Shire of Coolgardie

Message from the Shire President

December 2018

How quickly the year of 2018 passed, and reflecting on some of the highs and lows we have experienced during this time there has been significant change within our communities and the Shire as an organisation. As well from the wild storms last November that wreaked havoc on Kambalda, the loss of the doctors, bank and temporary closure of the BP roadhouse and swimming pool in Kambalda, I believe both our residents and the Shire have become more resilient, and on most occasions have come out the other side with positive outcomes.

The majority of damaged properties in Kambalda have been repaired and we have reinstated the doctor's clinic and medical service in a very opportunistic partnership with the St John organisation. Other good news for Kambalda residents and travellers is that the BP roadhouse has reopened for business.

On the low side, the Coolgardie community was smashed by a ferocious hail storm on the afternoon of December 10, with extensive damage to homes, solar systems and vehicles. The Coolgardie Recreation Centre roof and solar panels were damaged, rendering the stadium unusable. I would like to sincerely thank our Volunteer Fire Brigade crews and members of the community who pitched in with the SES crews from Kalgoorlie to help out dealing with the emergency situations during and following the storm. The Shire crews have also been working at cleaning up the debris all over town in the wake of the storm, and the Shire is hopeful there may be emergency assistance available to help out disadvantaged members of the community to help recover from this disaster.

The Shire Service Level Review is entering the second stage of implementation with efficiencies and improved performance within the organisation gradually improving. The Shire financial position continues to show improvement our administration, recreation and tourism divisions are displaying increased outputs and efficiencies, whilst our Technical services section including works, construction and waste crews are achieving increased objectives. It is a credit to our CEO James Trail and our leadership team, working with Ravim/RBC consultant John Ravlic, to implement these changes to the organisation that will bring long term benefits for our Shire into the future.

The Annual Seniors Christmas function was held at the Coolgardie Recreation Centre on November 29 with over 130 people attending Senior residents from Kambalda, Norseman and Coolgardie all came together to share their experiences over the year and celebrate the approaching festive season whilst enjoying the days great entertainment and a really well prepared Christmas luncheon provided by the WOW Cafe. A big thank you must go to all our staff and volunteers who helped out on the day, and also the sponsors who contributed so generously, which together helped make this such a successful event. I know from the many comments our seniors made during the day, that they really look forward to this event each year. I also received a letter of thanks and acknowledgement from a senior resident last week to thank the Shire in appreciation for hosting these events for our communities.

Shire of Coolgardie
From the desk of the CEO
January 2019

Hi everyone

Welcome back for 2019, I hope everyone had a good summer break and we are all looking forward to another busy, productive and positive year with the Shire and our communities.

The Shire of Coolgardie has experienced a number of large bushfires this season, which started on Boxing Day 2018. I would like to thank the Coolgardie and Kambalda Volunteer Fire and Rescue Service teams as well as the Shire staff who have been involved with the fires and keeping our towns safe. We have also had members from our community brigades go and spend voluntary time at neighboring districts to assist with their fires, thank you for that, as we know it is not easy work especially with the temperatures and wind conditions that the Goldfields is experiencing this summer.

Well done to the Coolgardie and Kambalda Community Recreation Centre staff for putting on the wide range of school holiday activities in January. The programs attracted good attendance levels and the children all had lots of fun.

The Shire of Coolgardie Australia Day events had good turnouts for the community breakfasts and presentations and activities. Congratulations to our Australia Day Citizenship Award nominees and recipients.

Take care,
James Trail
Chief Executive Officer

Pool games, art and sweet treats all part of the school holiday fun

The Coolgardie Community Recreation Centre's 2019 school holiday program was a huge hit this summer, with a great turnout of kids that thoroughly enjoyed themselves.

The week started with the Kalgoorlie-Boulder inter-agency holiday activity, which saw around 70 kids attend from Kalgoorlie and Coolgardie! The kids had a blast, playing in the pool for hours during the 40-degree weather. After their swim, they enjoyed a barbecue, put on by the Kalgoorlie agencies.

Lots of delicious fun was held with the 'bicky baking and decorating', during which the kids got to make their own roll-out cookie dough, cut out all sorts of funky shapes, bake their cookies and decorate them with icing and sprinkles. We had some very happy faces at the end of it!

We held an Australia Day inspired program. The kids got to create their own Australian-inspired nature art canvas, using red dirt, sand, native leaves and twigs from the bush and various shapes of pebbles and rocks. Everyone had their own unique canvas to represent Australia and had lots of fun doing it!

The next week, we held a movie afternoon, where the kids watched the classic *Finding Nemo* while enjoying some popcorn to receive a full cinema experience! Ladies from

Headspace also came out to watch the movie with the kids, which was a lot of fun.

During another 40-degree scorcher, we held our next holiday program at the Coolgardie Pool, with a sausage sizzle, platter of fruit and icy-poles for the kids to enjoy. There were pool competitions, including diving for items, relay races, water polo and more! Everyone won some tasty prizes and had a great day cooling off.

Our last program was making mini pizzas that the kids topped with their favourite toppings, as well as making a wooden mobile. They painted and decorated their mobiles, leaving them to dry while they played some games and watched the movie *Madagascar*. It was a fun end to the month and we look forward to next school holidays!

Dance moves on show at summer Blue Light Disco

On Friday, February 1, the Coolgardie Recreation Centre and police from Coolgardie and Kalgoorlie held a summer Blue Light Disco.

The young ones had their portion of the disco from 4:30pm to 6.30pm and had an absolute blast! The police officers played some party games such as limbo, musical chairs, dance-offs and more. We had some very summery costumes that earned the best-dressed some yummy prizes.

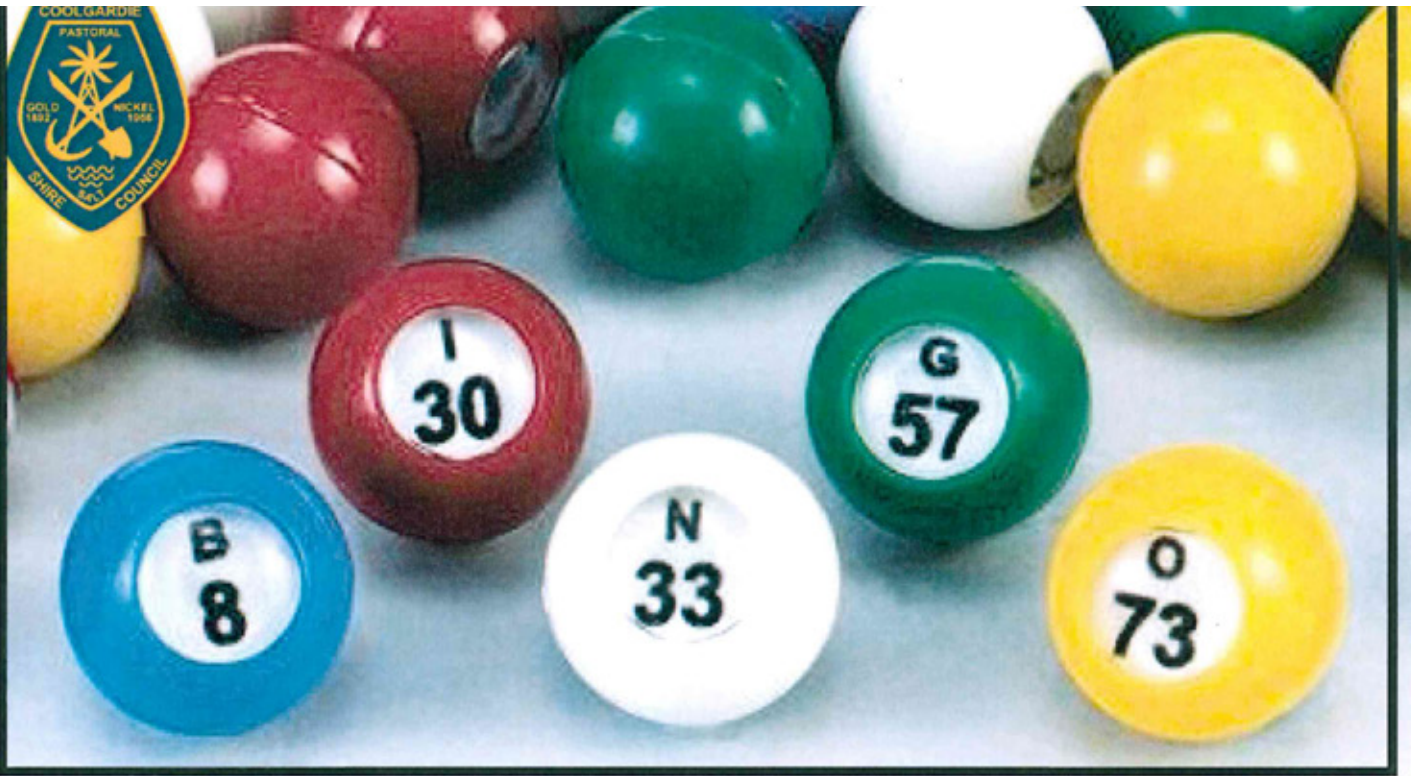

The kids finished the night with some delicious food that was kindly donated by Joy and Rose-Emma. All the young kids were very well behaved and had a great time showing off their dance skills!

Then from 7pm to 8.30pm, we had the teenagers rock the dance floor with their groovy moves and fantastic outfits. The police challenged the teens to party games that also rewarded them with some tasty prizes and of course, bragging rights. After the games and dancing, the teens helped themselves to a delicious dinner of sausages, toasted sandwiches and fruit, provided by the recreation centre and prepared by the staff. Everyone had a great time and was very well behaved.

We would like to thank the Coolgardie and Kalgoorlie police for dedicating their time to put on another awesome Blue Light Disco and we can't wait for the next one! Also, a huge thanks to all those who attended and helped out for the evening, it was definitely a night to remember.

- Aleysha, Coolgardie Recreation Centre Officer

Activities galore for school break

From January 22 to the February 1 this year Kambalda Community Recreation Facility held its school holiday program.

We had a wonderful turnout each day with at least 30 children. Our activities ranged from bath bomb decorating with our local soap maker Tina; Justine from Bunnings came out and helped the kids create dream catchers and spice racks, while the YMCA made a visit with a huge obstacle course jumping castle!

The staff at the Kambalda Community Recreation Facility would like to thank the children who attended, Bunnings, Artisan Savon and YMCA!

Year comes to close with lots of festive fun

We finished 2018 off with our Christmas Pingo event, for which we had a wonderful turnout and many awesome prizes were won.

Our first summer movie was a hit, with a surprise visit from Santa before the screening of *Elf*.

We also had on display amazing Christmas artwork from Kambalda Primary, Kambalda West District High and Kambalda West Playgroup!

Lastly for the year we had our Christmas Lights Competition. There were many houses in Kambalda with beautiful lights.

Huge congratulations to our winners:

First place - Leanne & Stan Ward.

Second place - Bianca & Barry Johnston.

Third place - Shondell & Nathan Perkins.

Sporty session in the stadium

On Tuesday, January 15, we held a 'Fun Day in the Stadium' event.

It attracted a wonderful turn out with kids big and small coming in for games of indoor cricket, hockey and basketball. A huge thanks to the older kids who helped the little ones shoot some hoops!

Australia Day 2019

Coolgardie celebrations

Australia Day in Coolgardie this year was held in Coolgardie Park. The Rotunda was decorated in all of the great colours and fun decorations and more seating was set up under the trees. It was the perfect setting in the morning sun with a breeze to keep the summer temperature down.

The Coolgardie Volunteer Fire and Rescue Service with St John Coolgardie were the master chefs who cooked a delicious breakfast. There was a great line up of food and drinks for the crowd. The breakfast was served at 8am and was followed with the speeches and the presentation of the Australia Day Citizenship Awards by Shire President Malcolm Cullen. Thank you to Woolworths and Kleenheat Gas who donated towards our cooked breakfast.

There were four categories in the awards and congratulations to all of our nominees. Prizes were kindly donated by Civeo to our Award Recipients.

Australia Day Award nominees:

- Leanne Shilton
- Steven Forward
- Alan Bergin
- Gaynor Jefferies

The Australia Day Award was awarded to Alan Bergin. Congratulations Alan.

Australia Day Youth Award

- Braden Shilton

The Australia Day Youth Award was awarded to Braden Shilton. Congratulations Braden.

Australia Day Community Group or Event Award

- Coolgardie Day Committee
- Coolgardie Volunteer Fire and Rescue Services
- Coolgardie Youth Group
- Golden Mile Equestrian Club

The Australia Day Community Group or Event Award was awarded to Coolgardie Youth Group. Congratulations Roy and Lyn Bergin

Australia Day Corporate Citizen Award

- Moran's IGA Coolgardie
- Church West Coolgardie

The Australia Day Corporate Citizen Award was awarded to Moran's IGA Coolgardie. Congratulations to Patsy and Rick Dellar.

After the conclusion of the presentations, Kathy and her team had a great line up of activities for everyone at the Coolgardie Pool with free pool entry and as it was a hot day, it was the perfect place to be. Kathy started the morning with Golden Nugget Challenges, Watch Around Water Program Colouring in Competitions, Family Fun Challenges and Water Obstacle Course Fun in the Pool. There was a good line up of teams for the Family Fun Challenges and congratulations to team Bitza's who won the Family Challenge.

Thank you everyone who attended our 2019 Australia Day event and thank you to our volunteers and the Coolgardie Police who helped - you are all amazing and we appreciate your time and efforts.

Australia Day 2019

Kambalda celebrations

The Kambalda community turned out to commemorate and celebrate Australia Day this year with all the fun, food and community spirit the occasion merits.

At Kambalda the Shire hosted a free big breakfast and ceremony of awards at Lions Park, which was followed by free fun activities at the Kambalda Community Recreation Facility.

The big breakfast was cooked and served by P&C members from both Kambalda Primary School and Kambalda West District High School, so a big thank you to the members for helping on the day. A very big thankyou to Kambalda Woolworths and Kambalda Kleenheat for their generosity of donations. Well done!

The awards were presented by Deputy President Tracey Rathbone. Each nominee received a Certificate of Acknowledgement for their efforts and the award winners also received a prize kindly donated by CIVEO.

The Australia Day Youth award nominees were, Madaline Keast and Riley Andrews, the award went to Madaline Keast.

Nominees for the Australia Day award were Tammee Keast, Jane Broughton, Michael Matulin and Rianna Matulin. The award went to Michael Matulin.

Australia Day Community Group/Event award nominees were St John Ambulance Kambalda, The Magic Smiles Project Inc and Kambalda Seniors Exercise group. The award went to Kambalda Seniors Exercise group.

Leah Boucher from Data Divas was the award winner for the Australia Day Corporate Citizen Award.

Well done to all nominees and a huge congratulations to all award recipients on a wonderful achievement!

MEDIA RELEASE – SHIRE OF COOLGARDIE

KAMBALDA AQUATIC FACILITY MISSES OUT ON GOVERNMENT FUNDING

Monday 18/2/2019

The Shire of Coolgardie has missed out on Federal and State Government Funding for the retention and redevelopment of its much-loved community pool with both governments indicating that there was a significant oversubscription to their funds. It is disappointing that both funding requests have been overlooked to revitalise what is the only outdoor 50 metre pool in the Coolgardie-Kalgoorlie area.

Estimated costs of refurbishment to the Aquatic Facility is \$3.4M which includes renovations to the 50m Pool, new change rooms and expanded first aid room and universal access pool. In order to fund the project, the Shire will require additional funding to just loan borrowings.

Both funding requests were made in September 2018 for the Sport Australia's Move it Australia – Community Sport Infrastructure grant for \$500,000 and the State Government's Community Sporting and Recreation Facilities Funding for \$808,175.

Correspondence received from Sport Australia, Federal Government, indicated that the "\$28.3 million grant program experienced overwhelming interest with over 2,000 applications submitted totalling more than \$390 million in grant requests." Whilst feedback on the application for state funding was deemed of good quality, further comments indicated that the CSRFF program was also considerably oversubscribed and that the project fell over due to funding not being secured through Sport Australia.

The Shire has applied for a loan from the Western Australian Treasury Corporation (WATC) which is currently being assessed with the Shire liaising with officers to provide information in support of the application for funds. The process is rigorous and a decision from WATC will be made on the 30th April.

Kambalda Aquatic Facility was originally constructed in 1970 by Western Mining, as a standard outdoor aquatic centre comprising: outdoor 50M, Children's and Learn to Swim Pools, change rooms, First Aid room, kiosk, large recreation areas, and shade structures. In the early 2000's, the Shire inherited the asset when Western Mining withdrew its operations in the townsite. Due to the age of the facility it now falls short on a number of operational and compliance requirements and needs significant repairs. Any works that commence in the future for the pool must then meet health, building and safety standards at the time they are completed.

Tenders for the Kambalda pool closed Friday 1st February. The assessment process will take 4-5 weeks to ensure requirements stipulated by WATC are met. A community workshop is proposed for Tuesday 19th March 2019 at the Kambalda Recreation Centre commencing at 6.00pm. Council consideration of the tenders received was set for the February Council Meeting on the 26th February. Given WATC

continued page 21

from page 20

requirements and timing Council will consider tenders at the March Council Meeting on 26th March or at a Special Council Meeting in early April. Shire staff will work with the successful tenderer to try opening the Kambalda Pool in November

The process of applying for government funding has been a catalyst for Council to assess the Shire's asset renewal position and ensure that investments in major infrastructure upgrades such as the Kambalda Aquatic Facility are included in the Shire's long-term financial plan. It is acknowledged that planning for investment in infrastructure is vital to managing risk which ensures that the long-term viability of projects do not hamper the Shire's ability to function or progress key projects for the interest of the community.

Council intends to continue discussions with business, mining companies and the community to seek options and funding avenues to support its major infrastructure investments. It is strongly encouraged that community members contact Ministers and local members in support of works to the Kambalda Swimming Pool. The Shire is also progressing discussions with the Federal and State Governments to continue to lobby for funding support.

Scheme water cannot be guaranteed during a bushfire

Water Corporation is prepared for bushfire season. However, we cannot guarantee that water pressure or water supply will be maintained in the event of a bushfire. Extreme demand, fire damage and power cuts can all result in a total loss of water.

If you plan to stay and defend your property during a bushfire, you must have your own independent water supply and pumping capability, and must not rely on scheme water.

Full details about how to prepare for bushfire season can be found at firechat.wa.gov.au

Coolgardie Volunteer Fire & Rescue

From the desk of the Coolgardie Volunteer
Fire and Rescue Lieutenant Steven Forward

Numerous bushfires keep volunteers busy

What a crazy end to 2018 and to the start of 2019, with the number of bushfires we have had so far this season!

There doesn't seem to be any relief in sight as we currently have two bushfires burning within our shire boundaries. Lightning strikes are the cause of these bushfires.

Coolgardie VFRS were first on scene when the first bushfire started out at Victoria Rocks on Boxing Day 2018, and we still have officers deployed today at the Norseman bushfire.

The Coolgardie VFRS crew would like to thank all DFES Staff, DFES volunteers, DPAW staff, Kalgoorlie SES, Shire of Coolgardie and contractors for the amazing hard work and long hours put in so far in combating these bushfires.

It has been a bad bushfire season not only for us locally but even in Tasmania, Victoria and Sydney.

It is quite important to maintain our yards and properties throughout the whole fire season which runs from November 1 to March 31 each year.

Fire Has a Plan. DO YOU? In WA, bushfires can happen anywhere, at any time. You can't outrun or outlast it, so take five minutes to outsmart it. Please take five minutes to put together your fire plan which can be found on the DFES website.

“Coolgardie VFRS were first on the scene when the first bushfire started at Victoria Rocks.”

Support in your community

Do you know someone in your community that needs help doing everyday tasks?

What is the NDIS?

The National Disability Insurance Scheme or NDIS, is a government program to help people with disabilities have a good life, like everyone else.

People with a disability want to be part of their community and do the same things as everyone else.

How can the NDIS help people?

- If you have a disability,
- you care for someone with a disability, or
- have a family with a disability.

The NDIS can help make a plan so you can live the best life and get things like:

- support to live at home
- help to get out in your community
- equipment to help you do things.

Talk to your NDIS representative about how the NDIS can help you. Phone us today on 1800 800 110.

Split Systems Servicing

Un-serviced units run at a lower efficiency and can cause:

- Higher power bills
- Limited heating & cooling capacity
- Noisy operation
- Mould and bacteria growth that can cause illness and foul smells.

Reverse cycle is the best way to stay the perfect temperature all year round.

Your aircon will work better, smell better, and cost less to run

Evaporative Air Conditioning

We are in for another long, hot summer, make sure your airconditioner can get you through it. Have us perform a service on your system if its not working as it should. We offer a complete range of Air-conditioning services, to ensure your system is running at its best.

There are many types of portable pools, ranging from small plastic or inflatable paddling pools, specifically designed for young children, to larger more solid inflatable pools or flexible sided pools with frames that can accommodate adults.

Young children can drown in portable pools in a matter of seconds if left unsupervised.

Any pool that is designed for swimming, wading and paddling that contains water more than 30cm deep, must be enclosed by an effective safety barrier that complies with the laws. Please refer to the summarised checklist overleaf.

Help save young lives in and around water

- ✓ Never prop a pool gate open.
- ✓ Ensure you always actively supervise children within arm's reach whenever they are in, or around the water regardless of how much water is in the pool.
- ✓ Never rely on older children to supervise younger children, no matter how confident you are about their ability.
- ✓ For smaller pools ensure they are emptied and stored safely away from young children after use.
- ✓ Ensure the pool cannot fill with rainwater or water from sprinklers.
- ✓ Ensure the barrier is clear of climbable objects.

Rules for PORTABLE POOLS

Did you know?

By law, swimming and spa pools containing water more than 30cm deep must have effective safety barriers that restrict access by young children.

This includes portable pools.

Does your safety barrier tick all the boxes?

If not, you risk the lives of young children and may face substantial fines or prosecution.

This summarised checklist is not exhaustive and should be read in conjunction with the **Rules for Pools and Spas** brochure.

Check the pool gate

- Does the pool gate close by itself from any open position?
- Does the gate have a self-latching device?
- Does the gate open away from the pool?
- Is the latch release mechanism at least 1.5 metres above the ground?

Check the pool fence

- Is the fence fixed securely in place?
- Is the outside of the fence at least 1.2 metres high?
- Are all vertical uprights in the fence spaced less than 10cm apart?
- Is there at least 90cm between handholds and footholds?
- Is the bottom of the fence 10cm or less from the ground?
- Is the surface directly beneath the fence stable and not easily eroded?
- If a boundary fence forms part of the pool safety barrier, is it at least 1.8 metres high?

Check climbable objects

Barbecues, flower-pots, trees, retaining walls, plumbing, cubby houses, toys, outdoor furniture, pool pumps etc. may all help a young child to climb into the pool area.

- Is the pool area clear of any items that would assist a child to climb over the fence or reach the latch on the gate that provides access to the pool area?

Check windows

Is the openable portion of a window that forms part of a safety barrier:

- permanently restricted to open no more than 10cm by a device that requires the use of a tool to remove it?
- or
- covered by bars or a metal screen, fixed in place by a device that requires the use of a tool to remove it?

Please note that key locks are not considered to be a permanent restriction.

Doors

- Doors with direct access to the pool area require local government approval.
- Pet doors are not permitted.

A safety message from captain Darren McCarthy and the KVFRS crew

It seems not everyone is aware of new laws that came into effect in 2018; it is a requirement to slow down to 40km/h when approaching and passing emergency vehicles at the scene of an incident. We want to be able to go home to our families too so please read and pass this message on so we can all be safe on the roads.

The State Government announced in late 2018 that SLOMO laws will be introduced in the new year, with the aim of providing a safe working environment for roadside emergency responders.

SLOMO stands for Slow Down, Move Over, and requires drivers to slow down around stationary emergency vehicles, tow trucks, incident response service vehicles and motor break-down service vehicles which are displaying flashing lights while attending an incident.

The penalty for this offence is three demerit points and \$300.

Visit the emergency vehicles page at <https://www.rsc.wa.gov.au/News-Media/Media-Releases/New-laws-to-protect-roadside-emergency-workers> to read the frequently asked questions about SLOMO.

The biggest choice

I am not sure that we have had a time in history where so many choices were available to us. We can choose to live in the city or the country. To some degree we can choose what career path to take. We can choose who to marry or whether to even marry at all! We can play soccer or Aussie Rules. We can choose religion or reject it. On a daily basis unless we have an overly health conscious spouse or parent we can choose what we want to eat.

Choice is great most of the time while at other times it causes unnecessary stress. Agonising over which of the meals to order in a restaurant can sometimes lessen the enjoyment. Choosing the next holiday destination is great but the choice of visiting relatives or just sneaking off somewhere privately can tear a bit at the heart strings. Choice in itself is something we equate with freedom even though it can actually lead to enslavement. All of us know that our choices don't in themselves lead to freedom and in fact at times the opposite occurs. Some would have been thrilled at being able to borrow large sums of money only to wish later that that option had not been available to them.

I believe the most important choice in life we have is what we do with God's Son, Jesus Christ. We can choose to ignore, mock or worship Him. If He is who the Bible says He is it is one decision that should not be continually put off. We can choose to face God and get what we deserve on the judgement day or we can choose to receive His great mercy and grace. The choice is very much ours. The apostle John records the words of Jesus. He said "This is the crisis we're in: God-light streamed into the world, but men and women everywhere ran for the darkness. They went for the darkness because they were not really interested in pleasing God." (John 3:19)

Shire of Coolgardie

Coolgardie Community Resource Centre

The Coolgardie CRC and Recreation Centre in conjunction with our generous sponsors ChurchWest, Coolgardie Day Committee, Zion Real Estate and Lomag, held an end of year Sundowner on Friday, December 14, 2018 for our community children, youth and families at the Coolgardie Skate Park.

It was a fantastic way to end the year and thank our young community for the difference that they make to Coolgardie. Everyone needed a fun night out especially with the two damaging storms that happened the two prior weeks before the event.

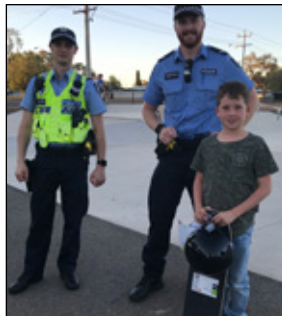

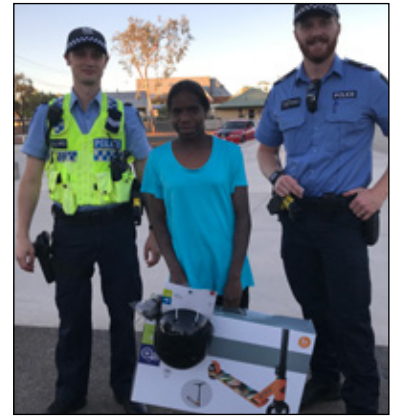

“Freestyle Now” came up from Perth and delivered a scooter clinic and demo with music and prizes and everyone got their scooters serviced which was bonus.

Ange the Fairy was amazing with her team, the face and arm designs were beautiful and so realistic. The free ice creams from the Soft Serve Ice Cream Truck were perfect for the warm evening to cool the crowd down. Thank you to Steve Forward from the Coolgardie Volunteer Fire and Rescue Service for cooking the sausages and to the rest of the Brigade members, St John Coolgardie and Roy Bergin for serving the food and drinks. Santa even popped in for a quick visit.

The skate bowl was the perfect design for the lolly scramble with Dave and Steve from the Coolgardie VFRS, and the Coolgardie Police throwing the lollies out to the crowd. It was also nice to see the lollies shared amongst the children afterwards for those who didn't catch any in the scramble.

Congratulations to Tamara and Max who won the scooters kindly donated by Evolution Mining and Riley who won the skateboard and helmet.

The night ended with everyone leaving with bags of lollies. Thank you to everyone who attended and once again thank you to our sponsors who made this event possible.

If you would like further information call in to see Leanne at the CRC, phone 9080 2111 or email coolcrc@coolgardie.wa.gov.au
