Shire of Coolgardie

Message from the Shire President
May 2017

The month of May has been a busy period for Councillors and Staff working through the Level of Service Review and the Fleet Management report with our consultants John Ravlic and Grant Andrews respectively, and this was followed up by workshops to discuss the LOS templates prepared by our staff coordinators. Further workshops have been held to discuss the Shire Policy Manual Review and the Delegation manual update.

I would like to acknowledge the excellent job that our staff and coordinators have managed to achieve, with many intensive hours going in to complete these templates and manuals. Following on with further consultation during the next three weeks, the Level of Service templates, Policy and Delegation manuals will be presented to Council for consideration in June.

Council has formed a committee comprising all seven elected members and the Shire HR Officer for the purpose of recruiting a Chief Executive Officer for the Shire of Coolgardie. The Recruitment committee advertised the position during the month of April with the closing date for applications on May 5th. With five applications being received, the Recruitment committee has reviewed the CVs of all the applicants and short listed three of these for personal interviews during the process to select a preferred candidate to offer a three year contract for the position of Chief Executive Officer of the Shire. It is hoped that this process could be completed by mid June.

At this month's briefing forum, Councillors discussed the formulation of RoadWise Committees in Coolgardie and Kambalda. This initiative has been proposed by WALGA road safety advisor Cherie Wallace, who has offered to co-ordinate community consultation in each town during June with a view to forming these committees to promote road safety initiatives on local roads and also to work in consultation with Driver Reviver volunteers to reduce the risk of driver fatigue related crashes on our regional highways.

The Shire Annual General Meeting of Electors for the 2015/16 year was held at the Coolgardie Recreation Centre on May 11th with Councillors and Staff and six residents attending. The Annual report, President's report and Auditor's Financial report were discussed during the meeting, and in general business, the main areas of concern raised by the residents were:

- The recent hike in GRV valuations in Coolgardie, resulting in increased rates for residents.
- The pensioner concessions on rates and the payment levy on rates notices.
- There needs to be improved tourism initiatives in the Shire.

It was explained during the meeting that most of these concerns would be addressed in the coming months as the Shire is working on producing a Rating Strategy for the 2017/18 year, and we have Mia Hicks preparing a business case - tourism strategy for our Visitor Centre.

At the conclusion of the meeting after much constructive debate, one resident actually addressed the meeting saying she has noticed the changes the Council is making and thanked everyone for their contribution, which was a very pleasing result for us all.

The Acting CEO and I were invited to attend a meeting with Senator Rick Wilson and Federal Social Services Minister Tudge in Kalgoorlie on May 17th. The Ministers were in the region for consultation regarding the rollout of the National Disability Insurance Scheme, possible trial sites for the introduction of the Cashless Debit Card and anti-social issues facing communities across the Goldfields Regions.

Continued P3

From P2

This follows on from discussions at the Regional Council meeting in April, where several Shires expressed support for the introduction of a trial for the Debit Card to be rolled out in the Goldfields as one step toward reducing the anti-social problems facing these communities.

On May 3rd to May 5th, as the Goldfields Delegate on WALGA State Council, I travelled to the Murchison region for the May State Council meeting. The itinerary included visits to the towns of Mt Magnet, Cue and Meekatharra, with overnight stays in Cue and Sandstone on the way home.

It was a good opportunity to see how these Shires are operating and quite interesting to note there is strong mining activity in Mt Magnet and Meekatharra and there is a major influx of tourists in all of these towns, with most of the caravan parks brimming with vans and motor homes.

It was reported to me that many of these visitors come from the Eastern states for the winter months to prospect for gold in these regions, as well as taking in the various local tourist attractions. This is possibly an idea that could go into the strategy Mia Hicks is developing for our Visitor Centre business case.

Malcolm Cullen
Shire President

Shire of Coolgardie

Shire President and Acting Chief Executive Officer
Meet with residents and members of our community

Shire President, Malcolm Cullen and myself will make ourselves available to meet with residents and members of our communities to discuss any issues you may have within your organisations or towns. These sessions will be held alternately between each town on the second Tuesday of each month at 3pm prior to Council Briefing Forums.

Dates are as follows:

Tuesday 13 June	Kambalda
Tuesday 11 July	Coolgardie
Tuesday 8 August	Kambalda
Tuesday 12 September	Coolgardie

Please contact Tyler on 9080 2111 or email execsec@coolgardie.wa.gov.au to arrange an appointment.

James Trail
Acting Chief Executive Officer

Shire of Coolgardie

Collecting firewood for domestic use

Chilly nights have moved in to the Shire of Coolgardie but people looking to stoke the fireplace have been asked to do so responsibly.

- Collection should be for private use only and is restricted to a ute or trailer load at a time.
- Firewood cannot be sold, exchanged or traded for commercial gain.
- It is a legal requirement to gain permission to enter and collect firewood from other land being used by pastoral leaseholders, mining companies and Aboriginal communities.
- Gathering is not allowed within 2 kilometres of station homesteads or on active mining areas.
- A number of restrictions apply to gathering firewood and one restriction is people cannot collect or cut wood within 7.5 kilometres to the towns of Kambalda and Coolgardie, in order to maintain the health of vegetation protecting the towns from dust storms.

Shire of Coolgardie

Our Community, Our People, Our Future
PUBLIC NOTICE

The Shire of Coolgardie would like to advise – due to a staff development session the following services will be temporarily closed; the Kambalda and Coolgardie Recreation facilities, Landfill sites, Depots and Administration facilities.

Date of closure: Tuesday, 13 June 2017
Time of closure: 8.00am – 12.30pm

Your patience is appreciated.

Kind regards

James Trail
Acting Chief Executive Officer

MEDIA RELEASE

15 May 2017

Big numbers of first-time prospectors spark safety call

A cooler than usual summer has created an early start to Western Australia's prospecting season and a record number of treasure hunters in the field, prompting a safety warning from the Department of Mines and Petroleum (DMP).

"We usually run a safety campaign at this time of year, but this year we really need to get our message out there to what appears to be record number of first-time prospectors," DMP Executive Director Dr Ivor Roberts said.

"Prospecting is fun for young and old, but people need to be aware of the dangers that claimed the life of a prospector only a few years ago."

Dr Roberts said that nearly 1000 Miner's Rights had been issued since the start of the year, with almost 600 issued since 1 March.

"That means a lot of first-time prospectors will be heading out into regional WA and exposing themselves to the dangers of going bush," he said.

"We are to telling people to obey what we call the Seven Golden Rules for prospecting and the number one rule is to put safety first.

"The department is also encouraging prospectors to carry Personal Locator Beacons (PLBs) when prospecting in remote areas."

The device, which can be purchased from most outdoor stores, is considered by search and rescue organisations to be ideal for use in remote areas as it does not rely on telecommunication networks to submit a signal.

"PLBs are the best way of avoiding the sometimes tragic results of getting lost in the Goldfields and the outback," Dr Roberts said.

"If you're not carrying a beacon, you're not taking enough responsibility for your life and It doesn't matter how much gold you find, if you get lost, you risk losing your life."

The Seven Golden Rules for prospecting campaign will target tourist bureaus, libraries, caravan parks and DMP offices with posters, brochures and booklets.

For more information about prospecting, please visit your nearest Mining Registrar's office to obtain a copy of *Prospecting in Western Australia* or download it from www.dmp.wa.gov.au/prospectingwa

Fact file:

- A Miner's Right is the most common prospecting permit used by tourists visiting Western Australia and allows holders to prospect on Crown Land with hand-held tools, such as a metal detector, and to take and keep samples or specimens up to 20 kilograms.
- The first Seven Golden Rules prospecting campaign in 2014 was in response to a recommendation by the State Coroner for prospectors to carry a Personal Locator Beacon (PLBs) following the death of a prospector.
- In 2012, lost prospector Michael Graham sparked a 15-day search involving aircraft, motorbikes, horses and expert trackers covering 1500 square kilometres. The body of the 46-year-old father-of-two was never found.
- The Coroner's Court was told that of the nine prospectors who had been reported missing that year, only one had been carrying a PLB and was found within four hours.
- Searches for missing prospectors average 11.3 hours but many last one or two days, while aircraft searches cost up to \$5000 per hour

The Seven Golden Rules of Prospecting

1. **Put safety first**
 - Make sure you have enough water, fuel, maps, first aid supplies.
 - Give serious consideration to taking some form of telecommunications and a global positioning system to fix locations, and a Personal Locator Beacon (PLB) – it may turn out to be your most important safety device.
2. **Obtain a Miner's Right permit**
when prospecting on vacant Crown land (\$25 from any Mining Registrar's office).
3. **Obtain a 40E permit**
before prospecting within an exploration tenement (if you don't have written permission from the tenement holder),
4. **Get written permission**
from the tenement holder when prospecting on:
 - a mining lease
 - an exploration licence (if you don't have a 40E permit)
 - a prospecting licence

From P6

Government of **Western Australia**
Department of **Mines and Petroleum**

5. **Comply with all legal requirements**
when prospecting on a pastoral lease. You cannot prospect within 100 metres of any occupied building or within 400 metres of any livestock watering point
6. **Show respect when on Crown land**
because it is used or set aside for many purposes.
7. **Fill any holes**
that you dug and repair ground that has been disturbed.

Kambalda West District High School Council

The **Kambalda West District High School Council** meets twice per term on a Monday evening between 5 and 6 pm. It consists of representatives from parents, students and staff. The School Council provides advice and feedback to the Principal about policy decisions, student achievement, and contribute to the development of the School Strategic plan. They approve the School Budget and provide a community perspective to school decision making. We are currently seeking community members who would like to support the school for the 2017— 2018 school year. If you are interested you can either contact Tracey Rathbone, our School Council chair or Emma Alexander of 90271477 for a nomination form.

Coolgardie Community Driver Reviver – Easter 2017

On Thursday the 13th April we held our Easter Campaign Driver Reviver with a “Blessings of the Road” held by Pastor Joseph from Church West, Coolgardie at Coolgardie Park.

Coolgardie Volunteer Fire Brigade, Coolgardie St.Johns Volunteers, WALGA Roadwise Members, Coolgardie Police and Supt D. Gaunt from Kalgoorlie and local community members were present with a sausage sizzle lunch provided.

We had a very successful day with 75 people stopping for a free cuppa or coffee. Most of the people stopping were travelling from the Eastern States. Not only do they get a free cuppa they also have a chance to speak with our volunteers whom in most instances freshen up the drivers with some light hearted jokes and stories from none other than Uncle Roy.

Easter Monday saw us head out on the road 60kms South of Coolgardie on the Coolgardie to Esperance Highway. This was another tremendous turn out for the travellers and also the volunteers who gave up their family time to come make some free tea and coffees. We had volunteers from Coolgardie, Kambalda and Kalgoorlie. We made another 145 drinks to give us a total of 210 drinks for the Easter period.

Our team of Volunteers on Easter Monday helped prevent a serious accident from occurring by getting the attention of a car towing a caravan that had two tyres blow-out which the driver was not aware of at the time. We managed to get the driver to pull over in a safe location with Kalgoorlie Police Officers giving the driver a hand to change the tyres. I'm sure the Police would rather have helped change the tyres than come across a serious accident.

On closing this update I would like to thank all our Volunteers who gave up their family time over Easter to help out. Without your support we are unable to provide this service. Also a special thank you to Simon Shirt for the amazing work, time and effort that you put into getting our van refurbished on the inside, this was made possible by the generous sponsorship of Evolution Mining and the Shire of Coolgardie.

If you are interested in Volunteering some time to the Coolgardie Community Driver Reviver please contact the Coordinator Steven Forward on 0438 421 130 for more details.

Shire of Coolgardie
Community Assistance Fund

The Coolgardie Community Driver Reviver Committee would like to thank the Shire of Coolgardie for their support, for us to upgrade our caravan's air conditioner and also the rewiring of our clearance / tail lights and trailer plug.

Thanks to the Community Assistance Grant we can now get back out on the road and provide our service in the known black spots to tackle road fatigue and to prevent fatalities in our Shire.

The rewiring and supply of clearance/tail lights and trailer plug will enable us to be 100% compliant whilst towing the caravan and the air conditioner will provide our volunteers with some comfort and relief from the extreme weather conditions we encounter over the summer and winter months.

KAMBALDA MENS SHED

It's Glue That Holds This Joint Together

SCROUNGERS PAGE

We are still on the look-out for bits and bobs but mostly now we need members and sponsors.
The sponsors list currently is made up of the following businesses:

- Goldfields St Ives
- IGO
- Gencon Civil
- Tower Medical
- Shire of Coolgardie
- Boulder Rotary
- Tellus

However, you don't need to be a business to join our sponsorship programme. Individuals are more than welcome to come on board. If you would like to find out more email kambaldamensshed@outlook.com.au

Fundraising still goes on. Keep an eye out for some of the boys sizzling sausages at the junior footy on Saturday mornings, at the West Oval, for the next few weeks.

We have also been donated logs for firewood, by Bob the Tree Lopper, which is on sale @ \$190.00 for a very generous ute load. Supply is limited so please place your order before it runs out. If you would like to come and help with cutting and splitting please let us know. This will keep you warm and your contribution will be hugely appreciated.

Cheers

KAMBALDA MENS SHED

It's Glue That Holds This Joint Together

NEWSLETTER #7

Greetings to all readers young and old.

The committee has decided that being open only on Saturdays will no longer "cut the mustard" so 'The Shed' will now be available to all members Monday - Sunday from 8.00am - 4.00pm.

To obtain a key call Garry on 0457 108 094 (East Kambalda) or Allan on 0402 812 222 (West Kambalda), (remember there must be a minimum of two people in the shed if you are working there). The Saturday morning Shed Meeting will still take place as usual so come on in and have your say.

From the community project side, a group of the lads has recently completed sanding and painting a bunch of large plywood keys that are to be used as teacher aids for the East School. If the bright colours don't get the kids attention nothing will. The next project to be completed is a rack for the students to hang their cycle helmets on while not in use. Stay safe kids and grow up to join 'The Shed'.

Donations of bits and bobs are still coming in and we are grateful to all contributors. Thank you all.

Special thanks go to Tellus Exploration for their extremely generous sponsorship to enable us to make six new workbenches. Without this kind of support the job of getting a workable 'Shed' up and running would be almost impossible.

If you are driving past and the doors are open call in for a chat.
You will be made most welcome.
Stay Safe

From the team at Kambalda Mens Shed.

ANZAC Day 2017 at Coolgardie

This year at Coolgardie there was a March that started at 5.45am from the corner of Renou and Bayley Streets up to the Memorial Garden for the 2017 Coolgardie Dawn Service. The March was led by First Class Constable Ferris and W Corcoran played the bagpipes. The salute was taken by Sergeant Pengilly from the Coolgardie Police Station.

A crowd of approximately 280 people gathered for the 6.00am Dawn Service, RSL President W Corcoran welcomed everyone and invited them to sing the Hymn "Oh God Our Help In Ages Past" the gracious harmonies were sung beautifully by the Coolgardie attendees on the clear crisp morning.

Harley Cullen from Coolgardie Primary School read out the Poem "Flander's Field" with support from his brother Maverick and this was followed on by Cheyenne Aird and Cassiopeia Middleton from CAPS School reading a piece about "Simpson and his Donkey" Well done to our young readers, your voices were clear and crisp and you delivered your speeches very confidently in front of a huge crowd.

Willy Corcoran delivered a address which reflected on the First World War and it's conflicts and how the name "ANZAC" came about due to the two countries that fought together and the mate-ships that came about representing the Australian and New Zealand Army Corp. (The name we now know as the ANZACs). Robin Wade also delivered a powerful and touching address that was heartfelt with the involvement of the Second World War and acknowledged the Papua New Guinea's role (affectionately named The Fuzzy Wuzzy Angels), as well as the background story of the Ensign and he also thanked Robert Javapro for being present with the Papua New Guinea Flag.

This was then followed by the Laying of the Wreaths where W Corcoran played "Abide with Me" on the bagpipes. We then listened to the Ode and the Last Post during which our Air Cadets, Wade, Javapro and Mangwa lowered the flags.

The Minute Silence was followed by Vic Dale's recorded poem titled "Anzac Dawn" and then the Rouse was played and followed by the NZ and the Australian national anthems.

The Sunrise completed the service with a stunning display of gold and orange sending threads of sunlight across the colours and textures of the wreaths, the attendees and the poppies that filled the Memorial and its gardens. Mr Corcoran was pleased with the Service and the attendance and commented that "it was especially moving to see the young children who participated and attended the Service".

After the service everyone was welcomed to a beautifully cooked breakfast, prepared by the RSL Committee ladies and friends. The breakfast was not complete without a cup of the tea or coffee with the appropriate additive, a big thank you to our cooks and bar staff, we really appreciated your involvement.

A talking point of the RSL this year was the fantastic display on the Western wall of the building in the Memorial Garden. A big thank you to the ladies from the CRC Craft group who turned the 2000 plastic bottles into a vibrant display of poppies and also to Alan Bergin for his great efforts in getting that display onto our RSL building.

Additionally a big thank you to the uniformed Police, Fire Brigade and St Johns Ambulance for attending as well as to all of the community members. This day would not have been possible without the support of Moran's IGA, two generous community members and sponsors, the RSL Committee, partners and friends, Robin Wade, the Air Cadets, Sergeant Pengilly and his crew.

Once again thank you to all - "Lest We Forget"

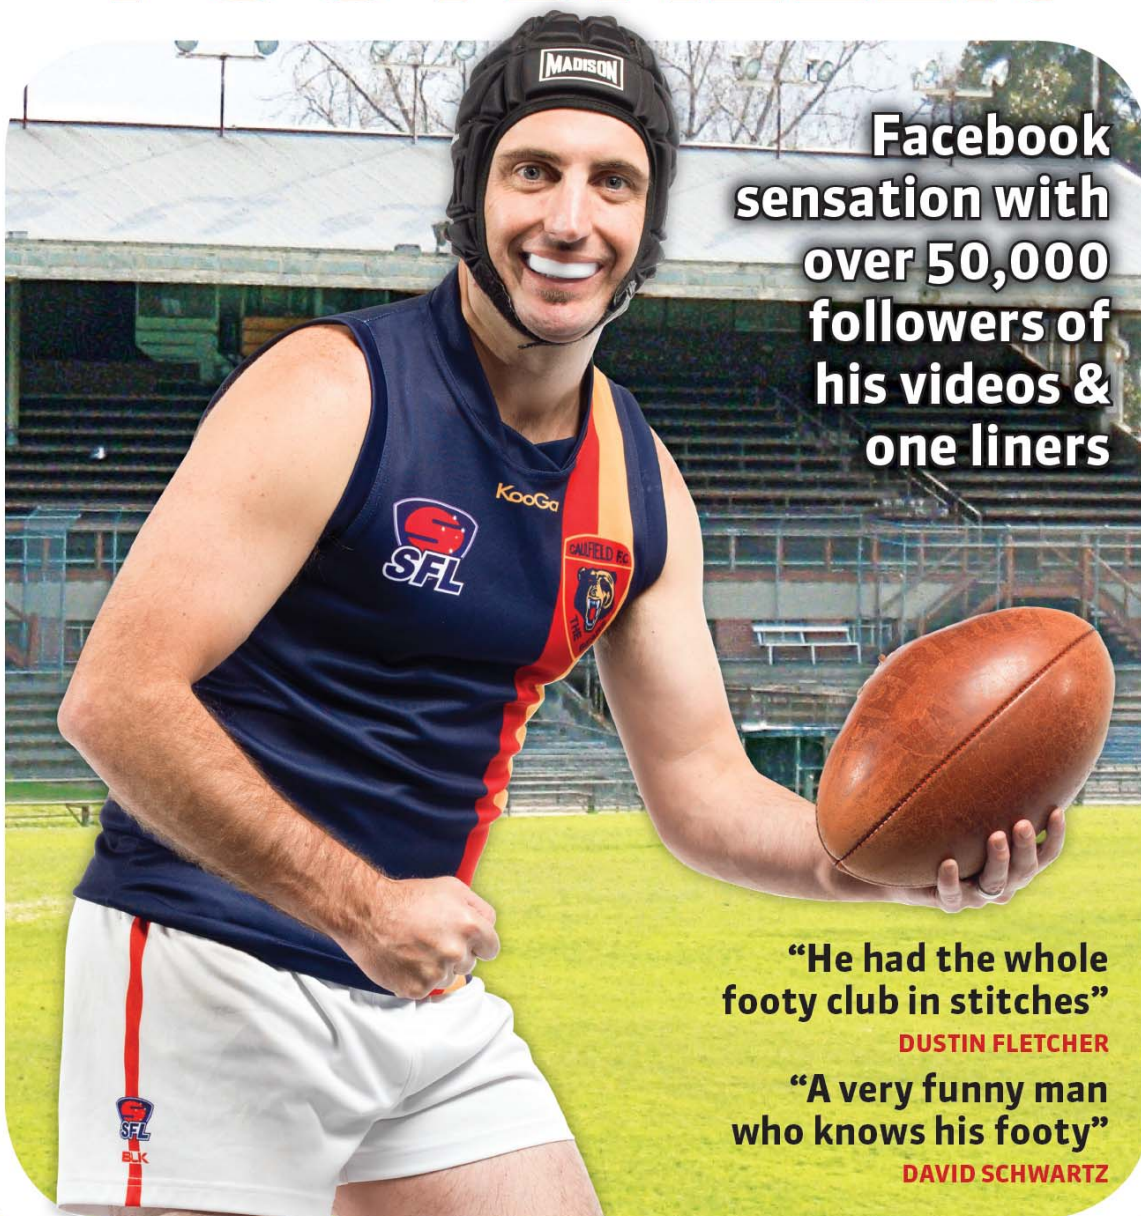

W Corcoran

THE WINTER SPRINKLER SWITCH-OFF

1 JUNE - 31 AUGUST

Dear Customer,

This is your friendly reminder that it's time to switch off your sprinklers.

A ban applies to all scheme and bore water users in Perth, Mandurah and some parts of the South West and Great Southern regions, from 1 June to 31 August each year.

WHY DOES THE BAN EXIST?

Evaporation rates are generally lower in winter, so you can leave your sprinklers off and let the rain take care of your lawn and garden instead.

Last winter we saved around 4.8 billion litres of water by switching off our sprinklers and letting the rain take care of our gardens. That's almost enough to fill Subiaco Oval 5 times!

To learn more about the sprinkler ban, or discover more water saving tips, visit our website for more information.

- Flying Fish **Lily Russell & Sophie Mitting**
- Barracuda's **Rianna Matulin & Shontae Wheatley**
- Magic Turtles **Jake Warner & Christina King**

Record holders: Kyle, Lynkon, Lachlan & Rianna

Life Membership:

It was a privilege to honour Julia Roberts and Michael (Matchy) Matulin for their dedication, commitment and tireless work within our club and award them Life Membership to Kambalda Amateur Swimming Club.

Since 2008-09 season Julia and Matchy have both taken on many various roles within the club; Julia; Registrar, recorder, treasurer, cook, cleaner. Matchy; swimmer, lifeguard, coach, Vice President and general handyman and much more.

They have both received the Most Valued Male/Female award on a number of occasions.

Julia and Matchy have been attending Country Pennants since 2009 where they both contribute their time to volunteer either as officials or timekeepers, along with constant support to their children and the club. They have attended many other swim meets throughout the years and assisted with organisation of several of these, including our own annual December, Splash & Dash and 12 Hour Lapathon.

Kambalda Amateur Swimming Club Presentation 2016-17

We honoured two members as **Most Valued Female & Male.**

These were awarded to **Sharon Warner**, our Magic Turtle squad coach in Norseman. Sharon has been a valuable member of our club since Norseman joined us a few years ago. She invests so much of her time as a coach to encourage the kids in Norseman to swim, this can be hard as the squad is quite isolated from the rest of the Kambalda club. Sharon invests her time regularly each week driving the bus to time trials and any other meet or functions that the club participates in. Sharon also encourages the kids to have bathers, goggles and caps, even if it's at her own expense.

Jake Warner received a Coaches Award and the Most Valued Male:

Consistently attends training. Encourages the younger swimmers to keep trying and helps them with learning new swim skills. Happy to help put lane ropes in at the pool even on cold mornings. He has often gone and woken kids up to get them to come to training so they don't miss out. Always there to help and is happy to do so. Congratulations to you both.

New Committee Elected

At our AGM held on Easter Saturday we had a good turn out and the following people constitute our Committee for the 2017 calendar year. We welcome Len Harmalin back as Chair, Anne Argus is our Vice Chairperson, John Scott remains as Treasurer.

But, we need to fill a vacancy of Secretary, an essential position.

We would welcome a nomination to fill this position to take the pressure off the Treasurer and to help us comply with our constitution. Enquiries—Phone 90273089.

Chairperson—Len Harmalin (Phone 90212709)
Vice Chairperson—Anne Argus (Phone 90271493)
Secretary—Vacant.
Treasurer—John Scott—(Phone 90273089)

Committee:

Craft Day Coordinator—Halina Scott
Pottery Coordinator—Jay Stafford
Zoe Murray, Corrie Krpan, Catherine Roberts, Mrs Billie Ingham, Margaret Cheney & Erin Argus

A warm welcome to our new committee members: Jay, Corrie and Erin.

***Kambalda Arts Centre Gallery
Open Saturday's 10am–2pm.***

Come on down and see the art on display, view Kambalda history, the herbarium or have a chat and a cuppa.

This is a place to relax.

We welcome new members and this is a good time to register, take a tour of our wonderful facility, have a go at pottery or mosaics or give us a hand with maintaining the complex.

If you are interested in a Markets day stall, pop in and we can go through the registration process.

Coolgardie Volunteer Fire & Rescue

From the desk of the Coolgardie Volunteer Fire & Rescue Captain – David Shilton

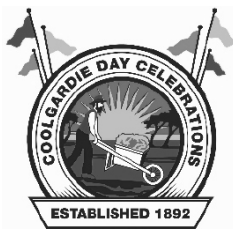

Well 2017 is certainly flying by. Our building extensions are coming along nicely and this is all made possible due to the generous donation received from Mrs Tree. The finished project is going to be very beneficial to our current and future members of all ages. The Community will be invited to the opening when it is completed.

Just a reminder to be cautious on the road, driving and fatigue conditions can change suddenly. Take your time and drive for the conditions its better to get there late than not at all.

Have you ever thought about joining the Brigade? Not only will you become a part of the great team and get involved within the Community but you will learn new skills and get qualified in the courses run by DFES.

If you would like to join to Coolgardie Volunteer Fire and Rescue Service come down and see us on a Tuesday night at 7.00pm. Come down and meet the team.

For more information call David Shilton on 0412 859 582 or Steven Forward on 0438 421 130.

The Pastor's Pen with Bill Kirkland

Isaiah was an Old Testament prophet who lived approximately 650 years before the birth of Christ. He recorded many prophecies predicting the coming of the Messiah which proved to be very accurate. In the first chapter of the book named after Isaiah we read of a dialogue between the prophet and God Himself. In Isaiah 1:18 we read of God's invitation which says, 'Come now, and let us reason together, says the LORD.' I recently heard a sermon where it was pointed out that if God asked that question today He would be very lonely, since so few people are capable of reasoning now!

The capacity to reason or even argue has largely been replaced by slogans which are often designed to shut people up from debate. These are some of the slogans I hear: 'the science is settled', 'love wins', 'all religions are the same'. I am sure there are many more. People using these slogans usually mean "shut up" or, "your opinion does not matter". These slogans are actually useless without pursuing the reasoning behind them. In probably the most educated society we have ever had people often look to celebrities to comment on every topical issue of the day whether they have any expertise or not. Suddenly we have people who are good at acting supposedly good at politics, economics, global warming and theology. Thinking for oneself seems to be largely outsourced.

The irony is that those who believe in Christ are considered to be brainwashed. Personally, I think that people who deny that we are born moral beings, that complex design demands a designer and that man has a fallen nature must walk around with their eyes shut. There is a common caricature of people of faith being weak, insipid, cowardly and foolish. The Lord Himself promises that those who seek Him with all their heart will find Him. (Jeremiah 29:13). History is replete with men and women of faith with brilliant minds who truly knew how to reason.

Split Systems Servicing

Un-serviced units run at a lower efficiency and can cause:

- Higher power bills
- Limited heating & cooling capacity
- Noisy operation
- Mould and bacteria growth that can cause illness and foul smells.

Reverse cycle is the best way to stay the perfect temperature all year round. Routine maintenance will keep your unit at its best, for every season.

Your aircon will work better, smell better, and cost less to run

Servicing increases the life of your unit and protects your investment, make sure you trust the best with the responsibility. Our specialist cleaning products and expert tradesmen will get your unit working like brand new.

*View our before and after on facebook in colour

Have an evaporative airconditioner?

A winter shutdown is a great way to save money by:

- Prolonging the life of your unit and its parts
- Reducing heat loss from your home
- Reducing the chance of split pipes caused by freezing in winter

Call us now to book yours in!

Kambalda Community Resource Centre

May has been an exciting month for the community with helping fundraise for cancer and to celebrate the visit from Independent Living Centre WA to Kambalda.

Locals raised a cup for Australia's Biggest Morning Tea

On Thursday 25 May 2017, the Kambalda Community Resource Centre hosted another strongly supported Biggest Morning Tea with funds raised by a gold coin donation on entry and a \$2.00 Mini Food Hamper raffle.

Australia's Biggest Morning Tea is such a fun way to raise funds for those needing cancer support and ground breaking research.

It's something we look forward to each year – the amazing atmosphere, the tea and coffee, the community coming together, and all for a good cause – something we are all extremely passionate about.

Since it began in 1994, the Biggest Morning Tea event has raised over \$121 million dollars for cancer research, prevention, early detection, treatment and support services.

Thank you to Joelee Nolan for the amazing hand made yellow daffodil table centres, East Deli for providing the delicious morning tea, Helen for donating pumpkins to help raise funds and to the wonderful Kambalda locals who came along to help make this event a success.

\$380.50 was raised and all funds will go to the Cancer Council. Congratulations to our raffle winner - Tania Phelps.

A glimpse of the decorated room and locals enjoying a cuppa at the recently held Biggest Morning Tea at the Kambalda Community Recreation Facility

Tea**

Independent Living Centre WA comes to Kambalda

Can you believe it has already been a year since Independent Living Centre WA visited Kambalda, and how fortunate we were both then and now.

Lynda Quigley, Independent Living Centre WA, Occupational Therapist, and her team travel around the Goldfields in their mobile clinic to enable people to see, trial and experience assistive equipment, technology and changes to the home in a replica living environment.

One feature that was of keen interest was the smart home technology aspects, which demonstrate an alternative way to control appliances and services in the home.

For example, you can switch the lights on simply by walking in to a room, change the TV channel with a smart phone, control the blinds via a tablet and see who is at the door and be able to let visitors in with a touch of a button from any room in your home.

Independent Living Centre WA Occupational Therapist, Lynda Quigley giving a short presentation on the resources that ILC WA have

If you require more information on ILC WA please contact Independent Living Centre WA | The Niche, Suite A | 11 Aberdare Road | Nedlands WA 6009 Reception: 1300 885 886 or 08 9381 0600 | Enquiry Line: 08 9381 0608 |

Coolgardie Community Resource Centre

Biggest Morning Tea at Coolgardie Thursday 25 May 2017

What a fantastic turnout for this fun and very important annual event. Great company, delicious food and again lots of laughs (especially with Roy Bergin being present). There was a great range of morning tea to choose from and a big thank you to Heather Kent and Jessica Neil for bringing down their baking. We had a winter themed raffle on the day and Shane Munro was the winner. We raised \$205.00 that morning and these funds have been donated to the Cancer Council. Well done Coolgardie.

Raffle Winner Shane Munro

12 Steps to Business Planning Workshop

Lee Jacobsen from Business Local Kalgoorlie delivered a Business Planning Workshop on Thursday 27 April 2017. It was a relaxed and educational evening for our Coolgardie businesses and after the presentation Lee spent time individually with the attendees sharing her knowledge and information. Lee has since done trips back to Coolgardie to see the businesses that had requested further appointments with her. We are very fortunate to have this beneficial service available in the Goldfields. Thank you Lee and we look forward to the next workshop.

Wednesday Mornings with Centrecare

We have been having lots of colourful and creative fun on a Wednesday morning with Alison from Centrecare Kalgoorlie, as part of our Men's and Women's Health activities. Alison surprises us each week with a different craft activity as well as spoils us with her morning tea treats. Everyone is welcome to come along at 10.00am for two hours of creativity fun and laughter – a great morning out!!

If you would like further information on upcoming activities, please contact Leanne on 9025 0301 or email: coolcrc@coolgardie.wa.gov.au
