooms. Thank you to Shire of Dundas and staff for their assistance in making this meet happen. Great venue and people.

**We already have another one planned for Saturday 19th February**

## NEWSLETTER # 3

Happy New Year Kambalda, and a great year it's going to be at "The Shed"

Right now we are looking for new members and helpers to help take our growth through the next stage.

Everything is in place to start equipping and operating "The Shed". If you feel that you have the talent, the will and the drive to help build up this community asset WE NEED YOU!

It is almost time for our AGM so if you want to become involved, have a say and vote, join up before 20th February 2017.

We have two classes of membership available:

1. General membership; open to all males, 18/ 90, with access to all Shed activities including voting rights and committee membership.
2. Associate membership; open to all females 12/ 90 and males 12/ 17, with access to all shed activities EXCEPT voting rights and committee membership.

STILL INTERESTED?

Telephone a Committee Member for more information, and / or a Membership Application Form, or call at the Shed between 10.00am and 2.00pm for a chat and a cuppa any Saturday between now and 20th February.

We will make you extremely welcome.

## KAMBALDA MENS SHED

A COMMUNITY PROJECT WITH COMMUNITY VALUES

# Coolgardie Community Men's Shed Incorporated

Happy New Year - We are looking forward to 2017 and all of the projects and happenings in our shed this year.

If you have any projects or repairs that you need doing or would like a hand with, give us a call we have a range of people with different skills that can help.

If you would like to learn a new skill i.e. Welding, woodwork, metal craft, restoration or painting then we also have

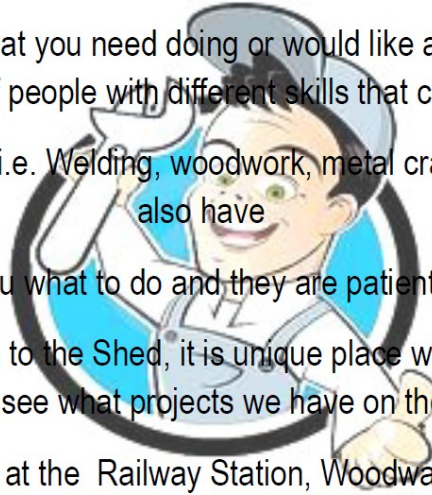

people who can show you what to do and they are patient and friendly teachers.

Everyone is welcome to come down to the Shed, it is unique place with a lot of character. Come down and have a coffee and a chat and see what projects we have on the go. The Shed is open on most

Sunday's from 10.00am at the Railway Station, Woodward Street, Coolgardie.

See you at the shed.

For more information, please contact Wayne 0438 267 180

## Coolgardie Volunteer Fire & Rescue

From the desk of the Coolgardie Volunteer Fire & Rescue Captain – David Shilton

Happy New Year to everyone.

2017 is going to be a great year with big changes to our Fire Brigade. Thanks to the generous donation received from Mrs Tree we are able to extend our Clubrooms which will be very beneficial to our current and future members. We look forward to the finished project and there will be an official opening upon completion.

A big thank you to the Driver Reviver Volunteers who dedicated their time in ensuring road safety and making many cups of tea and coffee for the weary travellers before Christmas. It was well embraced.

Be cautious with the wet weather and safety on the roads. This change in weather has caused a big change in the road conditions. Take your time and drive for the conditions.

If you would like to join to Coolgardie Volunteer Fire and Rescue Service come down and see us on a Tuesday night at 7.00pm. Come down and meet the team. For more information call David Shilton on 0412 859 582 or Steven Forward on 0438 421 130.

## The Pastor's Pen with Bill Kirkland

It can be somewhat sobering meeting up with someone you have not seen for 30 years or so. It can make you think of your own mortality as the person you once knew as a youth is now grey haired and aged. The book of James describes life in this way ' For what *is* your life? For it is a vapor, which appears for a little time, and then disappears. ' James 4:14 In context James is speaking to those who make plans in life without even considering God. A child of God should always consider God's will in their life when making plans. James makes the point that no one knows when they will take their final breath.

It seems that God looks at things from a different perspective and time frame to most of us. While God is interested in building His children's character as they prepare for eternity we often are concerned about achievements, goals and living comfortable lives. Looking at things from an eternal perspective can be challenging. Jesus challenged His followers who were facing persecution ' And do not fear those who kill the body, but are not able to kill the soul. But rather fear Him who can destroy both soul and body in hell. ' Mathew 10:28.

Jesus goes on to tell His followers ' Are not two sparrows sold for an penny? And one of them shall not fall on the ground without your Father. But even the hairs of your head are all numbered. Therefore do not fear, you are of more value than many sparrows. ' Mathew 10:29-31 My conclusion is that growing old with God is much better than growing old without Him. While Jesus did concern Himself about meeting the needs of people here on earth it is very clear that He focussed on man's eternal state as a first priority.

## Shire of Coolgardie

Kambalda Community Resource Centre

Happy new year everyone.

I'm excited to be delivering more fantastic workshops and activities to our wonderful town, Kambalda.

Firstly, if we can just reflect on the successful and well supported Business Networking and Workshop that was delivered in December:

Thursday 1 December Business Local Advisor Lee Jacobsen and Kambalda Community Resource Centre came together to deliver the 'ShopSmall' network and workshop evening.

The evening started with a very relaxed networking opportunity amongst local businesses and then moving on to the workshop.

ShopSmall is a movement dedicated to supporting the small businesses that are the heart of our local community.

The workshop successfully aimed to educate the local businesses about the ethos behind ShopSmall and reinforce the idea that they are an important link.

Don't miss the next Business networking/ Workshop evening on Thursday 23 March 2017 at 5.30pm in the Kambalda Public library.

If you're a local business and you would like to request a particular topic to be discussed, we want to hear from you.

Coolgardie Community Resource Centre

Happy New Year to everyone ☺. I hope you all made the most of the Christmas break and the fantastic Australian summer weather. We had a very busy month in December with lots of activity in the Community Resource Centre and we look forward to the workshops and fun that we will be delivering to the Community in 2017.

### Christmas Pingo

This was run in conjunction with the Coolgardie Recreation Centre and we had a fun filled evening with lots of prizes, yummy treats and plenty of Christmas Cheer.

### Seniors Christmas Luncheon

On Wednesday 14 December 2016, the Shire of Coolgardie held the Annual Senior's Christmas Luncheon which was at the Coolgardie Community Recreation Centre this year. The CRC was pleased to be a part of this big event which saw over 140 Seniors have a fun filled day with great entertainment provided by Ned and Kea with Soundz R Us, delicious food catered by "Way Out West" and a visit from a very energetic and hilarious man in a red suit. A big thank you to our humble local artist "Alan Bergin" for decorating the hall beautifully. It certainly felt like a stunning and magical white Christmas in Coolgardie.

### Coolgardie Business Networking Evening

On Thursday 15 December 2016 we held a Coolgardie Business Networking Evening with Lee Jacobson from Business Local. It was a great way to finish the year with nibbles, refreshments and a talk about the exciting workshops that Lee has planned for 2017.

Up and coming events:
