WELCOME to our new Sports Development Officer

The Shire of Coolgardie is pleased to introduce Mitchell Dzelebzcic our Sports Development Officer.

Mitchell's role is to support sport and recreation clubs and schools to create stronger, healthier, happier and safer communities through the implementation of strategies, initiatives and programs.

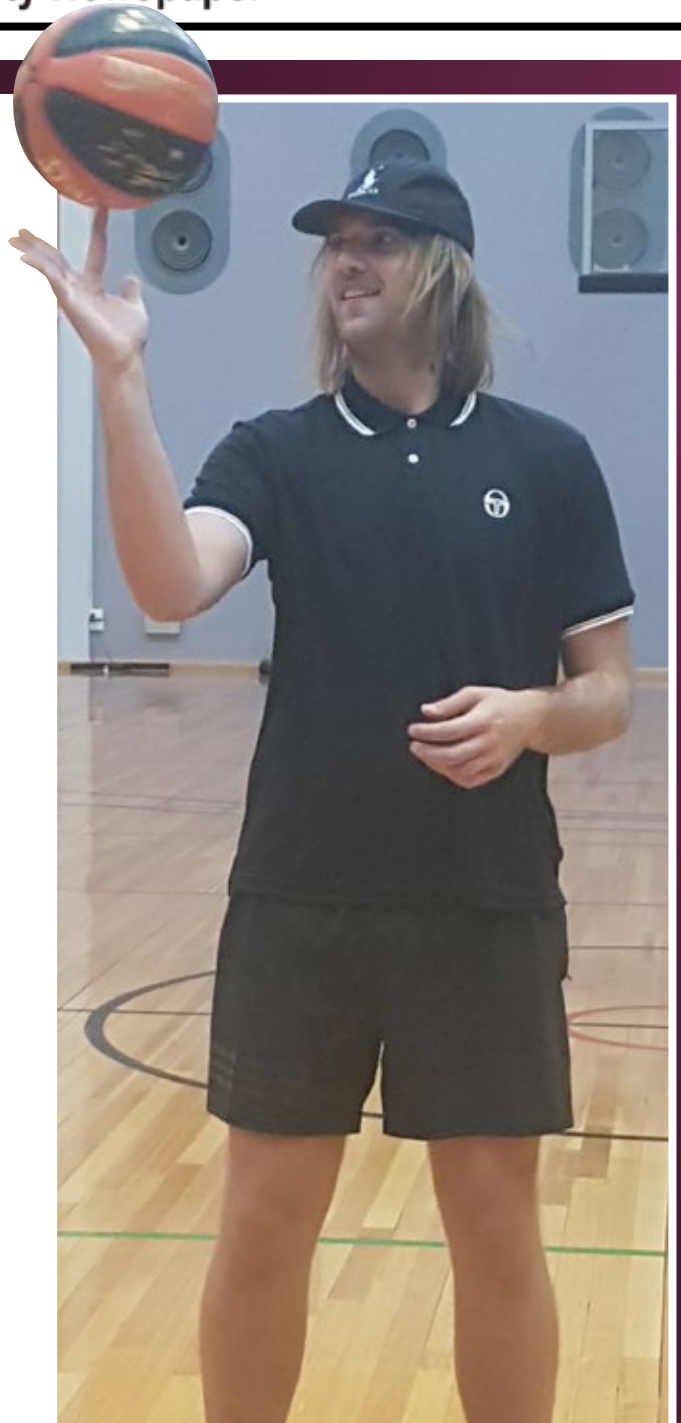

Mitchell has been actively visiting the youth and different community groups of all ages and activities in both Coolgardie and Kambalda and has received positive feedback and ideas that he is putting into place.

Mitchell has come from a sporting background – he has played in Under 15's, 16's and 18's Representative Football as well as playing for South Fremantle Colts. He is currently playing for the Kambalda Football Club.

Mitchell has been involved in most sporting activities from a young age and is pleased to be able to bring those experiences and skills, is also qualified in Business Studies and is well aware of the importance of club management and administration.

Mitchell is an enthusiastic, friendly and easy going guy who enjoys getting involved with the community of all ages and looks forward to meeting everyone.

If you wish to discuss any sporting events or ideas with Mitchell or need assistance with your clubs, telephone Mitchell on 9080 2111.

Shire of Coolgardie

Message from the Shire President
May 2019

Well it has finally happened. Following the approval of the \$1.95 million loan by WA State Treasury, the Tender documents for the Kambalda Pool upgrade were signed on May 1. The successful tenders, Acorp Pty Ltd, are now onsite in Kambalda and working steadily on the planned upgrades and renovations of the facility. As part of the agreement with Treasury, the Shire has engaged Core Business to be the project managers to oversee all of these works, with Core providing our CEO with weekly updates as works progresses. The Shire is now confident that the facility will be opened as planned in December or at the latest early January 2020.

Councillors and staff have been busily engaged with Stephen Tweedie and Chris Liversage from Conway/Highbury in reviewing Shire local laws, the delegations register and council policy manual over the past two months. As a result of these reviews and work being carried out, the Shire local laws and policies will be much more aligned and streamlined to be effectively administered and understood by Councillors and staff.

This process has been ongoing for some years by various staff members, however, the use of outside resources has enabled the work to be completed whilst making economic savings and efficiencies on our CEO's and staff time.

The Shire consultants that have been engaged to produce a comprehensive report on both the Shire waste facility sites, Strategen and Australian Venture Consultants, are nearing completion of these reports. Whereby the Shire will be in a position to consult with both our communities with the proposed direction the Shire will be required to take in order to meet all regulatory requirements in the management of these waste facilities into the future. It is expected these community consultation forums will be held in the coming weeks.

With the increased mining activity in the Shire recently, where several new companies to the region have purchased mines that have been on care and maintenance, or inactive for some years, our CEO has initiated a feasibility study to investigate options to reopen the Kambalda Airport in the event these operations commence in the near future.

Although the Council position is that we have promoted and pushed for residential workforces in our communities for some years, we have to recognise these companies have a duty of care to provide a safe environment for their employees and this may include shorter travel times to each mine site where they accommodate them.

Our CEO has taken the opportunity to employ Mia Hicks as the Shire Executive Economic Development Manager. Mia, who had been previously engaged as a funding-business case consultant at the Shire, brings a wealth of knowledge to the organisation with some 20 years' experience in her field. I believe that this expertise will be of great benefit to the Shire of Coolgardie, with Mia mentoring staff in line with the current turnaround within the mining industry in our region and the growing amount of projects that are coming on stream in both our towns.

The unexpected result from the Federal Government election last weekend, with the Morrison Liberal Government being re-elected with an increased majority, I believe will put our Shire in a reasonably strong position to continue the good working relationships we have built with Ministers and their Chiefs of Staff, to leverage funding for future projects and facilities in our Shire.

The Shire has received verbal confirmation that the grant funding promised for both our projects, the Kambalda Pool and Coolgardie Post Office Precinct will be honoured, which is great news for our communities.

From the desk of the CEO
May 2019

Hi everyone,

I hope you are staying warm in this cooler weather – we have some exciting sporting and community programs that will be happening this month.

We have employed a new Sport Development Officer, Mitchell Dzelebzcic, who has been very active providing sport activities in both communities for all ages. He has been working on developing a few programs including our basketball night clinic that had record numbers of youth attendance. Mitchell has also been very involved in assisting with AusKick in Kambalda – it's great to see this program being re-established to build footie skills in the community.

The Shire is excited to be, once again, providing an excellent family night out for our communities. The 2019 Kambalda Goldfields Giants State Basketball League game is being held in Kambalda on Saturday, 15 June 2019 with a free bus provided from Coolgardie. We are proud to be hosting an event of this size and prestige in our community. The details for the night are provided on page 11.

Back by popular demand, Barefoot Bands is coming back to Coolgardie in June for a song writing and music workshop for all ages. Barefoot Bands are inviting you to attend with any original music that you've composed to assist you in producing it as well as providing the opportunity to perform on Coolgardie Day in September 2019.

We are holding a Community Conversation Day for the Coolgardie townsite upgrade and infrastructure projects. Our team will be in at the Coolgardie Community Recreation Centre to answer any questions you may have on the upcoming exciting infrastructure projects. More details are provided on page 29.

Take care,

James Trail
Chief Executive Officer

Healthy morning tea fundraiser for the Cancer Council

The Biggest and Healthiest Morning Tea was held in Coolgardie on Thursday, May 23, 2019. This year we had lots of sugar-free and healthy options, which were a hit with the community!

The event attracted 26 attendees, including some of our lovely Centrecare group, and also some visiting tourists from around the country.

Together, everyone who attended helped to raise a whopping \$276.40! The funds will be donated to Cancer Council Western Australia.

We also held a 'Winter Goodies' raffle and a huge congratulations goes to our prize winner.

A massive thanks to the staff at the Coolgardie Community Recreation Centre, who prepared and cooked a lot of the food

for the morning tea. It was all delicious! From fruit platters and dip, cheese and crackers, healthy desserts and tasty sandwiches, everyone enjoyed all the food put on for them.

Thank you to all those who attended and donated towards Cancer Council Western Australia, your generosity makes a difference.

Happy Mother's Day Kambalda mums!

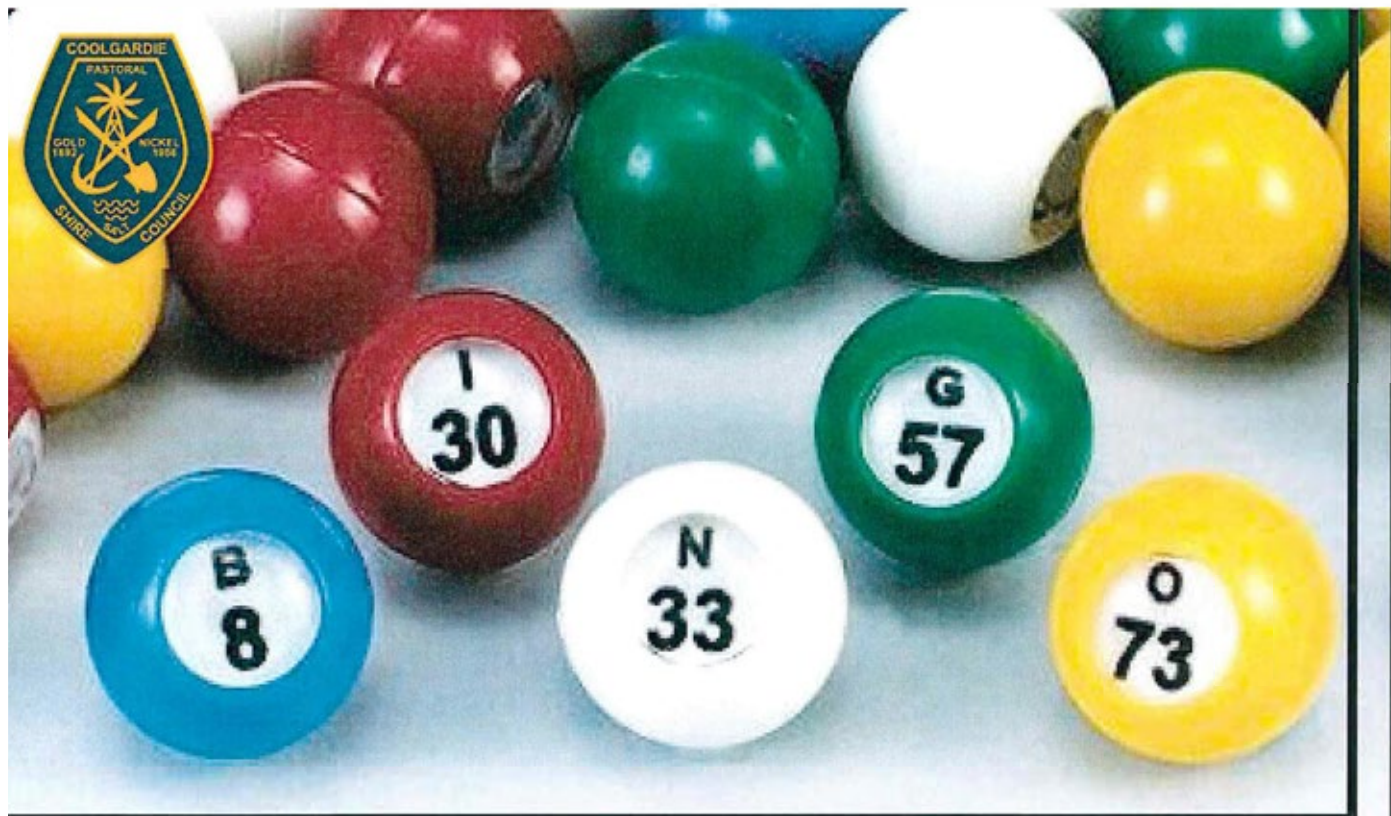

With the Kambalda Community and Recreation Facility now trading on weekends, we held a Mother's Day inspired Sunday morning.

The event engaged children of all age groups in a variety of free activities set up in the foyer and stadium, and also featured a fancy photo booth to make the day a special memory.

There was a play dough station, love heart key ring making, colouring in to make a keepsake and a lot of stadium fun had by all, and a free coffee to enjoy at Oil and Spice Café to celebrate all mothers and grandmothers in our community.

Thank you for your support, we hope you were all spoilt and had a fabulous Mother's Day.

Trials and tribulations of Coolgardie's pioneer nurses

In the exciting days following the discovery of gold, Coolgardie would have obviously lacked many things necessary for good health – such as adequate supplies of fresh food and water, and no organised sanitary facilities.

Consequently, sickness such as typhoid and dysentery became common. The need for medical attention was very urgent.

Among the first of the nurses to answer the call for help was Nurse Baseby – who had a handful of willing helpers. She was followed by Nurse Penglase, whose husband was working on the mines while she was in Perth with their three children. She left them to be cared for and set out for Coolgardie.

Nurse Baseby quickly set up a tent hospital and nursed the sick either in the hospital, in camps or in their own homes. Later she ran her own maternity hospital and it is estimated she delivered more than 1000 babies in the Goldfields region, often without the assistance of a doctor.

Of course, there were plenty of nurses who came to Coolgardie to assist with the sick and the dying. The conditions in which they worked is difficult to imagine – heat in the summer, cold in the winter, dust and sometimes mud, and let's not forget the flies! The nurses' ankle-length frocks, long starched petticoats and aprons did little to keep them cool during the summer, nor did the fashionable

long hair which was coiled up on top of their heads and felt like a wet cushion as it was never dry.

In April 1894, two nurses by the names of Sister Margaret O'Brien and Lena Miller arrived. They checked into the Exchange Hotel and immediately asked Warden Finnerty for a site for their own tent hospital. He gave them permission to set up near the Government hospital, then continued to ask if they would look after that as well, as at the time a constable was in charge.

The Warden showed them over the hospital, and Sister O'Brien commented later that the patients were "the dirtiest looking objects imaginable, covered in dust and sand indescribable ... tents and more tents, men everywhere, old singlets and trousers were the order of their dress. The hopeless look of everything would have discouraged the stoutest heart".

As autumn set in, the women appealed for funds to buy blankets as the patients began to suffer from the cold. Mr. Faahan held a concert at his Club Hotel which raised some funds, while others took up collections.

Towards the end of 1894, the two resigned from the Government hospital, but continued caring for patients in their own private hospital, which was relocated to a site in Lindsay Street.

Continued P13

Continued P13

By February 1895 there were 60 patients in the Coolgardie hospital, most suffering from fever. Sister O'Brien's hospital and a few other private ones were all overcrowded as typhoid was rampant and people from all walks of life fell victim to the disease.

The lack of water made nursing extremely difficult. The rationed and expensive condensed water did not taste pleasant and was insufficient for sponging and cooling the patients with high temperatures. In despair, when the water supply ran out, nurses often tried to cool feverish bodies by damping a sponge with whiskey or brandy – two liquids Coolgardie was never short of.

Another nurse worth mentioning is Nurse M.D Edis, who, despite being told by her matron that she would “never make the grade” went on to receive the Florence Nightingale Medal and medals from the two world wars and a Coronation Medal.

Unfortunately, tragedy also struck some of the nurses. One nurse by the name of Adams fell victim to typhoid. A young widow named Elizabeth Gold was murdered by gunshot at the hospital.

The man who shot her then turned the gun on himself.

Nurse Baseby

Nurse Penglase.

“It was noble of them to come to nurse the sick and injured at a digging camp ... and we bid them welcome to Coolgardie.”

She was dressed in a gown getting ready to leave for the Coolgardie Ball.

And Nurse Mercy Gregory (who was married to J. Gregory, proprietor of the United Club Hotel) was also murdered. During a stay in Sydney, a night porter at the hotel she was staying at broke into her room. She disturbed the young man stealing her jewelry and, in a panic, he cut the nurse's throat. There is a water fountain in the Coolgardie Park that was erected by her friends to remember her by.

A journalist for the *Coolgardie Miner* wrote of the pioneer nurses: “It was noble of them to come to nurse the sick and injured at a digging camp, we feel we speak not only for ourselves but for the entire field when we bid them welcome to Coolgardie.”

The nurses who braved the conditions to treat the sick were true heroines.

Shedding light on the tale of the lonely grave

There are several unmarked and lonely graves in the Coolgardie region. This is understandable, considering the living conditions in the 1890s.

For example, as you head toward Bonnie Vale on the Coolgardie North Road, there is a lonely grave located on the side of the road to your right.

For a long time, no one knew the story of this grave, and even to this day no one knows the name of the man buried there.

Thankfully for us, the wonderful Victor Dale, who has lived in Coolgardie his whole life, was able to tell us the story of this lonely grave. The story was passed down to him by his father Harry, which was passed down from Harry's father John.

In 2018, Mr Dale kindly paid for and erected a memorial stone at the lonely grave for the purpose of preserving history. This is the story of the unknown man that was told around campfires where men and horses rested for the night, and which was passed down from two men who were in Coolgardie at the time:

He was a teamster with a full load of freight on the Bonnie Vale road. This man rested his team of horses on the small rise to check his horses' hooves for stones, and was kicked by one of the horses.

Later, another team passing through the area found the man dead beside the road and buried him where they found him.

That is just one of many tragedies that happened in the beginning of pioneer settlement in Coolgardie.

Maybe one day we will be able to piece together the stories of the men, women and even children who have been forgotten.

Farewell Peter and Robyn

For the past two years, we have had the absolute pleasure of having Peter and Robyn maintain our historic Warden Finnerty's Residence in Coolgardie.

Peter and Robyn were dedicated to the task, and poured love, care and pride into the house, bringing it to life both inside and out. They have introduced new gardens, maintained the collections, warmly welcomed our tourists, made friends with the visiting wildlife and enjoyed beautiful sunsets and music from the patio.

Their efforts did not stop at Warden Finnerty's, as last year they also dedicated their Friday mornings to making pancakes for the students at Coolgardie Primary School, and were also more than happy to get their "bake on" whenever the school had a bake sale fundraiser.

Sadly for us, Peter and Robyn have decided to move back to the eastern states to be closer to their families, and we thank them for the difference that they have made to our community. It has been a pleasure getting to know them and they will be dearly missed.

Goodbye Peter and Robyn, we wish you all the best for your future - travel safe and thank you for being part of our lives!

Great night out for the whole family!

All about mum for storytime

With the start of the second term, storytime celebrated a very special occasion: putting all those caring, selfless, loving mothers in the centre of attention by hosting a delicious morning tea for everyone to enjoy after our regular session of singing and crafting, and listening to the story "Mummy and Me".

We asked the young girls and boys to make sure to fill up a plate for their mummy before they filled up their own plate. What a lovely way of saying thank you for all that she does.

Our craft of choice was a Mother's Day sand art that required a lot of concentration to make it a unique present for every mum.

Engaging in arts and craft of all kinds benefits a child's development in so many ways. Children who cannot express what they feel and think in words yet, may be able to do so much more through art.

With a mix of movement songs, rhymes, listening and interacting with the story, Thursday mornings are a lot of fun in our library and introduce little ones to the joys of literature and language.

For Australia's Biggest Morning Tea children at storytime as well as the children attending One Tree Day Care helped create dozens of daffodil centrepieces to be used for a collage displayed at the event. The daffodil represents rebirth and new beginnings and to many affected by cancer it symbolises hope for a future free of the cruel disease.

Thank you for your incredible effort in making those beautiful flowers.

At storytime we always strive to connect our young visitors to what is going on in the community to create a feeling of belonging that is so important when growing up in an always-changing small community such as Kambalda.

Storytime is a unique and fun 45 minute morning session of singing to popular action and movement songs, reading and engaging in a story with a matching craft activity suitable for toddlers up until 4 years of age. It gives both adults and children the opportunity to focus on books, stories and rhymes.

During school term, weekly sessions are held at the Kambalda Public Library every Thursday from 9.30am, at a cost of \$2 per child. Bookings are not required.

Our library staff are organising weekly craft activities and a story with focus on international and national days and is looking forward to seeing you and your little ones at storytime soon.

What's been happening at Coolgardie Recreation Centre and Community Resource Centre

Mother's Day craft and cookie decorating

On Friday, May 10, we held a Mother's Day craft and cookie decorating session. We had children turn up with their parent/s to write and colour in a beautiful card, and to decorate some delicious cookies! We had some very pretty designs and happy faces by the end of it. Thank you to all those who attended.

Mindfulness Meditation

On Wednesday, May 8, Anna delivered another Mindfulness Meditation for the community. It was a lovely, relaxing event focused on loving yourself and positive thinking about your best self. The last session was held on Thursday, May 30. Thank you Anna for travelling out and delivering these empowering evenings to Coolgardie.

Storytime at Coolgardie Primary

Jess, our storytime hero, held a magical, fun and interactive storytime program at CAPS Coolgardie on Monday, May 6. The students all made their very own cupcake-flower craft, sang silly songs, played fun games and listened to an interactive story with Jess. The kids all had a blast and look forward to the next one!

Youth Headspace

Headspace Kalgoorlie has continued to come out to Coolgardie Recreation Centre to offer local youth craft activities, computer sessions and yummy food every Tuesday from 3pm-4.30pm. Bring your kids along and have a chat and cuppa!

Centrecare Social Craft and Carer Support

Centrecare Kalgoorlie visits the Coolgardie Recreation Centre every Tuesday from 10.30am-1.30pm for a shared lunch, socialising and craft sessions. We would love to have some more members of the community attend and encourage anyone to contact Alison or Cindi at Centrecare on (08) 9080 0333 for more information.

Wednesday Social Craft & Project Group

Come and join the social craft and morning tea group at the Coolgardie Recreation Centre from 10.30am-12.30pm every Wednesday! It has a friendly atmosphere, and you can grab a cuppa, play some games and do some crafts or colouring in! We are about to start a fantastic and fun recycled art project. Could you save your Spray & Wipe shaped bottles for us please.

Bright Minds

A developmental playgroup was held on Wednesday, May 15, at the Coolgardie Recreation Centre. This session was all about children using their hands, minds and bodies to explore and learn. The ladies also held the first of three sessions for the 1-2-3 Magic & Emotion Coaching course for parents. Bright Minds comes to Coolgardie each fortnight – keep an eye out for the next dates in June. These are educational, fun and free sessions.

Thursday YMCA for youth

YMCA Kalgoorlie comes to Coolgardie every Thursday to hold activities for local youth from 3pm-5pm. The team at YMCA deliver fun activities including various sports at the Coolgardie Park and courts, sausage sizzles, games and more! Bring your kids on down to join in the fun in a safe and interactive environment.

Mini footballers thrilled with Auskick Kambalda launch

On May 7, 2019, the Shire of Coolgardie launched an Auskick program for the Kambalda community. The program has been a huge success, with 14 kids signed up all ready.

The community has had high praise for Auskick and the students want more and more. I would like to thank Alex Jones for setting the program up for the community, it has been fantastic.

The Coolgardie Auskick is gearing up to start this month thanks to Rob, Chris and Sheree.

New gear and new skills at Freestyle Now clinic

On May 19, 2019, we held a Freestyle Now clinic at the Kambalda skate park.

The turnout was great, with about 60 kids attending throughout the day, with some even staying from 9.30am to 5pm.

The kids learned so much with tricks and how to act and stand at the skate parks. With Kambalda being a scooter town, the instructors focused heavily on scooters, and also provided new wheels, grips and fixing scooters - just about everything you could imagine, they did.

They also taught a lot of BMX skills, as well as fixing bikes and handing out new grips. Thank you Freestyle Now for coming to Kambalda.

Australia's Biggest Morning Tea

Event a huge success thanks to our great community spirit

On Monday, May 27, 2019 the Kambalda Community Recreation Facility staff hosted another popular Australia's Biggest Morning Tea. This is an annual fundraiser event for the Cancer Council and has been supported by the Shire of Coolgardie in both Coolgardie and Kambalda for many years.

A fantastic morning was enjoyed by members of the community who came down to have a cuppa, followed by an outstanding outback high tea, courtesy of Oil & Spice Cafe and the KCRF staff. Jason and his team have done an amazing job in making it look so beautiful.

There were raffles, sweepstakes, a tea bag toss game and the bake-off competition in Kambalda. Four cakes were brought in and assessed by 60 or so critical judges and after scoring points for appearance, texture, originality, aroma and taste the winners were announced.

Congratulations to our winners:

- Nicky Treen who took first prize for her outstanding rainbow cake.
- Second prize: Bonnie Nicholson for her apple sponge cake.
- Third prize: Michael Matulin with his wild banana bread.
- Fourth prize: Wendy Meredith for her apple cheese cake

The tea bag toss game attracted nearly everyone in the

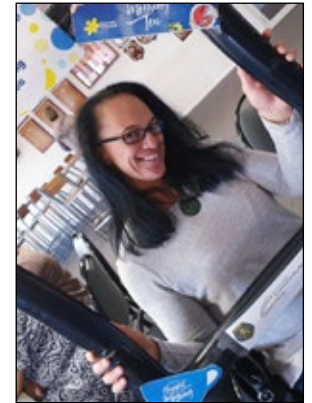

room, with contestants trying to throw a tea bag, dry or wet, from a distance into a tea pot. Even though no one managed to throw it into the pot, two people came very close. Congratulations to Dot Tily-Laurie and Blinky.

The door prize went to Andrew Wood who took a beautifully baked cake home to enjoy with the rest of his family. The raffle winner was Elise Simpson, and the sweepstake winners were Bee Johnson and Karen Vodden.

Continued P19

From P18

A big thank you to Kambalda West Playgroup for providing a space with fun activities for the littlest visitors of the event as well as One Tree Day Care and the children attending storytime for making beautiful daffodil flower centrepieces for our daffodil board.

Attendees were asked to leave a message in support of the event, for a loved one currently going through cancer or who may have sadly lost the battle. You can view the beautiful daffodil board displayed on the stadium window and are more than welcome to add your personal message too if you have missed out on attending the Biggest Morning Tea.

Thanks to our amazing community we raised a whopping \$737.55, which has been donated Cancer Council Australia!

Congratulations to all feather hunters!

Fifteen certificates have been posted to all those eagle-eyed feather hunters who were lucky enough to find one of our 50 feathers among the collection of children's and young adult books.

The Kambalda Library would like to thank all participants, successful or not, for keeping the magic of reading alive and sharing the excitement over the past eight weeks.

The hunt came to a close on May 12, 2019 and Scribblers Festival has confirmed all five golden feathers have been found.

Scribblers Festival is an annual festival of literature and arts for young people brought to life by cultural non-profit FORM and the Town of Claremont.

We were proud to be a part of it this year.

SHIRE OF COOLGARDIE

NOTICE OF PROPOSED DIFFERENTIAL RATES

In accordance with Section 6.36 of the Local Government Act 1995 notice is given that the proposed Differential Rates for the 2019/20 financial year are as follows;

Differential General Rates

| | |
|-------------|-----------------------------|
| Mining (UV) | 22.4733 cents in the dollar |
| Rural (UV) | 11.2668 cents in the dollar |

Minimum Rates

| | |
|-------------|-------|
| Mining (UV) | \$446 |
| Rural (UV) | \$697 |

The figures shown above are estimates and may change as part of Council's deliberations after consideration of any submissions received.

A Statement of the Objects and Reasons for the proposed differential rates may be obtained from the following locations;

- Kambalda Shire Administration Office, Irish Mulga Drive, Kambalda
- Kambalda Recreation Centre, Barnes Drive, Kambalda
- Coalgardie Shire Administration Office, Bayley Street, Coalgardie

Written submissions from electors and ratepayers are invited on the proposed rates and minimum payments. Submissions are to be received by the Shire of Coalgardie, Irish Mulga Drive, Kambalda 6442, by no later than 4.00pm Wednesday 26th June 2019.

Further information may be obtained by contacting the Shire of Coalgardie office on 9080 2111.

Shire of Coolgardie

Rates Objectives and Reasons 2019/20

In accordance with Section 6.36 of the Local Government Act 1995 and the notice of Council's intention to levy Differential Rates for the 2019/20 financial year, the following are estimated Differential Rates and Minimum Payments for the Shire of Coolgardie and the Objects and Reasons for these Differential Rates.

DIFFERENTIAL RATING

| Classification | Rate in Dollar (Cents) | Minimum Rate (\$) |
|----------------|------------------------|-------------------|
| UV - Mining | 22.4733 | \$446 |
| UV - Rural | 11.2668 | \$697 |

In addition to the differential rating Council also give notice of its intention to levy a specified area rate for the 2019/20 financial year for the purpose of applying these funds raised against the cost of refurbishing the Kambalda swimming pool.

SPECIFIED AREA RATING

| Classification | Rate in Dollar (Cents) | Minimum Rate (\$) |
|----------------|------------------------|-------------------|
| GRV - Kambalda | 0.5600 | N/A |

The figures shown above for both differential and specified area rating are estimates and may change as part of Council's deliberations after consideration of any submissions received.

OVERALL OBJECTIVE

The rate in the dollar is calculated to provide the shortfall in income required to enable Council to provide necessary works and services, to maintain assets and provide for future asset needs.

The overall objective of the proposed rate in the dollar and minimums in the 2019/20 Budget is to provide for the net funding requirements of Council's Operational and Capital Budget. The **estimated** rates in the dollar indicated above are based on a **1.95%** increase on the previous year rate in the dollar.

The basis for the calculation of Rates is either the Gross Rental Value (GRV) or Unimproved Value (UV) for each individual property and these valuations are provided by the Valuer General's Office.

Unimproved Values (UV)

The differential between mining and rural/pastoral recognised an anomaly in valuations that occurred some time ago. The valuation of rural values is set at a state wide level and it is believed is not a true reflection of the value of rural properties in this Shire.

Continued P23

From P22

The adoption of a lesser rate for the rural/pastoral properties is aimed at addressing this inequity.

The lower minimum for Mining UV recognises the high number of small prospecting and exploration leases which are important to the community both to maintain the historical link to the community of the small prospector and miner.

In the 2018/19 financial year concessions for two categories of rateable properties were endorsed on application and meeting a certain criterion as follows;

- Rural Use – applicants who are paying rates in the UV Pastoral/Rural category may apply for a concession if they can show that their property is being used for rural pursuits and not for activities relating to or supporting mining or other commercial purposes.
- Bona Fide Prospectors – applicants with rates in the UV Mining category may apply for a concession if they hold a certificate from the Department of Transport to support their application.

Council will again consider such concessions when adopting the 2019/20 Annual Budget.

Gross Rental Values (GRV)

The four current categories of GRV properties, dependent on land use and zoning are;

- Residential
- Commercial
- Industrial
- Vacant Land

The proposed specified area rate is an additional rate for the Kambalda swimming pool and is consistent with section 6.37 of the Local Government Act 1995 where a specified area rate may be imposed on rateable land within a portion of its district for the purpose of meeting the cost of the provision by it of a specific work, service or facility if the local government considers that the ratepayers or residents within that area —

- (a) have benefited or will benefit from; or
- (b) have access to or will have access to; or
- (c) have contributed or will contribute to the need for,

The purpose of the specified area rate is for these funds to be applied against the cost of the refurbishment of the Kambalda swimming pool, including costs associated with the loan obtained to fund the project.

Section 6.37 stipulates that any monies raised from a specified area rate must only be used to meet the cost of providing the specific work, service or facility for which the rate was imposed. That is, in this case, monies raised from the proposed specified area rate can only be used to fund the cost of refurbishing the pool. This includes costs associated with loan repayments and interest associated with such loan repayments.

It is proposed that for all other properties using GRV as the basis for rating will attract the same rate in the dollar and minimum rates. The reasoning for this is that the same services are provided for all. Where there has been a business decision by property owners to locate activities outside the town site boundaries to undertake an activity which could be located within the town site, the services provided by the Shire remain the same. The cost of servicing the communities within the boundaries of the Shire should be borne by all residents and property owners.

The Shire of Coolgardie are committed to manage the current level of infrastructure and services, as well as having the capacity to implement and maintain new infrastructure and services and to do so with sustainable rate increases and affordable service delivery models.

Cashless Debit Card

Common misconceptions

Misconception 1: I can't pay rent on the Cashless Debit Card.

You can pay rent with your Cashless Debit Card

In many instances, your rent will be paid before your payment goes onto your Cashless Debit Card. In other private rental agreements, you can use your Cashless Debit Card to pay rent by BPAY, eftpos or direct debit.

Misconception 2: I can't use my card interstate.

You can use your Cashless Debit Card in any location in Australia

You can use your Cashless Debit Card in any store that accept eftpos nationwide, except to buy alcohol, gambling products, some gift cards or to withdraw cash.

Misconception 3: I can't buy second hand items (furniture, cars etc) or items at markets.

You can purchase items with cash from markets and stalls

You can use the 20 per cent of your payment paid into your regular back account to make cash purchases. There is also an ability to transfer additional funds in certain circumstances where you need access to additional cash.

Misconception 4: Indue charge fees to use the card.

The Cashless Debit Card is a fee-free account

The Cashless Debit Card is a fee-free account for participants. You can check your account balance and transaction history for free online, over the phone or at an ATM. Lost or stolen cards are replaced for free and purchases do not incur transaction fees or account keeping fees.

Misconception 5: I can't shop online.

You can shop online using your Cashless Debit Card

From 29 January 2019, you can use your card to make purchases from all online retailers, except those that sell alcohol or have gambling activities available such as online casinos.

Misconception 6: I can't buy meals where alcohol is also served (mixed merchants).

You can use the Cashless Debit Card at restaurants and bistros

You will be able to purchase food using your Cashless Debit Card at most restaurants and bistros in Cashless Debit Card trial sites, however alcohol cannot be purchased with the card.

Where can I find out more? Contact the Department of Social Services:

KAMBALDA WEST

PLAYGROUP

JUNE/JULY 2019

'Hello winter, time to get cosy!'

Winter is just around the corner and that means relaxing by a nice warm fire with a delicious hot beverage, wrapped in warm clothes and blankets, and snuggled up to your loved one/s.

Speaking of relaxing, we had a wonderful Mother's Day morning tea filled with pampering, pasta necklace making, and sugar scrub and bouquet creating - not to mention the scrumptious morning tea we were able to enjoy courtesy of our amazing playgroup members.

We couldn't let the little ones have all the fun so we mums and dads enjoyed a game of Mother's Day bingo. Who would be the first to yell 'BINGO'? The suspense was intense!

Our lucky three winners of the game were Morgan Baker, Sal Ainsworth and Laura Wood, who received some lovely prizes including bouquets of flowers and Mother's Day mugs filled with goodies.

We had a flower bouquet station, a mint and cucumber sugar scrub (picked fresh from Jacinta's garden) station as well as a pasta necklace making station where the lil ones could make a beautiful keepsake for their loved ones for Mother's Day.

After our morning tea we were able to enjoy a pampering session from our lil ones which included facials, hand scrubs and hand massages. It was just what us mums needed!

From P34

Welcoming new members!

We love meeting and welcoming new parents and their young ones to our playgroup, especially when they become members. Seeing their smiles and the happiness that is created makes everything our committee does well worth it, and confirms that the direction in which we're taking Kambalda playgroup is the right one.

So we would like to give a big warm welcome to the following members: Elise Simpson, Sal Ainsworth, Laura Wood, and Billie Rosenberg. We hope you enjoy your time with us and take away many wonderful memories and create lifelong friendships.

Also a big warm welcome to members Morgan Baker and Cathy Taute who have returned and were missed.

Also a big big welcome to all of your creative, adventurous and enthusiastic little ones; may this be a space where your imaginations run wild and inspiration rules.

What Else is happening at KWPG

Brightminds is running a fantastic parenting course: 1-2-3 Magic & Emotion Coaching throughout June over 3 sessions. Registration is required so please email Hayley Willis for more information at admin@brightmindsot.com.au or check out our fb page Kambalda West Playgroup.

Calling all yoga mums!

The Pastor's Pen with Bill Kirkland

It might surprise people to find out that the crucifixion of Jesus Christ is described a number of times in the Scriptures as an offence. For many Jesus' degradation and humiliation was a very strange way to show God's love to humanity. The reality is that the magnitude of the sacrifice was required because man's sin (ie yours and mine) is a lot uglier than we could ever imagine.

The apostles encouraged followers of Jesus to share the message of salvation and eternal life with respect and love. They also insisted the message was never to be tampered with just because it causes offence. Commonsense says that those who don't believe in Jesus and His message can't be offended by something they think is false. Those who do believe the message bow their knee, confess their sin and declare Jesus as Lord. His followers are completely humbled by a God who would go to extraordinary lengths to bring salvation to them.

It is offensive to many that the gospel message proclaims Jesus as the only way to God. It is offensive to God that He would go to such enormous lengths to save mankind only to be rejected.

Jesus Himself sent a message to his cousin John the Baptist saying 'Blessed is he is isn't offended by Me' (Mathew 11:6). Approximately 600 years before Jesus came to earth it was prophesied through Isaiah that Jesus would be a stone of stumbling and a rock of offense. One of the biggest reasons for Jesus being described this way is that He revealed that eternal life or entrance to Heaven can't be earned by a person's good works. Good works do not cancel out sin. Christ's sacrifice and shed blood is the only thing that can cancel sin.

Men's Health Week - get checked

This June, Prostate Cancer Foundation of Australia (PCFA) is encouraging men across the nation to book an appointment and talk to their GP about their prostate health.

Prostate cancer is the most commonly diagnosed cancer in Australian men. Every year approximately 20,000 men are diagnosed with it and about 3500 lives are lost to prostate cancer annually.

From June 10-16, Australia celebrates International Men's Health Week – a great opportunity to host a free awareness talk for your workplace, organisation, or club.

PCFA Ambassadors are trained community volunteers who present on prostate cancer awareness, talk about their personal cancer experience and the importance of getting checked.

Prostate Cancer Foundation of Australia CEO, Professor Jeff Dunn AO said, "Regular health checkups are vital in beating the disease. Early detection is crucial in effectively fighting prostate cancer. Men over the age of 50 - or 40 if they have a family history of prostate cancer - need to talk with their GP about prostate health."

"If you fit the criteria, make sure you get in and speak to your GP about your prostate health and remind your loved ones and friends to as well," said Professor Dunn.

There are other ways to get involved with Men's Health Week by simply starting a conversation with your friends about prostate cancer and men's health.

To support the work of Prostate Cancer Foundation of Australia and help to spread the word about the importance of getting checked visit www.pcfa.org.au/getchecked or call 1800 220 099.

Kyran catches up with Coolgardie locals

I had a great day in Coolgardie one Saturday back in April. I caught up with Josie who is a long-time resident, and met her husband who is a signwriter. He showed me his works and I was blown away by his talent!

I also caught up with Roy, a local ambulance officer who has also been volunteering with St John's Fire and Rescue for 52 years! That is amazing!

I enjoy getting out and about and listening to people's stories. The weather co-operated that day as well. I hope to be back in Coolgardie soon to catch up with residents again but in the meantime if there is anything I can help with, please do not hesitate to contact my office at 9021 6766 or email Kyran.odonnell@mp.wa.gov.au

Ranger services update

Keeping you informed on how we are supporting community wellbeing, amenity and safety.

Due to the recent community survey that was done and with the community feedback received in regards to Ranger Services we have now employed Yvette as our Team Leader for Ranger Services. Yvette is experienced in working in this position, with 5 years' experience before coming to us. That now gives the Shire two working Rangers that will deal with the issues in both communities.

Yvette will be at the RSPCA Action Day at Coolgardie on Tuesday, June 11, at Coolgardie Park, so pop along and meet Yvette.

Community together in preventing illegally dumping

Illegal dumping costs our community more than just being a eyesore. In June 2018 the Shire spent more than \$5000 cleaning up illegal dumping of asbestos fence sheeting, which was dumped in eight laneway locations. In an effort to reduce to impact on the community and environment the Shire will be targeting illegal dumping with surveillance cameras.

For those that have information on offenders, please submit with any photo evidence, vehicle details and additional information to assist us to follow up. Prosecutions for minor illegal dumping offences occur, and the fine is between \$200 and \$10,000 if proceedings arrive in court.

Dogs ownership

Council is committed to encouraging responsible dog ownership to benefit the entire community.

Dog owners are responsible for ensuring their dogs are:

- Secured in a fenced yard on property;
- On a leash when in public; and
- Registered with the Shire and microchipped.

The Shire is currently targeting dog registration and following up to ensure owners comply. If your dog is collected by officers, owners will need to have dogs registered, pay impoundment fees and will have seven days to ensure their dog is microchipped. Dogs will not be released without owners paying the fees applicable.

Should you need assistance please call the Shire main line on (08) 9080 2111. All calls and information will be logged to enable the appropriate actions to be taken and followed up. We understand that this **change in process** may be inconvenient for some members of the public however it is important as it enables us to appropriately respond to your concerns.

For after hours emergency assistance, please contact the Shire main line and select option 1 for ranger to be diverted to the on-call officer. Officers will only attend in event of an emergency, such as a dog attack. For further assistance, police officers also have authority to act.

Should you have complaints in relation to ranger matters or services provided, it is encouraged that contact is made with the Shire and you submit your concern in writing.

Split Systems Servicing

Un-serviced units run at a lower efficiency and can cause:

- Higher power bills
- Limited heating & cooling capacity
- Noisy operation
- Mould and bacteria growth that can cause illness and foul smells.

Reverse cycle is the best way to stay the perfect temperature all year round.

Your aircon will work better, smell better, and cost less to run

Test and Tagging

Protect your assets and legal liability by having a regular test and inspection program.

We carry out RCD push tests, corded appliance tagging, and provide asset registers to keep track of everything. Perfect for auditing requirements!

Water filtration systems

Unhappy with the quality of your tap water?
Contact us today to get a water filtration system installed in your home.

- Once installed simple filter changes are all that is required to upkeep

No job too big or small, Taps does it all
