TOP TOURISM TOWN AWARDS

Shire of Coolgardie

Message from the Shire President
August 2018

The Shire has advertised state wide for expressions of interest for the provision of medical services in Kambalda during the past month. To date there has been one expression received, with the Shire signing an MOU with the group to further investigate opportunities and services the applicant may provide regarding future medical services within our Shire.

Unfortunately, this service will not be activated in time for when the current doctor departs Kambalda, however residents can be assured the Shire is doing all in its power to have a practice in place as soon as possible. The medical centre and nursing staff as well as the St John Ambulance service in Kambalda will continue operating as normal.

There have been several complaints recently, about residents being locked in at our waste disposal sites after staff have closed the gates and finished their shift. I would remind residents, that while Shire staff take all precautions to prevent such occurrences, they must observe the operating hours and times while using these facilities and ensure enough time to conduct their business at the site prior to the facility's closure each day.

Kambalda residents have received notice recently, that the ANZ bank branch is closing its doors in September and the upgrade to the BP Roadhouse will be temporarily closed for up to four months, which will result in much disadvantage and disruption for many residents. I wish to advise the community of Kambalda, that the Shire CEO is currently investigating if there are any alternate opportunities that may be available to ease this burden on our residents.

Tellus Holdings, who are the proponents of the Sandy Ridge Kaolin Mine and waste storage facility adjacent to Boorabbin, 140kms west of Coolgardie, have advised they have been granted environmental approval for the project. They have announced that they are about to commence the construction stage at the site with the potential employment of 50 workers, which is good news for our Shire.

Northern Star Resources have announced they are setting up a worker's accommodation village in Coolgardie in partnership with the Rangecon group. This village will house workers from the Kundana Mines as well as potentially workers from the developing gold mines at Jaurdi Hills and Geko mine north of Bullabulling. This is further good news showing growth in our Shire, and the proponents have indicated they will encourage the use of our recreation facilities and commercial businesses in the town.

Councillors and staff have been busy working through budget workshops again this month, prioritising projects, setting maintenance schedules, assessing fees and charges and the road network program for the 2018/19 year. It is expected that council will be in a position to adopt the budget in early August with a very minimal increase in rates.

John Ravlic from the Ravim group, who has been overseeing the Shire service level review, has been working with our management team with further training and mentoring of staff going forward into the next stages of the program. From the reports the CEO has given me, it appears the staff are embracing and adapting to the changes

Continued P3

From P2

that are coming to fruition from this program, which will in turn benefit the Shire for future years.

Councillors and staff are currently reviewing the structural engineer's report regarding the Kambalda West pool. Following this review and assessment, staff will be working with the consultants for a scope of works and costings for the project works so that council will be able to make a fully informed decision on the action required regarding the operation of the pool. A community workshop to inform the residents of Kambalda of this progress will be held on August 7 at the KCRF.

Meetings and workshops attended this period:

- GVROC meeting, Kalgoorlie, June 29.
- Budget workshop, July 2.
- Meeting BHW Consulting in Perth re LG week workshop for GVROC, July 4.
- State Council and Infrastructure Policy meeting, Perth, July 4.
- MRWA meeting with CEO in Kalgoorlie discuss signage on Bayley Street, road funding opportunities for 2018/19-year; July 12.
- Meeting Grant Andrews from Uniqco group to discuss fleet management, July 15.
- Forum in Kalgoorlie for progress of CDC trial in Goldfields with Kyle McGinn and Senator Sue Lines.
- Teleconference with Ian Duncan from WALGA regarding heavy vehicle use on LG roads.
- Teleconference with John Ravlic to discuss service level review.
- Meeting with representatives of Department Prime Minister and Cabinet and Mia Hicks to discuss funding for community projects and future rollout and structure of the CDP Program, July 18.

Malcolm Cullen
Shire President

Shire of Coolgardie
From the desk of the CEO
August 2018

August is here already; 2018 is certainly flying by.

As everyone is aware we held the council election on Saturday, July 21, 2018, and as a result of that Eugene Winter is the new councillor in the Shire. Congratulations Eugene.

A big congratulations also to the Kambalda Eagles Football Club who on the same day as the election won their first game against Railways with a six-point win. This is the first win that the club has seen since 2015. Well done team, it was an exciting game with good community support behind you.

The Shire has the budget adoption coming up on August 14, 2018, and this includes all the fees and charges. Our new fees and charges will have better value for facility users and this is due to the community feedback that we have received from you during the year.

I would like to congratulate Meghan, Jacinda and Gaynor at the Coolgardie Visitors Centre for making it to the

Continued P4

From P3

finals of the 2018 GWN7 Top Town Tourism award. We pride ourselves on getting our towns and communities on the map and the ladies continually work hard towards achieving this. It has been a great opportunity to showcase Coolgardie and the ladies did a fantastic job of showing the judges around.

Within the next few weeks there will be some building works commencing at Coolgardie, with work starting at the Warden’s Court. This will see the Department of Mines, Industry Regulation and Safety office eventually coming back to Coolgardie.

The Coolgardie Skate Park will see the installation of the shade structure, a project which was made possible due to a successful grant with Lottery West. CCTV cameras and lights will be installed in the same area, which are also being funded by the Government’s “Safer Communities WA” grant. Both projects will make a huge difference to the skate park area. The Coolgardie Post Office works is in planning stage at the present and we look forward to the commencement of that. This also was made possible due to the Lottery West grant that the Shire successfully applied for.

We recently have had produced a WALGA promotional video titled “Shire of Coolgardie – We are Open for Business”. It is a well-produced and informative video that showcases and captures everything from our Shire, towns and communities, activities, collections and artists right through to the import statistics including the value of minerals and the difference that we make to Western Australia.

Take care,

James Trail
Chief Executive Officer

Shire of Coolgardie Ordinary Meetings for 2018

Meetings of Council are held on the last Tuesday of the month at 6pm. Meetings alternate between Coolgardie Council Chambers and the Kambalda Community Recreation Facility function room.

| Day | Date | Time | Location |
|---------|--------------|------|------------|
| Tuesday | August 28 | 6pm | Kambalda |
| Tuesday | September 25 | 6pm | Coolgardie |
| Tuesday | October 23 | 6pm | Kambalda |
| Tuesday | November 27 | 6pm | Coolgardie |
| Tuesday | December 18 | 6pm | Kambalda |

Naidoc Week in the Shire of Coolgardie

The theme for Naidoc Week 2018 was "Because of her, we can!".

There were lots of activities available in Kalgoorlie that members of our community attended, and with it being the school holidays the Shire was able to host activities at both the Coolgardie and Kambalda Community Recreation and Resource Centres.

The Coolgardie Community Resource Centre held a craft and morning tea on Wednesday, July 11. It was open to all ages and we were spoilt by Penny Press and Dwayne from GETS who came over and supplied cloth handbags, magnets and animals for our attendees to decorate with the large range of beautiful paint colours. Thank you, Penny and Dwayne, we enjoyed our morning with you.

The Kambalda Community Recreation Facility held a school holiday art and craft morning where there were lots of shapes available to decorate. Our artists created lots of bright and colourful dot paintings that were displayed on the walls and windows. Well done everyone, they looked amazing.

“Because of her, we can!”

Coolgardie Police News

From Sergeant Shannon McGeown

The Coolgardie Police in conjunction with the Coolgardie Community Recreation staff held a Blue Light Disco on Wednesday, July 11, at 6pm.

Roy Bergin, as well as Shire staff members Tara, Heather and Meg came along and assisted and it was a fun evening with games, music, dancing, food and bright lights. Thanks to everyone who attended.

We look forward to our next event, which will be a Halloween Blue Light Disco on Wednesday, October 31, 2018.

Coolgardie makes the 2018 GWN7 Top Tourism Town awards finals

The Shire's Coolgardie Visitor Centre Staff recently entered the 2018 GWN7 Top Tourism Awards.

This was the first time the team had entered and the process started by completing a 20-page document and a two-minute promotional video (made by local production company Phoenix Perspective) that covered everything from eco-tourism, future tourism plans, business and action plans, community development and involvement, statistics - and that was before we even started listing our unique Coolgardie history, amazing buildings and our beautiful landscapes.

On Saturday, July 21, 2018 there was a site visit with three judges from the tourism industry who flew up for the day from Perth and it was a great opportunity to show off Coolgardie.

The judges were welcomed and experienced the wonderful small town hospitality that the Shire of Coolgardie is proud

of, and Meg and Jacinda (the tour guides of the day) took them to:

- a cultural talk with Betty Logan;
- a tour at Warden Finnerty's with Robyn;
- a tour of Bayley Street with Vic Dale;
- a tour with Meg of the Coolgardie Museum;
- a visit to "Signs of the Past" with Morrie Costello;
- a visit to Desert Rain Designs with Rose Mitchell;
- a visit to Arthouse 65 with Jacqui Mills;
- a driving tour and showcase of all of the businesses and top spots in Coolgardie; and
- a café lunch with Councillor Tracey Rathbone and shire staff representative Laura Dwyer, with a surprise bagpipe music session by Willy Corcoran.

Well done to our visitor's centre staff, Meg, Jacinda and Gaynor for making the finals with three other competitors in the awards. The winners will be announced at the 2018 WA Tourism Conference dinner held in Perth on September 5, 2018, with the prize \$10,000 worth of advertising on GWN7.

"The three judges were welcomed and experienced the wonderful small town hospitality that the Shire of Coolgardie is proud of."

Wonderful winter of holiday activities

Creative Corners

On the morning of Monday, July 2, the Coolgardie Community Recreation Centre hosted its first school holiday program for winter 2018 holidays. The staff put together four corners, each containing different craft items so the children could use their imagination to create works of art. We had swords made by the boys, and some of the girls made bracelets and necklaces and cute cards.

As a group we made a huge canvas banner which the kids all put their hand prints on and decorated. We've hung it up in our foyer to show it off to everyone that comes to the building. So far we've had loads of compliments from the community about the work of art.

Obstacle Course

The morning of Wednesday, July 4, we moved our obstacle course to the indoor sports hall. We set up a course on half of the courts and then the other half the children played basketball and hockey.

We even had tug-of-war set up - it was Heather versus Team Big Kids. We had a wonderful turn out, with some families travelling out from Kalgoorlie.

All the kids enjoyed the games we played, including - octopus, line chasey and duck duck goose. The winner of each of these games received chocolates. At the end of the program everyone received chocolates for their participation, and then enjoyed a sausage sizzle for the way home.

Cooking and biscuit decorating

On Tuesday, July 10, we hosted a cooking program. We made delicious chicken wraps toasted in the press. Once they were all demolished we decorated mini pancakes as well as milk arrowroot biscuits with funky coloured icing, sprinkles, whipped cream, chocolate chips and lolly bananas.

It was great to see some families come out from Kalgoorlie once again to join in our programs. To burn off some of the sugar from the treats the kids enjoyed free play in the sports hall. Some played basketball, and others played line chasey and hula hoops.

YMCA excursion

A group of children travelled to the YMCA facility in Kalgoorlie for an action-filled visit. The session kicked off with games around an obstacle course and parachute activities. We then headed into the gymnastics room where the children learnt new moves on the mats, balance beams and bars - and of course the swinging rope, which was a hit for everyone who attended (even some of the adults!).

The YMCA's rock climbing wall was also popular and was conquered by the adventurous members of the group, with many trips right to the top.

Movie afternoon

We finished the holidays with a movie afternoon as our final activity. The Peter Rabbit movie was played through the projector, and with the warm popcorn it was a cosy and relaxing afternoon.

- Heather Kent and Tara Davies

Paying your Council rates with the Cashless Debit Card

With the end of the financial year it is almost time for the Shire of Coolgardie's council rates notices to be issued.

If you are a holder of the Cashless Debit Card in Coolgardie or Kambalda and wanting to set up those payments from your Indue account, be advised that for a scheduled payment to be set up to an external account, you may need assistance from our friendly staff at the Cashless Debit Card Shopfront.

For external transfers up to \$200 per month you may wish to set them up yourself on your online account by selecting the TRANSFER & BPAY option > EXTERNAL OTHER.

For transfers exceeding \$200 per 28 days an "External Transfer Declaration" form needs to be filled out and sent through to DSS alongside with your rates notice as evidence.

Both Shire offices are accepting the Cashless Debit Card for payments made in person. When making payment at the Shire offices in either Coolgardie or Kambalda in person please present your rates notice. You may also choose to pay via BPoint over the phone or online providing your Visa debit card details.

Please note that you cannot use a BSB and account number to make direct debits using your INDUE account. Instead you can transfer payments directly to another bank account or to your standard bank account and continue to pay your council rates with your current direct debit in place.

If you should have any other bills that you are unable to pay with the Cashless Debit Card or are in a rental agreement where you can only pay directly to your landlord, please come and see our friendly staff at the Shopfront in Coolgardie or Kambalda for assistance.

■ Our Shopfronts in Coolgardie and Kambalda can be found at the Community Resource Centres located in the libraries and are open Monday-Friday from 9.00 am-2.30pm.

|  Payments can be made via EFT directly into the council's bank account: Shire of Coolgardie BSB: 016-719 Account: 201587602 Make sure you quote 'Assessment Number' as a reference when you make the payment |  In Person Cash, Cheque or EFTPOS Please present this account intact when making payment at the Shire Offices in either Kambalda or Coolgardie. | |

Your options for paying your council rates.

Cashless Debit Card - Get the facts

A reminder the cashless debit card is just like a regular bank card and can be used to:

- Pay rent or mortgage
- Pay bills
- Pay for medical appointments
- Pay for utilities
- Pay car registration
- Buy groceries, shopping for clothes, electricals, furniture and more
- Set up Direct Debits providing your 16-digit visa debit card number, expiry date and security code on the back of the card
- Check Balance and transaction history for free

Tips for using your Indue Card

The Cashless Debit Card (or Indue Card) Shopfront is still up and running at the Coolgardie Recreation Centre, in the library. Participants are encouraged to please come and speak to the friendly staff if they have any questions or concerns with their Indue Card.

The team would like to remind participants that the Indue Card is just like a normal EFTPOS card that can be used at any store with an EFTPOS terminal, with the exceptions of stores that exclusively sell alcohol and/or gambling products (such as BWS, Liquorland, TAB etc.).

Some uses of the Indue card include:

- Pay your rent/mortgage with BPAY, using the card numbers or at your real estate's EFTPOS terminal (Eg. Zion Real Estate). If you pay rent through Centrepay or Rent Deduction Scheme, no changes are needed.
- Pay bills with BPAY, using the card numbers, at the post office or at your real estate's EFTPOS terminal.
- Pay car registration with BPAY, card numbers, at the post office or at the Department of Transport.
- Paying for insurances with BPAY, card numbers or at the post office.
- Buying food and groceries from Coles, Woolworths, IGA, take-aways, restaurants and more.
- Purchasing a car from a dealership using the card numbers or EFTPOS terminal.
- Paying for fuel.
- Shopping for clothes, electricals, furniture and more such as Kmart, Target, Harvey Norman, Telstra etc.
- Online shopping using the card number, name, expiry date and CCV. Please check the Indue website for approved places you can shop online.

Please ensure that you have your bill letter with the barcode if you are wanting to pay bills etc. at the post office.

If none of the above options of payment are acceptable for you, direct debits (using the BSB and account number) can be set up through the helpful team at the Shopfront or over the phone with the Cashless Debit Card Hotline – 1800 252 604. Evidence will need to be shown (such as a regular payment for private rent, shown on a bank statement).

If you require any help with setting up payments to come from your Indue card, the Cashless Debit Card team is here to answer your questions.

■ **The Shopfront is located in the Coolgardie Recreation Centre and is open Monday–Friday from 9am–2.30pm.**

Are you confused about the NBN?

Want to know more about how to connect and if you should?

Telstra's NBN experts are coming to town for evening information sessions to answer questions and provide details about the NBN rollout in the Shire.

**Kambalda Community Resource Centre:
Wednesday, August 8, 5.30pm-7pm**

**Coolgardie Community Resource Centre:
Thursday, August 9, 5.30pm-7pm**

The Telstra 'Shop on Wheels' van will also be outside Kambalda Community Recreation Facility on Thursday, August 9 from 10am-5pm AND Moran's Store on Bayley Street on Friday, August 10 from 10am-5pm to provide information about the NBN.

Notification of Roadworks - Great Eastern Highway

Main Roads WA will be conducting edge break repair works on the Great Eastern Highway from Boorabin to Mungari Road in the Shire of Coolgardie.

It is intended that the works will be undertaken during August and September 2018.

If you have any queries, please do not hesitate to contact our customer service officer, Nicole Sullivan, on 9080 1473.

Yours sincerely

Kellie Keable
A/NETWORK MANAGER

'A picture speaks a thousand words.'

Coolgardie Day Celebrations to feature all-day fun for everyone

“It’s all about the family”

The committee has been working hard again this year and is looking forward to the next Coolgardie Day Celebrations, which will be held on Sunday, September 16, 2018.

The Coolgardie Day Celebration’s motto is “It’s all about the family” and thanks to our wonderful sponsors to date we will once again be providing a fun-filled, entertaining day for our community and the many visitors that we welcome into our town – Coolgardie, the Mother of the Goldfields.

We will have lots of free fun in the park again, with Bounty Hunter being our main band, rock-drilling and our many family free activities, including a freestyle clinic/comp at the skatepark

- and did we mention the delicious food stalls that will be available?!

There will be lots of thriller rides for side show alley coming over from the eastern states and a huge variety of street stalls, with a lot of new ones who haven’t been here before. It is not too late to register your stall; with September 5, 2018 the final day for registering (NO EXCEPTIONS).

Thank you to our sponsors, because of you we can make Coolgardie Day happen.

Visit our website for more information, stall forms, street parade forms, or call in to the Coolgardie Community Recreation Centre as we have the forms available there as well.

<http://coolgardieday.com.au>
“It’s all about the family”

The street parade competition has \$3700 worth of prize money this year, which is being split up over the following five categories:

| Category | 1st Prize | 2nd Prize | 3rd Prize |
|---------------------------------|-----------|-----------|-----------|
| Open Float (trailer, truck etc) | \$1000 | \$500 | \$250 |
| Community group | \$500 | \$200 | N/A |
| Vehicle/bike | \$300 | \$150 | N/A |
| Individual/novelty | \$300 | N/A | N/A |
| Best-dressed gopher | \$350 | \$150 | N/A |

Get creative or get your group together to enter, let’s see if we can make it the biggest parade that we have seen so far. Registration closes on September 5, 2018.

KAMBALDA WEST

PLAYGROUP

AUGUST/SEPTEMBER 2018

Who would've thought!

Another jam-packed month full of mini fundraising, chocolate making and Naidoc celebrating, not to mention rockin our PJ's on National Pyjama Day!

On June 29 our lovely mums and their bubs enjoyed a mini fundraiser for Red Nose Day. Being the eco-conscious playgroup that we are we decided to make our own red noses, as well as feeding the red nose monster, pinning the nose on the red the dog, and enjoying a delicious Red Nose Day inspired morning tea. We were able to raise \$50; YAY!!

We couldn't pass up celebrating World Chocolate Day! We created/decorated our own chocolate bark, had a fondue style morning tea, sang some songs and danced

the morning away, we had a Wonka of a time! Naidoc Week saw us celebrating and learning all about the amazing culture of the indigenous Australians, and the women who played a significant role in both past and present communities.

You may have seen our display in front of the basketball courts in the rec centre - we had sun catcher flag making, boomerang painting as well as rainbow serpent decorating.

Friday, July 20 was every parent's dream! National Pyjama Day! Wake up, brush your teeth, wash your face and come to playgroup!

We had such an awesome day, and it was great to see the mums rockin' their onesies! The lil' ones had great time making scones, enjoying a breaky morning tea, pretending to sleep and singing our favourite nursery rhymes.

We love meeting new mums/dads/guardians in town so

Continued P17

From P16

if you're new to town or have been here for a while please drop in and say hi. Your first three visits are FREE!

Kambalda West Playgroup is for children aged 0-5. We hold playgroup sessions on Mondays, Wednesdays, and Fridays from 9am-11.30am (unless specified). Our room is located opposite One Tree Day Care.

If you have any questions, please contact Jacinta Perkins or Nancy McCulloch on 9080 2114.

Upcoming events

Friday, August 3 - Genes for Jeans Day

August 13-19 – Science Week

August 13-19 – Muddy Puddle Walk (date TBA)

Friday, August 31 – Father's day party

Monday, September 10 – National Bilby Day

Coolgardie Community Mens Shed Inc

Hi everyone

Well last month we promised photos of our new concrete area inside the Coolgardie Community Men's Shed and here they are! Truck and all!

Thank you once again to Rick Wilson, the Shire of Coolgardie and also Mia Hicks. We could not have done this project without your support and financial assistance. The 'Stronger Community Grant' has been well spent and will benefit the members both now and in future years.

And if you need any concrete work to be done we highly recommend Troy and the team from Flanco Kalgoorlie, great guys and excellent workmanship.

Pop down to the shed and check out our new improved space, or if we can help you with a small project or assist you please contact us as we are here to help. Telephone Wayne on 0438 267 180.

**It takes a special person to become an ambulance volunteer.
Do you think you have what it takes?**

**Come see the Coolgardie crew at our Hunt St depot, next to the medical centre,
for more information.**

A little bit about the St John Ambulance Coolgardie Sub Centre:

Our depot has six volunteers and we are always looking for more people to join. We have our fortnightly training sessions on Monday nights, and they are run in a friendly and safe environment. Becoming an volunteer ambulance officer is one of the best skills you can have. You are introduced to a wide variety of obstacles and are trained to handle any situation.

For more information phone Gaynor on 0437 701 240.

priscilla.laws@education.wa.edu.au

The Pastor's Pen with Bill Kirkland

History shows that studying to be a Priest/Pastor does not necessarily mean you are going to represent God well. Studying law does not mean you are going to be a good lawyer or judge, studying science is not necessarily going to cause you to be rational. In the political wars we are always hearing that if we have more money for education then the world would be a better place. The increase in spending on education over the last 25 years proves that it is not the case. Obviously, the theory learnt must produce practical results in order to prove fruitful.

Jesus said of the religious persons among the Jews, 'You study the Scriptures, because you think that in them you will find eternal life. And these very Scriptures speak about me!' (John 5:39) Jesus was speaking to the men who were leading the nation of Israel. They had witnessed Jesus healing and doing miracles and they rejected Him instead of seeing that He was the One spoken about many times by the prophets.

Jesus was saying that no matter how many times you read the Scriptures unless you realise they are pointing to Him being the source of eternal life you are missing the point. Redemption, forgiveness and love can only be established in a person's life when you are in relationship with the source of these things, being the Lord Jesus Christ. It is He who will judge the living and the dead (2 Timothy 4:1).

Relationship rather than religion was what Jesus established. He prayed this prayer, 'And this is life eternal, that they might know You, the only true God, and Jesus Christ whom You have sent.' (John 17:3)

Shire of Coolgardie

Our Community, Our People, Our Future

Notice of Special Meeting

In accordance with Regulation 12 of the Local Government (Administration) Regulations, notice is hereby given that a Special Meeting of Council will be held on Tuesday 14 August 2018, commencing at 6.00pm at the Kambalda Recreation Centre.

For the purpose of: Adoption of 2018/2019 Budget.

Further information may be obtained from Mr James Trail, Chief Executive Officer on 9080 2111.

Shire of Coolgardie Local Government Act 1995 Section 6.19 Notice of Fees and Charges

The Shire of Coolgardie has resolved to set its fees and charges for the 2018/2019 financial year.

The new fees and charges are advertised for public comment closing Monday 13th August at 10.00am. Copies of this document may be inspected at the offices of the Shire of Coolgardie in Irish Mulga Drive, Kambalda and the Recreation Centre, Sylvester Street, Coolgardie, or on Council's website www.coolgardie.wa.gov.au.

James Trail
Chief Executive Officer

Scroungers Page

One man's junk is another man's gold, it has been said, so with this in mind we would like to collect your left over scrap metal. This could include such things as -

- Aluminium cans
- Copper pipes
- Car batteries
- Lead flashings
- Brass taps and fittings

If you think it might be of some value please contact Ray on 0458 187 009.

Thank you in advance

PINGO

Wednesday, August 29, 2018
Coolgardie Recreation Centre

Soup, tea, coffee and juice provided. BYO food. NO ALCOHOL is permitted.
Children welcome but must be accompanied by an adult.
Doors open 6pm; Eyes down 6.30pm

1 ten-game book: \$2.00
2 ten-game books: \$3.00
3 ten-game books: \$4.00
4 ten-game books: \$5.00
6 ten-game books: \$6.00

Raffle tickets: \$2.00
Dabber pens: \$3.50

For more information please phone the recreation centre on 9025 0309.

Split Systems Servicing

Un-serviced units run at a lower efficiency and can cause:

- Higher power bills
- Limited heating & cooling capacity
- Noisy operation
- Mould and bacteria growth that can cause illness and foul smells.

Reverse cycle is the best way to stay the perfect temperature all year round. Routine maintenance will keep your unit at its best, for every season.

Your aircon will work better, smell better, and cost less to run

Servicing increases the life of your unit and protects your investment, our professional products and expert tradesmen will get your unit working like new.

**View our before and after on facebook in colour*

Have an evaporative airconditioner?

A winter shutdown is a great way to save money by:

- Prolonging the life of your unit and its parts
- Reducing heat loss from your home
- Reducing the chance of split pipes caused by freezing in winter

Call us now to book yours in!

No job too big or small, Taps does it all

Join the world's largest treasure hunt

Due to continued community interest in the geocaching project we have reprinted this article.

Did you know that Coolgardie and Kambalda are a part of a world outdoor adventure that is happening 24 hours a day and is participated in worldwide by travellers and enthusiasts of all ages?

The activity is called "geocaching" and basically, it's a treasure hunt. To play, participants use the geocaching app on their phones to find cleverly hidden containers called 'geocaches'. There are millions of geocaches (more than 3,124,519) hidden worldwide in 190 countries that are waiting to be discovered.

Coolgardie has seven of them, and Kambalda has five. The caches come in all different shapes, sizes and difficulties and are hidden in both rural and urban settings.

To get started, you simply need to download the free geocaching app and create an account to search for caches near your location. This is also accessible to laptops and

computers as well. Go to <https://www.geocaching.com> Once you find a geocache, open it up and sign the logbook. You may discover some trade items (like small toys, keychains, or trinkets). The general rule of thumb is that if you take something you must leave something of equal value or more behind. Place the container back where you found it for the next person.

Reasons to do geocaching:

1. It gets you outside and is a great way to stay healthy and active.
2. Free fun for the whole family.
3. Discover places you never knew existed in your own neighbourhood or while you are travelling.
4. You learn fun facts from the clues that are given to find the caches.

Happy hunting!

- Jacinda Evans, Coolgardie Visitors Centre

Vacancies exist for suitably motivated individuals to fill voluntary positions of Volunteer Ambulance Officer. Duties include attending emergency and non-emergency ambulance jobs, providing first aid services at public events and attending training to maintain skills.

Is this you?

- Are you interested in clinical and community based volunteer work?
- Are you over the age of 18 and you have an unencumbered drivers licence?
- Can you easily work solo but also part of a team?
- Are you physically able to perform CPR?

What the role involves

- Participate in the sub centre roster to attend ambulance jobs. This includes emergency situations and routine patient transfers
- Attend public events to provide first aid services
- Attend training regularly to maintain skills
- Complete accurate records for ambulance calls
- Work effectively with your partner on ambulance calls and with other members of the sub centre
- Act in a way that promotes a positive image of the organisation at all times
- General duties associated with maintaining vehicles and the sub centre to the required standard

Skills and Qualifications

- Provide First Aid course completed with St John (provided at no cost)
- Unencumbered C Class Driver's Licence
- Medically and physically fit
- Able to communicate effectively and respectfully with people from diverse backgrounds
- Able to remain calm under pressure
- Enjoy helping people

Country Youth Ambulance Officer

YOUTH OF KAMBALDA

This role is currently being trialled, for more information please register your interest.

Vacancies exist for suitably motivated individuals to contribute to the community by providing First Aid Services at public events. This may progress to being a Volunteer Ambulance Officer once driver's license requirements are met. Duties include attending public events, providing first aid to members of the public, completing accurate records and attending training to maintain skills

Is this you?

- Are you interested in clinical volunteer work?
- Are you aged between 16 and 17 years old and able to work in a professional workplace?
- Can you easily work solo and also part of a team?
- Are you physically able to perform CPR?
- Do you have a friendly personality and a strong desire to help others?

What the role involves

- Provide first aid services at public events
- Complete accurate records
- Assist with first aid provision during major incidents if required
- Attend training to maintain skills
- Work effectively with other members of the sub centre
- Act in a way that promotes a positive image of the organization at all times
- General duties associated with maintaining vehicles and the sub centre to the required standard

Skills and qualifications required

- Provide First Aid Certificate
- Medically and physically fit
- Able to communicate effectively and respectfully with people from diverse backgrounds
- Able to remain calm under pressure
- Enjoy helping people

IF YOU ARE INTEREST IN ANY OF THESE ROLES PLEASE CONTACT OUR COMMUNITY PARAMEDIC ON 0419 826 524

**KAMBALDA CULTURAL AND ARTS GROUP
PO BOX 97, KAMBALDA WEST WA 6442**

Kambalda Arts Centre

Goldfields-Esperance Arts & Culture Trail

Since 2013 we have been working towards being a part of this project through the development of an attraction to Kambalda by providing an interesting Art and Cultural exhibition at the Kambalda Arts Centre.

Although progress has been slow, we are quite well situated now, but need to advance the current display.

Hopefully, now that the project has been launched, over the next three years we will extend our historical display further into the Art House, originally the BP West Service Station caretaker's residence, with framed historical photographs that we have obtained.

A small mural is planned towards the end of this year, in the front window of the gallery and painted by a local artist. We have obtained funding, so only need to finalise all the paperwork and start coordinating the project.

This is part of our long term plans based on the Kambalda Arts Centre and Program Enhancement Project.

Stay tuned for more information and updates.

Our program is supported by our regional partners, the Shire of Coolgardie and Independence Group. We have in the past been kindly funded by
Country Arts WA.

**COUNTRY
ARTS WA**

GOLDFIELDS-ESPERANCE ARTS & CULTURE TRAIL

Be part of the connection

The Goldfields-Esperance Arts & Culture Trail is a 3 year project that will connect individuals, groups, organisations and businesses across the region using an interactive website and phone app.

It will provide a valuable resource for visitors and locals to discover and access the arts and culture opportunities available throughout the region.

The Project Manager will

- identify arts and culture assets in the Goldfields-Esperance region
- develop professional networks and build knowledge through training for trail participants
- provide marketing opportunities for arts and culture trail participants

This is your opportunity to help us 'join the dots'.

We are collecting information from ALL the arts and culture entities from Ravensthorpe to Eucla, Wiluna to Warburton and everywhere in between!

Please contact Project Manager, Donna Malec
by email projectmanager@artgold.net.au or phone 0416 232 997
and give her your details so you can be part of this exciting initiative.

Supported by Royalties for Regions

TV upgrades and disturbances explained

The Shire has been provided with the following article from ACMA (Australian Communications and Media Authority) to answer any questions that our residents have in regards to the television reception upgrades recently done and why they may have experienced television broadcasting disturbances with the recent MPEG4 upgrade.

Q. Have you seen a new TV channel advertised in your area or on your TVs electronic program guide (EPG), but for some reason you can't view it?

A. This may be because TV broadcasters are now using a video standard called MPEG-4 for some of their new channels. The good news is MPEG-4 is more efficient at transferring data - which means we get to feast on more content.

Read on as we unravel the MPEG-4 video standard - what it is, how can you get it and what you can do if your current telly is not compatible.

Q. Why do TV broadcasters keep changing channel configurations?

A. Australia is divided into several TV licence areas and each of these licence areas has provision for two national broadcasters (ABC and SBS) and three commercial broadcasters. Each broadcaster is allocated the same amount of spectrum to deliver their TV services. The number of channels that broadcasters can provide in this spectrum depends on the technology they use to compress the video and audio.

When digital television began in Australia in 2001, the MPEG-2 standard was used for video compression. Fifteen years later, standards have evolved and broadcasters are now using MPEG-4 for some of their new channels, so they can give their audiences more channels within the spectrum (bandwidth) available to them.

Q. What is MPEG-4 video and why have broadcasters started using it?

A. MPEG-4 video is all about compression - it reduces the amount of data needed to reproduce a video and is an efficient way of sending video data. MPEG-4 video is shorthand and refers to the MPEG-4 (Part 10) standard, which is also called MPEG-4 AVC (Advanced Video Coding), or sometimes H.264.

MPEG-4 video coding allows the same program to be broadcast using significantly less data than required using the MPEG-2 video standard. This means that if broadcasters convert the video content from MPEG-2 to MPEG-4, bandwidth will be freed up so they can provide extra channels or provide more high definition (HD) programs. How much bandwidth is saved depends on a range of variables, but it can be in the range of 40-60 per cent, so on average an MPEG-4 standard definition (SD) program takes about half the bandwidth of an MPEG-2 SD program.

New channels thanks to more efficient MPEG-4 standard

Some of the new channels using MPEG-4 video include:

Metro markets

Seven Network: 7HD, Racing.com

Nine Network: 9HD, 9Life, eXtra

Network Ten: Ten HD

Regional Markets

Prime/7: Racing.com

WIN: WIN HD

NBN: NBN HD, Life

Q. Why does it matter which video compression standard is used?

A. TVs use electronic chipsets that determine which video compression standard works on your TV. TVs tend to be either MPEG-2 only, or MPEG-2 and MPEG-4 compatible.

If your TV has an MPEG-2-only chipset, you cannot do a software or firmware upgrade on it to enable it to decode MPEG-4 signals.

Some TVs that are MPEG-2 and MPEG-4 compatible have a configuration setting that only allows MPEG-2 signals to be displayed by default. These TVs require you to go to the settings menu and change the option to enable MPEG-4 content.

Q. How do I know if my TV is MPEG-4 compatible?

A. Your TV is MPEG-4 compatible if you can see and hear the channels that use MPEG-4 standard. You may have to perform either a manual or auto-tune to receive the new channels first. If, after performing a manual/auto-tune, some channels on your TV only have sound and you cannot see any video on the channels that use MPEG-4, then it's probably an MPEG-2-only compatible TV.

The age of your TV may also provide a clue. Most TVs purchased before 2009/2010 tend to be MPEG-2 only, whereas many (but not all) TVs purchased after this date are MPEG-4 compatible. If you bought your TV after 2010 and you're still not able to get any of the channels that use the MPEG-4 standard, you may need to check with your TV manual or manufacturer if it is MPEG-4 compatible.

Quick guide to get the new channels:

1. Try an auto-scan of your TV (you may need to delete the channels first).
2. Check digital TV tuning settings to see if there is an MPEG-4 AVC channels access option (some Panasonic TVs) and then perform an auto-scan.

Q. My TV is not MPEG-4 compatible—what can I do?

A. If your TV is not MPEG-4 compatible, then there are a couple of options to consider. The cheapest solution is to pick up an MPEG-4 compatible set-top box, which cost around \$40-\$60 (sometimes even cheaper) and connect this to your TV. Most new equipment tends to be MPEG-4 compatible, but it's worth checking before you buy. Alternatively, you can purchase a new TV or a personal video recorder (PVR) that is MPEG-4 compatible. You can expect more MPEG-4 channels to start in the near future as broadcasters look for ways to bring more content to their viewers.

Q. If I buy a new TV will it be compatible with the new emerging standards?

A. Technology is advancing at a rapid rate and broadcast standards are continuing to evolve. The free-to-air broadcast industry is yet to determine future directions for compression standards to be implemented in TV markets in Australia. While almost all new TVs bought today would be compatible with MPEG-4, not many are yet compatible with future transmission standards such as DVB-T2 or future video compression standards such as MPEG-H HEVC (H.265) that might be rolled out in the future.

An update from our ranger services

Keeping you informed on how we are supporting community wellbeing, amenity and safety.

Community members may be aware that the Shire of Coolgardie has been working in a Shared Services Agreement with the City of Kalgoorlie Boulder for ranger services. This arrangement helps us meet the needs of our community and supports investigations and liaison on complaints relating to ranger matters.

Community together in preventing illegally dumping

Illegal dumping costs our community more than just being a eyesore. In June 2018 the Shire spent more than \$5000 cleaning up illegal dumping of asbestos fence sheeting, which was dumped in eight laneway locations. In an effort to reduce to impact on the community and environment the Shire will be targeting illegal dumping with surveillance cameras.

For those that have information on offenders, please submit with any photo evidence, vehicle details and additional information to assist us to follow up. Prosecutions for minor illegal dumping offences occur, and the fine is between \$200 and \$10,000 if proceedings arrive in court.

Dogs ownership

Council is committed to encouraging responsible dog ownership to benefit the entire community.

Dog owners are responsible for ensuring their dogs are:

- Secured in a fenced yard on property;
- On a leash when in public; and
- Registered with the Shire and microchipped.

The Shire is currently targeting dog registration and following up to ensure owners comply. If your dog is collected by officers, owners will need to have dogs registered, pay impoundment fees and will have seven days to ensure their dog is microchipped. Dogs will not be released without owners paying the fees applicable.

Should you need assistance please call the Shire main line on (08) 9080 2111. All calls and information will be logged to enable the appropriate actions to be taken and followed up. We understand that this **change in process** may be inconvenient for some members of the public however it is important as it enables us to appropriately respond to your concerns.

For after hours emergency assistance, please contact the Shire main line and select option 1 for ranger to be diverted to the on-call officer. Officers will only attend in event of an emergency, such as a dog attack. For further assistance, police officers also have authority to act.

Should you have complaints in relation to ranger matters or services provided, it is encouraged that contact is made with the Shire and you submit your concern in writing.

Laws for dog owners

FACT SHEET – LAWS FOR DOG OWNERS

This document provides a summary of the legislation which applies to dogs and the dog owners.

WHAT DOES THE DOG ACT COVER?

The Act addresses the registration of dogs, the keeping of dogs in the community and the legal obligations of dog owners. The Act applies to all canines. This includes dingoes and dog/dingo crossbreeds.

WHO ENFORCES THE ACT?

The Act is enforced by local governments within their respective districts.

If you are aggrieved by a local government's application of the Act, you may be entitled to have that decision reviewed in the State Administrative Tribunal.

WHY DO THESE OBLIGATIONS APPLY?

Everyone who owns a dog has a responsibility to ensure that the dog is properly cared for. In addition, it is important that dog owners handle their animals in a way that respects other people in the community.

LEGAL RESPONSIBILITIES FOR DOG OWNERS:

Dog control - Penalty: \$200 to \$5000

If you own a dog, you have a legal responsibility to keep the animal under control, either within a fenced area on your property or on a leash when in public. Local governments can set out dog exercise areas where dogs can be taken off a lead without penalty. Please contact your local government for further details on the exercise areas in your district.

Barking dogs - Penalty: \$200 to \$5000

While dogs are allowed to bark, they are not allowed to bark excessively in a way that causes a nuisance.

Dog droppings - Penalty: \$50 to \$5000

Dog droppings are a source of annoyance to the users of footpaths and public recreation areas. Most local governments have local laws in place that require a dog owner to remove their dog's droppings if the dog excretes in a public area. The penalty for failing to do this will vary between districts.

Dog attacks - Penalty: \$3000 to \$20,000

A dog attack is a very serious matter. In addition to harming other animals, a violent dog can inflict serious injury on children or the elderly. If your dog attacks a person or another animal, you can be held responsible even if you are not there at the time. If the dog causes serious injury to someone, you may even receive a jail sentence.

Dog registration - Penalty: \$200

A dog owner is legally required to register the dog with the appropriate local government once the dog is 3 months or older. To register your dog, contact your local government for a registration form and a list of applicable fees.

Registration tags - Penalty: \$200

A registered dog is required to wear a collar with a valid registration tag. This tag will be issued by your local government when you pay

your registration fee.

Microchipping - Penalty: \$200 to \$5000

All dogs must be microchipped once they reach 3 months of age. Non-microchipped dogs cannot be sold or transferred to a new owner. This rule applies even if the dog is under 3 months of age. Dogs may be exempt from receiving a microchip if they cannot receive one due to medical grounds. In those situations, the owner will need to obtain a medical exemption certificate from a registered vet.

DANGEROUS DOGS

The Act has specific obligations which apply to:

- restricted breed dogs.
- commercial security dogs.
- dogs who have previously committed a dog attack.

In many cases, the penalty issued for an offence under the Act will be doubled if a dangerous dog is involved. Dangerous dogs also have specific requirements regarding collars, muzzling and general confinement. The dangerous dog fact sheets on the department's website set out this information in further detail.

DOG LOCAL LAWS

Each local government can introduce local laws on a range of matters, including the number of dogs which can be kept on the premises. For further information on your local laws, please contact your local government. If you wish to inspect your district's dog local law, a copy can be freely accessed on the department's local law register.

REVIEW OF DECISIONS

Dog owners have a right to seek a review of certain decisions made under the Act, if the owner believes the decision was incorrect. These decisions can be internally reviewed by the local government or they can be appealed in the State Administrative Tribunal.

This right of appeal applies to:

- a decision on whether excess dogs may be kept on the premises.
- a local government's refusal to register your dog.
- an order declaring that your dog is dangerous.
- the seizure of your dog.
- a dog destruction order.

If you wish to have one of these decisions reviewed, you should notify the local government as soon as possible and consider obtaining legal advice.

Shire of Coolgardie

Coolgardie Community Recreation Centre

Even though it is winter we have all been nice and bright here at the CRC with sunflowers, butterflies and lots of indoor fun.

Stage set producers here at the CRC

This month we have seen lots of bright creations being made for the Shrek Musical production which is starting in Kalgoorlie on Friday, August 31, 2018. Our Tuesday craft group is really excited to be able to help Alan Bergin with this amazing stage set and we are talking big. So far everyone has been creating lots of fun bright sunflowers and butterflies. We are leaving all the big things for Alan to build!

Community recycled bottle project

Thank you to everyone who has donated the bottles so far and please keep drinking as we require a lot more bottles. Our flowers are looking amazing and we love to recycle here at the CRC - even better that it can be made into usable art.

Telstra NBN truck to visit Coolgardie

With all of the recent media hype, as well as telephone calls and letters received from the community about NBN we are pleased that we are able to host Telstra for an information evening and their truck in Coolgardie. Come along to the Coolgardie CRC on Thursday, August 9, for the obligation free information evening or pop down to Moran's store on Friday, August 10, where the bright pink truck will be parked, and staff available to assist you.

"A Picture Speaks a Thousand Words" Artworks Art Therapy workshop with Carlie Pietersen

Carlie Pietersen will be holding an Art Therapy Workshop on Sunday, August 19, at the CRC and we are very excited about this. Come along and have some fun and create with Carlie. The cost is \$10 per person and all materials will be supplied. BYO lunch; coffee, tea and cold water will be provided.

Better Beginnings Cubby House at Coolgardie

We had a fun cubby house in our CRC for three weeks and it created lots of fun. Children were able to do lots of reading, design a book and also see what other children across the state had done with the books provided. We are looking at building our own cubby house in the future and calling in the children to help design and decorate it with us. Watch this space!

If you would like further information on upcoming activities, please contact Leanne on 9025 0309 or email: coolcrc@coolgardie.wa.gov.au

Shire of Coolgardie

Kambalda Community Resource Centre

School holiday activities

In July we held a school holiday program. The kids participated in some amazing activities like shirt painting, healthy cooking, Zumba and a picnic in the park. They celebrated NAIDOC Week by creating their own dot paintings and we displayed them in the Kambalda Community Recreation Facility for the community enjoy.

NBN information session

Coming up in August we will hold a NBN information evening on the 8th and the following day, Telstra will provide an information van that will be available for any further questions. The van will be parked at the front of the Kambalda Community Recreation Facility.

Digital marketing workshop

On August 29, Sharni from Business Local will provide digital marketing training for local businesses and any community groups that would find this beneficial. Drinks and nibbles will be provided. Bookings are essential; to make a booking please use the contact details below.

Community Wellness Expo

In late September we will hold a Community Wellness Expo. If you would like to have a stall or would like some more information please call or email the details below.

CRC services

Did you know that if your community group needs a place to hold meetings or requires a computer to write minutes from meetings this is something your community resource centre can offer? Your local community resource centre is a fantastic resource, come and ask today what programs we are offering or what could be available to assist you.

**If you would like further information call in to see Leesa at the CRC, phone 9080 2111
or email kambaldacrc@coolgardie.wa.gov.au**
