SHIRE SECURES FORUM NAMING RIGHTS

20th Annual KBCCI What's Down The Track Event Presented By Shire Of Coolgardie

- Shire Of Coolgardie wins sole naming rights for the KBCCI's 2019 What's Down the Track Forum.
- The Shire is the first local government to secure sole naming rights for the event in 20 years.

The Shire of Coolgardie has secured the sole naming rights for the KBCCI's What's Down the Track being held in Kalgoorlie on Thursday, November 21, 2019.

As the Platinum sponsor, the Shire will also be provided an opportunity to give a number of presentations during the forum and display everything that is great about the Shire of Coolgardie at an exhibition booth.

The Shire of Coolgardie is the largest mineral producer in the region and the third largest local government producer in the State after the Pilbara. Recent figures released by the Department of Mines, Industry Regulation and Safety, revealed that the value of mineral production achieved in the Shire reached \$3.4 billion in 2018/19 and currently accounts for 30 per cent of mineral production in the region.

"The Shire is privileged to have the opportunity to sponsor such an important event that showcases the mining industry in the Goldfields," said Malcom Cullen, Shire President. "Over the past two years, the Shire has proactively engaged with this industry to promote economic development to bring greater benefits to our communities.

"We also have a significant number of initiatives underway that we will share with attendees at the event - many of which will provide direct benefits to industry and communities throughout the region."

■ What's Down the Track presented by the Shire of Coolgardie tickets are on sale now and can be purchased with the KBCCI on 9021 2466 or via the website www.kbcci.com.au.

Shire of Coolgardie

Message from the Shire President
November 2019

Summer is finally here bringing a busy month of October for the Shire.

Last month, statistics were released by the Department of Mines, Industry Regulation and Safety that showed the Shire was once again the largest mineral producer in the region for 2018/19. Figures show the value of mineral production achieved in the Shire reached \$3.4 billion in 2018/19; an 8.9 per cent increase from 2017/18; the largest growth in the region.

The increase came largely on the back of the increased gold price with the strength of continued investment by Goldfields St Ives, Northern Star, and Evolution.

This year has also seen the purchase of the Higginsville gold operations by Canadian miner RNC Minerals and renewed investment into nickel by Mincor and newcomer, Black Mountain. In the next two years, there is an anticipated continued growth in the value of mineral production of at least 4 to 5 per cent.

The Shire CEO and I work collaboratively with these industry stakeholders to support economic and community development in the Shire. The Shire has established MOUs with major mining companies to identify how we can best obtain their support for infrastructure and community projects. A good outcome of this partnership approach was the contribution from Goldfields St Ives of \$200,000 towards the Kambalda Aquatic Facility redevelopment.

To complement this growth, we are also seeing several of our strategic projects getting underway with the commencement of the Lady Loch parking area project early this month. This project dates back several years, so it is fantastic to see machinery on site and development underway.

Construction has also commenced on the remaining sections on the Coolgardie North Road, which will see a full width bitumen seal to the Bonnievale Railway Station. Both projects will enhance road safety and hopefully reduce the impact of disruption within the residential area of road trains parking on the streets.

On Saturday, 19 October, the Local Government Elections were held with returning officer, Liisa Morrow working closely with our staff to run the electoral process. Congratulations to Tracey Rathbone, Kathie Lindup and Tammee Keast on your election to Council. I would like to thank Betty Logan for her service to our communities over the past eight years. Betty has been an invaluable member of our Council and we wish her all the best in her next endeavours.

This month also saw the re-launch of our community assistance grants through two workshops held in Coolgardie and Kambalda. Compass Consulting was engaged by the Shire to teach local community groups on how to access community assistance funding and apply for other funding available to them. I hope that community groups received some great tips on how to access funding to support their events and programs.

Malcolm Cullen
Shire President

Shire of Coolgardie

From the desk of the CEO
November 2019

Hi all,

I am sure everyone can agree that it's getting warm out there. The Shire of Coolgardie staff have continued to work on preparing for the bush fire season and you will find quite a bit of helpful information in this edition to guide you through the season.

I would like to congratulate our newly elected members - Tracey Rathbone, Kathie Lindup and Tammee Keast. The Shire Management and staff look forward to working with you over the next few years. We have some exciting times ahead and your contribution to our communities is greatly appreciated.

As you are aware from the media coverage and advertising through our media channels, bushfire season has already started. This is just to remind everyone that from November 1, 2019 to March 31, 2020, no fires are to be lit in the open air throughout the whole of the Shire of Coolgardie. Please also refer to our new fire rating gauge at the bottom of our website which indicates the daily fire rating for the area.

The Shire proudly recognises each year individuals and organisations that have made a significant contribution to the Shire's community. Award presentations are held in Coolgardie and Kambalda on Australia Day and nominations are now open and close on Monday, January 13, 2020. Forms are available on our website, Facebook, the Kambalda Recreation Facility and the Coolgardie Recreation Centre.

For information on the progress of our Kambalda Aquatic Facility, Project Updates are issued monthly and are available on our website or at the Kambalda Recreation Facility. We are also providing a free community shuttle bus from Kambalda to Coolgardie this season for the use of the Coolgardie Pool every Saturday and Sunday from this weekend to the 15 of December 2019. Please make bookings for the shuttle at the Kambalda Community Recreation Facility.

Our prayers, love and sympathy also go out to Bec, Lee, Ava and family at this very difficult time.

Take care,

James Trail

Chief Executive Officer

Upcoming Shire of Coolgardie Ordinary Meetings

Meetings of Council are held on the last Tuesday of the month at 6pm. Meetings alternate between Coolgardie Council Chambers and the Kambalda Community Recreation Facility function room.

Day	Date	Time	Location
Tuesday	November 26, 2019	6pm	Kambalda
Tuesday	December 17, 2019	6pm	Coolgardie

email to execsec@coolgardie.wa.gov.au

For more information please contact Leanne Shilton
on 9080 2111

Council Congratulates New Councillors

The Shire of Coolgardie's Ordinary Council Meeting on 22 October 2019 included the swearing in of all new councillors to commence their four-year term as elected representatives for the Shire of Coolgardie.

Congratulations to the Shire's new Councillor Cr. Tamme Keast as well as re-elected Councillors Cr. Tracey Rathbone and Cr. Kathie Lindup. Each of the elected Councillors will hold office until 21 October 2023.

Cr. Malcolm Cullen was re-elected to continue his role of Shire President and Cr. Tracey Rathbone was re-elected as Deputy.

‘Ex-Sciting’ Children’s Week With Scitech Visit

Celebrations for Children’s Week WA were held across the state from October 18-27, and the Coolgardie and Kambalda Community Recreation and Resource Centres were proud to also take part.

This year’s theme had been nominated as Article 12 of the UN Convention on the Rights of the Child that ‘Children’s views and opinions are respected. All children have the right to express those views freely in all matters affecting the child and the right to be heard.’

The National Children’s Commissioner, Megan Mitchell, said: “The theme of Children’s Week 2019 is the right of every child to good health and wellbeing. As Australia’s National Children’s Commissioner, I am keen to ensure that all children and adults know about and support this fundamental right.”

The event promotes the rights of children to discover, play, speak, to be healthy and safe.

And local children were able to do just that when Scitech brought its unique collection to Kambalda and Coolgardie. The visit allowed young scientists to explore, experiment and discover the world of science, technology, engineering and maths.

The community recreation and resource centres in each town hosted fun-filled days packed with interactive exhibits, igniting curiosity in kids and adults alike. Highlights included the science show “I’ve got a problem”, and the virtual reality exhibit, which featured a set of portable headsets that allowed everyone to explore fascinating new worlds without even leaving their seat.

We hope you all had a fabulous day celebrating with us and we are looking forward to acknowledging Children’s Week WA in the years to come.

Book Lovers Give Library A Busy Year

With a total of 1684 issues and renewals in the past financial year, the Kambalda Library recorded a very busy time, with many readers in our community visiting the library.

With new families moving to Kambalda constantly, we are proud to have welcomed 71 new borrowers in the past financial year. We now have a total of 323 active borrowers in our community, all with a love and passion for literature. If you have not got a library membership yet, now is the time to come and see your friendly staff in the Kambalda Public Library to fill out your FREE membership form.

Inter Library Loans and e-Resources

There is a wide range of adult fiction, adult non-fiction, junior fiction, junior kindy and junior non-fiction available in your library to explore. Members also have access to unlimited inter-library loans and to a number of e-resources.

E-resources are electronic alternatives to loaning out books or audio items using an electronic device. Most of these are available to download from your App Store or Google Play store. Some are also available for download via the Microsoft App store.

By utilising e-resources you will have access to the State Library of Western Australia's eBook, audio book and magazine collection at the touch of your fingertips.

Two very popular e-resources are Borrow Box and the Story Box library. The Borrow Box library is a fantastic app to borrow ebooks and eAudiobooks for adults and children alike.

Younger audiences can visit the Story Box library and choose from more than 270 stories read by well-known illustrators, authors and storytellers. You can even create a playlist for your child to listen to the same stories over and over again.

Simply sign in by choosing your library from the drop-down list and use your Public Library Card Number located on the back of your library membership card, and let the storytelling begin.

"There is no such thing as a child who hates to read; there are only children who have not found the right book yet." - Frank Serafini.

Tip of the month

We have recently discovered a great source for young readers with an interest in science, space and astronomy. If you want to have an astronaut reading a bedtime story from space to your child, head over to <https://storytimefromspace.com/> and check out the free selection of stories to choose from and go explore the earth from another perspective.

New Storytime suitcase

Storytime has just started for Term 4. We are more than excited to introduce yet another Better Beginnings storytime suitcase with the theme "Read it again" in October and November, before we start

What's on in November at the Kambalda Public Library
November 7, 14, 21 & 28: Term 4 Storytime, 9.30am, weekly during school term. \$2 per child
November 7: Remembrance Day Craft
November 14: National Recycling Week

introducing all things Christmas for the remainder of the term.

Recommend your favourite book!

Have you seen the poster "Recommendation of a book you loved" yet? We are asking our library patrons to share a book they liked with other patrons by leaving a sticky note on the poster. If you need help locating a recommended book, please ask your library staff for help.

Learning about Cyber Safety

Thank you to all those who attended the THINK U KNOW Cyber Safety presentation at the Kambalda Community Recreation Facility, held on October 22, 2019. The session covered very important knowledge and facts about challenges young children, teenagers as well as adults are facing in the online world these days and was certainly an eye opener for the audience. If you have missed the presentation and are interested in more information, please ask your library staff for some spare fact sheets for parents.

Clients Check Health Progress With Body Scan

Lotus Bird Vitality came to Coolgardie again during October to do body scans for the community.

There was a great turnout for the service, including some new faces, which was fantastic.

The body scans are done with the InBody570 machine in only 60 seconds.

The machine scans your body, and gives a detailed breakdown of the following:

- Nutritional, segmental muscle and fat analysis
- Bone mineral content
- Basal metabolic rate
- Total body fat percentage
- Total skeletal muscle mass
- Total fat mass
- Comparative size of each limb

- Visceral fat
 - Total body water and protein
- You then get an individualised print out of all your scores.

Tania from Lotus Bird Vitality explains the meaning of each analysis and makes recommendations for what's best for your lifestyle.

Tania is very knowledgeable with more than five years' experience doing body scans and has a huge passion for her job. Why not give it a go next time?

Scans are \$35 per person and bookings must be made online. Tania will be back in Coolgardie during December – keep an eye out for the poster around town and on Facebook!

TODDLER TIME

Looking for a bit of adult conversation?

Fun for children under 5.

Come down for a coffee and a chat while your little ones play.

A healthy morning tea will be provided.

Commencing Wednesday the 24th of July.

Every Wednesday morning.
(Except School Holidays)
9:30am - 10:30am

\$3 per supervised child.

Please call 9080 2111 for further information.

Coolgardie Library Gets New Look

The Coolgardie Library has recently received some new shelves to make more space for books and DVDs!

Previously, the library only had one shelf for the books and DVDs, but due to an increase in memberships, we needed more books! The only way to fit more books on was to get another shelf, and we are so glad we did.

We've received a large book order from the State Library of WA to fill the shelves up and give our members a better variety of books and DVDs.

Library memberships are free and take only five minutes to set up. Why not become a member today?

We have an abundance of adult fiction and non-fiction, junior fiction and non-fiction, young adult fiction, pre-school and kids and adult DVDs.

There's something for everyone in the Coolgardie library! Come on down to the Coolgardie Community Recreation Centre and chat to the staff about how to get a library membership or call (08) 9080 2111 for more information.

Shire's Community Assistance Fund Now Open

The Shire of Coolgardie's Community Assistance Fund (CAF) is now open until May 30, 2020.

The CAF is aimed at not-for profit community groups/organisations or outstanding individuals' seeking small amounts of funding for specific events and projects that align with the Shire's aspirations.

The Fund provides a maximum of \$2,000 per grant for Organisations and Outstanding Individual Grants of up to \$500.

In October, the Shire of Coolgardie hosted Ali Kent, Compass Consulting, to assist community groups to write grant applications and access the Shire's CAF.

The event was extremely successful, with participants benefiting from Ali's more than 30 years of grant writing experience. Further events are scheduled for the next calendar year.

Applications and Guidelines can be found at www.coolgardie.wa.gov.au or by contacting Leanne Shilton at coolcrc@coolgardie.wa.gov.au for more information.

Ranger Focus: Fire Hazards In The Spotlight

Shire Rangers have recently identified a number of properties that are considered to be potential fire hazards within both Coolgardie and Kambalda town sites.

If you have not received a letter requesting you to clear your property within the given time frame, then please be sure you are continuing to maintain your property by keeping it clear of all flammable materials and having firebreaks installed if required.

Bush Fire Act (1954)

As stated under Section 33 of the Bush Fires Act (1954), everyone is required on or before the first day of November, or within 14 days of your becoming an owner or occupier of land should this be after this day, to clear all firebreaks and remove flammable materials from the land owned or occupied by you as specified hereunder and to have the specified land and firebreaks clear of all flammable materials from the first day of November up to the thirty first day of March.

“Flammable material” does not include green growing trees or green growing plants in gardens. It also does not include plants native to the region that are fire resistant, for example Saltbush shrubs.

The penalty for failing to comply with the Bush Fires Act 1954 is a fine of \$5000.00 and a person in default is also liable whether prosecuted or not to pay the cost of performing the work required to be done.

For further information visit the website www.dfes.wa.gov.au or www.dfes.wa.gov.au/firechat or phone Ranger Services on 9080 2111.

FIRE RESTRICTIONS

Prohibited Burning Time: November 1 - March 31. NO burning off is permitted.

Restricted Burning Time: April 1-30 and October 1-31. Burning off can be undertaken with a permit.

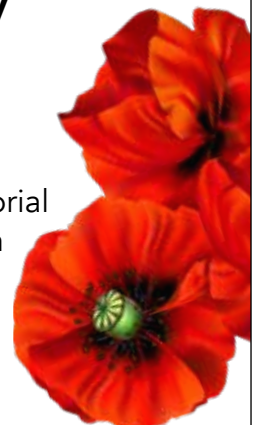

Burning Off Permitted: May 1 through to September 30. No permit necessary to burn off.

RSL Coolgardie Sub Branch Remembrance Day Ceremony

Monday, November 11, 2019
at 11am

People to assemble at the Coolgardie RSL Memorial Garden on Bayley Street at 10.30am–10.45am for a 11am Service.

Art Masterpieces And Tasty Treats Part Of Holiday Fun

With the school holidays taking place in October we yet again treated children to a fun and entertaining variety of activities.

Candles and waffles

We had a rainbow kind of day for our first holiday activity. We started off with candle making by pouring wax seeds in different colours into glass tealight holders, and the kids created the most amazing designs and patterns of rainbow-coloured candles.

Our next project was mixing our ingredients for the waffle mixture. What a fun activity for all, as we had everyone involved with the pouring, measuring and stirring. We then left it up to the young chefs to decide which colours to mix and pour together for our rainbow waffles.

Meanwhile the rest of the group played at the outdoor playground or made soft pretzels from pretzel dough, letting their imaginations run wild and shaping them into snails, love hearts and all sorts of creations. The delicious waffles were eaten well before we could even put them in bags for everyone to take home. For who can resist fresh waffles with cream and icing sugar?

Pingo Halloween

On Wednesday we invited the children to a Halloween themed Pingo day. Everyone was asked to make their own game cards by cutting and placing all the Halloween characters on their game sheet in whichever order they liked.

The tables were filled with wrapped up prizes and we

made sure everyone called 'Pingo!' at least once to collect their prize, before moving on to our Halloween scavenger hunt in the room next door.

For this we asked the older kids to not only mark off all decorations but tell us the correct count, while the younger ones only had to find and mark off all the bats, witch's hats, spiders and jack-o-lanterns.

The lucky scavenger hunters then had a go at spinning the chocolate wheel and had another opportunity to test their luck again. Thank you to everybody for coming out in your fantastic costumes.

Mixed fun activities

Sport has always been a big part of the school holiday activities and this one was sure to have lots of it with a day full of team relay games set up for battle between our "Wild Cats" and "Eagles" teams.

Continued P17

From P16

We had it all, from an obstacle course to an egg and spoon race, as well as shoebox races, trying to walk in pairs with a ball placed between two kids' hips, as well as stacking wobbly soft bricks to build the highest tower.

To give everyone a much-needed break we also provided shaving foam puffy ice cream painting and colouring in activities.

Clay bottles and cupcake decorating

Knowing how creative our holiday kids are, we included a day of clay bottle craft, which turned out a lot trickier than expected. But such amazing art was created, with clay crafts such as cats, mobile phones, penguins, flowers, Christmas trees and more all sealed in a bottle filled with water and glitter in different colours. Well done everybody.

We then moved on to the kitchen to decorate and create masterpiece cupcakes. They were topped with butter cream icing in different colours and decorated with marshmallows, M&Ms and sprinkles of all shapes and sizes.

■ See page 40 for a report from Sports Recreation Officer Mitchell on YMCA school holiday activities.

Rangers & RSPCA Entertain And Educate At Holiday Program

On Tuesday, October 8, Shire of Coolgardie Ranger Team Leader Yvette and Ranger Kevin (aka "Wombat"), along with General Inspector for RSPCA WA, Fiona Brown, joined the Kambalda school holiday program to give the children attending a presentation on what rangers and the RSPCA do, as well as some information on snakes.

The kids were very attentive and interactive throughout all the presentations and asked lots of questions.

We were even lucky enough to have a member of the community bring in their pet, Stimson's python "Indiana" in its enclosure, for the kids to check out. RSPCA Inspector Fiona brought "Brown" the dog along too and he showed them a trick or two.

After the presentations, the children completed some activities relating to the topics that had been discussed and did some snake craft.

Shire of Coolgardie Rangers will be available to deliver more presentations and education programs from the beginning of next year to our local schools and other interested groups. For more information or to express your interest please contact the Shire on 9080 2111 to speak to our Ranger Team Leader or email: mail@coolgardie.wa.gov.au with "Ranger Team Leader" in the subject line.

Shire of Coolgardie Mosquito Fogging Program 2019/20

Please be advised the Coolgardie Shire is currently taking measures to ensure that mosquito breeding does not occur which will help prevent the incidence of mosquito borne diseases such as Ross River Virus and other similar viruses. The Shire is currently working to develop a mosquito management plan which will consider all the available strategies and techniques currently used in the industry, especially the potential for source reduction and larval treatment as the Mosquito life cycle is only 12 – 14 days.

Street fogging is the spraying of an ultra-fine mist into the air from a slowly moving vehicle. The chemicals approved for fogging are usually in the “synthetic pyrethroid” family, which are designed to target insects while having a very low toxicity towards humans and mammals. At the approved dispersion rate the fog is harmless to humans, dogs, cats and birds, but is toxic to fish and aquatic organisms. The use of fogging is weather dependant with spraying ceasing during windy conditions.

When fogging is in progress, a Shire vehicle will display flashing beacon and vehicle lights and signage notifying of fogging in progress.

In urban environments mosquitoes can breed in a range of water holding containers such as;

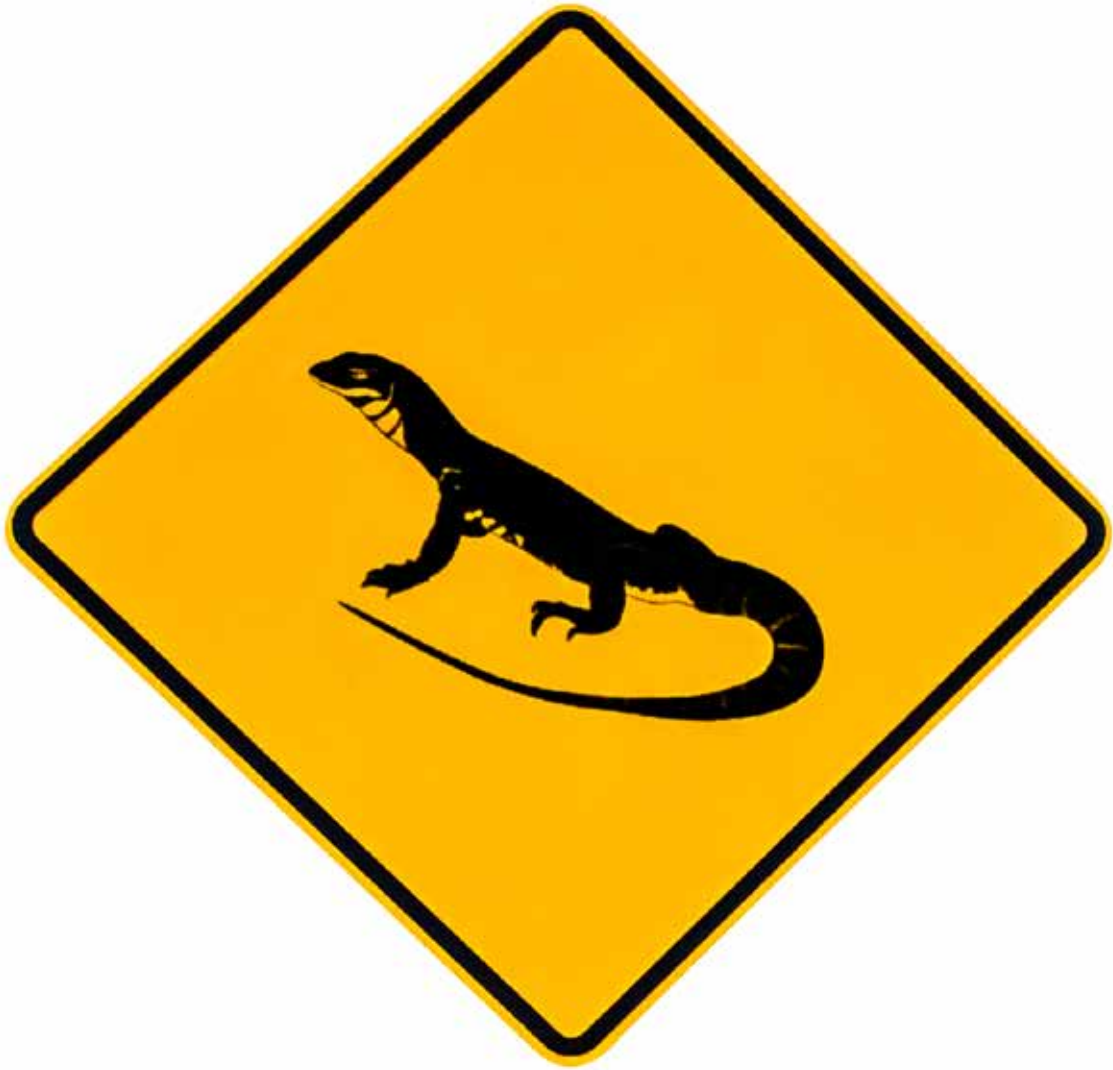

- Pot plant drip trays
- Septic and Leach Drains
- Rain water tanks
- Any old 44 Gallon Drums containing any water or liquid
- Roof gutters
- Ponds and disused containers
- Poorly maintained swimming pools
- Dog water bowls
- Disused car tyres

By checking or removing and maintaining these sites, mosquito numbers can be reduced in urban areas.

Fogging is scheduled to start commencing in November 2019, and residents are invited to make comment to the Shire via email mail@coolgardie.wa.gov.au or call to discuss on 90802111.

Your attention to this matter would be appreciated in the interests of the safety, health and comfort of residents in our community.

Games And Prizes Galore For Holiday Entertainment

The Coolgardie Recreation Centre October 2019 school holiday activities were a huge hit with the community, with a range of activities to suit everyone's taste!

Cinema trip to Kalgoorlie

Our first activity was an excursion trip to Kalgoorlie to the cinemas on Tuesday, October 1 to watch 'Abominable'

We had a great turnout for this with lots of excited children. Our bus driver, Emma, drove the Coolgardie bus with the kids to the movies and back. The children all got to enjoy the movie with a popcorn and water. It was a fantastic outing for everyone, a huge thanks to Orana Cinemas Kalgoorlie for being so accommodating for us!

Sports with Mitchell

Our Sports Development Officer, Mitchell, took a group of kids to the park on Wednesday, October 2, to play some basketball, red rover and other fun games. This session helped burn off lots of energy and the kids were exhausted by the end of it. Everyone then came to the Coolgardie Community Recreation Centre to enjoy a sausage sizzle and play some ping pong.

YMCA in the park

On Thursday, October 3, the YMCA Kalgoorlie team made their usual trip to Coolgardie for the holidays and had a fun day out with the kids. They played games, music, enjoyed a sausage sizzle and took part in some fun activities. Shire Sports Development Officer Mitchell also attended and had a great time interacting with the youth.

Kids Pingo

On Monday, October 7, we had a great turnout for our

pingo for kids event. There were heaps of awesome prizes for all ages to be won and we certainly had a lot of lucky winners and happy faces! Some yummy snacks were provided for the kids and some good humour from our Recreation Officer Jess.

YMCA Kalgoorlie trip

We had our usual school holiday trip to the YMCA centre in Kalgoorlie, where the kids enjoyed a day of being active and playing heaps of games. We had a few bus loads of kids and they were certainly tired by the end of the day!

Some of the activities they enjoyed included rock climbing, free time in the obstacle course gym, air hockey and more. We got some great photos of the kids doing flips and climbing the rock wall – including a sneaky shot of our Sports Development Officer Mitchell!

Continued P23

From P22

Kids Kickboxing

Jacko from Kalgoorlie Kickboxing came out again on Thursday, October 10, to the recreation centre to deliver an action-packed class for the children. Jacko showed the group some kickboxing techniques, including punching, kicking and a few general exercises to get their hearts racing.

Halloween disco

On Friday, October 11, the Coolgardie Recreation Centre held a Halloween Disco to end the school holidays with a bang! There were some fantastic costumes, including a ghost, princess, motorbike racer, witch and fairy!

The recreation centre staff played party games with the kids, including musical bobs, musical statues, musical chairs and a dance-off. We had heaps of prize winners during the afternoon and some happy faces by the end of it.

A massive thank you to our amazing Warden Finnerty's caretaker, Joy, for making the delicious food – the kids all loved it! Keep an eye out for our next disco, which will be a Christmas Bluelight Disco!

Australian Government

Cashless Debit Card

How it works and where it can be used

The Cashless Debit Card looks and operates like any regular bankcard, however, it restricts the purchase of alcohol, gambling products and some gift cards and cannot be used to withdraw cash.

What does the Cashless Debit Card look like?

Where can the Cashless Debit Card be used?

It can be used:

- in any store that accepts EFTPOS nationwide, and to shop at approved online stores
- to pay bills and make recurring payments (such as rent or mortgages)
- for online banking via the Indue website or with an app for both Android and Apple devices

It cannot be used to:

- x buy alcohol
- x buy gambling products and/or some gift cards
- x withdraw cash

How does the Cashless Debit Card work?

- The Cashless Debit Card does not change the amount of money people receive from Centrelink
- It only changes the way in which people receive and spend their fortnightly payments

People on the Cashless Debit Card receive:

- **20 per cent** of their welfare payment into their regular bank account
- **80 per cent** of their welfare payment onto their Cashless Debit Card
- **100 per cent** of lump sum payments from Centrelink (e.g. Family Tax Benefit) onto their Cashless Debit Card

Example of how someone might receive their payments if they are on the Cashless Debit Card:

If a single person with three children aged under eight and renting receives \$1,468 in Newstart Allowance, Family Tax Benefit and other payments every fortnight:

- \$1,174 will go onto their Cashless Debit Card
 - \$294 will go into their regular bank account, which they can access as cash
-

Where can I find out more? Go to dss.gov.au/cashlessdebitcard

Or contact the Department of Social Services on 1800 252 604 or at cashlessdebitcard@dss.gov.au

The information contained in this fact sheet is intended as a guide only. The information is accurate as at October 2018.

Bootscoot'n Returns To Kambalda

Due to a huge demand PureGold Bootscooters is returning to Kambalda

It is a lively, upbeat dance class to exercise your body and mind. Bootscoot'n is a fun way to dance socially without a dance partner. Enjoy a dancing style that gets your boots scoot'n.

Each class is taught in an easy and precise way, walking you through every term and step used at a pace that is totally stress-free.

You need to have no knowledge of the terminology used, everything will be taught to you. The classes are easy to do and are loads of fun.

Tutor Andrea is a mum of four, ages ranging from 15-25 years, with Veritee being the youngest child and a champion linedancer. Andrea has been teaching bootscoot'n for more than three and a half years and in that time has competed and choreographed.

She has watched the club grow from initial five members to more than 60 members today, including children and adults in Kalgoorlie, Boulder and Kambalda classes.

■ Kambalda classes are run every Thursday morning at the Kambalda Community Recreation Facility from 9am-10am. Cost: \$5pp. Everyone welcome.

Entrants Soak Up Sunshine At Spring Fun Run

On Sunday, October 6, 2019 the Kambalda Community Resource Centre partnered with the Kambalda Community Recreation Facility to deliver the annual Kambalda 5km Spring Fun Run.

As in previous years the race started at the Old Fire Station in East and finished at Lions Park in West, with a sausage sizzle and refreshments kindly donated by the Kambalda CRC.

There were more than 40 participants, ranging from competitive runners, to walkers, mums and bubs and young children, all who enjoyed the exercise and sunshine.

The first three participants to the finish line were:

- 1st placing: Stevie Wanoa-Katene
- 2nd placing: Mikey Wanoa-katene
- 3rd placing: Wayne Marchese

A big thank you to the Kambalda Police who came to our rescue and became traffic controllers on the day for our participants to cross the main road safely.

Congratulations to everyone for giving it a go - you are all winners.

Snake Handlers ... To Horse Rescuers

On the afternoon of Friday, October 19, Coolgardie volunteer snake handlers Allana Lind and Aleysha Elmer were called out to a unique case.

A member of the public informed the Coolgardie Community Recreation Centre staff of a dead horse in the Londonderry dam (about 10km south of Coolgardie), with its young foal nearby, alone. Allana and Aleysha were called out to pull the dead horse from the dam, to prevent contamination to the water, and to attempt to catch the young foal, which would've died without its mother.

The ladies arrived on the scene at the Londonderry dam and saw a horse lying on its side in the waterhole. Upon closer inspection, they discovered it was alive!

She was exhausted, weak and very stuck in the clay-like mud. Her foal was patiently watching from a distance, along with another horse, which was believed to be a stallion. Allana and Aleysha couldn't believe their luck and immediately went on their hands and knees in the mud to start digging to free the mare's legs, which were trapped. She was so weak that she didn't fight or resist the help.

Allana and Aleysha eventually freed the mare from the mud after about 30 minutes, but ran into their next issue. The mare was so tired that she didn't want to stand up.

The ladies knew they had to get her on her feet or she might not attempt to stand. They were also mindful that there could be predators around and didn't want to leave her there.

After trying to push the mare onto her feet, she was still being too stubborn and wouldn't get on her feet. Allana luckily had some straps and rope in her ute, so she made a loop around the horse's belly and resorted to dragging the mare to her feet with the ute – which worked!

The exhausted mare shakily got to her feet and trotted off into the bush where her excited foal and stallion rejoined with her. The brumby family was back together again.

"It's moments like this in life that you never forget – seeing the mare rejoin with her foal was incredible. I don't want to think about what could've happened if the member of the public didn't tell us about the horse in the dam. We are so happy about the outcome and hope the mare is doing well," said Aleysha.

Meet The Locals Over Coffee And Craft

Social Cuppa & Craft sessions are still happening every Monday and Wednesday from 10.30am-12pm at the Coolgardie Community Recreation Centre.

Come along and meet the staff, interact with our local seniors, play some table tennis, make some craft or just come for a chat and cuppa.

You can also share some morning tea and stories and get to know one another!

We are looking to boost our numbers for our sessions and hope to get more locals come along. If you have any questions, call the recreation centre on (08) 9080 2111.

HALLOWEEN PINGO

On the night of Monday, October 28, the Coolgardie Recreation Centre hosted a spooky Halloween Pingo! We had a great turnout of around 30 people and lots of scary costumes. Congratulations to Faye Kent who won the raffle prize and Kevin Knapp who won the door prize, we hope you enjoy your prizes. During the night there was spooky chips and gummy eyeballs for the tables, along with tea and coffee refreshments.

Specialising in women's health and wellness needs

St John Medical, Kambalda can assist you with all your women's health needs including:

- Mirena insertions and removals
- Cervical* and breast cancer screening
- Menopause management
- Mental health care including mental health care plans
- Weight management/diabetes management

* Will be bulk billed for November 2019

How To Report A Faulty Street Light

Got a faulty streetlight on your street? Simply go to the Western Power website and follow the prompts to report it online, or by phone on the number listed below.

Western Power will then arrange to have it repaired or replaced.

To report a broken, flickering or otherwise faulty streetlight:

- Go to www.westernpower.com.au and click on 'faults and outages'.
- Follow the prompts and on the interactive map, find the faulty streetlight. Select it, click on 'next' and fill in any additional information, your contact details and then click 'submit'.

If you are unable to report a streetlight problem online, you can phone the Western Power streetlight direct line on 1800 622 008. You will need to have noted down the streetlight number (posted on the light's pole) to tell the customer service representative. If you are unable to get the pole number, provide the customer service representative with the exact address, or as much information as possible to identify the location of the pole so Western Power staff can find it and provide the necessary repairs.

Western Power installs and maintains streetlights on behalf of most local councils. Councils control the location, brightness, and the number of streetlights in their area. Main arterial road lighting is installed and maintained by Main Roads Western Australia.

Western Power says that for streetlight faults in major regional centres (eg Kalgoorlie), repairs are normally made within five working days, and nine working days in rural areas.

DAILY FIRE DANGER RATING

Keep up to date with local fire conditions with the Shire website www.coolgardie.wa.gov.au

The Fire Danger Rating sits in the footer of the Shire of Coolgardie website and reports on local fire conditions. At each rating, the fire behaviour and potential impact on you will be different. This is updated daily by DFES.

Be sure to monitor this rating system daily to keep informed about the local bushfire danger.

To view the Fire Danger Rating, go to www.coolgardie.wa.gov.au on a desktop or mobile device, and scroll to the bottom of the page.

Are You Ready For Bush Fire Season?

With the weather becoming warmer and drier, it is important to begin preparations for the looming bush fire season. The Shire of Coolgardie hopes to support community members in their preparations by providing helpful, timely and up-to-date bush fire information.

The Bush Fire Information page is a helpful resource for those looking for more information on burning restrictions, fact sheets and fire break requirements.

There are a number of other steps you can take to prepare yourself for the bush fire season, including familiarising yourself with the below information.

Fire Danger Rating

You may have noticed a new addition to our website. The Fire Danger Rating sits in the footer of the Shire of Coolgardie website and reports on local fire conditions. At each rating, the fire behaviour and potential impact on you will be different. Be sure to monitor this rating system daily to keep informed about the local bushfire danger.

Frequently Asked Questions (FAQs)

What should I do with my pets and livestock during an emergency?

Part of your bushfire preparations should include preparing for any pets or animals you have on your property. As an owner of animals you have a duty of care to provide appropriate food, water, shelter and treatment for injury or disease for your animals.

Having a duty of care for an animal means you are legally obliged to care for it by providing for its needs in a reasonable way, so it is important to have a plan in place if a bushfire were to occur.

Continued P39

From P39

I can see and smell smoke, but here is no bushfire alert. What do I do?

DFES responds to more than 6,500 bushfires each year and only issues alerts and warnings when there is a known possible threat to life or property.

If there is no alert posted on the www.emergency.wa.gov.au website, recorded on the information line or distributed to the media, it often means there is no threat to your area at this time.

In the event that there is a bushfire that is known to be threatening property or personal safety, DFES will issue community warnings and alerts through a number of channels.

However, bushfires can start suddenly so you need to be ready to act even if you do not get an official warning. You need to stay alert on hot days and look for information, regularly going outside to check for signs of bushfire. Act immediately for your own safety. Do not wait and see – this can be deadly.

How can I find out today's Fire Danger Rating for my area?

Fire Danger Ratings are issued by the Bureau of Meteorology and are publicised by DFES when there is a rating of severe or above.

Check the Fire Danger Ratings page to find out whether your area has a rating at severe or above.

If your area is not listed on that page, you can find out the Fire Danger Rating for your area by going to the Bureau of Meteorology's website and clicking on the relevant section of the map. Alternatively, scroll to the bottom of the Shire of Coolgardie website and view the Fire Danger Rating in the bottom footer.

What are firebreaks? Why are they required?

Firebreaks are 'a strip of land that has been cleared of all trees, bushes, grasses and any other object or thing or flammable vegetation leaving clear, bare mineral earth.'

Firebreaks is also used as a generic term to describe the broader fire prevention work required by land or property owners.

Firebreaks are required in order to provide a safe area for firefighters to work from in a bushfire, to prevent the extension of a bushfire, and to prevent a fire entering or leaving your property.

Prohibited burning time

NO FIRES are to be lit in the open air between November 1, 2019 and March 31, 2020. The ban applies throughout the whole of the Shire of Coolgardie.

Do not put yourself, your family or your community at risk!

Shire of Coalgardie

Bush Fire Act Notice

For Owners And Occupiers

Pursuant to the powers contained in Section 33 of the Bush Fires Act 1954, you are hereby required on or before the first day of November or within fourteen days of your becoming owner or occupier of land should this be after this day to clear all firebreaks and remove flammable materials from the land owned or occupied by you as specified hereunder and to have the specified land and firebreaks clear of all flammable materials from the first day of November up to the thirty first day of March.

1. Land Outside Town Sites

- 1.1 All buildings on land which are outside town sites shall be surrounded by two firebreaks not less than two (2) meters wide cleared of all flammable material, the inner firebreak to be not more than twenty (20) meters from the perimeter of the building or group of buildings and the outer firebreak not less than 200 meters from the inner firebreak.
- 1.2 The removal of flammable material from the whole of the land between the firebreaks required in paragraph 1.1 above.

2. Land In Town Sites

- 2.1 Where the area of land is 2000 square meters (approximately ½ acre) or less, all flammable material shall be removed from the whole of the land.
- 2.2 Where the area of land exceeds 2000 square meters, firebreaks at least three (3) meters in width shall be cleared of all flammable material immediately inside and along the boundaries of land. Where there are buildings on the land additional firebreaks three (3) meters in width shall be cleared immediately surrounding each building.

If it is considered for any reason to be impractical to clear firebreaks or remove flammable material as required by this notice, you may apply to the Council not later than the first day of November for permission to provide firebreaks in alternative positions or take alternative action to remove or abate fire hazards. If permission is not granted by Council or its' duly authorised Officer, you shall comply with the requirements of this notice.

"Flammable material" does not include green growing trees or green growing plants in gardens. It also does not include plants native to the region that are fire resistant, for example; saltbush shrubs.

If the requirements of this notice are carried out by burning, such burning shall comply with the relevant provisions of the Bush Fire Act 1954.

The penalty for failing to comply with this notice is a fine of \$5000 and a person in default is also liable, whether prosecuted or not, to pay cost of performing the work directed in this notice, if it is not carried out by the owner or occupier by the date required by this notice.

**THE PROHIBITED BURNING PERIOD WILL BE FROM 1 NOVEMBER TO 31 MARCH
AND SHALL APPLY THROUGHOUT THE WHOLE SHIRE.
THE RESTRICTED BURING PERIOD WILL BE FROM 1OCTOBER THROUGH TO 30 APRIL.**

By Order of the Council
James Trail
Chief Executive Officer

Pool Season Kicks Off With Free Open Day

On Saturday, October 26 2019, the Coolgardie Swimming Pool opened for the season!

For this season, the pool will have free entry for everyone (as long as children under 10 are supervised by someone over 16).

From 11am to 6pm there was an excellent turnout of around 100 people, with fun activities and inflatables for everyone to enjoy.

During the day, registrations were also taken for the 'Swim for Fruit' program which is a free after-school swimming program being held on Mondays and Wednesdays from 4.30pm-5.30pm for kids aged six to 15.

We've had a huge amount of interest for this program, where kids get basic swimming lessons, play games and enjoy fun pool activities and competitions. After their swim, they get a piece of fruit as a reward.

A huge thanks to the Coolgardie Volunteer Fire and Rescue Service for holding a free sausage sizzle on the day for everyone at the pool to enjoy. It was a great day and we can't wait for the rest of the season!

Thanks to the Coolgardie Community Resource Centre for providing the food for the day.

October Packed With Fun And Games For All Ages

October has been a very busy month for the Shire's sports development program, with lots of events and activities.

The month included school holidays, a launch for the Mini Roos program, a youth night in Kambalda, after-school fun and games in Coolgardie, and board games with senior community members at the Coolgardie Community Recreation Centre.

The kids and the seniors have been active, which is great for our community.

YMCA activities

During the school holidays we had both towns involved with YMCA activities. The YMCA visited both towns, collecting kids for holiday activities, as well as hosting games and events.

One of the activities run by the YMCA was an amazing race, with the children splitting up in two teams and travelling around Kalgoorlie to different landmarks, where they would complete different challenges like finishing a riddle or hitting a crossbar with a football.

On the other days they set up water activities, bouncy castles, basketball games and rock climbing. Thanks to the

YMCA for putting these great activities on for our youth - we can't wait for the next holidays with YMCA.

Mini Roos

Mini Roos is a program for kids between the ages of 4 and 11.

With this program we are focusing on short, sharp fun soccer games. Participants learn how to pass, shoot goals, defend, as well as have a good time.

The program in Coolgardie restarted on October 19, and the Kambalda program started on October 24. If you have any inquiries about Mini Roos feel free to call Mitchell on 9080 2111.

Coolgardie after-school program

In Coolgardie on Monday to Wednesday we have an after-school program so children can come in and hang out at the recreation centre.

We have table tennis, computers and colouring in and games available. We also go to the park for basketball, soccer or football and just play around in a fun and safe environment.

Continued P45

From P44

Kambalda Youth Night

Youth night in October has been very well received. We decided to throw a youth night on the final week of the school holidays following community requests, and it drew a very good crowd.

The final youth night in October was a really big success, with new kids coming down and enjoyed playing basketball, pool and all the other fun games. The next youth night will be on the November 8, and I can't wait to see all the kids down at the rec centre for the Friday night.

Board games for seniors

Every Wednesday in Coolgardie senior members of the community gather at the recreation centre to play board games, do craft and socialise.

The seniors are pretty sharp players who enjoy the games rummikub and poker (not with real money though!) This is on every Monday and Wednesday, so I hope to see more people in the month of November.

Swim for fruit

There will be a new program in the month of November in Coolgardie called swim for fruit.

Kathy, the pool manager, and I will be running this program, which will be held at the pool every Monday and Wednesday after school.

The program will involve swimming activities and enjoying fresh fruit. What a perfect combination.

Sports Action, And Secrets Of The Fire Service

For two days during the school holidays we provided basketball games at the Kambalda Community Recreation Facility for kids aged 12 to 17.

We had a very good turn out, with both boys and girls participating. The program was a huge success and the Shire can't wait to put it on again during the next school holidays.

For the younger children of Kambalda, we had a sports day on the first Friday of the school holidays. Participants played all sorts of fun games like golden child, dodgeball and line chasey. After a lunch break, the children enjoyed free time in the stadium.

On the last day of the school holidays we took an excursion to the Kambalda fire station. The kids loved this as they got to learn what happens if a fire happens at their house, see the fire trucks and all the secret spots for all the fire fighters' tools, and hear the sounds of the fire trucks. They also got to spray one of the awesome fire hoses.

Thank you to the Kambalda Volunteer Fire and Rescue Service for the educational and excellent day we had there.

The day finished with a game of musical statues and it was great to see the kids enjoy themselves and have a boogie.

- Sports Development Officer Mitchell Dzelebdzic

let's get cooking...

easy pizza scrolls

INGREDIENTS:

- 1/2 small red capsicum, chopped finely
- 100g ham or 100g salami, finely chopped
- 1/2 cup cheese, grated
- 1/4 cup pizza sauce
- 2 sheets ready rolled puff pastry

METHOD:

1. Preheat oven to 200C.
2. Combine the chopped capsicum, ham and cheese in bowl.
3. Spread the sauce onto each sheet of pastry, leaving a 2cm border along one side, and sprinkle the capsicum mixture over the top.
4. Roll up the pastry to enclose the filling (like a swiss roll), leaving the plain edge until last.
5. Brush the edge lightly with water and fold to seal.
6. Cut each roll into 1cm rounds (use serrated bread knife) and place on lined oven trays.
7. Bake for 20 minutes or until the pastry is golden.

The Pastor's Pen with Bill Kirkland

The account of creation in the book of Genesis is quickly followed by what is known as the fall of man. First Eve ate from the tree (described as the tree of knowledge of good and evil) that God had told them not to eat from and she was quickly followed by her husband Adam. One of the promises the serpent made to Eve when encouraging her to eat of the tree was that it would make her wise (Genesis 3:6). Eating the fruit of the tree according to the serpent was good for food, pleasant to the eyes and able to make her wise.

On first glance it would seem a perfectly reasonable thing to want to obtain wisdom. Ignorance is not bliss and can lead to all sorts of problems. God Himself is described in Scripture as being the only wise God so why wouldn't His creation also want to be wise. The bible says that prior to Adam and Eve eating the fruit of the tree of the knowledge of good and evil that God walked with them daily. At their fingertips was the wisdom and knowledge of an all-wise God.

By partaking of the fruit of the tree of knowledge of good and evil instead of being wise they actually became foolish. One commentator points out that God had not intended for man to know good and evil but to be able to discern good from evil. Romans 16:19 instructs followers of Christ 'but I want you to be wise in what is good and innocent in what is evil.'

Bottle Digging Fun At Coolgardie Tip

Over the recent long weekend, Coolgardie once again hosted the Bottle and Collectables Club of WA (BACWA) during their second Council-approved dig at the Coolgardie tip.

The weekend started for the more than 50 registered bottle diggers with a social barbecue on the Friday night at Warden Finnerty's Residence. This was followed by a small bottle auction, including some lovely items very kindly donated by BACWA members, with all proceeds raised from the auction going to the Coolgardie Exhibition Museum.

At 8am Saturday the very excited, energetic bunch of diggers met on Bayley Street in front of the museum. Once there, they were told of the rules and safety precautions in place during the dig, and then it was time to set off in convoy for the Coolgardie tip.

Through research, the club had discovered some old sanitation dumps within the Coolgardie tip boundaries. With a lot of prior planning a loader had been bought in a couple of days earlier to clear the rock-hard topsoil and it soon began to reveal the trenches underneath.

Continued P49

From P48

It then came down to using muscle, along with a little bit of grit, determination and perseverance, and over the next three days the bottle diggers used their shovels, picks and garden forks to unveil some great treasures.

For those who were willing to stop and have a break, there was a qualified masseuse within their ranks available to help ease the aches and pains, and a sausage sizzle supplied each day for lunch.

With new friends and some great memories made a great time was had by all members over the three-day dig.

When the fun was over the loader was again fired up to return the dirt that had been moved to allow for the treasure hunt and returning the area to the way it was found before the dig.

A big thankyou to our Warden Finnerty's Caretaker, Joy, for her help with the barbecue, setting up before and cleaning up after, to the Shire of Coolgardie staff who helped keep things running smoothly, and most of all to all the BACWA members who did all the hard work organising the weekend and making it memorable for everyone involved!

- Coolgardie Visitors Centre

Waghorn Bottle Collection - Coolgardie's Goldfields Exhibition Museum

In 1954, when Frank and May Waghorn went to Sandstone and May found their first two Penny Ink Bottles, no one could have imagined the collection of old bottles and historic collectables they would create. They travelled all over WA, NT and SA digging as they went along and adding to their collection.

In 1977 the Waghorn's moved to Coolgardie and opened their home as a museum to display their ever-expanding collection and over the years they won many ribbons at shows for their remarkable bottle collection.

The glass in the Waghorn Bottle collection is in an amazing array of colours, shapes and sizes.

Glass is made from sand, soda and lime, all sand has some iron oxides in it and this makes the glass aqua coloured or green. Clear glass without this aqua tint can be made by adding red lead, but this was too expensive for the 19th Century trade in common bottles.

Clear bottles were not common until about 1880 when bottle manufacturers discovered they could get remove the aqua colour by adding manganese, or selenium. Clear bottles with high manganese content are the ones which turn to beautiful amethyst shades after being exposed to sunlight. Those with high selenium content turn to amber or brown.

Natural glass colours, where the colour goes into the glass at the time of manufacture were created by adding other minerals, olive green (iron slag), brown (carbon), yellow and green (chromium and sulphur), purple (manganese), red (copper or gold).

Tin or zinc is added to the mixture to make milk glass and cobalt for the deep blue glass.

Bright rich colours are not particularly common in old bottles, because coloured glass was more expensive, but poisons were usually bottled in them as a warning. Some poison bottles were very elaborately designed.

When the Waghorn's decided it was time to retire the Waghorn Bottle Collection became a part of the Shire of Coolgardie's Goldfields Exhibition Museum, housed in the old courtroom in the Wardens Court Building on Bayley St Coolgardie.

- Coolgardie Visitors Centre

Tent Serves For First School In Coolgardie

As you could imagine, it did not take long for the population of Coolgardie to grow following the discovery of gold. The families of prospectors and businessmen alike eventually began to join them, so naturally, a school was needed.

A history of education in Coolgardie

1894: The first Coolgardie Progress Association was formed in May, and it was this organisation that started proceedings for the school.

September 10, 1894: The Coolgardie Municipal Council approved the go ahead for the 'tent school' and the progress committee advised the department of education of what was needed. Which included:

- 1 x tent, 30 feet (9.1m) by 20 feet (6.1m) for the school
- 1 x tent, 12 feet (3.6m) by 10 feet (3.1m) for the principals' quarters
- Floorboards (for the dusty ground)
- Desks, box of cupboards for school material, blackboards, maps etc.

September 17, 1894: Mr. G.B. Crabbe was appointed principal.

October 10, 1894: Blackboards, easels, and free stock had arrived. Within a couple of months, the tent school had been erected.

November 12, 1894: The school was officially opened by Mr James Shaw, the newly elected first mayor of Coolgardie.

At the time of the opening, there were 25 students enrolled, and although the names of those students is not available, it has been recalled that they included

Joseph and John Penglase, Thomas James, and George Lathrope. These were all well known names in Coolgardie for many years later.

Like their pioneer parents, the students were considered 'brave souls'. They prevailed in the harsh conditions that the area offered. A tent can be oven-like in the summer and an ice-chest in the winter.

1895: Attendance was starting to drop. Reasons given included the departure of families to new 'rushes', fever, and 'boy labor' (believe it or not). In regard to the fever, reference has been made to the fact that there were no fewer than 35 funerals in the week prior to March 5, 1895. And by September, Principal Crabbe had left. Apparently, he had not had a happy time.

October 27, 1895: John MacIntyre became the new principal. It seems that the school enrolments increased considerably in 1896 and 1897. A report from May of 1897 showed that there were 420 students attending the school, and the numbers were increasing.

Continued P51

From P50

October 1897: Mr. J J Tucker, the town clerk, wrote complaining of the conditions in one room, measuring 60 feet by 20 feet, that was used to accommodate 150 infants. He described it as "insufferably hot and on occasions had to be closed all day on account of the clouds of dust, with the temperature rising to 38 degrees".

A.W MacDonald, the mayor at the time, considered this to be "highly detrimental to the students and teachers, and also to educational progress". A new building was needed.

June 1897: A contract was let to Mr. M. Barrie, for an infants school to be completed by January 1898.

There's no information on when these buildings were first used, but it most certainly would have been a day to

celebrate, as well as a wonderful reprieve from the hot, dusty tent the students had been using.

November 12, 2019: Coolgardie Primary School turns 125!

COOLGARDIE VISITORS CENTRE & GOLDFIELDS EXHIBITION MUSEUM

The Exhibition has been established to keep alive the memories of the discovery and development of the Goldfields of Western Australia with particular emphasis on the early days.

The Wardens Court building was built in 1898. The pink stone which was used to build the building came from a local quarry in Bullabulling, located about 30kms west of Coolgardie. You will see the same pink stone on many of the old buildings throughout the Goldfields. On the ground floor you will find The Pharmacy, The Entombed Miner and The Coolgardie Room displays.

Follow the original solid cedar staircase to the top floor and discover the exhibits telling the history of Coolgardie Prospectors, Pioneers, Transportation, The Pipeline, The First Nurses & Hospital and also the world famous Waghorn Bottle Collection.

Come in and visit our friendly visitors centre staff for advice on your next Goldfields adventure. We hope you enjoy the Goldfields Exhibition Museum while you are here, open Monday - Friday 8.30am - 4pm, Saturday & Sunday 10am - 3pm

Vintage Cars Grace Streets of Coolgardie

Thank you to Coolgardie

A decision was made to host the Kathryn Paynter Memorial Back to the Goldfields Rally as a leadup event to the Lake Perkolilli Red Dust Revival during September.

It would be an opportunity to showcase the Goldfields and its abundant history to our visitors. A visit to Coolgardie - the "Mother of the Goldfields, where it all began" - was a must.

The visit turned out to be one of the highlights of the four-day event, leaving a lasting impression on the entrants. This would not have been so if not for the enthusiastic support of the Shire of Coolgardie and members of the community who all went that extra yard to make our visit so enjoyable and memorable.

Our visit commenced with a visit to Warden Finnerty's where the caretaker had gone to an awful lot of trouble to welcome us and have the grounds set up to accommodate our group. Vic Dale gave a talk on the history of Coolgardie, including some of his poetry, which was well received at our lunch stop.

Gold Rush Motel did an excellent job of catering an absolutely delicious lunch which everyone enjoyed immensely.

We would like to thank Morris Costello, from Signs of the Past, for opening his amazing collection which had our visitors reminiscing for ages after, and the other businesses who went above and beyond to showcase Coolgardie.

Our final destination was the Coolgardie Men's Shed where Wayne Bird showed members their latest projects and displays.

Last but not least the Veteran Car Club would like to thank the staff from the Coolgardie Shire who did all they could to accommodate us, providing tables and chairs, tea and coffee and designing a poster promoting our visit. All this was organized with a simple phone call and not pages and pages of paperwork, a real credit to them and a lesson which other councils could learn from.

We had 35 cars from as far as Brisbane, Sydney and Darwin, and ranging in age from 1907 to the 1960s. We have received nothing but positive feedback about the rally and a lot commented on the Coolgardie Museum and how good it was. One memorable comment from a Perth entrant was, "This is fantastic, how come we haven't been here before? If you decide to do it again, we will definitely be back."

So, on behalf of all the entrants, thank you Coolgardie one and all.

- Alex Gallo Rally Director

Kerbside Waste Collection

REFUSE COLLECTION

Hard refuse should be placed neatly on the verge as close as possible to the kerb and your driveway. The following items will be collected from your verge;

WHITE GOODS -Stoves, refrigerators (doors to be removed), washing machines etc.
TRAMPOLINES/SWING SETS must be dismantled
SCRAP METAL
OLD FURNITURE
GENERAL RUBBISH

The white goods and scrap metal should be placed on the verge in a pile separate to the other hard refuse as this will be collected separately and recycled. All items of hard refuse will be collected by hand. A maximum weight will apply and as a general rule, two (2) people should be able to lift the item easily to shoulder height with the item being no longer than 4 metres.

Please note this service is available in townsites only. It is important that residents pay close attention to the requirements of the roadside collections. All waste is to be placed in a pile neatly on the verge no earlier than one (1) week prior to the advertised collection week.

All waste must be placed on the verge by 6.00am on the advertised starting date as the truck will only travel down your street once. All waste is to be placed on the verge without obstructing footpaths or line of sight particularly adjacent to road intersections. Waste will not be collected from Vacant Properties, Public Land or Land outside townsite boundaries.

THE FOLLOWING ITEMS WILL NOT BE COLLECTED:

- Green Waste
- Chemicals
- Sand
- Flammable Liquids
- Rubble
- Asbestos
- Bricks
- Batteries
- Cement
- Motor Vehicles
- Tyres
- Car Parts
- Pesticides
- Foodstuffs
(Household Waste)

Please have refuse out on the Sunday prior to collection date.

JOURNEY

We walk alongside you,
providing support and
encouragement.

Do you know anyone who has a business idea or needs business support?

Many Rivers is a not-for-profit organisation that provides free microenterprise development services to Australians experiencing disadvantaged circumstances. We work with people to help establish and/or expand their existing business so they can become economically self-reliant and make a valuable contribution to their communities.

We assist clients to start business, stay in business and thrive in business through our distinctive approach:

1. **Local** Enterprise Development
Field Officers live and work in the communities where we operate.
2. **Practical** Business Support
We focus on what needs to get done to get the business on track.
3. **Access** to Finance
We provide access to unsecured business loans and are providing access to other products and services to eliminate barriers for our clients.
4. **Journey** with People
We walk alongside our clients, providing ongoing support and encouragement.

If you would like to know more about our service, please contact our Goldfields-Esperance Officer Janine Thornton on 0477 736 266 or email Janine.Thornton@manyrivers.org.au.

You can find out more information about Many Rivers and some of the clients we have helped into business on our website: www.manyrivers.org.au.

"People Making Time for People"

DRUMBEAT KAMBALDA

Centrecare Goldfields Families First program will be facilitating DRUMBEAT in Kambalda. The program will run weekly through the school term with a final performance at the lighting of the Kambalda Christmas tree on 14th December 2019.

DRUMBEAT is an early intervention program using hand drumming to engage participants in a group process that explores relationship issues. Sessions cover topics such as: Values, Peer Pressure, Identity, Social Harmony, Teamwork and Emotional Expression.

The DRUMBEAT program:

- Increases positive social connection
- Engages young people through the medium of music
- Provides a sense of connectedness with self and others
- Is physical, providing an avenue for the release of inner tension
- Is non-competitive and fun
- Allows for pro-social, creative self-expression
- Reduces self-centeredness, isolation and alienation
- Reduces tension, anxiety and stress

DETAILS

When: Every Tuesday commencing on the 29 Oct 2019

Time: 3:30pm to 4:30pm

Where: The Kambalda Recreation Centre

For more information, please contact Joelyn or Faith at Centrecare on 9080 0333.

The Drumbeat Program is a Holyoake Program and is facilitated by Centrecare

Coolgardie Team Finalist In Hospitality Awards

The team at the Coolgardie Gold Rush Motels are excited to have secured a position as a finalist in the 2019 AHA-Aon Hospitality Awards for Excellence.

We have been listed as finalist in the Tourism Initiative Award category, and Samuel Field (pictured) is a finalist for the Cookery Services Employee Award.

The staff pride themselves in providing the guests with the best friendly professional service, starting from checking in at reception, making sure the room is perfect & serving the best food with a smile.

It doesn't stop there - while dining we try to interact with our guests, and educate them about the history and what there is to see and do in the area. We like our guests to leave with

a great impression and an experience to remember.

Congratulations to Sam, what an achievement, we all are very proud of you. Sam puts his best foot forward, starting from food prep, cooking and serving food for our guests. He always steps up to challenge when needed & will get his hands dirty when required. He has a great attitude to his work & is a valued member of our staff. Go Sam!

The awards night will be held on Monday, November 11, at the Byron Bay Lager Gala Ball.

Charlie, Jan, Kev and Steph are very proud of all of our staff, this is a true reflection of them all, the effort that they put in and how hard they work. Congratulations to you all, good luck.

- Gold Rush Motel team

Baked Treats Help Fund Trip To State Competition

On Saturday, October 12, 2019, the Coolgardie Volunteer Fire & Rescue Service held a bake sale, raffle and sausage sizzle to help fundraise for the Junior Running Team's upcoming Fremantle State Competition.

The fundraiser was held outside the Boothey Family Moran's Store from 8am-1.30pm with a variety of tasty treats for everyone. There were cakes, slices, brownies, fresh scones, pasties, sausage rolls and a sausage sizzle!

The raffle was a huge success. First place (Cadbury hamper) went to Lyn Ward; second place (\$50 Lotto board) went to Kylie Galloway and third place (\$20 IGA voucher) went to Alan Bergin.

Congratulations to all our prize winners and thank you for showing your support.

On behalf of the Coolgardie Volunteer Fire & Rescue Service Junior Running Team, we would like to thank the Coolgardie community, visitors and travellers for coming

down to show their support by buying our baked goods, raffle tickets, sausages and giving kind donations.

A big thank you to Boothey Family Moran's Store for donating sausages and bread and for letting us set up our stall in front of their shop!

COOLGARDIE HEALTH CENTRE CHRISTMAS COLOURING COMPETITION

Age categories are 3-6 years; 7-12 years; 13+ years; and seniors.

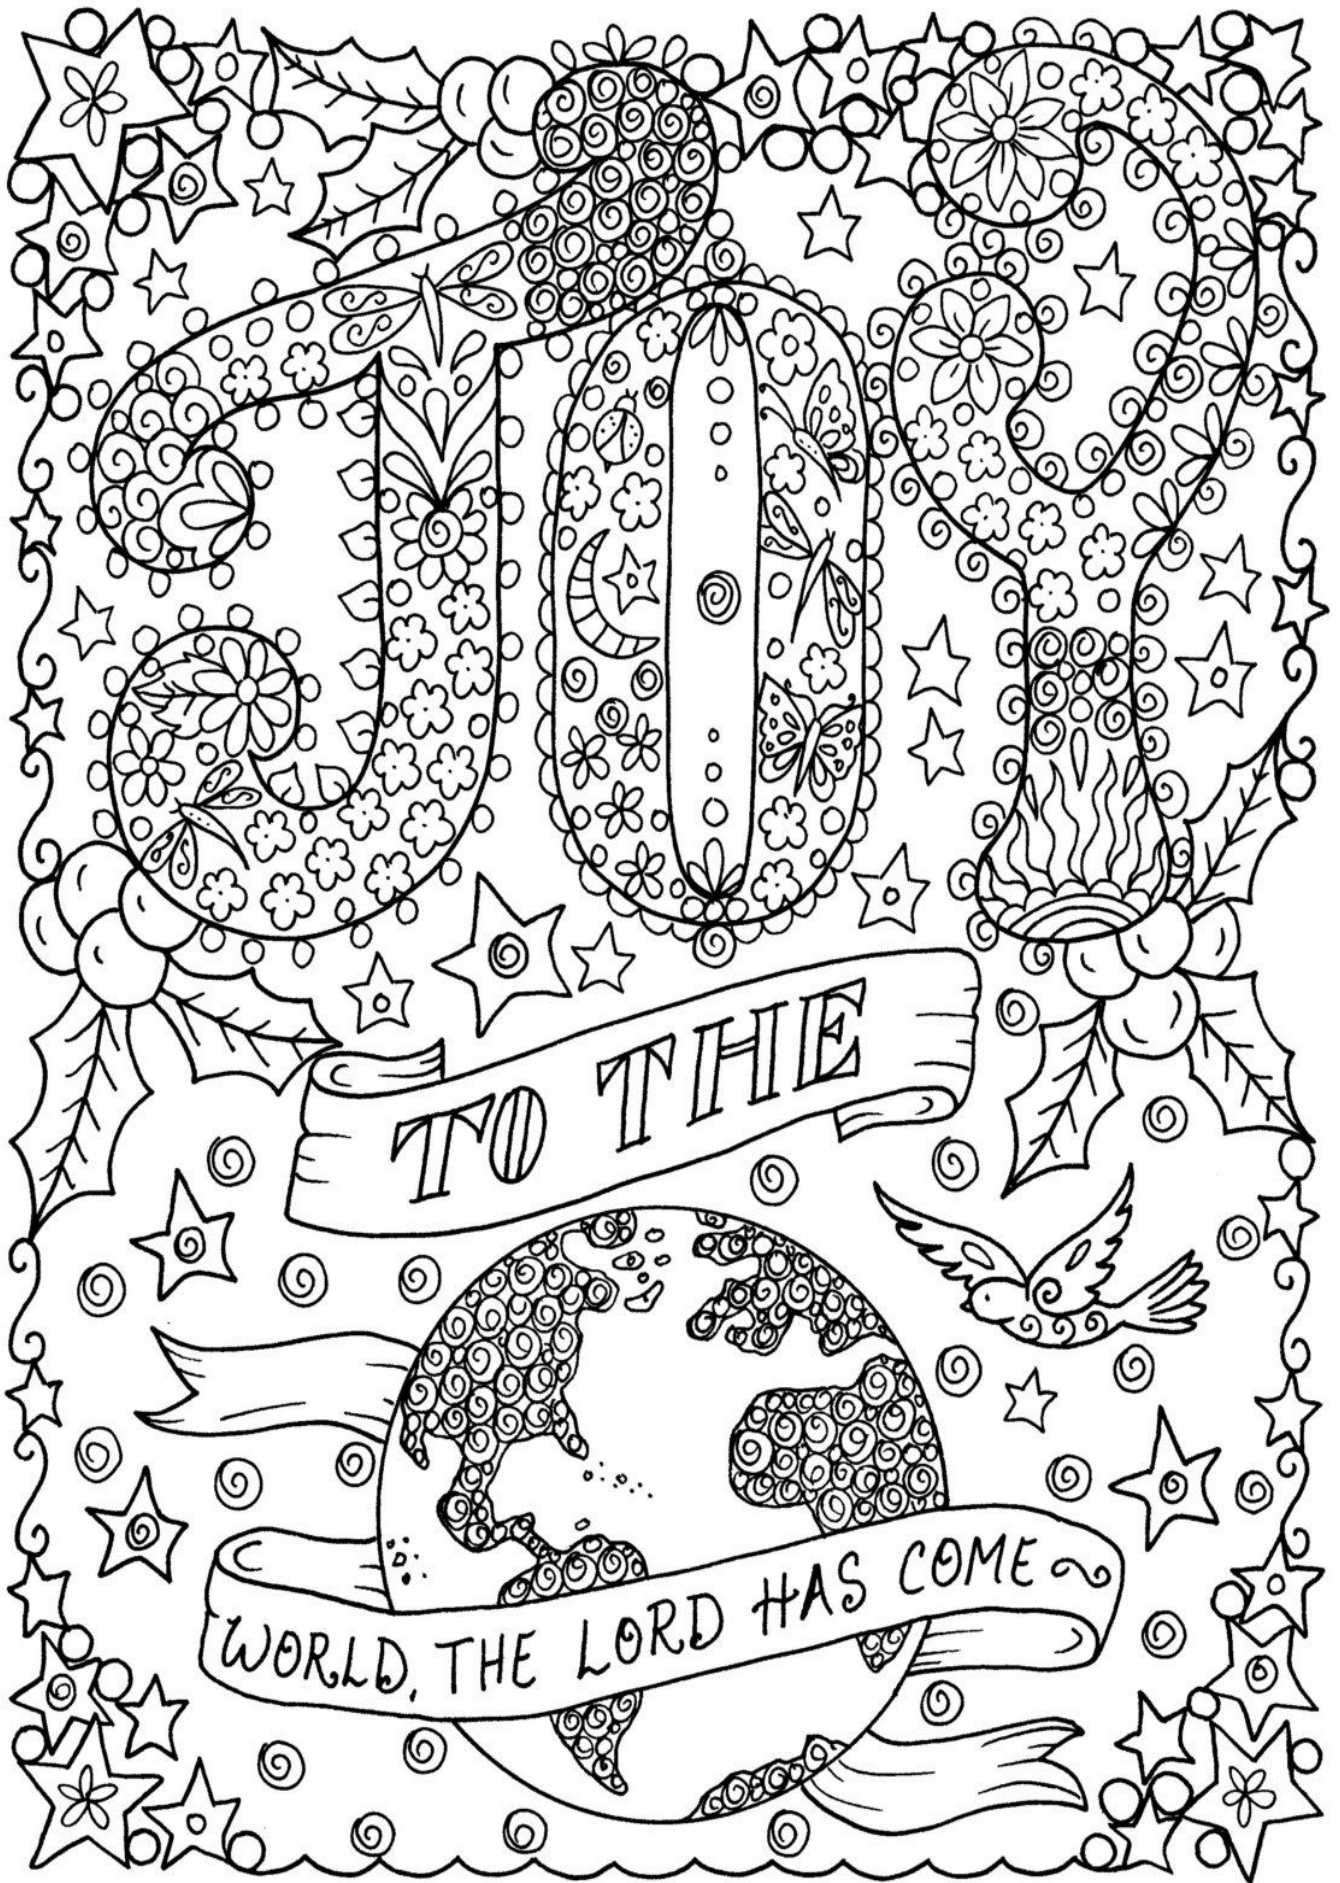

There will be prizes for all age groups. Extra pages can be collected from Coolgardie Health Centre or the recreation centre. Please have all entries named and returned to the health centre for judging by Monday, December 9, 2019.

KAMBALDA WEST

PLAYGROUP

NOVEMBER/DECEMBER 2019

Any day spent with you is my favourite day, so today is my new favourite day!

Why Playgroup?

Children under five are going through a stage of rapid brain and skill development. For optimum development your young child needs a stimulating environment in which to play and learn.

Playgroup offers babies, toddlers and young children a wide variety of early learning experiences. It's a great way for your child to learn about the world, make friends and develop social skills. Playgroup also gives mums, dads, grandparents and caregivers a chance to meet to share ideas and experiences. Many long-term friendships begin at playgroup.

Hello!

Our new committee leading the way into 2020 would like to say a big hello, an even bigger thank you for your ongoing support and just a little bit about what we love about this beautiful town.

Jacinta Perkins, President

Q: How long have you lived here? **A:** Five and a half years.

Q: What do you love about Kambalda? **A:** I love how welcoming, friendly and supportive the community are of each other, it's heartwarming. The sunsets are stunning, plus who doesn't love hearing the peacefulness of nature every morning and evening. We have had our two beautiful girls here and I couldn't imagine being anywhere else.

Nancy McCulloch, Secretary

Q: How long have you lived here? **A:** Three years.

Q: What do you love about Kambalda? **A:** I love that everything is close by and having friends here that I can call my second family.

Salimah Ainsworth, Treasurer

Q: How long have you lived here? **A:** Four years.

Q: What do you love about Kambalda? **A:** I love that my kids love it here. I like the community spirit, the quiet and the remoteness of this place. The sunsets and the stars!

Celebrating Spring

Can't start spring without a spring clean! Throughout September/October it's been all hands on deck, from our wonderful parents and their little ones, sorting, cleaning and washing our much-loved equipment, kitchen and storerooms.

To celebrate our cleaning success, we decided it was time to decorate and bring the outdoors in with a few spring additions. We thought it was time to make our room a little more homely and what better way than with some beautiful peace lilies.

Continued P73

From P72

The little ones had a great time painting our new pots, with everyone getting involved, and then treating ourselves to some delicious smoothie ice pops made by the little ones in previous sessions.

Did someone say Tie Dyeing?!

On Friday, October 18, we celebrated 'Loud & Proud Shirt' Day which is a charity that helps children who are hearing impaired. To show our support we asked the children and their parents to bring in anything white that they wanted to tie dye - and boy did we tie dye!

Some of the creations were out of this world, so colourful and creative. The most exciting part was unravelling our shirts and seeing the patterns and colour immersions.

We do have tie dye shirts for sale so if you would like to know more check out the Kambalda community Facebook page or email kambaldawestplaygroupwa@outlook.com

UPCOMING EVENTS:

- November 2:** Nickeltown Car & Bike show
- November 8:** Remembrance Day (11th Nov) activities
- November 12:** 17th Recycling week
- November 22:** Fun in the sun water play
- December 4:** Boardies Day SLSA

Recycling week

With Recycling week coming up we are collecting lids from bottles/jars for an art project that will be displayed in our activity room. Donations would be greatly appreciated and can be dropped off at Oil & Spice or at our playgroup room on Wednesday and Friday from 9am-11.30am.

Fundraisers

We have two more fundraisers coming up. We will be at Nickeltown Car & Bike Show where we will be selling tickets for our summer fundraiser. Prizes include a Red Balloon experience, a family pass to the Kalgoorlie Speedway plus much more!

Our last fundraiser for the year will be at the KWDHS market day where we will be selling delicious baked goods, Christmas craft must haves and refreshing punch, not to mention our lucky dip for the little ones. So be sure to come down say hi and help us reach our goal of purchasing mud kitchens.

Playgroup runs every Wednesday and Friday from 9am-11.30am. Bring your little one's favourite piece of fruit to share with the group and come see what all the fuss is about. For more information contact either Jacinta Perkins or Nancy McCulloch on facebook, messenger or email: kambaldawestplaygroupwa@outlook.com

Brag about the must-see gems in your town!

COOLGARDIE WA PHOTOGRAPHY BY CHUCK THOMAS

This exciting new project from Artgold, Our Gems WA celebrates the arts, culture and creativity in our Goldfields Esperance region.

Our website and accompanying app will provide an invaluable resource for visitors and locals alike to discover and access arts and culture opportunities available from Ravensthorpe to Eucla, Wiluna to Warburton and everywhere in between!

Supported by
Royalties for Regions

What's on the horizon for Gems?

Website

Designed as a comprehensive directory of all the arts and cultural organisations and attractions across our broad region, with an events calendars for each town. All the information in one place, easy to update and with easy access for each town.

Phone App

Complementing the website, the phone app will point out the must-see sites in our region. With engaging features and educational content, the app will get visitors and locals interacting with arts and cultural attractions in our region.

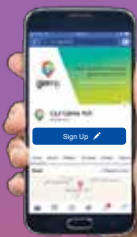

Training

Training opportunities will be available for all Gems participants. From intensive on-the-ground training in your area, to 5 minute mini webinars that can be joined wherever you have an internet connection! We want to connect and upskill our arts professionals.

How can you get involved?

To make sure your arts practice, attraction or organisation is included in this massive project, head over to the Our Gems WA facebook page and click on "Sign Up". Fill in the form to tell us what's special about the must-see gems in your town!

Hot Water Systems

By getting a simple service or an anode changeover you can increase the life of your system and the quality of your hot water.

- Rotting anodes can destroy an otherwise perfectly good system, changing them before this happens is very important.

- New installations
- All servicing and repairs
- Anode changeovers
- Gas, Electric and Instantaneous

Burst and Leak Repairs

Evaporative airconditioner lines are prone to bursts during winter due to frost. We don't just fix leaks, we can:

- Re-run a whole new line
- Insulate your line to prevent bursts
- Shut down your AC to reduce the chance of bursts - Recommended every winter
- Fix the burst and test the line for faults

Your local **GOLDFIELDS** tradesmen, servicing from Norseman to Wiluna

No job too big or small, Taps does it all

Scroungers Page

One man's junk is another man's gold, it has been said, so with this in mind we would like to collect your left over scrap metal. This could include such things as -

- Aluminium cans
- Copper pipes
- Car batteries
- Lead flashings
- Brass taps and fittings

If you think it might be of some value please contact Ray on 0458 187 009.
