Goldfields Giants

Annual Basketball Game 2017

Over the weekend of June 17 2017 the Kambalda Community Recreation Facility hosted the annual Goldfields Giants State Basketball game, of which they played against opposing team Kalamunda Eastern Suns. Although the Giants didn't win, with the final score being 98-89 they fought tryingly until the final siren rang.

The Kambalda Community Recreation Facility hosted a crowd of around 500 including sponsors and local community members from Kambalda, Coolgardie and Kalgoorlie. It was a great community event to be a part of with sponsors being treated to dinner held in the function room sponsored by the Kambalda ESS. Non-sponsor attendees were able to purchase hot food and beverages from the local cafe Oil and Spice who opened especially for the evening.

The Kambalda Amateur Swimming Club greeted patrons as they came through selling last minute tickets at the door and Kambalda West District High School held a fundraising stall in the foyer selling hot food and sweets to raise funds for the year 5/6 upcoming school camp.

Local youth Steven Warena, Kaia Church, Paige Monaghan, Trayce Warena and Naijahna Chapman-Grant volunteered their time during the night and were our floor wipers for the evening as well as being a great help with clean up at the end of the night. A huge thank you to our youth for volunteering their time.

As always this night wouldn't have been possible without the support and contributions made from local businesses CPC Engineering, Kambalda ESS, IGO Long Operations, Gold Fields St Ives, Kambalda Electrical Contracting, TAPS Plumbing and Jason Cleeland Plumbing.

A huge thank you to all the sponsors who helped to make this event a success. Big thanks to the Kambalda Community Recreation Facility staff who worked effortlessly to run the evening.

Shire of Coolgardie

Message from the Shire President
June 2017

With the end of the 2016/17 financial year fast approaching, Councillors and staff have been engaged in workshops and strategies in preparation for the implementation of this coming year's budget. Part of this process will be to form a rating strategy to help identify the categories and rate in the dollar that will be required to fund the Shires operating revenue this financial year. Councillors will also refer to the Long Term Financial Plan and the recently adopted Level of Service Plan whilst in deliberations for bringing down the 2017/18 budget.

Technical Services staff has had to delay the start of the Shire Black Spot road projects because of holdups with the Intersection Design Drawings not being completed and approved by MRDWA. Fortunately the funding can be rolled over and these projects will commence in July/August.

The Shire has received a petition from Coolgardie residents to lobby the Minister for Transport and MRDWA, to lower the speed limit on Bayley Street to 50 kmph, and this will be presented to Council for consideration this month.

Coolgardie Community Resource Centre and Recreation Centre staff hosted the first interagency forum in Coolgardie for some time on May 26th. There were representatives from the Department of Sport & Recreation, GETS, Worklink, Red Cross, Department of Prime Minister & Cabinet, Youth Justice and Coolgardie Youth Club. This was a good meeting with some of the discussion points being:

- The number of children roaming the streets during school hours.
- The potential trial of the Welfare Debit Card introduced in the Goldfields region.
- Positives for Coolgardie with the Skate Park upgrade for youth.
- Funding for walking/bike trails and outdoor furniture from Dept Sport & Recreation.
- Suggestion to investigate a project to paint murals in and around Coolgardie to involve the youth, similar to the project in Kalgoorlie.

The Federal Senator for WA, Peter Georgiou visited Coolgardie/Kambalda on Tuesday 27th June, and invited Councillors to meet with him to air any concerns or issues that anyone would like to raise whilst they have the opportunity during his visit here.

I attended the WALGA State Council meetings on May 5th and June 7th. WALGA has called for an alternative option for the collection of the Emergency Services Levy, and has moved to oppose the future collection of the ESL through Local Government rates from 2018/19.

The CCC Commissioner was present at the June meeting, where he highlighted the need for Local Governments to ensure their systems and processes are satisfactory and they continue to strengthen relationships with WALGA, LG Professionals and the Dept of Local Government. He also said that most Local Governments were most at risk during the procurement of goods and services. It was also discussed that the Department of Local Government should take a more proactive (than reactive) role in the part they play in overlooking the compliance of Local Governments in WA.

Many Local Governments are experiencing difficulties in managing the control of off road vehicles in their communities.

Continued P3

From P2

There are moves to introduce strategic clearing permits for clearing native vegetation on road verges in WA. This will allow easier access to commence road works etc in the regions.

Murchison Zone moved to lobby the State Government on the following issues:

- Review and amend policy that student progression to next grade/level not be implemented until student meets required standard.
- Raise with State Government the critical issue regarding staffing medical/health centres in regional areas. Policy should dictate at least two nurses as a minimum be stationed at health centres where there is no hospital.

The annual Goldfields Giants basketball game was held at the Kambalda Community Recreation Facility on Saturday 17 June, with another good crowd attending and enjoying the entertainment. Hosting this event is a credit to our Recreation staff, with the work and effort involved, and thanks go to all our sponsors for making the event possible. It is important that we as a Shire continue to attract and promote events such as this for the benefit of our communities.

Chief Executive Officer Appointment

I would like to advise all members of the Shire of Coolgardie that at the June Ordinary Council meeting held on Tuesday 27th June 2017, Mr James Trail was appointed to the position of Chief Executive Officer of the Shire of Coolgardie on a three year performance based contract.

Councillors noted the improved financial position and organisational outcomes achieved over the past six months under Mr Trails leadership. The Council is looking forward to working together over the next three years continuing these improvements and ensuring that our Shire is performing at a sustainable level into the future.

James is going to be living permanently within the Shire and is looking to relocate his family during the year to Kambalda and we look forward to welcoming the Trail family into the Shire of Coolgardie.

From the desk of the CEO

Hi everyone

I hope you are all staying warm on these colder winter days. It has been a very busy few months here at the Shire with the staff, councillors and management team being involved in a lot of meetings and workshops where we have been reviewing the Level of Services, budgets, long term financial plans, rates strategy, policy updates, future projects and the end of financial year components just to mention a few. All of the hard work is now complete due to a full team effort and we look forward to implementing these into place in the future.

Shire President Malcolm Cullen and I have had requests from the community to meet with people to discuss any issues or concerns that you may have within your towns and we now have that in place and look forward to meeting with you. The meetings are held alternatively between the towns and are held on the second Tuesday of the month. Refer to the advert on page five for the dates and call 9080 2111 and ask for my executive assistant to book an appointment.

The school holidays are upon us and if you are wondering what to do with the children, head down to the Recreation Centres and check out the big range of fun things to do with the school holiday activities. The public libraries are loaded with plenty of good books and DVD's to suit all ages and the community resource centres are also a busy community hub with different things happening.

In June we registered with the "Real Men Wear Pink" national breast cancer foundation fundraiser. It was all about "Getting Pinked" and with the help of the Shire staff and many different items of pink clothing, from hats to trousers and socks worn for the day we raised \$334.00. Thanks everyone for supporting this good cause as every dollar raised helps work towards the foundation's funding of incredible research into the prevention of breast cancer. The foundation's goal is zero deaths from breast cancer by 2030.

The next Council meeting will be held at Coolgardie on Tuesday 25th July 2017 at 6.00pm. We have copies of all council Agenda's and Minutes available for reading at the public libraries or they can be easily accessed on the Shire of Coolgardie website www.coolgardie.wa.gov.au.

If you are social media users don't forget our Shire of Coolgardie and Kambalda Community Recreation Facility pages, they are always updated with things that are happening within your community.

I look forward to meeting and working with you all, we have some exciting things happening within the next financial year. These will be highlighted on completion of the Shire budget process for 2017/2018.

The Shire will soon be advertising proposed differential rates, sewerage rates and domestic bin collection charges. I encourage the community to provide feedback through a submission by the date that will be detailed when the proposed rates are advertised.

I am extremely proud to have been appointed as the CEO of the Shire for the next three years.

Kind regards

James Trail

Meet with residents and members of our community

Shire President, Malcolm Cullen and myself will make ourselves available to meet with residents and members of our communities to discuss any issues you may have within your organisations or towns. These sessions will be held alternately between each town on the second Tuesday of each month at 3pm prior to Council Briefing Forums.

Dates are as follows:

Tuesday 11 July	Coolgardie
Tuesday 8 August	Kambalda
Tuesday 12 September	Coolgardie

Please contact Tyler on 9080 2111 or email execsec@coolgardie.wa.gov.au to arrange an appointment.

Your generosity and support made the night a massive success and is greatly appreciated.

HOW TEACH LEARN GROW IS HELPING OUR KIDS' FUTURE

Teach Learn Grow

On Monday the 26th of June, Coolgardie Primary School welcomed 12 enthusiastic volunteers from Teach Learn Grow into their school to tutor the students for a week.

Education is the most important thing that we can give our kids to ensure that they are on the right track to a brighter future. However, on average, remote students are 2 years behind metropolitan schools, and students in remote locations are 12 times more likely to be below the national minimum standard in Mathematics. Furthermore, 3 in 5 Indigenous kids living in remote areas will never finish school. This educational gap between urban and rural students mean that remote and rural students are often severely disadvantaged when it comes to educational opportunities.

Teach Learn Grow (TLG) is a not-for-profit organization that sends over 230 volunteers, biannually, across WA to offer one-to-one tutoring for a week to help make a change for kids across WA. Their mission is to help bridge the gap of educational disadvantage in WA. Every child deserves to have equal opportunities in education, which is why TLG aims to improve the educational outcomes and aspirations of remote students in socio-disadvantaged areas so that they can reach their full potential.

From the 26th of June to the 30th of June, the volunteer's interacted with the wider school cohort each day and immersed themselves in the local community. Tuesday the 27th of June saw the volunteers create an after school 'games night' for the kids for some much deserved down time! The volunteers also put on their running shoes on Thursday the 29th of June and participated in the school's end of term Colour Run.

By sending these well-educated volunteers to tutor and act as positive role models to the students, TLG aims to improve our students' educational achievements and their value towards their education. Above all, they are striving to empower our students to reach their educational goals and potentials, and to see schooling in a more positive light!

But their efforts don't just end there. TLG also provides an eMentor program throughout the schooling terms, and will also be back again for the second part of their bi-annual rural program at the end of the year! If you do want to learn more about what TLG has to offer, head of to their website, <http://www.teachlearngrow.org.au>!

"With the help of sponsors from IGO, TLG has successfully helped to bridge our current educational discrepancies"

RE: Ngala in the Goldfields-Esperance Region

Since 2016, Ngala has been funded by WA Country Health to provide a community-based early childhood education service, including:

- Parenting workshops, and
- Professional development opportunities in early childhood development and parenting.

This service supported the Goldfield communities of Kalgoorlie/Boulder, Kambalda, Coolgardie, Norseman, Esperance, Menzies, Leonora and Laverton.

Funding for this service ends on 30 June 2017, when Parenting Connection Goldfields-Esperance will come on board locally.

During Ngala's service, a local Child Health Nurse, Louise, was employed by Ngala to support the Kalgoorlie/Boulder and Northern Goldfields region.

Services to the Esperance region were provided on a fly in fly out basis. During their work, Louise and Kim developed strong relationships with local organisations and the families they support.

Louise and Kim wish to thank everyone who supported and worked with Ngala's services at this time. With your assistance, the local Ngala team could get out to support more families. Kim and Louise are positive you will share the same strong relationship with Parenting Connection Goldfields-Esperance.

Parenting Connection WA is a partnership between Ngala and Anglicare WA. It is a new approach to supporting parents in many communities around the state. Its mission is for parents to have the knowledge, skills and confidence to be the best parents they can be.

Going forward, Anglicare WA will support families through Parenting Connection Goldfields-Esperance.

Parents, community groups and service providers are encouraged to get in touch with Parenting Connection Goldfields-Esperance if they have any questions about how, when and where this will unfold in their community.

Dear Country Club Kambalda Member,

On behalf of the Country Club Kambalda, I would like to take this opportunity to Thank you for your past Membership. Your continued support will ensure that the Country Club will remain running.

It is now time to renew memberships for the 2017/2018 Period.

Prices will remain at \$20 Adults, \$15 Seniors.

I would also like to take this opportunity to advise the Community of the Country Club Kambalda's current position. For the last year (and longer) the running of the CCK has been the responsibility of less than 5 people. This includes staffing the bar, and all duties in maintaining and running the Club.

For those who remain still unaware, Chas Miller spends countless hours every week organising Bar stock, Cleaning Beer lines etc, Cleaning/Yard work around the club and assisting with Office duties. He also fills every night when no one has volunteered for the Bar. Without Chas, the Country Club Kambalda would NOT BE ABLE TO OPERATE!!! While I love assisting, personal reasons and my Family are making juggling this extremely hard.

Due to the age of the CCK, we have been experiencing a lot of Maintenance Issues. We have been lucky to have Local companies assist the Club (either Free or reduced rates), but the costs of the ongoing maintenance are increasing. We desperately require Community members who are willing to help organise the Maintenance or assist in Fundraising events to cover these costs.

The next AGM will be held shortly. I encourage everyone to PLEASE ATTEND. You do not need to hold a key position, but we need more people assisting in the decision making into the running of the club.

Please also encourage anyone who would be interested to Volunteer for the Bar. If 5 people could do one night fortnight/month it makes a huge difference. We have had several times over the last year when only one/two people have been available to cover 5 nights.

I love the atmosphere here at the CCK. But things desperately need to change to continue operating. Should any one wish to discuss this with me, I would welcome it. Best time would be Thursday nights at the Members draw.

Kind Regards,

Alison Dowey

We are still on the look-out for bits and bobs but mostly now we need members and sponsors.
The sponsors list currently is made up of the following businesses:

- Goldfields St Ives
- IGO
- Gencon Civil
- Tower Medical
- Shire of Coolgardie
- Boulder Rotary
- Tellus

However, you don't need to be a business to join our sponsorship programme. Individuals are more than welcome to come on board. If you would like to find out more email kambaldamensshed@outlook.com.au

Fundraising still goes on. Keep an eye out for some of the boys sizzling sausages at the junior footy on Saturday mornings, at the West Oval, for the next few weeks.

We have also been donated logs for firewood, by Bob the Tree Lopper, which is on sale @ \$190.00 for a very generous ute load. Supply is limited so please place your order before it runs out. If you would like to come and help with cutting and splitting please let us know. This will keep you warm and your contribution will be hugely appreciated.

Cheers

NEWSLETTER # 8

A big howdy do to all readers in Kambalda and Coolgardie. Its mid winter and cold outside but heaps of warm vibes inside 'The Shed'.

The lads are busy cooking sausages on Saturday mornings at the West Oval with very good results. Thanks to all of the Junior Footy supporters for purchasing our snags. It's due to your generosity that 'The Shed' is able to keep growing.

A huge welcome goes out to our first female member, Shontelle, she may be young but I am sure she will keep all the oldies in line.

Male membership is slowly growing with three new members signing up. It is only \$25.00 to join for the next six months so come in and have a chat if you are keen to find out more about the Mens Shed movement.

We are busy applying for grants for the purchase of plant and equipment but a very special project is to upgrade the power distribution in 'The Shed' to enable us to run 15 amp and three phase equipment. If you would like to help with the funding of this project your support will be gratefully accepted.

On a final note we have been approached to help pursue the possibility of setting up a community garden in Kambalda. If you are interested in becoming involved in this special project please call Patricia on 0451 596 868 or email her at psp.sarnepaul0@gmail.com she would be really keen to hear from you.

See you all at 'The Shed'
From all the lads and Shontelle.

MEDIA RELEASE [FROM 3 JULY 2017]

Free mammograms for COOLGARDIE women

If you are a woman aged 40 or over you can access the FREE screening mammography service in Coolgardie. BreastScreen WA's mobile service will be located at Coolgardie Health Centre carpark, Wilkie Street from 31/07/2017 to 2/08/2017.

Breast cancer is the most common life threatening cancer for women and one in eight women in Australia will develop breast cancer in their lifetime.

Having a screening mammogram (breast x-ray) every two years significantly increases the chance of a woman surviving breast cancer and reduces the amount of treatment required. More than 75% of breast cancers occur in women over the age of 50. Research shows that screening is most effective for this age group.

BreastScreen WA's Medical Director Dr Elizabeth Wylie, said screening mammography was the most effective method for early detection of breast cancer.

"Screening every two years is vitally important to increase the chance of a breast cancer being detected when it is too small to feel or be noticed. Finding a cancer at this early stage often means that the breast cancer is small and more treatable".

"A free screening mammogram is one of the best things that women can do to look after their health. Breast screening saves lives and only takes 20 minutes," said Dr Wylie.

Screening mammograms may detect up to 90% of breast cancers.

Any woman with a persistent change in a breast should see her doctor immediately.

The mobile service will then be moving to Laverton and Wiluna.

BreastScreen WA encourages women to make an informed decision about having a mammogram. For more information please visit the BreastScreen WA website www.breastscreen.health.wa.gov.au

To make your free screening mammogram appointment – book online www.breastscreen.health.wa.gov.au or call 13 20 50.

Early detection is your best protection.

End.

Media enquiries only: kemh.pr@health.wa.gov.au or Tel. (08) 9323 6773. Dr Wylie is available for interview.

The Pastor's Pen with Bill Kirkland

Fake news, fake science, fake refugees, and fake medicine are all terms you now hear in the news. The term is often used by those who want to discredit another person's point of view. Some people say that all religions are fake and man-made. It is obvious to thinking people that where there is something fake there is first something genuine.

Years ago bankers were trained thoroughly in identifying genuine bank notes. This then enabled them to detect fake notes. The numerous variations on the fake notes made it possible to identify them as forgeries. Many people feel they have to explore every faith, every philosophy, every ideology before they can make a choice on what is genuine and what is fake. In reality you only need to study the truth and it will be obvious what is fake.

A lot of people admire Jesus as someone who cared for people, forgave sins and healed the sick. However they balk at some of His extraordinary claims. He claimed to exist before Abraham as well as claiming to be divine (John 8:58). He claimed to be the resurrection and the life (John 11:25) and He claimed to be the only way to His Father (John 14:6). All these claims seemed like "fake news" to His followers until after His resurrection.

People hate being caught out as gullible. I suspect that the majority of the Australian public consider being agnostic as a safe position to hold. To claim to know truth can come across as arrogant. The irony is that the only access we have to truth is through being humble. If Jesus is judge and Saviour as the Scripture declare, then it is worthwhile to at least consider His claims.

WANTING TO BUY

Can anyone help me find a chair matching the one in this photo?

We bought these oak chairs in Norseman and Coolgardie many years ago and need one more dining chair, with or without the upholstered base, to complete our setting.

If you can help us locate a chair please contact Madeleine on 0421126050, it would be greatly appreciated.

Kambalda Community Resource Centre

With the cold chilly weather through the month of June it certainly didn't deter people from participating in activities and workshops which the Kambalda CRC had running. A huge thank you to all of you who continue to come along and support in one way or another through these events.

On Thursday 15 June the Kambalda CRC in conjunction with Business Local, presented by Lee Jacobsen – Goldfields Business Adviser brought the Understanding your business financials to the local businesses in Kambalda.

Topics covered were: Financial statements help you understand your business – business financials are at the heart of small business management and are a key to the success of your business. Cash is not for profit – Analysis of business financial statements can tell you a lot about the performance of your business, such as: how much profit am I really making?, are my expenses realistic?, why are my profits going down but my sales are going up? and is your business worth the investment you've made into it?

Enjoying the delicious breakfast provided by Oil & Spice cafe at the recently held Business Networking/ Workshop

On Wednesday 28 June in conjunction with Centrecare Kalgoorlie, we held a Carers Support luncheon at the Kambalda Community Recreation Facility. It was nice to see so many people from Coolgardie and Kalgoorlie come along to enjoy an appetising lunch provided by Kambalda East Deli, while making new friends and catching up with old.

Welcome to town morning tea guests

Carers support luncheon visitors

On Friday 30 June 2017 we hosted the Welcome to Town Morning Tea. This event recurs four times a year and there is no better way for the community to welcome and meet new people to town. A warm extended welcome to our new residents to town – Maheshika, baby Dylan and family and not to forget the wonderful ladies from Friday's exercise class who came along to help make for a warm and friendly morning.

If you would like further information on upcoming activities, please contact Val on 9080 2115 or email:kambaldacrc@coolgardie.wa.gov.au

Coolgardie Community Resource Centre

Wrap up for Winter Project

The Coolgardie CRC Craft ladies have once again completed another project that was donated to the Community and great timing with the sudden change in weather. There was a sea of colour in our boardroom as we displayed our hand made scarves, beanies and mats. It was a fun filled project with many hours of work both here and at home and we would like to say a big "Thank You" to Jill Scutter, Josie Anderson, Elaine Brown, Nancy Day, Betty Furge, Kerry Nielsen and Lyn Sojen for your participation in this well appreciated project.

Jill Scutter, Elaine Brown, Lyn Sojan and Josie Anderson

Understanding Your Business Financials

On Thursday 22 June, the Coolgardie CRC hosted a business workshop that was run by Lee Jacobson from Business Local. The workshop was very informative and Lee was brilliant in answering the questions from our group as well as sharing some tips and we all left with an easy to use reference handbook. If you are unable to make the business evenings, Lee will travel out to Coolgardie and have individual appointments with you at your premises at a time that is suitable for you. Thank you Lee we appreciate your knowledge and services to Coolgardie.

Thank a Volunteer Evening

On Thursday 29 June, the Coolgardie CRC hosted a "Thank a Volunteer" Evening for the community groups and volunteers within Coolgardie. Volunteering builds stronger communities and we could certainly see and feel that in the room that evening. The volunteers enjoyed an evening of finger food and refreshments with a presentation from Shire President, Malcolm Cullen. Once again, thank you to our community volunteers for your dedication to Coolgardie.

If you would like further information on upcoming activities, please contact Leanne on 9025 0301 or email: Coolcrc@coolgardie.wa.gov.au
