FUNDING SUCCESS **Kambalda pool to reopen!**

The Kambalda pool will hopefully be open in time for summer 2019 following the Western Australian Treasury Corporation signing off on a \$1.9 million loan to fund the refurbishment of the facility.

The loan approval is great news for the Kambalda community, which is keenly anticipating the re-opening of the pool.

Works to upgrade the pool are expected to start shortly. The remainder of the funds required for the project will come from a \$287,000 federal infrastructure grant and Shire infrastructure reserve funds.

Shire of Coolgardie

Message from the Shire President
May 2019

Councillors and staff hosted the community workshop at the Kambalda Recreation Centre on March 11, in an endeavour to fully explain the current status of the Kambalda pool upgrade to the residents of Kambalda. CEO James Trail presented a comprehensive Power Point document to outline the progress so far, with engineers reports and detailed costings of both stages of the pool upgrades.

It was explained to the attendees where the funding streams would be sourced, and that Council were reliant on approval from WA State Treasury of a \$1.9 million loan for the project to proceed. The remainder of the funds would be drawn from Council's infrastructure reserve fund.

CEO James Trail, Mia Hicks and I travelled to Canberra on March 31 to April 4, which co-incided with the federal budget announcement. The purpose of the visit was to lobby ministers and members of Parliament from all parties going into the upcoming federal election on a number of topics, which included:

- Support for the extension of the CDC trial in the Goldfields, which actually passed through the House with support from the Labor Party.
- Investigate funding opportunities for regional road networks through the Federal Government's "Roads of Strategic Importance" program.
- Support for local government funding of infrastructure projects.
- Support for regional zone tax allowances and FBT review.
- Support for investment in mining and resource related projects, such as the proposed lithium projects plus waste product disposal.
- Personally met with Member for O'Connor Rick Wilson and Minister for Sport Bridget McKenzie, to lobby for funding for Kambalda Pool project.

Overall, I believe this visit proved very beneficial for our Shire, with the passage of the CDC trial being extended until June 30, 2020, and a subsequent visit to Kambalda by Rick Wilson, where he met with Cr Lindup and members of staff to announce the Shire was successful in being granted \$287,000 from the second round of the federal infrastructure grants, for the Kambalda pool. It was also a learning experience for myself and Mia, with regards to finding the best option on how to approach members of Parliament on their requirements for future funding requests.

Shire technical services staff are currently working out and planning for next financial year's road construction and maintenance program, and by all accounts we are set for another busy year, with the demands of the mining sector through much increased activity on the Shire road network.

So far the current year has seen the majority of the program on our local roads completed, with contractors currently engaged on the Coolgardie North Road widening project, and the Binneringie-Esperance Highway intersection project next on the list.

The Coolgardie Visitor Centre staff were busy co-ordinating and organising the bottle dig event at the Coolgardie tip site with the Bottle and Collectables Club WA over the Easter weekend. This turned out to be a very successful weekend, with more than 40 people involved in the actual dig, and at least one very valuable bottle found along with quite a few others of great interest shared by the members.

The event culminated with a sundowner community evening at Warden Finnerty's residence, where the descendants

Continued P3

From P2

of the Baker family, who were raised and resided in the residence for many years, presented the Shire with two magnificent momentous of the Varischetti Mine Rescue at Bonnie Vale in 1907. The gold lantern and silver ice bucket will be included with the Varischetti display at the Coolgardie Exhibition and Museum for viewing by our many visitors to the region.

The auction of surplus bottles the Shire has had archived for some years also took place on the night, with much interest from prospective purchasers, and I believe there was a complete sell out of all boxed items put up for sale. The funds raised from this auction will go toward upgrades of the collections at the museum, once the repairs to the public building are completed.

Meetings and Workshops attended this period:

- Community Workshop Kambalda Pool.
- March 27: State Council, Perth.
- April 1- 4: Canberra visit.
- April 5: Meeting with auditors, Perth.
- Workshop with Councillors and John Ravlic in Kambalda.
- April 9: Briefing forum Coolgardie.
- CEO Review with Councillors, John Ravlic and Bec Horan.
- April 11: Meetings Perth with CEO, Tellus Holdings and Minister for Regional Development and directors.
- April 15: On site meeting with technical services staff and Mincor representatives regarding Cave Hill Road.

Malcolm Cullen
Shire President

Shire of Coolgardie

From the desk of the CEO
May 2019

Hi everyone,

I hope you all had an enjoyable Easter and school holiday break and are all refreshed and ready for an exciting May in our communities. It was great to see our recreation teams deliver a range of fun activities for the school holidays, with great participation from the youth in both towns.

The Kambalda Football Club 2019 season has kicked into action with both the league and reserve teams having two wins - well done! And it is fantastic to see the community support behind them. I wish the teams the best for the remainder of the season and look forward to more wins.

This cooler weather over the past four weeks has seen an increase in travellers visiting our towns. The caravaners are enjoying the tourism and hospitality in Coolgardie and Kambalda and we enjoy the positive feedback that we are receiving, and not only for the Shire and their premises and parks but also for the businesses who are making a difference to our visitors.

For Anzac Day 2019, I attended both services in Kambalda. The turnout at the dawn service in Kambalda was amazing with in excess of 300 people attending. Thank you to all community members who attended and a special

Continued P4

From P3

thanks to the support from Gold Fields staff and management. Well done to Willie Corcoran and the team from the Coolgardie RSL and Alan Lindup and the team from the Kambalda RSL for organising and delivering the services and breakfasts to our communities.

This year has flown by very quickly and being May we are already back into our budget processes again, which also includes Council discussion on setting rates for the 2019/2020 financial year. The Council will consider at the May Ordinary Meeting of Council the differential rates it proposes to levy. This will be advertised to the community.

Well I am certainly pleased with the excellent news about the loan success for the Kambalda swimming pool project. We have people starting on site this week and they, like us, are very excited to proceed. Thank you to the Kambalda community for your support and feedback during this whole process, it has all helped get us to this successful outcome. I would also like to thank Kathy Brooking our pool manager and her team who ran the Coolgardie pool this summer. This was a great season for Kathy to not only spend time with the Coolgardie community and the travellers from Kalgoorlie but to also be able to assess the Coolgardie pool.

Take care,

James Trail
Chief Executive Officer

Upcoming Shire of Coolgardie Ordinary Meetings

Meetings of Council are held on the last Tuesday of the month at 6pm. Meetings alternate between Coolgardie Council Chambers and the Kambalda Community Recreation Facility function room.

Day	Date	Time	Location
Tuesday	May 28, 2019	6pm	Kambalda
Tuesday	June 25, 2019	6pm	Coolgardie
Tuesday	July 23, 2019	6pm	Kambalda
Tuesday	August 27, 2019	6pm	Coolgardie
Tuesday	September 24, 2019	6pm	Kambalda
Tuesday	October 22, 2019	6pm	Coolgardie
Tuesday	November 26, 2019	6pm	Kambalda
Tuesday	December 17, 2019	6pm	Coolgardie

Young jungle critters hit the disco floor

On the evening of the last school day of term one (Friday, April 12) another successful Blue Light Disco was held for Coolgardie youth in the Coolgardie Community Recreation Centre.

This disco's theme was jungle animals and the kids wore impressive costumes - including leopards, butterflies, zebras and fairies - that won them some yummy prizes!

The first part of the disco ran from 4.30pm-6.30pm and was for the 4 to 10-year-olds, with approximately 40 kids attending. What a fantastic turnout!

The second part of the disco, for the 11 to 16-year-olds, was held from 7pm-8.30pm, and we had 15 youth attend.

Coolgardie police officers Chris C, Chris N, Rob, Ben and Chris B were present on the night and had some action-packed

games and fun activities for the kids. There was limbo, musical chairs, tunnel ball, musical statues, musical bobs and some pretty fancy dance moves!

Ladies from Headspace Kalgoorlie and three Kalgoorlie community relations officers also attended the disco to interact with the kids and parents, which was fantastic.

Coolgardie Primary School and Joy kindly donated some delicious snacks for the kids - we really appreciate it!

After all the dancing and games, a delicious dinner was put on by the recreation staff with toasted sandwiches, wraps, pizza, donuts, cupcakes and cookies. Everyone enjoyed the evening and had lots of fun with the police and other kids. We would like to say a massive thanks to the Coolgardie Police, Kalgoorlie Police, Headspace and the Coolgardie Recreation staff for putting on an excellent evening.

Community shares Easter safety message

On Thursday, April 11, Kambalda held a Blessing of the Roads service. It was a wonderful event, with Cr Kathie Lindup opening our service.

Our local police, fire and emergency services and St John Ambulance also attended and offered a few words regarding safe travel during the Easter period.

The wonderful kids at Kambalda Primary School came along with their amazing road safety artwork, which is now displayed at the recreation centre. School councillor James Wilson presented a few words on safety to his fellow classmates.

To finish of our service Pastor Bill Kirkland offered his blessing for us all to travel safely this Easter. Thank you to all who attended the 2019 Blessing of the Roads!

Bright entries for Easter colouring competition

This year's Easter colouring competition was a tremendous success with well over 50 entries sent in to brighten up the walls at the Coolgardie Visitors Centre. It also gathered a lot of admiration from the tourists who stopped in and said how wonderful the entries looked, as well as being impressed with our level of engagement with the community.

As a bit of a 'Welcome to Coolgardie' gesture, we invited the new owners of IGA to pick the winners for us. So, representing the family, Coriana and her gorgeous little girl Eva were entrusted to carry out the difficult task.

We would like to thank everyone who took the time to enter the competition, you all did an amazing job!

A special congratulations to our winners, and we hope you enjoyed your yummy Easter chocolate prizes.

The winners were:

0-5 years: 1st place - Janiqua Johnston;
2nd place - Aleithia Sambo.

6-10 years: 1st place - Mekiyah;
2nd place - Keenan Fox.

11-14 years: 1st place - Kevin Knapp;
2nd place - Anamay Jenner.

Stories shed light on Old Gaol's past

On Thursday, March 28, the Coolgardie Visitors Centre held a morning tea at the Old Gaol in Coolgardie, with Vic Dale as the guest speaker.

Shire Councillors Eugen Winter, Tracey Rathbone and Sherryl Botting joined us, along with visitors who came out from Kalgoorlie, and a few travellers attending too. A great morning was enjoyed by all, as we learned about the history of the old Gaol.

Vic kept us entertained as he told us stories of law and order in days gone by, of the hardships faced by pioneers and the high level of respect that was given to the first mining warden of the Goldfields, John Michael Finnerty.

He told us of the murders of both the Afghan cameleer Tagh Mahomet and of May Wain. We heard of the struggles over limited water supplies and stories of "fair play" social justice.

We finished with a lovely morning tea of scones, cupcakes, bacon and egg slice, zucchini slice, platters of sandwiches and a fruit platter that accompanied lots of friendly conversation.

Many thanks to Mel Nowlan, Aleysha Elmer, Leanne Shilton and Jacinda Evans for preparing all of the yummy food. And a very special thank you to Vic Dale for his time and his fantastic storytelling skills.

Crews restoring beauty of Warden's Court building

The Warden's Court building has been undergoing some restoration work recently. Apart from a couple of setbacks (thank you mother nature for THAT hailstorm), the works have come along nicely.

Sam Sleeman and Mark Kennedy from K & S Restorations are responsible for the masonry work around the outside of the building. They have done a wonderful job and are clearly passionate about their work, as during their time here I noticed they were quite the perfectionists.

A big thank you DJ McGinty & Co for working on the new drains at the front and back of the building. They are also fixing our ceilings upstairs. The work they have done so far is fantastic.

All the crews involved have done an amazing job with the building! It's been a long process, but well worth it as you can now tell.

Almost every visitor that comes through marvels at the beauty of the Warden's Court and always comments on how beautiful it looks – both inside and out, and I for one never get tired of hearing it.

With these restorations, the building will last another 120 years for future generations to enjoy.

- Visitors Centre Services Officer Jacinda Evans

Our April Holiday program was a huge hit!

The children had a fun time with Fiona and her yoga class, Justine from Bunnings with her Easter crafts and our Easter Egg hunt!

All our activities were fully booked out, with 30 excited children ready to roll! Be sure to get in quick next holidays to book your spot.

Once again a huge thank you to Justine at Bunnings Kalgoorlie and Fiona Buckley Yoga classes.

Warden Finnerty's sundowner and bottle auction

On Sunday, April 28, the Coolgardie Visitors Centre, the Coolgardie Community Recreation and Resource Centre and the Bottle and Collectables of WA club (BACWA) hosted a community sundowner event at the Warden Finnerty's Residence in Coolgardie.

With well over 100 people in attendance, enjoying the free sausage sizzle and Kay-Chlo-La's ice-creams, it was a great night. Angie the Fairy and Other Mischief ensured the kids and kids at heart had amazingly colourful face painting and body art too. There was also lots of fun and laughter with our period costume photobooth.

A big part of the night was the successful auctioning of the excess, duplicate bottles from the Waghorn Bottle collection, which was well received by collectors from near and far. There was also a charity auction to raise money to help a local Goldfields family as their young son, Bailey, receives treatment in Perth.

Members of the Baker family shared with us stories of the times growing up from the 1920s to the 1950s in Coolgardie and at the Warden Finnerty's Residence.

There was also the generous donation of a beautiful lantern and ice bucket associated with the Varischetti mine rescue at Bonnievale in 1907. Thanks go to Richard Boyd and the Baker family; these items are a lovely addition to our Varischetti display room at the museum.

Thanks to Shire President, Mal Cullen, for welcoming everyone on the night, Vic Dale for reading his poem "The House of Finnerty", Alan Bergin for our fabulously fun photobooth, Robyn & Pete, caretakers of the residence, for opening the building and helping out on the night, Richard Boyd from BACWA for donating his time to being our auctioneer, the Shire staff who helped prepare, set up and cook on the night and of course a big thanks to BACWA and all of the community members who attended and enjoyed the night.

“There was also the very generous donation of a beautiful lantern and ice bucket associated with the Varischetti mine rescue.”

Feathers everywhere, but can you find the golden one?

During the months of March and April the Coolgardie and Kambalda public libraries have been taking part in the Scribblers Festival Golden Feather Hunt, and what amazing responses from happy young readers we have had already.

The Golden Feather Hunt is still on (until May 12, 2019). Both libraries have been given 50 feathers each to hide in children and young adult books in the lead-up to the Scribblers Festival 2019. It has attracted a number of new young patrons to join the local libraries as well as welcomed back readers who have not been making use of their library membership in a while – just to find the special golden and silver feathers that may be hidden between the pages.

A few children joined in after one of our storytime sessions and helped create collages of beautifully decorated golden feathers to display in our Kambalda library.

So far only plain feathers have been found but that hasn't broken the spirit and magic in our library. While a plain feather does not win a major prize, finders can share it on social media to be in the running for spot prizes, announced by the Scribblers Festival every Friday.

Winners of spot prizes are announced on the Scribblers Festival's facebook page - so if you have found a plain feather please don't forget to decorate it and share it on social media for a chance to win a spot prize.

It has been confirmed that all 5 golden feathers have been found across all participating WA libraries but who knows, there may be silver feathers still hidden in your favourite book in your local library. Congratulations to all our 15 lucky feather hunters in Kambalda who have been just as excited about their feathers as we were.

We have handed out small prizes to all those who have been lucky enough to come across a feather in their books and we hope all the remaining 35 feathers will be found before the hunt officially finishes on May 12, 2019.

Roads blessed as students share safety art

The Blessing of the Roads was held on Wednesday, April 10, at Coolgardie Park under the shade of the beautiful trees.

Councillor Betty Logan welcomed everyone to the service and highlighted the importance of road safety over the Easter break, and thanked our rescue services for their time and dedication to our communities.

Coolgardie Primary School students Anamay Jenner, Savanah Donaldson, William Cullen, Lakye Ashwin and Indi McNally delivered some powerful road safety messages.

All of the students had made some amazing poster banners that they held up to show us. These banners will be displayed in the Coolgardie township.

Coolgardie's Police Acting Sergeant Christian gave an informative speech on road awareness, road safety and drinking and driving, and Pastor Eddie Robertson from Kalgoorlie Oasis Church of God continued the road safety message, with some interesting historical Goldfields information, and then performed the Blessing of the Roads.

The Shire of Coolgardie would like to thank all of our speakers and attendees for the 2019 Blessing of the Roads.

What's been happening at the Coolgardie Recreation Centre and Community Resource Centre

Bright Minds Occupational Therapist Hayley and Speech Pathologist Brittany have been busy visiting Coolgardie for the past couple of months to offer the community FREE occupational and speech therapy services.

We have had some parents take up this great opportunity and have provided us with excellent feedback. The ladies are fully qualified and here to help the community if there are any concerns or questions about your child's development. So far we have had playgroups, drop in clinics, developmental sessions and more!

Keep a look out for more to come, as these ladies are coming out regularly on Wednesdays to the Coolgardie Recreation Centre and Coolgardie Primary School. Why not come in next time for a chat and cuppa? The ladies would love to meet you and your little one(s)!

Coolgardie youth have enjoyed the weekly visits from Headspace Kalgoorlie who come out and deliver activities for the kids every Tuesday at the Coolgardie Recreation Centre. We have had lots of fun cooking, painting, playing computer games and doing arts and crafts with everyone. The kids even made their own animal masks for the jungle-themed Blue Light Disco!

We have been having an excellent turnout and can't wait for more programs to come. A big thanks to Hope and Headspace Kalgoorlie for taking the time to come out and spend time with the youth in Coolgardie – they have all loved it and can't wait for more!

Coolgardie Pingo was a hit on Monday, March 25, and we saw a good turnout of mixed ages and even some new faces to the crowd! After a quiet start to the evening, the prizes started rolling in with many lucky winners on the night. Also, a big congratulations to our door prize and raffle winners! Thank you to the staff and crowd for making it a wonderful night. We hope to see you all again for the next Pingo.

Our fortnightly Mindfulness Meditation program has continued, with our numbers increasing with each session! Anna presents a lovely and quiet evening of relaxation for anyone to enjoy, filled with soft background music, guidance through meditation and an understanding of mindfulness. We would love to encourage as many people to attend for our last two Mindfulness Meditation sessions on May 8 and May 22, 2019. We have all been thoroughly enjoying what Anna has to offer and encourage you to join. A reminder that the sessions are free of charge and are held on Wednesdays, fortnightly. For further information about what is happening at the Coolgardie Recreation and Resource Centre, please telephone 9080 2111.

Coolgardie's introduction to the world of CrossFit

On Thursday, March 28, Kaye from Kal Active CrossFit Kalgoorlie came to Coolgardie to deliver a free 'have-a-go' CrossFit session to show those interested what CrossFit is all about!

With a great turnout of eight ladies, Kaye demonstrated a WOD (Work Out of the Day) and explained the basics of CrossFit and how to do each exercise to minimise the risk of injury. Everyone thoroughly enjoyed themselves and was exhausted by the end of it!

Kaye is planning to come out to Coolgardie to deliver a four-week CrossFit program, consisting of three sessions per week (Tuesday, Thursday, Friday) from 5.30pm to 6.30pm. This program will start in June and needs 12 people for it to go ahead.

The program cost is \$180 for the four weeks. To put your name down or if you would like to know more, please contact the Coolgardie Recreation Centre on 9080 2111 for further details.

CrossFit KALGOORLIE

**NEW START DATE
JUNE 4TH**

Kaye from Kal Active Crossfit is going to be running Crossfit in Coolgardie!

4-week block program of 12 sessions, beginner-friendly for all levels of fitness.

3 sessions per week Tuesday, Thursday & Friday.

**NEW START DATE
JUNE 4th.**

**Time: 5:30pm - 6:30pm
Location: Coolgardie Rec Centre**

**Cost: \$180 for the program
Contact the Coolgardie Rec Centre on (08) 9080 2111 to book your spot!**

WE NEED 3 MORE PEOPLE FOR THIS TO GO AHEAD!

What's new for health and fitness in Kambalda

YOGA

Have you always wanted to try yoga, but don't have the time or money to drive into Kalgoorlie for classes?

Fiona Buckley has been holding beginners yoga classes from 6.30pm-7.30pm every Sunday at the Kambalda Community Recreation Centre. If there is enough interest, she will keep the classes going indefinitely!

Classes are open to everyone, at a cost of \$15 per class (cash only). Bring a mat if you have one; spare mats are available.

Find 'Fiona Buckley Yoga' on Facebook to keep up to date with all Yoga, Meditation and Women's Circle events in Kambalda!

METAFIT

We started running our Metafit classes on a Thursdays at 6.30pm in September last year. It was extremely popular, with more than 35 people attending, and has continued to have a fantastic turnout.

Metafit is a HIIT (High Intensity Interval Training) 30-minute class that uses a series of body-weight exercise. It is designed to keep your body burning calories long after the training session is complete. Metafit is suitable for all fitness levels from beginners through to advanced.

Every two weeks we tackle a new workout, so they are never the

same. Our classes are aimed at youth and up and include all fitness levels! Cost is \$10.00 per adult and \$5 for those 16yrs and younger.

CIRCUIT

Come join us every Monday, Wednesday (boxing) and Friday mornings for our 9.30am fitness classes. Every class is different and tailored to all fitness levels, from beginner through to advanced.

Join us and have a workout with a friendly bunch of people and enjoy a delicious coffee afterwards. The classes go for 45 minutes and include a mixture of cardio, weights and body resistance exercises, with low impact options provided. Our Wednesday class is specifically a boxing class, learning combinations and technique, and is designed to get the heart rate pumping.

JUNIOR GYM

Every Tuesday from 4.30pm to 5.30pm our younger generation has been attending Junior Gym to work up a sweat in the gym. The session is designed to teach the kids about health and fitness and technique, and WOW have they been smashing it out. Each week we have roughly 10-12 kids that all have individual goals that we help them to reach, from working on their cardio, building muscle and strength training.

Junior Gym is for children aged 12-17, runs each Tuesday and costs \$5 per session. To register your child pop on down to the Kambalda Recreation Centre or phone 9080 2111.

Shire welcomes it's newest official citizen

Congratulations to Kambalda's newest Australian citizen, Kranthi Yerra, who made his pledge at the citizenship ceremony held in Kambalda on March 26, 2019.

Making the Australian citizenship pledge is the final step in becoming an Australian citizen, and the Shire of Coolgardie is proud to welcome Kranthi.

Kranthi began his journey to Australia in 2006 where he met his lovely wife Karly and started a family. In 2014 they moved to Kambalda to pursue his mining career. Kranthi currently works for Rio Tinto as a geo-tech engineer and Karly works for the Shire of Coolgardie. Their three children attend the local school.

His favourite hobbies are riding his Harley, camping, watching cricket and flying his drone!

'Egg-citing' Easter for young and old

On the Easter long weekend the Kambalda Community Recreation Facility attracted 200 participants for some Easter fun and games, which were set up in the stadium on the Saturday.

This year the Shire of Coolgardie tried something different for the traditional Easter egg hunt and set up a variety of 'egg-citing' games and activities for everyone to complete at their own pace. The aim was to collect a minimum of five stamps on a stamp chart to track how many activities or games a child participated in.

Games included pinning the tail on the bunny, an Easter bunny bean bag toss, sack races, egg and spoon races, a station to feed the Easter bunny with carrots for fine motor skills for our little visitors, blowing plastic Easter eggs with a straw through a maze set up on a long table, bowling on the stadium stage, colouring and - by far the hardest - the egg nose roll.

For the very clever ones we set up a tricky guessing activity with contents of Easter eggs to be put in order. Another task we asked all attending children to complete, was to discover the number of Easter eggs and carrots hidden on the stadium walls. The competition was on and some children came back numerous times to check whether they got the correct count. One person discovered them all while others may still be wondering if they got it right.

The line at Sandra's Sunshine & Sparkles face painting was never ending, but she kept all the children happy with chocolate Easter eggs for being so patient.

Thanks to Councillor Tracy Rathbone, our fabulous rec centre staff and all the parents who helped out on the day. A fabulous time was had by all. A total of 97 chocolate Easter egg bags were collected and the raffle for an Easter hamper drawn from all children that registered for the event. Congratulations to Zak Crawley for winning the prize.

We hope you all had a fabulous Easter break and we are already excited to make next year's Easter egg hunt even bigger and better.

MOTHERS DAY CRAFT

Would you like to make your Mum a gift for Mothers day?

**Come down and make a beautiful card
and decorate some Mothers day cookies.
For all school aged children.**

When: Friday the 10th of May.

Time: 3:30pm - 4:30pm.

Price: \$2 per person.

**FOR MORE INFORMATION PLEASE CALL THE COOLGARDIE
RECREATION CENTRE 9080 2111**

The old lady who swallowed an egg...

Our storytime sessions were all about rabbits, eggs and carrots in the lead up to Easter.

During the month of April the children enjoyed reading "Fat Rabbit" and "There Was An Old Lady Who Swallowed An Egg" after joining in with a selection of songs and rhymes.

We made some very special carrot treat bags, putting our cutting skills to the test. Another craft activity was making Easter wreaths. This required everyone's creative side to come out, by choosing to paint with either pom poms or cotton buds and creating one-of-a-kind Easter eggs to be glued onto paper plates.

Storytime is a fun 30-45 minute session suitable for toddlers and children up to 5 years of age and includes stories, rhymes and songs, usually structured around a theme.

Storytime is held in the Kambalda Public Library and starts again on Thursday, May 9, 2019 - just in time to create a special Mother's Day gift for all the lovely mothers and grandmothers in our community. No need to register – just turn up. Let the magic of storytelling begin with us...

■ **WHERE:** Kambalda Public Library. **WHEN:** Every Thursday Morning at 9.30 am commencing 9 May 2019 (school term only). **COST:** \$2.00 per child.

"Storytime starts again in May ... just in time to create a special Mother's Day gift."

When: Thursdays (during school term)
Time: 9:30 am
Cost: \$ 2.00 per child

Hear great stories and join in on songs and rhymes, before you make a masterpiece of craft to take home. You don't need to register, just turn up!

Shire of Coolgardie

Coolgardie Community Recreation and Resource Centres

There was lots of fun and creativity during the school holiday program at the Coolgardie Community Recreation Centre this April.

The children enjoyed a range of activities, including pizza making, movies, an excursion to the YMCA, and Easter egg hunt, board games, biscuit baking and of course lots of craft.

Thank you to the staff at the recreation centre for organising such amazing activities! Keep your eye out for all the fun things planned for the next school holidays.

How can we help you in 2019?

The Department of Communities (Housing Division) will be visiting Coolgardie to answer your questions and supply information about our business in these following areas:

- Public Housing
- Bond Assistance
- Tenancies
- Application Updates
- Identification
- Debt Discount
- Other Housing Options
- Applications for Rental Housing, Transfers, and Priority.

Where to find us?

Crazy hair and cool moves at neon disco

On April 11, 2019, Kambalda police ran an 'End of Summer' Blue Light Disco at the Kambalda Community Recreation Centre for all children aged 4-12.

The theme of the evening was 'neon and crazy hair' as requested by the children at the last event. A range of prizes were on hand for dance competitions and judging by the energy and enthusiasm shown by the children the evening was a great success.

The Blue Light (WA) initiative is a charity organisation which offers activities for young people in an environment free from anti-social behaviour, drugs and alcohol. Officers from the Western Australia Police organise and supervise these events with assistance from other volunteers in the community, such as the local Fire Service and St Johns Ambulance, amongst many others.

Please check our Facebook page and local information boards for future events.

Emergency contacts for the Shire of Coolgardie

In the event of an emergency situation where police, ambulance or fire and rescue services are needed, please contact **000** immediately.

For all other emergencies use the following contacts:

2019
**#showcAse IN
PIXELS**

The annual exhibition of artwork from Local Governments will be displayed in a new format and venue this year – at the iconic digital tower at the heart of Yagan Square!

Instead of physical banners hung on poles along St Georges and Adelaide Terrace, this year WALGA has the opportunity to display digital artwork designs on the 45-metre-high tower at Yagan Square, Perth.

This year's theme is:

There is no limit on the choice of canvas or media, feel free to be creative!

Make sure to add 'Shire of Coolgardie' to your wonderful artwork

Entries close Friday 17 May 2019

The winning design will be chosen Friday 24 May 2019 and displayed in Yagan Square between Monday 29 July – Sunday 11 August

Please contact the Coolgardie Visitors Centre on 9026 6090 for more information

Community gathers to commemorate Anzac Day

Anzac Day commemorations were held in the Shire, with community members gathering in Coolgardie and Kambalda to honour the event.

In Coolgardie uniformed representatives from services and community groups, including the police, the volunteer fire and emergency service, St John Ambulance and cadets were among those to take in the march and dawn service. Following the service a gunfire breakfast was held at the RSL.

Meanwhile in Kambalda, a dawn service began proceedings. Later in the morning the main parade took place, also with representatives from services and community groups participating.

This was followed by a service and wreath laying the cenotaph.

Thank you to everyone who participated and supported Anzac Day events across the shire.

From Coolgardie to war...

When a call to arms sounded in the early 20th century, Coolgardie responded, and many brave young men and women traded their endlessly dry and dusty home for the endlessly sodden trenches abroad.

Certainly, the harsh environs of the Goldfields at the time bred hardy people, however many did not return. Among the first to fall at the Gallipoli Peninsula was a Coolgardie man, Second Lieutenant Mordaunt Reid, 11th Battalion, whose body was never identifiably recovered.

It has been estimated that between WWI and WWII approximately 800 hundred men and women enlisted from the Coolgardie district and among them, some received the highest honours earned by Australians in WWI. They include Thomas Leslie Axford and John 'Jack' Carroll, both of whom received the Victoria Cross.

Percy Black received the Distinguished Conduct Medal and Distinguished Service Order and has been said to have been the greatest fighting soldier in the AIF. Along with many others, whose stories can be found in our local RSL. Some 200 names also resided on Rolls of Honour at the Coolgardie public school, ensuring their memory is preserved in future generations.

Cashless Debit Card

Common misconceptions

Misconception 1: I can't pay rent on the Cashless Debit Card.

You can pay rent with your Cashless Debit Card

In many instances, your rent will be paid before your payment goes onto your Cashless Debit Card. In other private rental agreements, you can use your Cashless Debit Card to pay rent by BPAY, eftpos or direct debit.

Misconception 2: I can't use my card interstate.

You can use your Cashless Debit Card in any location in Australia

You can use your Cashless Debit Card in any store that accept eftpos nationwide, except to buy alcohol, gambling products, some gift cards or to withdraw cash.

Misconception 3: I can't buy second hand items (furniture, cars etc) or items at markets.

You can purchase items with cash from markets and stalls

You can use the 20 per cent of your payment paid into your regular back account to make cash purchases. There is also an ability to transfer additional funds in certain circumstances where you need access to additional cash.

Misconception 4: Incur charge fees to use the card.

The Cashless Debit Card is a fee-free account

The Cashless Debit Card is a fee-free account for participants. You can check your account balance and transaction history for free online, over the phone or at an ATM. Lost or stolen cards are replaced for free and purchases do not incur transaction fees or account keeping fees.

Misconception 5: I can't shop online.

You can shop online using your Cashless Debit Card

From 29 January 2019, you can use your card to make purchases from all online retailers, except those that sell alcohol or have gambling activities available such as online casinos.

Misconception 6: I can't buy meals where alcohol is also served (mixed merchants).

You can use the Cashless Debit Card at restaurants and bistros

You will be able to purchase food using your Cashless Debit Card at most restaurants and bistros in Cashless Debit Card trial sites, however alcohol cannot be purchased with the card.

Where can I find out more? Contact the Department of Social Services:

Go to www.dss.gov.au/cashlessdebitcard

Phone: 1800 252 604 or Email: cashlessdebitcard@dss.gov.au

Shire enjoys new activities with Bright Minds

During term 1 this year Bright Minds Therapy commenced its service to the Shire of Coolgardie, providing services to the children and families of Coolgardie and Kambalda.

The term began slowly with lots of planning and networking within the community to find out the what types of services families wanted and how occupational therapy and speech pathology services could best run within the communities.

By mid-term our programs in Kambalda were in full swing with impressive attendance at the events that were held.

During the 'Read Aloud' library sessions, speech pathologist Brittany Bates and occupational therapist Hayley Willis provided an interactive story time and education, as well as handouts to parents with tips on how to share books and stories with their children to help promote speech and language and pre-literacy skills.

The drop in clinics provided an opportunity for parents to come and meet with therapists and discuss any concerns they had about their children's development with the therapists and arrange referrals into the service for screening and therapy if necessary.

The developmental playgroups focused on helping to strengthen children's bodies and hands; and provided activities to practice a range of gross and fine motor skills. Education and handouts were provided to parents about foundational skills such as body awareness and postural strength; and the importance of these skills for further development and learning.

During term 2 we will run the '123 magic and emotion' coaching course if there is enough registered interest by parents; as well as more read aloud and playgroup sessions, and individual screening and therapy sessions. We look forward to seeing more parents and children at our service!

1-2-3 Magic & Emotion Coaching

RESOLVE DIFFICULT BEHAVIOUR IN CHILDREN 2-12 YEARS OLD

A PARENT EDUCATION COURSE

WHERE: Bright Minds Therapy,
Kambalda Recreation Centre

WHEN: May 22, and June 5 & 19, 2019.
10.30am-12.30pm

WHERE: Bright Minds Therapy,
Coolgardie Recreation Centre

MAY/JUNE 2019

Windy Easter fun

Time flies when you're having fun and we can't believe that we are in May already. It seems like it was yesterday, when we held our 2018 Mother's Day pampering day and sold raffle tickets to raise much-needed funds for our local playgroup. The past two years have been full of fun events, craft activities and amazing purchases for educational and craft supplies and yet we are very keen to better ourselves and make this year's events even bigger and better.

In the lead up to Easter we set up different techniques for the kids to create painted Easter eggs. Play dough mats added to the fun, and how clever were our little boys and girls with decorating their Easter eggs and completing the bunny face with different colours of play dough!

It is always so much fun to see how excited they get when trying out something new. We have used plastic eggs dipped in paint and rolled them in cardboard boxes as well as using carved potato stamps. Such amazing little artists we've got.

Unfortunately, due to the cold and flu season playgroup had to be cancelled on a few occasions but that did not stop us from making our Easter egg hunt the biggest highlight of the month. We invited members and non-members to our annual Easter egg hunt in the park and celebrated with a bunch of lovely families.

Harry Steinhauser has got the best hiding spots for Easter eggs and yet it didn't take long for the little hunters to find all of them. Of course, we had our traditional egg and spoon race, sack race and a few other cute little games to keep the little ones excited about the spirit of Easter.

Also, for the first time we took the tuff tray out and about to set up a sensory Easter tray. Super Sarah came out for some face painting and made the day even more special with her beautiful creations. Whoever was keen was welcome to make their own bunny ears hats or just

Continued P35

enjoy the company of their new and old friends. Thank you to all the families who came, especially for bringing all those beautiful Easter inspired dishes to be shared for morning tea.

The colder weather has started to kick in and so has the cold and flu season. In environments like playgroup, kids are constantly touching everything, and some are still putting things or their hands in their mouth. This is how germs get around. Kids get sick no matter how many precautions we take but the best we can do is to keep our children at home when they have a temperature or a nasty cough.

Runny noses in winter are common and it is always wise to give other parents a heads up when your child is

UPCOMING EVENTS:
May 8 & 10: Mother's Day activities
May 26: National Sorry Day
May 27-June 3: Reconciliation Week

unwell. Everyone is different, and one parent might feel more uncomfortable around a child with a snotty nose than the other. We hope those bugs won't affect us too much this year so let's all stay warm and well.

Our healthy morning tea is always packed with the best of all vitamins and snacks and we will, on a rainy day, make sure to keep the outdoor area shut.

On another note we would like to encourage more dads to come and join playgroup for a bit of one on one or family time. Lately we have seen more and more dads come to playgroup which is a great benefit for our group. Dads can make awesome bears or are just a little more handy and hands on.

If you would like to join us - Come and meet Kambalda West Playgroup Wed / Fri 9:00 – 11:30 am, Kambalda Community and Resource Centre

If you want to become a member too, come and check out one of our sessions. Membership fees of \$65 and a \$15 term fee per family are due once you have used up your three free visits and covers you for any incidents or accidents on playgroup days or excursions such as days out in the park or at the pool. We are always looking forward to making new friends and hope to see you and your little ones soon.

Term 1 at K.P.S

Breakfast Club

Monday 11th February, Room 1 had a visit from local Bee Keeper Bec Lindemann from Lindemann's Honey Kambalda as part of our STEM unit on Honey Bees. Students got to see the tools and equipment used to extract honey, have many questions answered by an expert and even got to sample Blackbutt Honey from hives near Widgiemooltha!

Student Councillors

Congratulations to our new student councillors. All the speeches were outstanding and we congratulate each and every student who took the time to prepare their speech and present it in a very confident manner in front of the school on Wednesday. We look forward to a very positive and productive year with our new leaders; Head Councillor

James and Mark, Leah and Jett.

The colour associated with Autism is blue so as a school we had Blue Slushies on Tuesday 2nd April at lunchtime for \$1 to raise funds for the Autism Association of WA. We raised \$88. **Autism Awareness Week** occurs each April raise awareness and community recognition of the needs a

Pre-primary and Year 1

With the school holidays just around the corner we decided to hold a STEAM Day centred on road safety, in particular the wearing of seatbelts and safe journeys within a car. Students were introduced to Mr Egg who needed a safe vehicle to drive. They worked in pairs, discussing and planning such a vehicle; looked at available resources, created their designs and listed the equipment they would need. Next it was time to create their vehicles when students used many of the Kambalda Keys to Success; they had to **Get Along** with their partner, be **Persistent** through their construction and **Resilient** when things didn't go as planned. After recess it was time to test out the vehicles. Students predicted whether Mr Egg would be safe, cracked or a mess, before sending him down the hill in their vehicles. Following this, students documented what had happened, why it happened and what could make their vehicle safer. Many identified the need to include a seatbelt for Mr Egg to prevent him from rolling out. This led to the creation of our road safety banner for the Blessing of the Roads.

21 March World Down Syndrome Day
adoption.com

On 21st March we had a fundraising event to support World Down Syndrome Day 2019. March 21st is World Down Syndrome Day, which has been officially recognised by the United Nations since 2012. On this day, people all around the world celebrate the lives and achievements of people with Down Syndrome, creating a global voice, advocating for the rights, inclusion and wellbeing of people with Down Syndrome.

Students were encouraged to wear socks of their choice to school for a gold coin donation. We raised \$104.20 which was donated to the Down Syndrome Foundation of WA. Socks were bright, colourful, long, short and there were lots of layered socks as well; the array was endless!

The Pastor's Pen with Bill Kirkland

Jesus lived in a day when servants were common place. There was actually a hierarchy of servants with some even choosing to stay with their masters when they could have been free. Some servants were free to marry and live independently while others did very menial jobs. People wore sandals and walked on dusty and dirty roads. Hospitality was important in Jewish culture and partly demonstrated by the house servants washing the feet of guests.

In John 13 we read that not long before Jesus was to offer Himself to be crucified, He took off His outer robes, girded Himself with a towel and washed His disciples' feet. This was all too much for the apostle Peter. The book of Luke records that the disciples had previously been arguing as to who was the greatest among them. The apostle Peter initially refused to allow Jesus to wash his feet.

Jesus said 'Unless I wash you, you have no part with Me' (John 13:8). Peter was still rough around the edges. The truth is anyone who had any idea of who Jesus was and where He had come from would have had the same difficulty allowing the Son of God to wash their feet! It would be equivalent to your most important guest having to change your baby's dirty nappy or put out the trash.

Jesus demonstrated and modelled a never before seen humility to his disciples. He had all authority and yet used it for good; all power and used it to heal; Kingship and yet used it to serve. This is a challenge for all of us as His disciples to follow.

Kambalda Eagles Women's Football

Eagles women start season with strong win

On Saturday, April 13, the Goldfields Women's Football season began, and Kambalda Eagles played against Kalgoorlie Boulder Female Football Club at Sir Richard Moore Oval.

The Kambalda Eagles were keen to get the game started and after spending the first quarter finding their rhythm, they put it to use and showed their strengths as a team.

The final score was 24 to 7 with the Kambalda Eagles taking the win. It was a fantastic way to start the season.

The next game will be played on Saturday, May 11, at Sir Richard Moore Oval at 1pm. Supporters are always welcome.

The Kambalda Eagles women's team train on Monday and Wednesday nights at 6:30pm; if you think you might be interested come down and see. New players are always welcome.

“After spending the first quarter finding their rhythm, they showed their strengths as a team.”

May 2019

Congratulations to our Kambalda Sea Eagles, for all your efforts, dedication and patience.
 Huge thanks go to our committee and parents for helping support the club and our children.

We have some great events this past season, including our December Qualifying Meet, 1 hour Lapathon, Club Championships—all held in Norseman and Country Pennants 2019 in Karratha.

Thank you to our many sponsors; we appreciate the support you give to our club, always, and we will see you in season 2019-2020.

safeTALK

Free Suicide Alert Training

safeTALK is a 3.5hr suicide alertness workshop offering valuable skills to every audience member, regardless of professional experience or prior training. Most people with thoughts of suicide don't truly want to die, but are struggling with the pain in their lives. Through their words and actions, they may be inviting help to stay alive. This workshop is for anyone aged 18 and over who wants to develop the skills to recognise these invitations and take action by connecting them with life-saving resources. While safeTALK is designed for professionals and community members alike, this workshop may not be appropriate for those who are grieving or have been recently impacted by Suicide. We ask that you read the attached safeTALK Information Sheet and carefully consider if this training is suitable for you, at this point in time. If you're unsure, please contact LivingWorks Facilitator Lorna Hirsch; M **0411 555 422** E lorna.hirsch@livingworks.com.au

For general enquiries, please contact Kathy M **0427 328 236** E kateryna.nikolaijenko@health.wa.gov.au

Thursday 16th May 2019

4.30pm – 8.30pm

Kambalda Recreation Centre
Barnes Dr, Kambalda West WA 6442

A light dinner will be provided
Tea and coffee making facilities available

This workshop is being provided **FREE** of charge for all participants by Hope Community Services under the Goldfields Suicide Prevention Plan. Elsewhere, this workshop may cost up to \$50.00pp.

BECOME SUICIDE-ALERT

REGISTRATION ESSENTIAL

Places are strictly limited to 30 participants

Register online at Eventbrite by COB Friday 10th May

[Click Here to Register](#)

If you need support now, contact LifeLine WA on **13 11 14** or the Suicide Call Back Service on **1300 659 467**

safeTALK: suicide alertness for everyone

safeTALK is a half-day training in suicide alertness. It helps participants recognize a person with thoughts of suicide and connect them with resources who can help them in choosing to live. Participants don't need any formal preparation to attend the training—anyone age 15 or older who wants to make a difference can learn the safeTALK steps.

FOCUS: Suicide alertness training for the community

DURATION: 3 hours–4 hours (half a day)

LANGUAGES: English and French

PARTICIPANTS: Anyone 15 or older

TRAINERS: One trainer and one community resource person per 15–30 participants

How safeTALK works

Most people with thoughts of suicide don't want to die—instead, they are looking for a way to work through the pain in their lives. Through their words and actions, they usually invite others to help them in making a choice for life. safeTALK teaches participants to recognize these invitations, engage with the person with thoughts of suicide, and connect them with resources to help them be safer from suicide. These resources could include health care professionals, first responders, or crisis line workers—among many others who have suicide intervention training.

Training process

safeTALK features both presentations and interactive elements. Trainers will facilitate participants' involvement through:

- Trainer presentations
- Diverse selection of audiovisuals
- Interactive discussion and questions
- TALK steps practice
- TALK wallet card
- “You can TALK to Me” stickers

Goals and objectives

safeTALK helps participants become alert to suicide. Suicide-alert people are better prepared to connect persons with thoughts of suicide with life-affirming help. Over the course of their training, safeTALK participants will learn to:

- Notice and respond to situations where suicide thoughts may be present,
- Recognize that invitations for help are often overlooked,
- Move beyond the common tendency to miss, dismiss, and avoid suicide,
- Apply the TALK steps: Tell, Ask, Listen, KeepSafe, and
- Know community resources and how to connect someone with thoughts of suicide to them for further suicide-safer help.

“As a taxi driver, I speak to a surprising number of people who have thoughts of suicide. **safeTALK has given me and other drivers in Kilkenny a way to help them stay safe.**”

—Derek Devoy, Taxi Driver, Kilkenny, Ireland

An update from our ranger services

Keeping you informed on how we are supporting community wellbeing, amenity and safety.

Community members may be aware that the Shire of Coolgardie has been working in a Shared Services Agreement with the City of Kalgoorlie Boulder for ranger services. This arrangement helps us meet the needs of our community and supports investigations and liaison on complaints relating to ranger matters.

Community together in preventing illegally dumping

Illegal dumping costs our community more than just being a eyesore. In June 2018 the Shire spent more than \$5000 cleaning up illegal dumping of asbestos fence sheeting, which was dumped in eight laneway locations. In an effort to reduce to impact on the community and environment the Shire will be targeting illegal dumping with surveillance cameras.

For those that have information on offenders, please submit with any photo evidence, vehicle details and additional information to assist us to follow up. Prosecutions for minor illegal dumping offences occur, and the fine is between \$200 and \$10,000 if proceedings arrive in court.

Dogs ownership

Council is committed to encouraging responsible dog ownership to benefit the entire community.

Dog owners are responsible for ensuring their dogs are:

- Secured in a fenced yard on property;
- On a leash when in public; and
- Registered with the Shire and microchipped.

The Shire is currently targeting dog registration and following up to ensure owners comply. If your dog is collected by officers, owners will need to have dogs registered, pay impoundment fees and will have seven days to ensure their dog is microchipped. Dogs will not be released without owners paying the fees applicable.

Should you need assistance please call the Shire main line on (08) 9080 2111. All calls and information will be logged to enable the appropriate actions to be taken and followed up. We understand that this **change in process** may be inconvenient for some members of the public however it is important as it enables us to appropriately respond to your concerns.

For after hours emergency assistance, please contact the Shire main line and select option 1 for ranger to be diverted to the on-call officer. Officers will only attend in event of an emergency, such as a dog attack. For further assistance, police officers also have authority to act.

Should you have complaints in relation to ranger matters or services provided, it is encouraged that contact is made with the Shire and you submit your concern in writing.

Plumbing | Gas | Air-conditioning | and more

0487 207 510

24/7 Emergency Service

Domestic | Commercial | Mining

Split Systems Servicing

Un-serviced units run at a lower efficiency and can cause:

- Higher power bills
- Limited heating & cooling capacity
- Noisy operation
- Mould and bacteria growth that can cause illness and foul smells.

Reverse cycle is the best way to stay the perfect temperature all year round.

Your aircon will work better, smell better, and cost less to run

Test and Tagging

Protect your assets and legal liability by having a regular test and inspection program.

We carry out RCD push tests, corded appliance tagging, and provide asset registers to keep track of everything. Perfect for auditing requirements!

Water filtration systems

Unhappy with the quality of your tap water?
Contact us today to get a water filtration system installed in your home.

- Once installed simple filter changes are all that is required to upkeep

No job too big or small, Taps does it all

Volunteer Fire and Rescue Services

What does the Volunteer Fire and Rescue Service do?

Volunteer Fire and Rescue Service (VFRS) volunteers play a significant and vital role in helping to ensure their local communities are safe.

Volunteers carry out a range of activities including:

- Responding to local emergencies, such as:
 - structure fires;
 - bush and scrub fires;
 - vehicle and industrial rescue; and
 - hazardous materials emergencies.
- Working with the community to identify and manage local fire risk.
- Undertaking local fire prevention activities with the community.
- Educating school children in fire safety.
- Working with residents to improve family and household fire safety.

What volunteer roles are available?

Volunteers undertake various roles according to their abilities, interests, and what they are comfortable with. The different VFRS roles include:

- Firefighting (structural and bush fire)
- Community safety and education
- Administration
- Equipment maintenance
- Management of hazardous materials (HAZMAT)
- Road crash rescue
- Leadership
- Training
- Social and digital media
- Brigade marketing and public relations

What are the benefits of volunteering?

- Serve your community
- Increase your knowledge and skills
- Personal satisfaction
- Opportunity to meet new people
- Active involvement in emergency services
- Challenge yourself
- Opportunity to apply your skills in a new environment

For more information please contact:

- Coolgardie VFRS Captain David Shilton - ph: 0412 859 582; or
- Kambalda VFRS Captain Darren McCarthy - ph: 0419 043 253

Scroungers Page

One man's junk is another man's gold, it has been said, so with this in mind we would like to collect your left over scrap metal. This could include such things as -

- Aluminium cans
- Copper pipes
- Car batteries
- Lead flashings
- Brass taps and fittings

If you think it might be of some value please contact Ray on 0458 187 009.

Thank you in advance
