Summer time at the Shire of Coolgardie pools

A breath taking view of the Kambalda public pool, taken on another brilliant hot summer day.
2016/2017 Pool Manager Kathy Brooking

There is no better place to be on these hot summer days than the Kambalda or Coolgardie Public Swimming Pools. Not only is there lots of cooling off and fun family time to be had, but also a great way to catch up with friends while working out in the crystal clear waters.

You can take some home prepared goodies to eat and the BBQ's are available for hireage, or go and visit Kathie at her Kiosk in Kambalda for a range of cool drinks and treats.

There is plenty of shaded areas to set up a picnic blanket or if you want to take advantage of the full sun we cater for that as well. Take a book, relax and enjoy the atmosphere.

Swimming is one of the most popular sports in Australia and is one of our great passions. There are so many health benefits that you possibly aren't aware of and it is a good all-round activity. Here is a small list of the benefits:

- Provides an all-over body workout, as nearly all of your muscles are used during swimming.
- keeps your heart rate up but takes some of the impact stress off your body
- builds endurance, muscle strength and cardiovascular fitness
- helps you to maintain a healthy weight, healthy heart and lungs
- tones muscles and builds strength
- It is a relaxing and peaceful form of exercise and helps to alleviate stress
- Helps to improve coordination, flexibility, balance and posture
- Provides a good low-impact therapy for some injuries and conditions

Our Shire Public Swimming pools have been host to many community events and courses and we also have a lot of people who travel out from Kalgoorlie to enjoy our pools.

Message from the Shire President
February 2017

Heavy rain in the region over the past weeks has resulted in extensive damage to road and footpath networks in the Shire. Our Technical services staff are currently assessing the damaged areas and preparing a report for restoration works to be carried out. Fortunately, most of the work will be funded under the State Government natural disaster recovery funding (WANDRRA).

One positive benefit out of this heavy rainfall has been to fill all the lakes and dams in the region, including Newtown Dam in Kambalda and the Gorge in Coolgardie, giving our residents the opportunity to enjoy these expanses of water so close to the towns.

Our works crews have also been busy completing road resealing projects in both our towns and the section of Coolgardie North Road, and Coolgardie Tip road. Contractors are currently working on Salmon Gum road, with cement stabilizing work, to restore the sub base, in preparation to reseal this section of failed road pavement.

Our CEO held meetings with the project managers of the Post Office Precinct, Palassis Architects, last week to set parameters for the letting of tenders for this project. It is expected that representatives from Palassis and Mia Hicks Consulting will present the current designs and plans to Council prior to going out for tenders, and staff will also consult with current and future tenants of the Precinct. Council will receive monthly reports on the progress of this project from its commencement.

Our Finance Staff have been working diligently with the CEO and Moore - Stephens staff, to finalise the Shire's Financial Report for the 2015/16 year in preparation for the annual Electors meeting. The Report is expected to be finished by the end of February, and then presented to Council for adoption during March, when we can finally set the date for the AGM of the Shire.

The CEO, and myself, had an opportunity to liaise with Department of Local Government and Communities Director, Jenny Law, whilst attending the GVROC meeting in Esperance earlier this month. We were able to provide Jenny with an update of progress and actions being implemented in regard to the Shire's Probity Audit, and that our Financial Audit Report was expected to be completed by end of February, and would be forwarded to the Department in March.

One pleasing aspect of the discussion with Jenny was that she acknowledged our improving performance and that the Shire of Coolgardie was by no means any where near the worst performing Local Government in WA.

Staff at the Coolgardie Visitor Centre have been busy setting up the Pharmacy Display in the Exhibition Building on Bayley Street and have sourced a full sized wall photo of an 1890s style Pharmacy to demonstrate the era of our famous collection, which looks really great. In relation to the Visitor Centres in both our towns, it is pleasing to note the increasing numbers of travellers in caravans and motor homes already this year and I believe the tourism industry is one that our Shire can gain considerable benefit from by promoting and developing attractions in our region into the future.

Malcolm Cullen
Shire President

Banners in the Terrace

The Shire of Coolgardie invites members of the community to design a banner based on the theme “**Members First**”

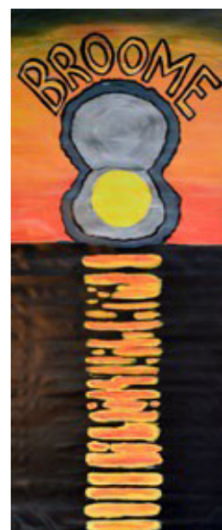

One of these entries will then be selected by Council, and at no cost to the winner, printed to a banner. This banner will then be entered in to the City of Perth’s 2017 “Banners in the Terrace Competition”

- The artwork must be completed on A4 paper.
- The artwork must be a design which represents the Shire of Coolgardie.
- The artwork must have Shire of Coolgardie (wording) incorporated into the design.

All entries are to be completed and delivered to the Shire of Coolgardie Office by Thursday, 27 April 2017

For more information please contact Meghan Kent on (08) 9026 6090

The Nationals WA are the party for small business

The Nationals WA's plan for payroll tax will:

- » Deliver tax relief for more than 10,000 small to medium businesses in Western Australia
- » Raise the payroll tax exemption threshold from \$850,000 to \$5 million
- » Introduce \$5,000 Kick-Start Grants for small businesses (payroll under \$850,000) to help them hire new workers
- » Allow small and medium businesses more scope to invest in equipment, expand their business and hire new workers

A difficult jobs market

After a period of record employment, strong wage growth and an economic boom, the number of full-time workers in WA is at a five-year low. Around 4,300 jobs were lost in September this year, marking 21 consecutive months of job losses in WA. To tackle this challenge, The Nationals WA will deliver significant payroll tax relief for businesses to encourage expansion, investment into new equipment and stimulate employment.

The Nationals WA have consulted with business and industry experts to deliver a plan for payroll tax reduction that will deliver significant benefits to WA's small to medium business sector.

How much will it cost?

Payroll tax relief is estimated to cost \$440 million per annum or \$880 million over a two year period. The Small Business Kick-Start Grant is expected to cost \$10 million per annum or \$20 million over two years. These initiatives will be funded by The Nationals' plan to increase the iron ore Special Lease Rental charge.

What does our plan mean for your business?

Payroll (\$)	Tax saving (\$)
1,000,000	9,305
1,500,000	40,320
2,000,000	71,335
2,500,000	102,350
3,000,000	133,365
3,500,000	164,380
4,000,000	195,395
4,500,000	226,410
5,000,000	257,425
5,500,000	205,940
6,000,000	154,455
6,500,000	102,970
7,000,000	51,485

The GST Rip-Off

If there is no change from the Federal Government, we can only afford to provide payroll tax relief and incentives for new employees for a limited period of time. We are proposing these exemptions for a period of two financial years. The Nationals WA will ensure payroll tax relief and incentives for small to medium business are sustained long-term once the Federal Government acts to place a floor in the GST at 75 cents or quarantines the revenue raised from the iron ore Special Lease Rental from GST calculations.

THE NATIONALS
for Regional WA

The Nationals WA are the only party with a plan for WA's future

The Nationals WA have a plan to return the budget to surplus, create new jobs and ensure that resource companies pay their fair share.

We have identified a charge in WA's State Agreements – the contract between the State and resources companies - which has not been updated since the 1960s.

The Nationals WA will increase the 25c per tonne Special Lease Rental

to \$5 per tonne to reflect the modern economy we all live and work in.

Our plan is fair, and will allow us to return the budget to surplus and continue to deliver the infrastructure, services and job creation our State needs.

We will also deliver major cuts to payroll tax, helping over 10,000 small and medium businesses in WA.

BUSTING THE BIG MINERS' MYTHS. Rio Tinto and BHP are running a well-financed campaign against our plan, and that's their prerogative to do so. But some of their claims are unfounded or plain wrong:

MYTH #1 The Nationals are introducing a new mining tax

This is not a new tax. We are simply updating an existing charge which the big miners are already paying. The Special Lease Rental hasn't been reviewed for over 50 years, so we think it's time to update it to reflect the modern economy we all live and work in. While charges and fees have risen for every West Australian household since the 1960s, the 25c per tonne Special Lease Rental has not been reviewed or increased for 50 years.

MYTH #2 The big miners pay \$19 per tonne in tax

While we have asked the Chamber of Minerals and Energy to provide a breakdown on this figure, they have not been forthcoming. Figures in *The West Australian* indicate this \$19 tax includes around \$13 in Federal taxes. Of the \$6 that Rio and BHP pay to WA most is redistributed away thanks to the GST rip-off. It should also be noted that royalties on iron ore are not a tax. They are the price all miners must pay to purchase Western Australia's mineral resources.

MYTH #3 The Nationals plan will cost jobs

The Chamber of Minerals and Energy's own report into The Nationals WA's plan reveals no current WA jobs are at risk as a result of The Nationals' proposal. The greater risk to employment is BHP and Rio's own cost cutting strategies – which include automated trucks and trains and the use of Singapore trading hubs and Malaysian call centres. These measures were put in place long before The Nationals announced our policy. WA's mining sector shed 25,000 jobs between August 2013 and June 2016 and despite their immense profitability Rio has recently announced another 500 job cuts. The Nationals have a plan to create more jobs for WA workers by cutting payroll tax for more than 10,000 small and medium businesses. We'll also deliver new, job creating infrastructure projects through asset recycling.

NEWSLETTER #4

Greetings and salutations to all of our supporters and detractors alike. Hopefully more of the former and less of the latter.

Well we have spent our first couple of Saturdays working at 'The Shed' with a couple of nice new shiny workbenches being produced. Well done lads.

The membership drive has started out with a hiss and a roar with six new members signing up in the first week and a fair amount of interest from the fairer sex.

However, we are still looking for new members and helpers to help take our growth through the next stage.

Everything is in place to start equipping and operating 'The Shed'. If you feel that you have the talent, the will and the drive to help build up this community asset WE NEED YOU

We have two classes of membership available: - -

1. General Membership; open to all males, 18/90, with access to all Shed activities including voting rights and committee membership @ \$50.00 P/A
2. Associate membership; open to all females 12/90 and males 12/17, with access to all shed activities EXCEPT voting rights and committee membership @ \$40.00 P/A

STILL INTERESTED?

Telephone a Committee Member for more information, and/ or a Membership Application Form, or call at the Shed between 10.00am and 2.00pm for a chat and a cuppa any Saturday. We will make you extremely welcome.

4. Click on "Kambalda"
5. Using the pull down arrow change Adult to "0" and Child to 1.
6. Click on "Continue".

From here follow the prompts to register your child. Should you require help or further instructions please contact Em Alexander at emmaalexander4@bigpond.com or via facebook.

TEAMS, COACHES AND TEAM MANAGERS

We expect to field these teams 10's & Under, 12's & Under, 14's & Under and 16's & Under this year. We need coaches for all of these teams please. If you have a general knowledge of the game and are able to volunteer your expertise and time then please contact Em Alexander. Our first game is on the 1st April this year and we would really like to get the kids on the track as soon as possible.

HOME GAME UMPIRES

It is a requirement of the GFL that home teams provide the umpires. The 10's need one umpire for the game however 12's, 14's and 16's require two umpires on the ground. We are therefore seeking people again with a fair knowledge of the game who would be willing and able to volunteer their expertise and time on Saturday mornings to umpire.

Home Game Dates: Saturday 1st April, 13th May and the 27th May
Saturday 3rd June, 10th June, 17th June and the 24th June
Saturday 22nd July

TRAINING NIGHTS

Training nights at this stage will stay as Monday and Wednesday. However this could change depending on availability of coaches. We will advise when training will start for the kids.

KIDSPORT

Kidsport forms are available from Madison at the Kambalda Community Recreation Facility. A photocopy of the applicant's concession card is needed for the application.

Daughters of Midas Pioneer women of the Eastern Goldfields

“On October 16, 1892, the Murphys left Southern Cross with a team laden with goods and equipment for the store. Three Days later Ann and (their daughter) Edith made history of being the first European female in Coolgardie.

The journey from Southern Cross to Coolgardie took about three days and, unlike her parents, Edith thought it something of a picnic. There had been good rains that winter and although it was late spring the bush still showed patches of green and a few wildflowers and had not yet taken on the grey parched look of summer.

Being a child, Edith could relax and enjoy the experience while her father guided the horse through stands of salmon gums, mulga and sandalwood or around salt lakes and through stretches of heavy sand. At night they set up camp and the girl gathered wood for the fire and assisted her mother prepare the meal.

When the murphys reached their destination they saw that most of the activity was taking place on an area of ground called Fly Flat so they erected their canvas store and living quarters there, and Felix (husband) returned to carting between the two towns.

Mother and Daughter soon learned the reason for the name, Fly Flat. The bush flies, which breed prolifically in the warm weather conditions....”

“Edith Murphy was a tom boy. She enjoyed living among the diggers who made much of the young girl and gave her the nickname “Tommy”. One day, feeling restless, she “borrowed” a horse and took it for a gallop in the bush. When the owner found his precious steed was gone he reported its disappearance to the police.

Edith duly arrived back on the exhausted animal and when the owner found that his horse had not been stolen but taken for a ride by a young girl he told the police to forget the matter. Ann murphy had other ideas, It was time her wayward daughter was taught a lesson. She told Warden Finnerty he must make Edith stand up in court and be charged with stealing. The warden, a family friend, at first objected to this rather drastic measure, but he finally agreed. He took her to court and placed the now very alarmed young girl on the dock and said, “Tommy Murphy I charge you with stealing a horse”.”

These extracts are from the novel “Daughters of Midas, Pioneer Women of the Eastern Goldfields” it was written by Norma King with alot of people throughout the Goldfields, and beyond, acknowledged for their input into the research. The book is filled with many interesting stories of the pioneer women. Nurses, the first bride, working ladies, female doctors, miners wives and many, many more. It is a fantastic look into some of the untold history of the Women of the Goldfields.

This book can be purchased for \$22.00 from the Coolgardie Visitors Centre along with many other great history novels covering all sorts of areas of life in the goldfields.

If you would like more information on this book or any other History books relating to the Shire of Coolgardie and Goldfields please contact the Coolgardie Visitors Centre on (08) 90266 090 or email visitors.centre@coolgardie.wa.gov.au

MARCH SQUASH NEWS

At present the **2017 Pennant** season looks like kicking off on **February 22** and unfortunately we probably won't be able to field a full compliment of 8 teams and therefore have only 6 teams competing.

It should still make for some interesting and competitive squash and we have been supported once again by some members of the Kalgoorlie club making the journey to compete with us.

There hasn't been much action during the off season, but Social Squash has continued on Monday evenings with a few regular attendees attempting to improve/maintain their skills for the upcoming season.

Coolgardie Community Men's Shed

February has been a busy productive month at the Men's Shed. We have had breakages, repairs and some new visitors to our shed.

We would like to also thank the members of the Coolgardie Community who have saved their aluminum cans for us as we do crush them down and take them to the scrap metal dealer in Kalgoorlie. A big thanks to Debbie at the Denver City, the sandewood workers and all of the community members who have recycled them for us. We will be setting up a outside bin for people so that they can drop them off when they are passing. We don't make a huge amount of money from them but it certainly helps with the costs of nuts, bolts and consumables that we use at the shed.

The Coolgardie Men's Shed is also helping the Coolgardie CRC with the Anzac Poppy Project. Bob Kippen has spray painted hundreds of the flowers already and the Men's Shed is finishing the remainder. We look forward to seeing them displayed at the RSL on Anzac Day.

A big thank you to the Coolgardie Primary School P & C for their kind donation of furniture and a fridge to our shed. It will be used well and we appreciate it.

The Shed is open most Sunday's and everyone is welcome to come down to the Old Railway Goods Shed and meet the team, and take part in the projects or just pop in for a coffee.

New members are welcome to join, for more Information please contact Wayne 0438 267 180

Coolgardie Volunteer Fire & Rescue

From the desk of the Coolgardie Volunteer Fire & Rescue Captain – David Shilton

Our Senior Running Team will be competing in Bunbury this weekend in the first main State Open event for 2017. Our members have been training hard twice a week as well as in the weekends.

Good luck to our team this weekend.

Have you checked your smoke alarms in your house lately?? Check the batteries, all batteries should be changed on the 1st of April of every year if not done earlier. Smoke alarms saves lives!!

If you are interested in joining the Coolgardie Fire and Rescue Service, come down and see us on our training Nights which is every Tuesday night from 7.00pm. For more information contact Dave Shilton on 0412 859 582

ScoutsWA provides opportunities for young people who, because of isolation through distance or other circumstances, and who are unable to be a regular member of any section within a Group, for them to join the Lone Scout Group. Lone Scouts enjoy a very similar experience to that of their formation counterparts. Scouting activities are planned through the Lone Scout Leader for their respective section and supported by an Adult Helper in the local community. Lone Scouts come together at times throughout the year for camps, Branch activities or the like. Further information is available through contact with the:-

The Australian Breastfeeding Association (ABA) is now holding monthly meetings in Kambalda!

We meet at the Kambalda Community Recreation Facility, 9.30am-11.30am. Recreation Centre staff can direct you to the right area. In 2017, meetings will typically be held on the 3rd Tuesday of each month. Our March meeting will be on Tuesday 21 March. Kambalda meetings are a casual morning tea, with a breastfeeding counsellor present to offer individual counselling if required. All welcome 😊. Bring a plate if you can!

The Kalgoorlie-Boulder Group also offers monthly meetings in Kalgoorlie, which feature a presentation or discussion facilitated by a volunteer breastfeeding counsellor, or guest presenter. We offer a range of breastfeeding and other parenting topics. Similar sessions can be presented in Kambalda if there is enough interest.

Meetings offer an opportunity to chat with other parents as well as receive breastfeeding information and support in a relaxed, non-judgemental environment.

Parents, parents-to-be, health professionals, babies, toddlers and other breastfeeding supporters welcome. A \$2.00 per adult donation toward room hire would also be appreciated.

For further information check out:

- The ABA website breastfeeding.asn.au
- Local ABA Facebook page [facebook.com/ABAKalgoorlieBoulder](https://www.facebook.com/ABAKalgoorlieBoulder) (includes dates and topics for Kambalda and Kalgoorlie meetings)
- Contact Tanya on envirotanya@gmail.com or 0402335228.
- For free confidential breastfeeding help right now call the Breastfeeding Helpline – 1800 686 268.

Hope to see you there!

The Pastor's Pen with Bill Kirkland

'The just shall live by faith' was the single most important statement that influenced the reformation and the formation of Protestant churches more than any other. Martin Luther had a light bulb moment when he realised that it was impossible for a man to be made right or just with God by his own actions. Instead a man needed to receive right standing in God's eyes by having faith in the sinless Man Jesus Christ.

For many the idea of living by faith appears to be living a life without reason. Personally I think the opposite is true. If we don't live by faith then how do we live? Many live by feelings, by sight or by fear. The Scriptures exhort believers a number of times that 'the just shall live by faith'. The 'just' are those who have received forgiveness of sins through faith in Jesus Christ.

Living by sight is often superficial. Living by feelings can quickly lead to obesity or mistakes. Living by fear very quickly makes you a slave to the things that you fear. Living by faith acknowledges that above every human Government, above every human power and above the spiritual world is God. Living by faith often appears foolish in the short term however will show itself very beneficial in the long term.

Living by faith requires a person to realise that everything you see is not always as it appears. Some feelings can lead to destruction if obeyed. If you realise how powerful God is you won't live in fear of others. Living by faith led the apostles, who suffered greatly, to make statement like, 'What then shall we say to these things? If God is for us, who can be against us? Truly He who did not spare His own Son, but delivered Him up for us all, how shall He not with Him also freely give us all things?' Romans 8:31-32

Kambalda Community Resource Centre

It's been another busy month for the Kambalda Community Resource Centre (CRC) with fun-filled activities such as Pancake Day, Welcome to Town morning tea, Live simulcast of Opera in the Park – 50th Gala concert and the February Outdoor movie screening.

On 4 February our first 2017 Opera in the Park Westlink live simulcast '50th Gala concert' was viewed by a small but appreciated audience. Westlink viewings are available 5 days a week at the Kambalda CRC although live Simulcasts will allow Saturday viewings by arrangement. These viewings are a 'Bring your own drinks and a plate'. For up and coming Westlink viewings please see the monthly program at your local CRC.

On 15 February we hosted the 'Welcome to Town' morning tea. This is an opportune morning for new residents to come along and meet the locals. Although we didn't have the privilege of new families attending it was still a 'golden' moment over a cuppa to catch up and chat with a few familiar faces. Thank you to our lovely gentle exercise class who continue to support this event and should there be new residents to town they always welcome them with warm open arms.

A well supported Welcome to Town Morning Tea

On 28 February we held the annual Pancake day at the Kambalda Community Recreation Facility. \$5.00 brought you a stack of 3 pancakes, topping of your choice, ice cream, cream and fresh fruit of blueberries and strawberries. With this event the funds raised go toward a local not for profit community group and this year the amount of \$269.00 raised will go to Kambalda RSL.

A huge and grateful acknowledgement goes out to our volunteers on the day – Pam Harwood, Marita Aslin and Tanya Magill for the work you ladies did to make our 2017 Pancake day a success.

Camping at Cave Hill

Cave Hill is a well loved campsite for community members as well as many travelling visitors. This spectacular granite outcrop got its name from the large cave on the western side.

During the 1930's there were 4 dams constructed to help supply the steam- driven engines on the Woodline Railways. The Woodline timber was taken to Kalgoorlie-Boulder by the many camps scattered around the area.

If you wish to travel to Cave Hill, Via Burra Rock, you may come across some of these old camps. From Coolgardie, this trip is about 100kms. This track is a four-wheel-drive track, and as with any bush driving we recommend that you be mindful of the weather conditions.

Cave Hill is also accessible from Widgiemooltha. It is only 50kms from Widgiemooltha and is suitable to travel in two-wheel-drive.

At the base of the rock you will find beautiful bush camp grounds, picnic tables, BBQs and toilets. There are also some information boards to tell you the history surrounding this area.

There are plenty of nature based activities to do at Cave Hill. After exploring the outcrop and cave you might like to walk on some of the bush trails, try capturing some of the wildlife on camera or seeing how many yabbies you can catch!

Please make sure you pack your own drinking water and leave only your footprints.

Please note, as the area is in a conservation reserve, no pets are allowed.

If you would like more information on this camp ground, please feel free to contact the

Coolgardie Community Resource Centre

Wow its March already. 2017 is flying by! We have had lots of visitors to the Coolgardie CRC this month and that doesn't include the community who come in and participate in our different workshops and events that we hold here.

Anzac Poppy Project

Well Anzac day is approaching us quickly and the Poppy Project is coming along nicely. Our craft ladies have turned the humble soft drink and water bottle into a sculptured piece of art. We are so fortunate to have amazing people within our community who have graciously donated their time to help make this project a success. We would also like to do a big thank you to Bob Kippin for the spray painting of literally hundreds of the poppies and also to the Coolgardie Men's Shed who are also assisting with the painting. Now that it is getting closer to the display construction time, we have Alan Bergin onboard with his artistic visions and skills. Of course, all this would not have been possible without all of the bottle recycling and donations done by you, the community to our group, so a big Thank You! ☺

Pancake Day

On Tuesday 28th February 2017 at 10.00am there was a delicious smell in the air and it was coming from the Coolgardie CRC as it was Pancake Day. Our attendees enjoyed Josie Anderson's delicious fat fluffy pancakes with a full range of toppings where we catered for both the healthy, and maybe not so healthy, options. Thank you to everyone who attended, and thank you to Josie Anderson for her help and her legendary pancake recipe. All of the fundraising will be donated to the Retirees WA – Coolgardie Sub Branch.

Coolgardie Public Library

We have a great range of books in our Public Library. We receive 100 new books once a month from State Library and the range of books authors and genres that we receive is amazing. The library is free to join and if you would like to order any particular books in from the State Library Catalogue we can do that for you too. Come down and see us at the library.

If you would like further information on upcoming activities, please contact Leanne on 9025 0301 or email: Coolcrc@coolgardie.wa.gov.au
