NAIL BITER

The Goldfields communities came together for an evening of nail-biting action when Kambalda hosted the State Basketball League game recently.

Community members from Kambalda, Coolgardie and Kalgoorlie gathered at the Kambalda Community Recreation Facility on Saturday, May 12, to watch the Goldfields Giants take on Mandurah Magic.

Shire of Coolgardie

Message from the Shire President
June 2018

Councillors and management participated in a governance survey during April, initiated by the Department of Local Government, and orchestrated by the Australian Institute of Company Directors. There were 64 questions covering topics such as financial and risk measures, role of council, relationships between council-CEO and staff, council competencies and council-community and stakeholder engagement.

Overall 78.3% of aggregated individual assessments from both council members and management were either “mature” or “sound”, which is a healthy indicator for our shire, and indicates a good working relationship between the council, CEO and the management team.

The Lottery West funding application prepared by Mia Hicks for the Coolgardie Community Cultural and Business Hub, within the Post Office Precinct, has been successful and was approved on May 1, 2018. An amount of \$233,500 has been allocated to this refurbishment project, as well as \$37,882 for a permanent shade structure over the Coolgardie skate park. This is great news for Coolgardie and will enhance and revitalise the centre of town.

The shared service agreement between the shire and City of Kalgoorlie/Boulder is working well and achieving good results for the Shire of Coolgardie. With over 220 building applications received for the replacement of damaged roofs in Kambalda, as well as handling many asbestos related inquiries, the CKB health and building officers have been working alongside our staff to process all these applications in a timely manner.

The other success story with this agreement, is the number of stray dogs that have either been rehomed or licensed and it has been noted that many people are walking their dogs on leads now that the rangers are patrolling more frequently.

Our Manager of Recreation and Community Services, Laura Dwyer, has successfully renegotiated the lease agreement for the Oil and Spice Cafe within the Kambalda Community Recreation Facility this week. There has been some speculation and angst within the community that the cafe was closing, however this was never the intent of the shire, therefore this will be good news for our residents, as the cafe is an integral part of the centre and attracts people as a meeting place for their morning coffee and lunch.

The annual Goldfields Giants State Basketball match in Kambalda was held on May 12, proved to be a most successful event with a cliff hanger of a finish to the game. The Giants got over the line by one point in the last second of the final quarter to beat the Mandurah Magic team in what was an exciting finish for the big crowd that attended the game.

It is a credit to our recreation staff for the effort they all put in towards making this annual event so successful, and I know from many of the comments made on the night the Giants players and members enjoy coming out to play at Kambalda. It also gives our residents the opportunity to enjoy an event such as this in their home town.

I would also thank and acknowledge all our corporate sponsors, who supported this event, once again.

Meetings, Workshops and Events attended this period:

- 24th April: myself and CEO met with National Party members Jacqui Boydell and Nick Fardell.

Continued P3

From P2

- GVROC meeting in Kalgoorlie/Boulder: items discussed included LGIS risk framework.
- Submission to Minister Scullion regarding the opportunity for local governments to partner in the CDP program.
- Meeting with Mia Hicks: discuss funding opportunities for projects, facilities and other opportunities.
- Myself and Cr Logan met with the Department of Communities Manager in Coolgardie to discuss the housing strategy in the town with regards to upgrades and replacement.
- State Council meeting in Kalamunda on 3-4th May.
- Budget workshop in Coolgardie with Martin Whitely, councillors and staff.
- 9th May: met with Resident Manager of IGO Long Shaft, Deputy President and MRC services to discuss mine closure and effect of redundancies in Kambalda.
- Attended the Community Consultation at the KCRF by IGO on 9th of May.
- 10th May: Rates and budget workshop in Coolgardie with Martin Whitely, councillors and staff.
- Attended State Budget Launch in CKB with Minister Bill Johnston and Member for Mining and Pastoral Kyle McGinn on May 11th.
- Attended state basketball match in Kambalda on May 12th.
- Cr Logan, myself, CEO and MRC services met with Ministers Wilson and Tehan in Coolgardie on May 14th to discuss the rollout of the CDC trial and the impending review of the CDP program.
- 18th May: myself and CEO met with Carnegie Energy to discuss update on solar farm at Mungari Estate.

Malcolm Cullen
Shire President

Shire of Coolgardie

From the desk of the CEO
May 2018

Hi everyone

Well here we are at June already. It has been a busy month of May at the shire and it's hard to believe that its only six months until Christmas!

The Kambalda Medical Centre has been in the media recently and the Shire of Coolgardie has been advised that the last day of services will be on Friday, July 27. The Shire has put out an expression of interest seeking external service providers who might be interested in putting in a proposal to council to offer these critical services that our Kambalda community needs.

On Saturday, May 12, the Kambalda Community Recreation Facility hosted the Goldfields Giants Vs Mandurah Magic State Basketball Game. We had a great turnout that night and after sorting out a small (tongue in cheek) issue with our stadium lights, an action-packed game was delivered.

A huge thank you to all of our attendees and everyone involved in the event. All this was made possible by our sponsors and thank you to them. We have a great facility at Kambalda and look forward to future events.

The shire is looking forward to the community workshops which are coming up on:

- Tuesday, June 12, 2018, 6.30pm at Kambalda Community Recreation Facility; and
- Wednesday, June 13, 2018 6.30pm at the Coolgardie Community Recreation Centre.

Continued P4

From P3

Topics to be discussed are:

- Community Strategic Plan 2018
- Long Term Financial Plan 2018
- An update on the Kambalda Swimming Pool
- An update on the Medical Services at Kambalda and Coolgardie

The council is also holding an Extraordinary Election on Saturday, July 21, 2018 to fill the vacancy on council for the Shire of Coolgardie for a term expiring in October 2021. The enrollment forms closed on Friday, June 1, 2018.

The council has been pleased to host the "Barefoot Bands" in Coolgardie at the Coolgardie Community Recreation Centre. This was a free week-long program run in conjunction with Gwen and her team from GETS. Community members of all ages have embraced this and there has been a lot positive feedback about the music and singing from the community. Who would have thought that our function rooms would become two professional recording studios?

The free community concert was held at the Church West building and it was an enjoyable evening to see what the community has produced. Thank you to Church West for hosting this. At 7pm a delicious dinner prepared by Penny and the crew from GETS was held at the recreation centre. Well done to everyone involved, and Leanne Shilton has advised me that there is a plan for future music in Coolgardie.

Those community members who did not want to participate in the music were spoilt at the GETS building by Caitlin Hill from Cementimental Designs for her pottery workshop. There has been some amazing pieces produced and it is a skill that our community has learnt and will take further.

The next council meeting will be held at Kambalda on Tuesday, June 26, 2018 at 6.00pm. We have copies of all council agendas and minutes available for reading at the public libraries or they can be easily accessed on the Shire of Coolgardie website www.coolgardie.wa.gov.au.

Take care, and stay warm.

James Trail
Chief Executive Officer

Shire of Coolgardie Ordinary Meetings for 2018

Meetings of Council are held on the last Tuesday of the month at 6pm. Meetings alternate between Coolgardie Council Chambers and the Kambalda Community Recreation Facility function room.

Tuesday	December 18	6pm	Kambalda

Tara Davies and her son Riley at this year's HBF Run for a Reason.

Tara at the Coolgardie Recreation Centre during her campaign to raise funds for Huntington's WA.

Tara's inspiring run raises thousands

Coolgardie's "everyday hero", Tara Davies, has run both an incredible campaign and an amazing half-marathon to contribute more than \$3200 for Huntington's WA.

Tara, who is also one of the recreation officers at Coolgardie Recreation Centre, entered this year's HBF Run for a Reason event to help raise awareness and funds for research into Huntington's Disease.

Through her online campaign, as well as a sausage sizzle at Woolworths and a lolly-counting competition at Coolgardie Primary School, she raised the whopping \$3200-plus tally.

Tara was diagnosed with Huntington's Disease (HD) two years ago. Her mother and grandfather died from the disease, and her sister suffers badly with the condition. Her experience with the disease has made her determined to do everything she can to help researchers find a cure, and to leave a legacy for her children, Riley and Jayde.

"I need my kids to have positive thoughts and memories of their mum, so I am raising awareness and money for Huntington's WA as one day I won't be able to do any of it," she said. "So I am making the most of my time now to show my kids anything is possible."

This year's HBF Run for a Reason was held on May 27 in Perth, where Tara completed a half-marathon (21km).

"My experience at HBF run for a reason was awesome, and eye opening," Tara said. "My goal was to run it in under 2.5 hours and I did it in 2 hours and 19 min so I was happy with that. Also it was raining and my socks were saturated so blisters were bad.

"At the start line you had a chance to ask people what their reasons for entering were. The lady next to me had breast cancer and was running for all the people with breast cancer who can't run, then there was a teacher running for a boy in her class who had leukemia. The run was hard but fun at the same time. Leading up to it we had a big donation from Coolgardie Youth Club - it was over \$600 - and we raised heaps of money at the sausage sizzle.

"Coolgardie has blown me away with support and donations. Thank you to Kath, Norm and Clinton Parks, Riley, Kellie and Andrew Smallcomb for all their donations and help with the sausage sizzle, and Woolworths for their donations. A massive big shout out to Coolgardie Youth Club for there massive donation. Also a big thank you to Coolgardie Primary School for doing a lolly jar, which is still going. And thank you to all the girls who work here. Everyone has shown me so much support.

"I am pretty sure a Running for Huntington's Disease team hit nearly \$17,000 and that is the second biggest fundraiser this year and for such a small organisation."

HD is an inherited disease affecting areas in the brain which control movement, thinking and emotion. It has a slow progression, and symptoms gradually worsen over time. Huntington's WA works to empower those affected by HD to meet the extraordinary challenges they face. All donations make a real difference to the health and well being of HD families.

■ For more information on the HBF Run for a Reason go to <https://hbfrun.everydayhero.do> and to learn more about Huntington's Disease go to <https://www.huntingtonswa.org.au>

"Coolgardie has blown me away with support and donations."
- Tara Davies

Giants win in thriller ending at Kambalda

From P1

The Giants did not disappoint and in the final moments of the action-packed game pulled ahead of the Magic to win by one point. There was much celebration as the buzzer sounded, sealing the Giants' 105-104 win.

The victory was extra sweet for the local crowd of more than 450 people as technical difficulties earlier in the evening had put the game in doubt.

Shire of Coolgardie staff worked tirelessly to ensure the game went ahead, and also to make the evening as enjoyable as possible for everyone, with amazing food, entertainment and fundraising stalls available.

Dance and cheer demonstrations by teams representing the Giants and Kalgoorlie Dance Academy kept also the crowd entertained.

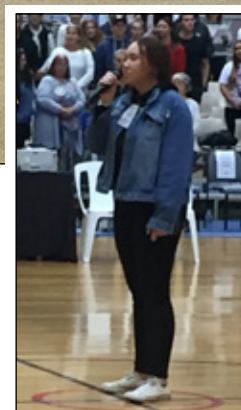

The shire congratulates both teams on their efforts and thanks the sponsors for their kind and generous donations. Without their help the community wouldn't be able to enjoy annual events as great as this one. Thank you to:

Coolgardie Day

16th September 2018

9am to 5pm

Its ALL about the FAMILY!

Kambalda West Playgroup

Says Thank you!!!!

May/June 2018

Congratulations once again to Granny & Gwenda from Kalgoorlie (1st Prize),

May/June 2018

Your support is much appreciated!

If you haven't heard of Kambalda West Playgroup before the start of this month then you probably have seen us around town by now.

Our Playgroup has been busy with our Mother's Day Raffle and thanks to the great and overwhelming support of our local and surrounding community we have been able to raise enough funds to proceed with our plans in investing in a new set up for our outdoor play area and will also be upgrading our set up for a cosier baby zone.

We were able to sell raffle tickets on three occasions - A special thank you goes out to Susan from Goodnews Newsagency, Georgia from the Kambalda Community and Resource Centre and Oil and Spice Café for offering us a space to do so.

On the night of the Giant's Basketball Game and just in time for Mother's Day we announced the lucky 4 winners and we are sure they were more than delighted with the gorgeous hampers that would not have been possible without the generous donations from Kambalda Hotel, Artisan Savon, Jaharna Beauty, Oil and Spice, Kambalda Hair, Kambalda Craft Supplies, K-Mart and Limitless Photo Artistry.

Tammy (2nd Prize),

Margaret Hewitt (3rd Prize) and Jamie Cotter who was the lucky winner of our bonus prize.

What else has been happening...

Continued P13

What a busy couple of months we have had at our local Playgroup.

Our Open Day in March was a huge success and a great opportunity for new families to see our space and meet with other members. Now that most of our 3 and 4-year-old kids have started Kindy this year, our Playgroup has gotten a little quiet on some days but Friday still tends to be the busiest day.

We also had a few outings to Kambalda East this year to celebrate Easter with a lot of fun games, activities and chocolate of course. Our nature hunt at the Harry Steinhouser Reserve was a great opportunity for the little ones to explore and discover what Kambalda's backyards have to offer.

Last but not least we held our Mother's Day Morning Tea and made sure those Mummies felt very special.

On another note we had a change in our committee and welcomed Jacinta Perkins as the new President of our Playgroup. She has been taking over a lot of duties and we would like to take the opportunity to thank Sarah Hollermead, former President for always standing behind KWPG in the previous years.

communication and social interaction and, of course, it's great fun!

Playgroup is a great way for your child(ren) to learn about the world, make friends and develop social skills.

Playgroup also gives mums, dads, grandparents and caregivers a chance to share ideas and experiences. Many long-term friendships begin at Playgroup.

If you would like to join us - Come and meet Kambalda West Playgroup Mon / Wed / Fri 9:00 – 11:30 am, Kambalda Community and Resource Centre

Upcoming Events:

6th June 2018 9:30-10:30: Lucia from WA Primary Health Alliance is coming out for a FREE information session on 'My Health Record'

On Anzac Day we also took crafting to the outdoors and the kids created a poppy wreath and bravery medals and were fascinated watching those ANZAC planes fly right above us.

Why go to Playgroup?

Playgroups offer babies, toddlers and young children a wide variety of early learning experiences.

Playgroup develops physical skills, teaches problem solving,

Handmade treats for Mother's Day

This Mother's Day, Coolgardie mothers were treated to some special gifts created by their children at the recreation centre.

After school on Friday, May 11, the recreation centre girls hosted a Mother's Day craft and treats program, during which attendees created a chocolate body scrub (which smelt amazing!) and beautifully decorated cupcakes.

Each child decorated two cupcakes and had the choice of pink or yellow icing, sprinkles, chocolate chips or cherries. Once everything was made and decorated, they were able to put their beautiful creations into a little gift bag along with their handcrafted card.

We do hope everyone had a wonderful Mother's Day.

Put safety first when prospecting

The Department of Mines, Industry Regulation and Safety expects a bumper prospecting season this year and is ramping up its message to stay safe in the bush.

The death in January of novice prospector in the Gascoyne, near Cue, is a dramatic reminder of the importance of the department's annual Seven Golden Rules for prospecting campaign launched this week by Mines Minister Bill Johnston.

The prospector's body was found after a major two-day search in 45 degree heat only 2.5 km from the 48-year-old man's campsite.

DMIRS Resources Tenure Executive Director Tony Bullen said that the combination of another cool summer and a large amount of Miner's Rights issued early in the year will mean there will be a lot of prospectors on the ground during the season.

A total of 974 Miner's Rights have been issued since the start of the year and 537 of those have been issued since the beginning of April.

A Miner's Right is the most common prospecting permit used by prospectors visiting Western Australia and allows holders to prospect on Crown Land with hand-held tools, such as a metal detector, and to take and keep samples or specimens up to 20 kilograms

"We're only a few short of last year's record number of Miner's Rights, so that is telling us we need to be tenacious in spreading the safety message this year, particularly to the first timers out in the bush this year," Mr Bullen said.

The first Seven Golden Rules for prospecting campaign in 2014 was in response to a recommendation by the State Coroner for prospectors to carry a Personal Locator Beacon (PLB) following the 2012 death of a prospector near Menzies.

Michael Graham sparked a 15-day search involving aircraft, motorbikes, horses and expert trackers covering 1500 square kilometres.

The body of the 46-year-old father-of-two was never found.

- 1. Put safety first**
 - Make sure you have enough water, fuel, maps and first aid supplies.
 - Give serious consideration to taking some form of telecommunications and a global positioning system to fix locations, and a Personal Locator Beacon (PLB) – it may turn out to be your most important safety device.
- 2. Obtain a Miner's Right permit**

when prospecting on vacant Crown land (\$25 from any Mining Registrar's office).
- 3. Obtain a 40E permit**

prior to prospecting within an exploration tenement (if you don't have written permission from the tenement holder).
- 4. Get written permission**

from the tenement holder when prospecting on:

 - a mining lease
 - an exploration licence (if you don't have a 40E permit)
 - a prospecting licence
- 5. Comply with all legal requirements**

when prospecting on a pastoral lease. You cannot prospect within 100 metres of any occupied building or within 400 metres of any livestock watering point without the consent of the pastoralist.
- 6. Show respect when on Crown land**

because it is used by other people or set aside for many purposes.
- 7. Fill any holes**

that you dug and repair ground that has been disturbed.

This year's flu season is about to begin

The state-funded free influenza vaccination program has now commenced.

If you are eligible for the free vaccine (see criteria below) please call the Coolgardie Health Centre 9025 0200 to book an appointment.

Eligibility for government-funded influenza vaccines in WA in 2018 includes:

- Pregnant women (any trimester).
- Persons 65 years of age or older.
- All Aboriginal people aged 6 months and older.
- Individuals aged six months or over with medical conditions that place them at risk for: complications of influenza, e.g. cardiac disease, chronic respiratory conditions, chronic neurological conditions, immunocompromising conditions, diabetes and other metabolic disorders, renal disease, haematological disorders, and children aged six months to 10 years receiving long term aspirin therapy.
- All children aged six months to less than 5 years. (The Australian Technical Advisory Group on Immunisation strongly recommends influenza vaccination for children aged from 6 months to less than 5 years.)

The Pastor's Pen with Bill Kirkland

In the Greek language there are several words that are used for what we call love. There is “phileo”, which defines a brotherly love, there is “eros”, which defines a sexual love, and there is “storge”, which is usually love among family members. The word for love that is most often used in the Bible and that which describes God is known “agape”. God Himself is described as “agape” in the Scriptures (1 John 4:8).

Agape love is a giving of oneself. It is a selfless love. In describing agape love in 1 Corinthians 13 we read that love does not force itself upon someone. The best-known verse in the Bible refers to this agape love. It reads ‘ For God so loved (agape) the world that He gave His only-begotten Son, that whoever believes in Him should not perish but have everlasting life.’ (John 3:16)

God is not only the author of love but He is in very essence love. Mankind experiences different kinds of love at different times. Storge, eros and phileo are all gifts from God but become distorted and misused when not accompanied by agape.

God’s love drove Him to give up His Son in order for mankind to receive forgiveness and eternal life. God does not force Himself upon anyone. People who reject this love choose their own consequences. God makes the offer to all who would believe to receive forgiveness from all sin and eternal life and to be welcomed into His family as a child of God. The misuse and misunderstanding of love leads to confusion and brokenness. The embracing of agape leads to wholeness.

Upcoming games:

Saturday, June 9: is a home game for all grades. It will also be the 50th anniversary weekend for the club.

Saturday, June 23: is a home game with all grades.

Sunday, July 1: is the senior teams at home.

Got a litter problem?

Projects which aim to reduce litter and change littering behaviour are eligible for up to \$10,000 funding through the Keep Australia Beautiful Council (KABC).

KABC Western Australian Chairman Michael Aspinall said individuals or groups had until 25 June to apply for a Community Litter Grant.

"We're looking for initiatives that will make positive and lasting changes to littering and littering behaviour or trial projects that will develop a model for future initiatives," he said.

"Priority will be given to initiatives that reduce litter and target areas such as roadsides, car parks, sporting venues and shopping areas, and focus on specific issues such as the incorrect disposal of cigarette butts and drink containers.

"Littering in public areas is a big issue in WA, so we're keen to put our support behind people who can come up with effective strategies to address the problem in their area."

Mr Aspinall said local area projects could secure up to \$5000 while major or regional initiatives were eligible for \$10,000 grants.

Projects that received funding in 2017 include an educational video for young children, nude food lunches at a regional school, a litter education mascot and a wash against waste trailer.

More information about the grants and application kits is available at www.kabc.wa.gov.au or by calling the grants co-ordinator on 6364 6643.

KAMBALDA COMMUNITY CHRISTMAS TREE 2018

Run **FOR** the Community
BY the Community

on

Saturday, 8 December, 2018
(always held on 2nd Saturday in December)

HELP !

Everyone loves the “Christmas Tree”, but may not realise it is the efforts of a small Committee group who volunteer their time to bring this event to our Community.

After many years on the Committee, the time has come for some of these hard working volunteers to stand aside.
**WE THANK THEM FOR THEIR HELP AND SUPPORT
OVER MANY YEARS**

Their departures *(over the last 2 years)* have left some huge voids in the Committee, and this year we need to rebuild the Committee.

WE NEED YOUR HELP . . .
WE NEED NEW VOLUNTEERS

Contact - Marilyn Ward on 041 9928 788

KAMBALDA COMMUNITY CHRISTMAS TREE 2018

Run **FOR** the Community
BY the Community

on

Saturday, 8 December, 2018

(always held on the 2nd Saturday in December)

*Held since 1967, the Kambalda Community Christmas Tree
is an annual event enjoyed by the whole Community*

*The 2018 Committee is now being formed and we are looking
for any volunteers - PAST OR PRESENT - to help this year.*

If you are interested, please come along to the meeting
on

Monday, 11 June 2018

at

East Deli

from

6.30pm

MONTHLY MEETINGS
*held on the
first Monday of every month*

**VOLUNTEERS
NEEDED**

*or call Marilyn Ward on 041 9928 788
to express your interest*

Cashless debit card trial begins in community

On April 23rd 2018, the Shire of Coolgardie opened the Cashless Debit Card shopfront in the Coolgardie Administration Office on Bayley Street. Since then our staff, Aleysha and Dave, have been pleased to assist members of the community with activating their Cashless Debit Card and working with them to understand and manage the changes brought in by the introduction of the card to the Goldfields.

There has been a lot of media discussion about the introduction of the card, some good and some bad.

Most of the negative comments are based on non-truths and have caused some concern, however the community has worked really well with our staff to gain a better understanding of how the card will benefit them, and the best way of putting this new system into place.

The shopfront is open on Monday to Friday from 9:00am to 2:30pm, and Dave and Aleysha are here to help.

The Goldfields trial of the Cashless Debit Card continues until June 30th, 2019. Please pop in and have a chat with our staff.

Since April the shopfronts for the Cashless Debit Card Scheme have been operating in Coolgardie from the Shire Administration Building on Bayley Street and in Kambalda at the Kambalda Recreation Facility on Barnes Drive.

Support Officers Dave, Aleysha and Nancy have been assisting customers to not only activate their cards, but to transfer payments, set up housing payments, pay bills and many other services.

As part of the trial, support services from Centrecare are now available to assist people with financial counselling free of charge. Customers can contact Centrecare direct or call into the shopfront to arrange to have services contact them. More information will be available in the coming weeks.

Soon a research project that Department of Social Services have engaged the University of Adelaide to conduct externally will commence. They are looking for various members of the community to participate to share their stories on the impact of the card and are looking for feedback on all aspects of the card, whether they be positive or negative. All participants will be respected with confidentiality and for more information or to express your interest in participating, please see SOC staff at the shopfronts, or community resource centres.

It is important for community members that require assistance to reach out to service providers or speak with local partner staff. If counselling or additional services are required staff are able to connect customers with service providers to assist with these life transitions. For those wishing to speak to service providers direct, please see the details on the following page (page 27).

Coolgardie Cashless Debit Card support officers Dave and Aleysha.

Kambalda Cashless Debit Card support officer Nancy.

Arty News—June 2018

Loose Ends was very entertaining.

On Wednesday 16th May a crowd of 90 enjoyed an evening being entertained by inventor and comedian Jens Altheimer at the Kambalda Community Recreation Centre. This show was really fascinating, especially for families with young children. He had everyone engaged in a wonderfully weird circus like act, his hand made gadgets and contraptions.

Photography by Vicki Watson

Savannah and Cole assist Jens with friend maker

This wonderful show was brought to the Kambalda Community with funding from Independence Group for the cost of the performance. Thank you to the Shire of Coolgardie, their Recreation Centre staff for providing the venue, floor covering, seating, box office and promotions.

We also had kind help from Sue Schoch at Good newsagency for ticket sales, Vicki Watson for photographing the show,. Thank you to both the local schools for handing out flyers to students and putting up posters. Not forgetting the Argus family and Zoe Murray for the letter box drop. My Boulevard for allowing us to sell tickets at the Plaza.

Country Arts WA, who tour the regional shows, obtain the funding for that, promotions, print flyers and posters, provide guidance, all for the purpose of making towns like ours a better town to live in.

Without the backing of all the above and our own committee who coordinate, vote on what performances will tour, fill out funding applications, promote, deliver flyers and volunteer many, many hours to presenting the show, nothing like this would happen.

The community have been very considerate and supportive, by pre-purchasing tickets and without a crowd it would not have been such a success.

Our program is supported by our regional partners, the Shire of Coolgardie, Independence Group and Kambalda Boulevard. We have in the past been kindly funded by Country Arts WA.

**It takes a special person to become an ambulance volunteer.
Do you think you have what it takes?**

**Come see the Coolgardie crew at our Hunt St depot, next to the medical centre,
for more information.**

A little bit about the St John Ambulance Coolgardie Sub Centre:

Our depot has six volunteers and we are always looking for more people to join.

We have our fortnightly training sessions on Monday nights, and they are run in a friendly and safe environment.

Becoming an volunteer ambulance officer is one of the best skills you can have. You are introduced to a wide variety of obstacles and are trained to handle any situation.

Split Systems Servicing

Un-serviced units run at a lower efficiency and can cause:

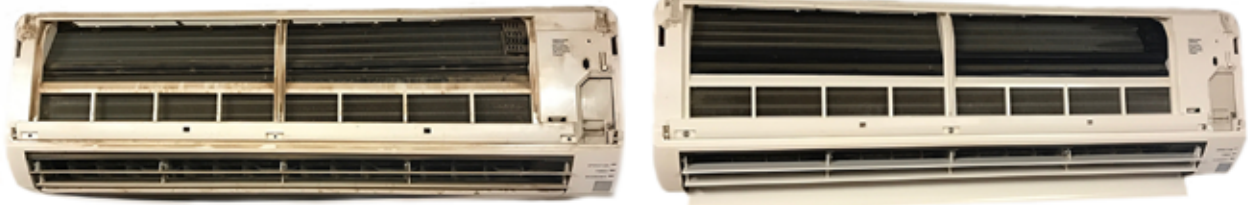

- Higher power bills
- Limited heating & cooling capacity
- Noisy operation
- Mould and bacteria growth that can cause illness and foul smells.

Reverse cycle is the best way to stay the perfect temperature all year round. Routine maintenance will keep your unit at its best, for every season.

Your aircon will work better, smell better, and cost less to run

Servicing increases the life of your unit and protects your investment, our professional products and expert tradesmen will get your unit working like new.

**View our before and after on facebook in colour*

Have an evaporative airconditioner?

A winter shutdown is a great way to save money by:

- Prolonging the life of your unit and its parts
- Reducing heat loss from your home
- Reducing the chance of split pipes caused by freezing in winter

Call us now to book yours in!

No job too big or small, Taps does it all

New life in Warden Finnerty's Residence garden

Robyn and Peter Carey are the new caretakers at the Warden Finnerty's Residence and have been working really hard to get the gardens back up and going at the beautiful old Heritage Listed residence. It has been a big job with the unpredictable weather this season and the birds who are enjoying the new activity and growth in the gardens.

We were very fortunate to receive a large donation from Bergie's Soil in Kalgoorlie. Bergie's Soil sent out garden mulch, fertiliser and soil to help with the build of a large vegetable garden and to help with the conditioning of the existing garden. The vegetable garden will help to support the local community groups and the schools when it is fully established. This is a lovely addition to the grounds and community.

Peter and Robyn have many great plans for the garden and already you can see a huge difference. We are really looking forward to spring so that community members and travelling visitors will be able to enjoy the garden as well.

A HUGE thank you to Bergie's Soil, without your generous donation the gardens would not be improving as quickly as they have.

The Shire of Coolgardie would also like to thank the caretakers Peter and Robyn for their hard work and dedication. Warden Finnerty's looks amazing and there has been so much positive feedback from our locals and visitors to Coolgardie.

■ **Warden Finnerty's is open Friday to Tuesday 11am–4.00pm**

Annual General Meeting of the Coolgardie Volunteer Fire and Rescue Service

Saturday, June 23, 2018

**CVFRS Station, Sylvester Street, Coolgardie
2.00pm start**

Everyone is welcome to attend.

Telephone Dave Shilton on 0412 859 582 for further information.

Coolgardie Volunteer Fire & Rescue

From the desk of the Coolgardie Volunteer
Fire & Rescue Captain - David Shilton

Hi everyone,

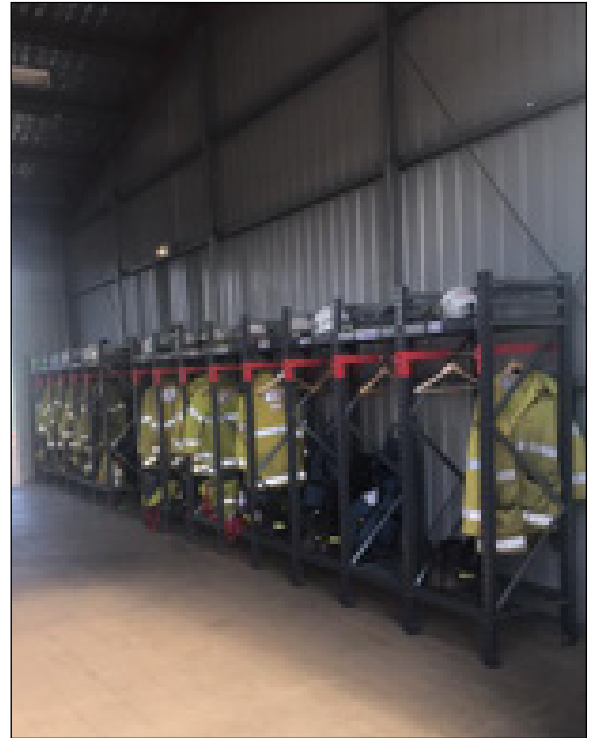

May has been a busy month with our brigade with trainings, working bees and the installation of some well-needed uniform racks for our fire fighting gear.

We have our Annual General Meeting on Saturday, June 23, at 2pm at the Coolgardie Fire Station. Everyone is welcome to come along.

Now that the colder weather has kicked in so has the use of wood fires and heaters, please make sure that your chimneys are clean, your fires are turned to low when you go to bed and that all heaters are kept at a safe distance from anything inflammable.

If you are interested in joining us, come down and meet the team on our training nights, which are held every Tuesday from 7.00pm.

For more information contact David Shilton on 0412 859 582.

Shire of Coolgardie

Kambalda Community Recreation Centre

Wow what a month May has been! Throughout May the Kambalda Community Recreation Facility has been thriving, with activities including recreational programs, library programs and community events.

The weekly circuit programs being run by Bernadette on Monday, Wednesday and Friday have received great attendance from community members, as well as positive feedback. She does an amazing job to accommodate all levels of fitness in her classes and has a great voice of encouragement. Friday classes offer mums the opportunity to attend the class and use circuit care, where a staff member will care for their child for the duration of the class. There is a fee of \$3.00 to attend circuit and \$5.00 per child that is cared for in circuit care.

In the library we have the community program Story Time, which runs on Thursday mornings from 9.30am-10.15am. Story Time is suitable for preschool aged children; it consists of nursery rhyme singing, a book being read and a craft that relates to the story. There is a small fee of \$2.00 that goes towards the running of the program.

On Saturday, May 12, 2018 the shire hosted the annual Goldfields Giants State League Basketball game. They played against Mandurah Magic and brought home a victory. It was a great night for the community and the shire of Coolgardie with both the grand stand and VIP section full. It is with the support of sponsors that this event is able to be held each year and we send a huge thank you to all who supported this year's event!

On Thursday 24 May 2018 the KCRF staff hosted a Biggest Morning Tea. It was a great morning and was enjoyed by everyone who attended. Guests were treated to food catered by Kambalda East Deli and the staff at the KCRF. The door raffle was won by Sandra who received a delicious banana nut cake made by Oil and Spice Cafe. In total attendees helped to raise a massive \$633.40! We couldn't be more amazed and thankful to the donations given to support such a great cause!

Shire of Coolgardie

Coolgardie Community Recreation Centre

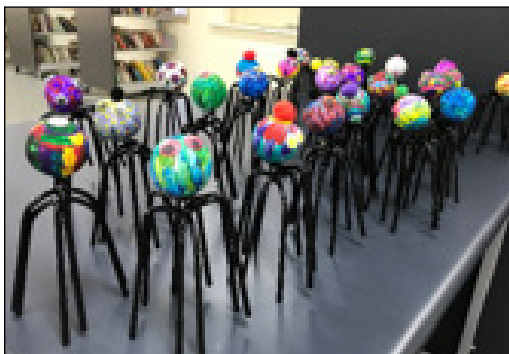

May 2018 was a very active month for the Coolgardie CRC, filled with lots of creativity, spooky spiders, bands and a delicious morning tea.

The Biggest Morning Tea

We held the Biggest Morning Tea, a fundraiser for the Cancer Council, on Tuesday 22 May at 10.30am. It was great to see all the new faces that came down and supported this event, a huge thank you to our amazing bakers that we have in the community who spoilt us with their food.

We have some great contenders for MasterChef here in the community! We had a winter raffle that Sandra was the lucky winner of that. We were pleased to have raised \$305 for the morning and that has been forwarded on to the Cancer Council. Thank you, Coolgardie for your support.

Spooky Spiders at the CRC

We had spider heads everywhere this month. Normally one would go and grab the fly spray or if you are really brave re-home any spiders in your building - but not us!

Our Tuesday morning craft group helped Alan Bergin out with creating spooky spiders for the *Adam's Family* show which the Stage Left theatre group is currently running in Boulder. The thing is they could not be normal spiders; they had to be spooky, have extra eyes, be brightly coloured... there were no real rules and wow they looked amazing when finished.

Thank you to the Coolgardie Community Men's Shed who helped us out once again with spray painting their big sets of legs. The cast and director of the show loved them and they are decorating the tables, bar and kitchen scene for everyone to see. Well done everyone, a fun job well done.

Kambalda Art Workshop

Last weekend I attended an art workshop that Jacqui Mills held at the Kambalda Arts Centre. It is the first time that I have been there and what a fantastic facility and a great day out. We are so lucky in both communities with what we have available, the variety of courses, events and workshops that we can attend. We are planning a trip to the Kambalda Art Centre in the future to take part in a craft day.

Calling all Musicians

We are looking for people in the community that would be interested in teaching music and singing. We have community members of all ages out here that are interested in participating. Please contact the CRC if you are able to help or know of anyone that could.

Plastic Bottles

We have a plan for a new project that involves lots of plastic bottles again. Not poppies! But something else, and all will be revealed at a later date. Could you also save the bigger soft drink bottles this time as well. Thank you.

If you would like further information on upcoming activities, please contact Leanne on 9025 0301
or email: coolcrc@coolgardie.wa.gov.au
