Shire Of Coolgardie
Free Community Newspaper

Families and community members celebrating Australia Day in Kambalda and Coolgardie.

AUSTRALIA DAY!

The shire communities turned out to commemorate and celebrate Australia Day this year with all the fun, food and community spirit the occasion merits.

At Kambalda the shire hosted a breakfast and ceremony of awards at Lions Park, which was followed by free fun activities at the Kambalda pool. The Australian breakfast was cooked and served by local Volunteer Fire and Rescue Services Crew, so a big thank you to the members for helping on the day! It was great to have the presence of our local Kambalda St John's volunteers on standby as well. Thank you!

Shire of Coolgardie

Message from the Shire President
January 2017

8.1 President's Report February 2018

At a special meeting of council on January 23, councillors moved to consider taking over the management of the Goldfields Records Storage Facility on behalf of the Goldfields Regional Councils.

This proposal was then discussed by GVROC delegates at the regional council meeting in Esperance on February 2, where the delegates agreed to the Shire of Coolgardie taking over the management of the GRSF, subject to approving an amendment to the Records Management Agreement and the transfer of resources and finances from the CKB. Should an agreement be reached for this facility, it will provide the shire an opportunity to fully manage our records system at a level not experienced before.

Councillors attended a workshop in Kambalda to discuss the formulation of our draft long term financial, and integrated financial plans 2016/25 co-ordinated by Mia Hicks and Martin Whitely. This plan sets out how the shire can provide services and infrastructure in our communities whilst retaining a healthy and stable financial environment. The draft plan is expected to be completed next month, with community consultations being held in both Coolgardie and Kambalda in mid-March. Notification to residents regarding when and where the consults will be held are currently being advertised.

The shire town planning consultant, Francesca Lefante, has been working with staff with regard to processing building licences in a more timely manner, investigating the rating of mining infrastructure, finalising the Tellus Holdings planning application for the Sandy Ridge Kaolin Mine, and developing strategies and procedures when staff are dealing with derelict property and buildings, abandoned vehicles and roaming and stray animals in the shire.

John Ravlic from Ravim consultants spent a week in the shire working with and training staff on the next Level of Service, stage 2. This will include developing staff KPIs in line with provision of services and efficiencies within the organisation. This is a comprehensive program being implemented by council and when fully operational, should bring long term benefits to the Shire of Coolgardie.

The shire construction crew has been busy following the Christmas break. The Cave Hill-Kingswood St intersection has been completed and work has commenced on the sealing of the Jaurdi Hills section of road leading out of Coolgardie.

Technical services staff are currently working on the coming year's road program, with the Shire to be in a position to spend nearly \$1 million on our road network. This program should see significant improvement to local roads and gravel road maintenance over the next 12 months.

Meetings and workshops attended this period include:

- Committee meeting in Coolgardie with CEO, Laura Dwyer, Cr Logan, DSS staff and Lesley

Continued P3

From P2

Arnott from Rick Wilsons office to discuss the CDC trial.

- Meeting in Kalgoorlie with MRWA, Peter Miller, CEO to discuss and resolve Blackspot road upgrades in both Coolgardie and Kambalda. These projects have been delayed due to drawings and designs not being completed in time.
- Community participation forum in Coolgardie with several government agencies and shire CRC staff to develop a youth engagement program in the shire.
- Met with both Francesca Lefante and John Ravlic during their recent visits to discuss the progress of their relevant programs with the shire.
- CEO and I met with representatives from Neo Metals who are investigating potential sites to locate a \$40 million lithium plant in the Goldfields.
- Attended the annual GVROC meeting in Esperance along with Cr Botting, Deputy President Rathbone, CEO, Elly McKay and Laura Dwyer.
- Attended the Promote and Develop Tourism committee meeting Kalgoorlie.
- CEO, Cr Kippin and I met with Department of Finance, Building Management and Works Director and staff in Perth to discuss the future use and upgrades of the public building in Coolgardie.
- Meeting with CRC staff, Laura Dwyer in Coolgardie to discuss the Aboriginal Army Strategy with army recruitment officer Jeff Murray.
- Meeting with Peter Miller and Keith Dickerson to discuss road verge and footpath flooding issues around Coolgardie.

8.1 President's Report March 2018

Shire staff are currently processing an unprecedented number of building applications being lodged following the hail storm that damaged the asbestos roofs in Kambalda last November. The number of roof replacements is estimated at more than 200, with the majority of the asbestos and insulation being buried in a designated area at the Kambalda landfill facility.

Our town works crews have also been busy catching up with a backlog of clean-up jobs around both Coolgardie and Kambalda, including sweeping loose gravel off the roads and repairing the drains and verges following several heavy rain events over the past month. This has also included weed spraying and slashing of laneways and verges.

The shire recommenced the mosquito fogging program in both towns recently in an endeavour to reduce the havoc these insects are wreaking on our residents following all the rain we have experienced lately. This program will run for two weeks so that hopefully will help reduce the plague we have in the area currently.

After the fogging program has ended I would encourage all residents to check their properties for any likely spots that mosquitoes may breed, such as open water tanks, old 200ltr drums and tyres lying in the back yard as these are all ideal areas for mosquitoes to continue the breeding cycle.

The shire road construction crew are currently working on the intersection program at Ladyloch Road and the new haulage route linking to Nepean Road. This project has to be completed prior to June to acquit and claim the Regional Road Group funding.

Other projects to be undertaken will be Binneringie Road north east of Widgiemooltha, where mining of lithium and gold has increased significantly in recent months, and when all approvals are in place, the Binneringie - Esperance Highway intersection, and the Cave Hill Road realignment.

Continued P4

Shire of Coolgardie Ordinary Council Meeting 27 March 2018

Councillors and staff have also been busy over the past month engaging in workshops for the budget review, Community Strategic Plan 2018-28 and investigating repurposing and uses of shire reserve land.

The community open consultations were held on March 17 in both Coolgardie and Kambalda with good conversations with residents regarding projects and infrastructure planning in the shire for the next 10 years. With a lot of people taking the documents home to read, I would encourage as many as possible to make sure you hand the completed documents in at our recreation centres to give an indication as to what our residents would like council to focus on to benefit our communities during this time.

Meetings and workshops attended this period:

- Workshop to discuss future waste landfill sites and condition report of swimming pools.
- State Council meeting in Perth.
- Regional Road group chairs forum in Perth.
- Budget Review workshop.
- Briefing forum, land use planning, and community chest funding options.
- Meeting with Mia Hicks consulting and CEO, project funding options.
- GVROC tele-conference meeting, Regional Councils.
- CDC committee meeting to finalise funding from DSS (Induce) for office fit out and staffing for card rollout in April.
- Met with representatives from Northern Star Resources and CEO, in discussion following the company's purchase of West Golds Jubilee Mill and South Kalgoorlie operations.
- Met with representatives of Department of Finance, to inspect Public Building in Coolgardie, following on from our meeting in Perth last month.

Malcolm Cullen
Shire President

Shire of Coolgardie Ordinary Meetings for 2018

Meetings of Council are held on the last Tuesday of the month at 6pm. Meetings alternate between Coolgardie Council Chambers and the Kambalda Community Recreation Facility function room.

| Day | Date | Time | Location |
|------------|--------------|-------------|-----------------|
| Tuesday | April 24 | 6pm | Kambalda |

| Tuesday | July 24 | 6pm | Coolgardie |
| Tuesday | August 22 | 6pm | Kambalda |
| Tuesday | September 25 | 6pm | Coolgardie |
| Tuesday | October 23 | 6pm | Kambalda |
| Tuesday | November 27 | 6pm | Coolgardie |
| Tuesday | December 18 | 6pm | Kambalda |

Exciting programs at Coolgardie Recreation Centre

Story Time

Tara has been setting up amazing activities for the under 5s. Every Friday morning (during school term), they read a book and do a craft project that matches the story.

Toddler Funtime

During Toddler Funtime so far this term we have created: colourful fish, sparkly, decorative crowns and Valentine's Day cards. They have all looked awesome.

Also, we have a new fun learning environment set up for toddlers to explore and have fun and learn. It features puzzles, books and a variety of toys.

The recreation room ready for Toddler Funtime with an obstacle course prepared.

Seniors Fitness

Heather, our fitness instructor, has been holding these classes for more than six months now. It is great to see the older members of the community coming down and getting involved.

By participating they are learning about a healthy lifestyle and exercises, which helps them building strength for daily jobs. Through these classes we have built a strong relationship with the community and hope to see this program continue with more participation.

Group Fitness

Group fitness classes are being held on Monday evenings at 6pm. It's a great time to come down meet people from the community and be in a safe environment while getting fit. Each week we have a different program which can be tailored to suit each individual. We love seeing new faces each week and putting our clients to the test.

Pingo

Pingo is now run bi-monthly, with the next event to take place in May. We have had great success with our Pingo nights, with everyone thoroughly enjoying evenings filled with laughter and fun prizes.

Goodies and prizes awaiting Pingo winners.

Youth nights

These nights will run on the opposite month to Pingo. The first event ran in March, with the recreation girls planning a 'Burger & Gaming Night'. It was a fantastic event.

We love to receive feedback from the community so if any local youth have ideas on the kind of events they would like to see, please come down to the recreation centre and put your thoughts to the girls.

New programs to come

The recreation centre girls are cooking up a some exciting new programs for the community to enjoy. They should be ready to launch within the next few weeks. If anyone in the community would like to see any particular programs please come on down to the recreation centre and let the girls know.

Australia Day celebrated in style

From P1

Lion's Park was the alternate venue due to the grass being rehabilitated at the pool after the November storms last year. The park proved to be a great success and created a warm inviting atmosphere.

This year also saw a change with the deliverance of awards with Shire of Coolgardie President Malcolm Cullen presenting awards in Coolgardie and Deputy President Tracey Rathbone presenting in Kambalda. Each nominee received a certificate of acknowledgement for their efforts and the award winners also received a medallion.

Carryn Hargrave received the award for citizen of the year and Margaret Donkin received the senior citizen of the year award in Kambalda.

The Premiers Australia Day Active Community Group award received four nominations this year: St John's Kambalda Volunteer Ambulance, Kambalda Volunteer Fire and Rescue Services, Marilyn Ward - Kambalda Community Christmas Tree Committee and Alex Houghton's Kambalda Animal Rescue. The award went to Marilyn Ward and the Kambalda Community Christmas Tree Committee. A big congratulations on this achievement.

Meanwhile in Coolgardie locals gathered at the pool for a delicious breakfast hosted by the shire, with assistance provided by volunteers groups including Coolgardie Fire and Rescue Service, St John's Ambulance, Roy Bergin and Coolgardie Youth Group.

Coolgardie's citizen of the year award nominees were Ryan Kippin and Anne Kent, and senior citizen of the year nominees were Gaynor Jeffries and Robert Waring. The awards went to Ryan and Gaynor.

The Premiers Australia Day Active Community Group award was won by Evolution Mining. Congratulations to all the Coolgardie nominees and winners.

After the awards pool staff at each venue held some family water activities that were enjoyed by all. There

ABOVE: Malcolm Cullen and Betty Logan with Coolgardie Citizen of the Year nominees Anne Kent and Ryan Kippin.
BELOW: Kambalda Australia Day award recipients and presenters.

were activities for all ages, including the 'Golden Nugget' challenge, which was thoroughly enjoyed by the children that participated.

A colouring-in competition was held promoting 'Watch Around Water', and this was set up in the entrances to the pools. The final activity was a family challenge that consisted of a water relay.

Thank you to all who attended and helped make the celebration of Australia Day throughout the Shire of Coolgardie a success!

Continued P7 & P8

Malcolm Cullen and Betty Logan with Coolgardie Senior Citizen of the Year Gaynor Jeffries.

Evolution Mining representatives Andrew Miller and Dianne Newell receiving the community group award from Malcolm Cullen and Betty Logan.

Australia Day 2018

The government initiative Cashless Debit Card is now operating in Coolgardie. We have two support officers, Dave Grills and Aleysha Elmer (pictured), in Coolgardie who are there to help you with understanding and the setting up of your card. They are based at the debit card office, which is at the Coolgardie administration building on Bayley Street. If you have any questions about the initiative come in and see Dave or Aleysha.

Free entry weekends at Warden Finnerty's during festival

The Australian Heritage Festival runs from April 18 to May 20 this year, and as part of the event visitors to Warden Finnerty's residence can enjoy free entry on weekends. The home was built for Coolgardie's first resident Mining Warden, John Finnerty, and today features wonderful displays showcasing moments from the Goldfield's history.

Kambalda Football Club

The Kambalda Football Club committee for 2018 season is:

President: Mathew Pryce

Vice President: Kevin Steinhauser, Ryan Mc Nally

Treasurer: Elise Simpson

Secretary: Mel Rowlands

Senior Coach: Brenton Rowe

Colts Coach: Mark Paparone

The Golf Ball Drop will be held on March 10 from 1.30pm until late.

First home game early April

Watch this space for more exciting events coming up for the Football Club!

*** Thank you ***

Special thank you to the doctor and staff at Kambalda Medical Centre for their dedicated care during a time after suffering a severe burn.

Kambalda is most fortunate to have such an outstanding medical team.

Thank you,
Margaret Cheney

Go for the parade!

A Coolgardie resident is hoping to add another feature to this year's Coolgardie Day parade - a group of people motoring along Bayley St on gophers. Betty Furge is encouraging anyone who owns and/or uses a gopher (or motorised scooter) to join her and friends in riding in the parade.

To register to participate in the parade visit the event's website at www.coolgardieday.com.au and download a form. For further information please contact Betty on 9026 6154.

PUBLIC MEETING **9TH MAY 2018** **LONG / VICTOR NICKEL** **MINING OPERATIONS**

Mining operations at Long / Victor will be suspended as of the end of May 2018 and the mine will be placed into Care and Maintenance. In preparation for this, Independence Group NL (IGO) will provide a community project update to review the arrangements underway and the options being considered for Long's future.

The evening will be hosted by Long Operation's Resident Manager, Mr Philip Rixon, who will provide:

- an update on the Long Operation's transition into Care and Maintenance
- Overview of the options under consideration for the future of Long

Everyone with an interest in IGO and the Long Operation is welcome to attend.

COMMUNITY PROJECT UPDATE

DATE 9 May 2018

VENUE Kambalda Recreation

Community Manager on 0457 937 990.**

Shire of Coolgardie

Coolgardie Visitors Centre

During the Easter break, the Coolgardie Visitors Centre held a colouring-in competition for local kids to enter. All who entered did an amazing job, and we were very lucky and proud to display the entries. The wonderful work they did made it quite difficult for our local artist - Jacqui Mills - to pick the winners. She got there in the end, and these were the talented winners for each category:
 Under 5 years - First: Julissa Gilbert; second: Oliver Kemenade.
 6-10 years - First Mikayla Jefferies; second: Aleisha Jefferies.
 11-14 years - First: Markus Sambo; second: Malakye Sambo.
 Bonus raffle draw - Boys: Sydney Jenner; Girls: Taylor Cullen

On behalf of the Visitors Centre we would like to thank all the kids who entered, Jacqui from Art-house 65 for being our judge, Woolworths, Toyworld and Orana Cinemas, and also Rod Franklin from the Shire of Coolgardie for drawing the bonus raffle winners.

Jacinda Evans
Visitors Services Officer

Markus and Malakye Sambo.

**LEFT: Jacqui our judge.
 TOP: Gaynor Jeffries with Mikayla's winning entry.
 ABOVE: Raffle winners Taylor Cullen and Oliver Kemenade.**

Coolgardie Community Men's Shed Inc.

We have been pretty busy at the Men's Shed lately as we are working on getting our concrete floor down after receiving some funding from the Coolgardie Shire and also from the Federal Government with help from Rick Wilson. Gorrie and I have put up some boxing as we need to stop the concrete going under the existing wooden floor on the next level. With help from Bob Day we have also had to make some repairs to the poor old shed as it is showing it's age in some places. Pecka came along with his bobcat and small truck and dug out the gravel needed to get to the level required. Dave Bergmeier and staff donated some yellow sand to us for the floor, so Pecka came back to spread it out. A big thank you to Pecka, Dave and staff for their time and generosity in helping us out as it is greatly appreciated. We are doing the preparation work ourselves so that we can get as much concrete laid as we can with the funding we have, and we will get the professionals in to lay the concrete but we will need some helpers on the day to assist them with the job. We are not at that stage yet but I will put in a request for some help when the time comes.

ABC Goldfield's Esperance came out recently and did a media story on our recent find of the old number plates while the digging out the shed floor. It was really good story and also covered different aspects of the shed and to date there has been 2100 views of the clip which is great coverage for the shed. You can view it on the ABC Goldfield's Facebook page or look on our Facebook Page as we have it there.

Gorrie and I are going to a Men's Shed Regional Conference in Kalgoorlie this weekend so we will catch up with all of the gossip and any new changes that are happening in the area.

The restoration on the Old Bread Cart by the inmates at the Kalgoorlie Regional Prison is going well and we have just received the wooden spokes from the Esperance Men's Shed to finish the project.

Once again our Shed has been full of handcrafted poppies and we only have about two more boxes of poppies to paint for the ladies at the CRC before Anzac Day and then that job is finished.

All old and new members are invited to come along and have a look at our progress and join us in a cuppa and a chat.

Until next time, take care,

Wayne Bird

Scroungers Page

Believe it or not Christmas is not far away and you can't have Christmas without a party and you can't have a party without music and you can't have music without a band and you can't have a band without musicians!!!!!!!

So let's get cracking and start a band.

If you can Strum, Hum, Thump, Blow, Tinkle, Sing or even Yodel give Ned a ring on 0437 990 934 and get this show on the road.

As most are aware when you make stuff you get rubbish left over. We are no exception so we are looking for a kind hearted person, with an old car trailer to donate that we can do up and use for the dump run.

If you can help please ring Gary on 0457 108 094

Fundraising

One man's junk is another man's gold, it has been said, so with this in mind we would like to collect your left over scrap metal.

This could include such things as –

- Aluminium cans
- Copper pipes
- Car Batteries
- Lead Flashings
- Brass Taps and Fittings

If you think it might be of some value please contact Ray on 0458 187 009

Thank you in advance

The Pastor's Pen with Bill Kirkland

Light of the World

One revered and admired scientist once said that heaven was a fairytale by people who are afraid of the dark. Professor John Lennox from Oxford university came back with the comment that atheism was a fairytale by people afraid of the light.

Jesus said that 'The light has come into the world, and people who do evil things are judged guilty because they love the dark more than the light.' (John 3:19). Jesus was that Light that came into the world. Light exposes and drives out darkness.

The first thing that Adam and Eve did when they disobeyed God was to hide and cover themselves. Recently we have seen in Australian cricket the total shame that takes place when cheating/corruption/darkness has light and truth shed upon it. Many of us have felt that shame in our lives at some stage. The natural thing is to cover or hide it..

The good news is that Jesus did not come to uncover darkness in our lives so that we would remain in shame. He came as the Light to drive out darkness hence He forgave the prostitutes and drunkards and thieves. The ones who remained unforgiven and in darkness were those who rejected the Light. People were unprepared to even consider that they were living in darkness because they only compared themselves against one another.

Jesus is still the Light of the world. Do you love darkness more than Light? The Light has come and those who love truth will find forgiveness and eternal life through Jesus Christ.

Judging Right

The concept of judging is one of the most misunderstood in the Christian faith. Believers and non-believers alike quote Jesus' words "Judge not, that you may not be judged" (Matthew 7:1). Jesus goes on to say "For with whatever judgment you judge, you shall be judged; and with whatever measure you measure out, it shall be measured to you again" (Matthew 7:2).

The idea that a person should never judge is absurd and impracticable. We all judge at times. We make judgements on who we will allow into our house, who we want to be our friends, whether one school or hospital is better than another, and we judge one politician or political party as better than another. People also choose one faith or ideology as being superior to another.

The kind of judgement Jesus warned us of was a self-righteous, judgemental attitude where we look down on someone else while ignoring the flaws and sins in our own life. In Matthew 7:3 Jesus said "And why do you look on the splinter that is in your brother's eye, but do not consider the beam that is in your own eye?" He goes on to command that we take the plank out of our own eye before attempting to remove the splinter in someone else's eye.

One time while Jesus Himself was being judged by His critics He said "Don't judge by appearances. Judge by what is right." (John 7:24) In reality, proper judgment can save a person from much grief in this life. Judging righteously encompasses not playing favourites, not judging before you have all the facts, and ensuring you are not judging while being in a state of denial. Judging righteously requires humility and not putting oneself in the place of God.

Coolgardie Volunteer Fire & Rescue

From the desk of the Coolgardie Volunteer Fire & Rescue Captain – David Shilton

There are over 2,500 Volunteer Fire and Rescue Service (VFRS) members from 92 brigades in Western Australia who provide firefighting and prevention services throughout the State.

VFRS firefighters undertake a range of responsibilities including:

- Combatting fires
- Containing hazardous material spills
- Road crash rescue
- Fire safety education

Through comprehensive training, VFRS firefighters learn to operate the wide range of equipment, vehicles and appliances used for fire suppression including charged hose lines, portable pumps, tankers and communications.

DFES provides VFRS training in:

- Personal and team safety
- Structural and bushfire fighting
- Communications
- First Aid
- Vehicle driving both on and off road
- Leadership and emergency management procedures

For incidents involving road crash rescues and hazardous materials emergencies, specialised equipment such as the 'jaws of life' hydraulic rams, cutters and spreaders, decontamination equipment and protective clothing are used.

Not all firefighters' work involves firefighting or rescue. Volunteers actively promote fire education programs through schools, service groups, seniors' homes and local businesses. Training for this type of work is also provided by DFES Fire Services managers.

If you are interested in joining us, come down and meet the team on our training nights which is Tuesdays from 7.00pm.
For more information contact David Shilton on 0412 859 582 .

Shire of Coolgardie

Kambalda Community Resource Centre

Over the past few months at the Kambalda Community Recreation Facility there has been an abundance of activity. We have some new faces on our front counter and we would like to introduce them to you.

Bernadette Christie has joined our team, taking on sporting and fitness activities. She runs two types of classes: a general circuit class for a range of levels on Fridays, and on Mondays and Tuesdays she runs gentle exercise classes for seniors. Bernie is hoping to add more programs to benefit the community.

Leesa Treen has also joined our team, taking on the role of Kambalda Community Recreation Facility team leader. She will have a lot to do with organising community activities within the Kambalda facility and day-to-day business.

Bernadette Christie.

Leesa Treen.

Nancy McCulloch.

Nancy McCulloch will be joining our team as the support officer delivering information regarding the Cashless Debit Card initiative. This week the government initiative of the Cashless Debit Card will be rolling out within the Goldfields Region. The Kambalda Community Recreation Facility staff members Nancy, Leesa, Bernadette and Mikaela will be available to assist any community members with queries or those needing help to understand and set up their cards.

Throughout the April school holidays there has been a variety of holiday programs being attended by school aged children, kindy to year 6.

Georgia has created a poppy wall to honour and acknowledge the spirit of ANZAC Day. Feel free to add to the wall by dropping crafted poppies into the KCRF. The more community support that is received the more the poppy wall will grow!

The poppy wall at Kambalda Recreation Facility.

Monday night netball has received awesome support from the community, allowing for a game to happen each night, sometimes with two games! It is with community support that we can provide such activities for our community.

March hosted the first Pingo event of the year that brought a crowd of 70 in to support this great community event. Pingo is held every second month throughout the year, with our next Pingo night set for May.

LEFT AND FAR LEFT: Kambalda school children enjoying some of the holiday activities on offer at the recreation facility.

Shire of Coolgardie

Coolgardie Community Resource Centre

Thursday afternoon cooking classes at the CRC

The CRC in conjunction with GETS Coolgardie and the recreation centre have been running some after school cooking classes for the children with a good turn out of attendees each week. Our young chefs have been mastering delicious dishes ranging from bacon and egg pie through to sweet and sour chicken. After a few more lessons we are looking forward to inviting the parents and caregivers down for a dinner. Lots of fun on a Thursday evening and thank you to our helpers, Penny, Georgia, Heather and Tara for making this happen.

Coolgardie Businesses Tourism Meeting

On Monday March 26 the CRC in conjunction with the Coolgardie Visitors Centre and Abby and Jan from the Goldrush Motel held a business tourism meeting to discuss future tourism ideas that would benefit both the community and businesses of Coolgardie. It was a good turnout with lots of brainstorming, ideas and a great networking session.

Chris Hoycard, our new business advisor from Goldfields Business Local, also attended and advised the group on the free services that they have available for our Coolgardie businesses.

Anzac Day poppy and wreath project

Our craft group has been busy with poppy project and the wreaths. Our function room has been a sea of colour and we can't wait for it all to be displayed on Anzac Day.

Thank you to everyone who has donated bottles to make this project happen and thank you to Marleen and Rosemarie who have patiently melted them into shape over the past 12 months.

It's all very well making the poppies but we still needed them to be painted and constructed on the wall, a big thanks to the Coolgardie Community Men's Shed Inc who have painted them for us (and we are talking approximately 2500 poppies) and to Alan Bergin who does his magic bringing it all together and making it happen.

Community Calendar

MONDAY

| | | | |
|--|--|------------------|--------------|
